DIRECTOR GENERAL REYNOLDS: Our Imperial Chaplain, the Reverend Dr. Robert P. Gates, will now offer the Invocation.

REVEREND DR. ROBERT P. GATES [Imperial Chaplain]: It is written, "Be still and know that I am God."

Please join me in the stillness of prayer.

God, our Father, if we did not know for certain that You are the one and only God, the Grand Architect of the Universe, we would not be Shriners or a Brotherhood of Masons. However, we are and we are grateful that You have called us into this Oasis of refreshment and renewal in body.

On this Fourth of July, we are particularly joyful as we remember with thanksgiving those dedicated and patriotic Masons led by the Father of our Country, George Washington, who, with faith, courage and sacrifice, erected a nation fathered on the light of Masonry as inscribed by Brother Thomas Jefferson.

May the light, liberty and pursuit of happiness continue to glow across the horizons of this earth and may we assemble here at the Imperial Council of the Shrine of North America and add to the brightness as we dedicate ourselves to bring life and health to our crippled and burned children and happiness to all who view our red Fez in our pageantry so that we may prove to be worthy students of the world's greatest philanthropy and fraternity.

We ask all of this in glory of You and Your devine will. This we pray as Your devoted servants. Amen.

DIRECTOR GENERAL REYNOLDS: Thank you, Dr. Gates.

It is now my distinct honor to declare this One Hundred Ninth Imperial Council Session open and at this time I wish to recognize the entertainment provided by the El Jebel Temple band directed by Noble Marvin Feldman. (Applause)

Thank you very much, bandsmen, for a job well done.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests, Most Worshipful Grand Masters, Nobles and Ladies and Gentlemen: Some forty-odd months ago,

Dr. Bowers appointed a Director General and that means that in those forty ensuing months up to the present there has been considerable accomplished, there has been a lot of work done and this work is not done without good heads and good hands because a man can only lead, as well testified by your Imperial Divan.

Soon after this time three years ago, as a matter of fact, on the shores of Lake Erie in Cleveland, we made our initial pitch for Denver in 1983 and a year later, in New Orleans, at the 107th Imperial Council Session, another pitch was made for this convention and, finally at the 108th Convention in Orlando last year, the final pitch was made for the 109th Imperial Session.

How well did we succeed? Well, you are here. (Laughter) Not only that, but in our parade tomorrow there will be sixty-seven Temples represented, which is the most since 1975 when, in Toronto, there were seventy Temples represented.

This pretty well attests to the response by the Temples and we also ordered good weather for you and we will see that for the parade.

However, we sincerely welcome you. We are glad you are here and Denver will feel the impact of your presence for a long time to come I am sure.

We hope that yours will be a pleasurable, mile-high experience. Thank you very much. (Applause)

Now, we are privileged to have with us today on the dais, distinguished leaders of government, the Masons and the Shrine. It is with great pleasure that I introduce to you first the United States Congressman from the Sixth Congressional District of the State of Colorado, the Honorable Daniel Schaefer.

THE HONORABLE DANIEL SCHAEFER [United States Congressman, Sixth Congressional District, Colorado]: Thank you very much, ladies and gentlemen.

It is a pleasure to certainly be here today. I do feel a little bit naked in here on the stage, being the only one without a red Fez on and I asked Bob if he would lend me his and he said, "No way, not today." (Laughter)

We really do welcome all of you to Denver and, Bob, I want to tell you that I am glad the pitch you made was really good at Toronto, Orlando and New Orleans because we in the State of Colorado have a number of people who certainly are associated with the Shrine and of whom I am very familiar with. They have been working for the Shrine for many years and we are familiar with the tremendous work that is done, not only in this nation but other nations by these individual organizations.

Therefore, for the maimed and crippled children who have been helped in many ways, I would extend to you our thanks and appreciation all over again. As a matter of fact, many people out there are familiar with you because of that and because of the fame of the Shriners East-West Game, which raises many, many dollars every year. However, a lot of them do not know about all of the hard work and efforts that have been put into the organization over the years and I think this is a story that should be told and I want to take just a moment and personally, from the depths of my heart, thank you for all of these children.

Also, for the State of Colorado, we certainly do welcome you here and we look forward to doing our best to try to make this a most joyous and joyful convention for you.

Thank you all so very, very much.
(Applause)

DIRECTOR GENERAL REYNOLDS: Thank you, Congressman Schaefer.

May I now present to you the Potentate of Mohammed Temple, the Temple of our Imperial Potentate, Illustrious Sir Robert D. Johnson. (Applause)

Let me say that Brother Johnson has reminded me of our protocol. He is not supposed to talk. (Laughter) Thank you, Bob.

And now the Potentate of our Host Temple, Illustrious Sir Marion Pifer of El Jebel Temple, Denver, Colorado. (Applause)

And now, ladies and gentlemen, I am particularly delighted to introduce to you the Grand Masters on the stage. Please hold your applause until all of them are standing.

From the State of Alaska, Most Worshipful Grand Master John C. Ingram.

THE IMPERIAL COUNCIL

From the State of Connecticut, Most Worshipful Grand Master Frederick H. Lorensen.

From the State of Florida, Most Worshipful Grand Master Robert L. Goldsmith.

And from the State of Georgia, Most Worshipful Grand Master Knowles.

... Rising applause ensued...

DIRECTOR GENERAL REYNOLDS: To speak on behalf of all of the Grand Masters present, we have asked the Grand Master of Colorado and the Grand Master of Illinois, the home state of our Imperial Potentate, to speak in behalf of all of them.

Therefore, first, and with a deep sense of pride, I introduce to you the number one Mason in this jurisdiction, who is an able leader and a wonderful individual, the Grand Master of Masons in Colorado, the Most Worshipful Samuel Berman.

... Rising applause ensued as Most Worshipful Brother Berman approached the podium...

MOST WORSHIPFUL BROTHER SAMUEL BERMAN [Grand Master of Masons, Colorado]: Thank you.

Dr. Daniel Bowers, Imperial Sir; Imperial Sirs; Nobles; Ladies of Shriners and Ladies of Master Masons and Guests: In behalf of the Grand Lodge, A.F. and A.M. of Colorado, in behalf of the 33,365 Masons, we welcome you to this City and County of Denver in the State of Colorado.

This is a most momentous occasion for Freemasonry in this state—to have the Nobility of the entire North American continent come to the beautiful confines of the State of Colorado.

Freemasonry is an organization of men of various facets and opinions. Freemasonry has always been in the forefront of freedom. Freemasonry has always been in the forefront of philanthropy.

Through our scholarship program, we give the gift of speech to little children, we give them the power to walk through our orthopedic hospitals and, of course, repair their burned bodies through our Burns Institutes.

How proud it is for the Master Mason to wear the red Fez and how proud we also are of the good we are doing for humanity.

It is to be remembered that every program that Freemasonry fosters and sponsors, whether it be a scholarship program, whether it be a medical program, is done without preference to race, color or creed, sex or national origin.

The world at large benefits from Freemasonry and when you leave this city and county, I am sure that Colorado will be so proud of you and more understandable of the philanthropy of Shrinedom.

Millions of dollars from 1922 through 1982 as a matter of fact, the sum of \$790 million, has been spent by our Orthopedic and Burns Institutes. Further, 250,000 outpatients-inpatients have been treated and no money has exchanged hands. I do not think there can be another prouder fraternity in this country with those accomplishments.

It was my destiny to be Grand Master in 1983 when the Shrine decided to come to Colorado. I am honored, and the State of Colorado is honored. Thank you very much.

... Rising applause ensued...

DIRECTOR GENERAL REYNOLDS: Thank you, Most Worshipful Samuel Berman.

And now it is my privilege to introduce to you the number one Mason in the State of Dr. Bowers—a good friend of our Imperial Potentate and, I am delighted to tell you, a member of Mohammed Temple—the Grand Master of Masons in Illinois, the Most Worshipful Raymond Bachman.

... Rising applause ensued...

MOST WORSHIPFUL RAYMOND BACHMAN [Grand Master, Illinois]: Imperial Sir, Imperial Sirs, Ladies and Gentlemen of the Shrine and Masons All: I want to express a hearty thank you for being invited to share in this 109th Imperial Session and for your gracious hospitality. I bring the good wishes of over 150,000 Freemasons in the State of Illinois. I am also pleased to be here because the relationship between Shrinedom and Ancient Craft Masonry in Illinois is excellent. We are working together and complementing each other's efforts in promoting and stimulating this great fraternity.

One of the things that we in Illinois, along with many other jurisdictions are trying to do is to make Masonry more visible, attractively visible, if you please. We believe that the best avenue of approach to visibility is through charity.

All of us as Shrine Masons believe in charity because we support what is often referred to as the largest philanthropy in the world—the Hospitals for Crippled Children and the Burns Hospitals. We believe, however, there are some additional things that can be done and should be done to enhance our image because not everyone knows about our hospitals and our large charities.

In many communities, for example, you have to ask several people where the Masonic Temple is before you find one who knows. To make Masonry visible and known, we are encouraging local Lodges to participate in community affairs and do acts of charity in their hometown, both for members of the fraternity and those who are not. This same sort of program will do a great deal to enhance the image of the local Shrine Club.

Your next door neighbor will then know what Masonry is, what it does and why we are here. Your civic leaders will see that we are an organization that gets things done—that we are concerned about our fellow man. You are then no longer a stranger in your community. You have made yourself attractive to people who are concerned with others and created a desire and a reason for wanting to be a part of your organization.

Another area in which we need to make ourselves attractive is with our youth organizations. Without our youth, Freemasonry and Shrinedom are one generation away from extinction. They need our support both physically and financially.

I am going to close with a story told by a Grand Master friend of mine that illustrates what I am trying to say.

A certain Brother said to another Brother, "Our youth organizations cost too much. They are always asking for my time, my services, my attendance or my money."

The Brother replied in this fashion: "Some time ago, a little boy was born in our home. He cost us a lot of money from the very beginning. He had a big appetite, he needed clothes, medicine, toys and even a puppy. Then he went to school and cost a lot more; later he went to college. When he began dating, that cost a small fortune. However, in his senior year of college, he died, and since the funeral, he has not cost us a penny. Which situation do you think we would rather have?"

That simply indicates that if we know what we want in our future we have to do what it takes to get there. I believe this great fraternity has very few problems and a multitude of opportunities.

Thank you very much.

... Rising applause ensued...

DIRECTOR GENERAL REYNOLDS: Ladies and gentlemen, to continue with introductions, then his own remarks, it is with high privilege and distinct honor that I

THE IMPERIAL COUNCIL

present to you the number one Shriner in North America, one who has given much of himself to the Shrine and its magnificent philanthropy for many years—from Mohammed Temple, Peoria, Illinois, the Imperial Potentate of the Shrine for North America, Imperial Sir Daniel E. Bowers, M.D.

... Rising applause ensued...

IMPERIAL POTENTATE BOWERS: Please be seated.

Richard B. Olfene, Deputy Imperial Potentate, Kora Temple, Lewiston, Maine.

Now you may receive them. (Applause)

And now protocol indicates that I make a few remarks.

As you can see, I am quite at ease because as the Director General indicated to you, a few years ago we made a decision to come to Denver and here we are this afternoon at this opening ceremony of the 109th Imperial Council Session to greet you, to wish you well and, of course, to stay well.

Also, if you do get sick, I have a little kit that may take care of you. I hope, however, I do not have to use it. Therefore, please have a delightful time here in Denver.

Is this not a pleasant place? (Applause)

You know, in the last century, when we think of such places as Black Hawk, Leadville, Central City, those towns in the hills, during the early days, they were much larger than Denver but what has happened with the passing of time? Well, the gold and silver played out.

These towns, however, are still there but they are small.

Would you realize, however, that back in the early days and during the Gold Rush that Central City, for example, had some 25,000 people and today, as you ladies who were up there a few days ago know, it is a very small town.

In those days, of course, people were wiped out in great numbers by diphtheria. Of course, that is hard to believe but that is what happened.

On the other hand, what has happened to Denver? Well, Denver was a city of supply and these supplies came in to Denver and then, in turn, were filtered out through the hills and canyons up into these cities and here today we have the great metropolis of Denver—the biggest city on the western edge of our plains.

We come to this great metropolis here to enjoy all of its hospitality, all of the pleasant mountains, snow-capped ones; its universities; the mint; the Air Force Academy; Colorado Springs; etc. It certainly is a great pleasure for all of us to be here in this great city of yours.

Our organization has grown only because of the great philanthropy, of the brotherhood of man and the Fatherhood of God so we have come here and we are having a good time.

Also, as you have already been told, we do have a purpose and interest in being together and, therefore, our philanthropy is so important to us in our daily lives and in the development of our great society as a free people.

Delivered to my room yesterday was a letter which I just read this morning and it epitomizes what you and I believe as Masons and Shriners and with your permission, and I hope the writer does not object, I would read this letter which, in reality, really tells the whole story.

It is dated July 1, 1983 and it reads as follows:

"Dear Imperial Potentate: Thank you for helping me so today I can walk. I was born with a clubfoot. My folks had ten operations on me and none worked. My dad was a Shriner and in 1930 I went to your hospital for three months and, after several operations, I can now walk without braces or crutches.

"I had my left shoe built up but I have no problems.

"Today, as I head for the Denver Airport, as I walk out of my room, I thank the Shriners and God for my many blessings and I am so fortunate and each and every day I am grateful.

"Please keep helping others."

"I belong to Hella Temple in Dallas. Have a great convention."

Now then, he has signed his name but I will not give it to you. Nevertheless, this is why we come to Denver—this is the cause that we serve. It speaks so well of the depth and the heart of each Shriner.

Therefore, it is a privilege for me to welcome you this afternoon, to participate in all the activities in the cause in which we serve and, you know, I must tell you that I have been very, very busy the last few days.

The media has been very good to us Shriners this year. This includes those on television and, of course, the papers have given us excellent publicity. It bespeaks well for the generosity of the people of this community. It is great.

Therefore, with these remarks, I conclude what little conversation I can give to you but I am sure you will join with me in this great purpose, in this great convention and I will now turn it back to my good friend, Jack Jones, because I believe he has a few remarks to make at this time.

... Rising applause ensued...

IMPERIAL SIR JACK JONES [Imperial Recorder]: Imperial Sir, I just have one brief announcement.

For all those of you who have picked up your packets or maybe have not, please exchange your coupons as quickly as possible. Three o'clock tomorrow afternoon will be the deadline for exchanging coupons for the Imperial Banquet, the Ladies Luncheon and the Souvenir—again, three o'clock tomorrow afternoon. If there are any Representatives who are not here that you know of and who may not have exchanged these, please advise them to do so before three o'clock tomorrow afternoon.

IMPERIAL POTENTATE BOWERS: Ladies and gentlemen, I think I would be remiss if, before we closed here, I did not introduce my family.

... Whereupon, Imperial Sir Bowers introduced the various members of his family... (Applause)

IMPERIAL POTENTATE BOWERS: It certainly is nice to have all of them with me. It certainly is a great source of comfort.

Again, have a great time while you are in Denver and with that, let me again extend to you my thanks for coming and God bless you all.

This will conclude our Public Opening Ceremony.

...Whereupon, at four-five o'clock p.m., the Public Opening Session was adjourned...

AFTERNOON SESSION
TUESDAY, JULY 5, 1983
THREE O'CLOCK, P.M.

The One Hundred Ninth Annual Session of the Imperial Council was convened at the Denver Hilton Hotel, Denver, Colorado, on Tuesday, July 5, 1983, at three o'clock p.m., Imperial Potentate Dr. Daniel E. Bowers presiding.

IMPERIAL POTENTATE BOWERS: Gentlemen, would you please be seated.

Good morning, gentlemen.

How did you like the parade?

...Cheers and applause ensued...

It certainly was a great day for a great parade, not too hot and a little breeze.

It is a delight to have all of you with us this afternoon. At this time we will have a few remarks by our Director General, Bob Reynolds.

DIRECTOR GENERAL REYNOLDS: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles All: It is a great pleasure to welcome you to this opening of the 109th Imperial Council Session and to say we are happy you are in Denver.

I guess from the number of Temples that were in the parade this morning, you know that you had a lot of company and that they, in turn, enjoyed parading because the weather was great. We hope you will have a very pleasant stay in Denver and may you experience everything that is pleasurable.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Bob.

Let me inform you that we have almost a third new members who have come to this Imperial Council Session for the first time as Representatives. You will be making great decisions as we progress here and these will be momentous days.

We ask that you make your best judgment in relation to these decisions. Again, it is nice to have you with us.

At this time, I will ask that you all rise, remove your Fezes and we will have the Invocation by our Imperial Chaplain, Dr. Gates.

REVEREND GATES [Imperial Chaplain]: This is the day the Lord has made. Let us rejoice and be glad into it. Let us pray.

Our Father and our God, we surely have rejoiced this day in the splendor of our Shrine Units which have paraded through the heart of this beautiful Mile-High City bringing gladness to all.

May the glory of Your heart continue to deploy through our hearts and minds and help us onward to bring increasing happiness and health to our Brother Nobles and needful children.

Bless us and all that we do here today so that we may continue to be pleasing to others. Amen.

IMPERIAL POTENTATE BOWERS: Thank you, Dr. Gates.

The most important thing, gentlemen, is that you relax, stay comfortable and I am sure, if you will do that, we will have a nice business session.

It is now my pleasure to declare this 109th Annual Session open for business, waiving all forms and ceremonies.

At this time we will have the report of the Credentials Committee, Roger Murdock, Chairman.

NOBLE ROGER MURDOCK: Imperial Sir, Illustrious Sirs, Imperial Sirs and Representatives: I will not read all of the names but I will give you the total figures and the names will be placed in the files of the Imperial Recorder.

This is the report of the Credentials Committee.

Imperial Sir, I move the approval of this report.

IMPERIAL POTENTATE BOWERS: Is there a second to the motion?

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: All those in favor please say aye; opposed no. It is approved.

...Business was conducted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: I will now call upon our Imperial Recorder for some announcements.

...Various announcements by Imperial Recorder Jones ensued...

IMPERIAL SIR JONES: I would also like to announce at this time that as far as the report of the Imperial Recorder is concerned, it is in the Book of Reports which was sent to all of the Imperial Representatives prior to this session and the report of the Imperial Recorder is located on Pages 2 through 15 and I would like to call your attention to that.

Also, Imperial Sir, I have a letter that I would like to read that was just received from William Armstrong, United States Senate, Washington, D.C.—a Senator from this state.

"Dear Dr. Bowers and Shriners: I join with El Jebel Temple of Denver in welcoming you to the Queen City of the West for the 109th Imperial Council Session of your outstanding organization.

"Denver and Colorado are honored to host this convention for the third time and I am confident that the 40,000 Shriners visiting this week will help ensure an even greater convention than those that preceded in 1984 and 1960. Although Shriners are widely known for the fun and revelry they bring to a city, I am even more cognizant of and grateful for the important work you do in the twenty-one Shrine Hospitals for Crippled Children and the young lives you have touch and saved.

"Please know I send my congratulations and best wishes to you for an enjoyable and successful week in Denver and our great State of Colorado. Best regards."

Imperial Sir, that concludes my announcements.

IMPERIAL POTENTATE BOWERS: Thank you, Imperial Sir.

At this time, your Imperial Potentate announces and proclaims this session open for business to be transacted in the Iowa, Colorado and all appended charitable corporations and it will remain open until the session is adjourned.

At this time I would like to welcome, if he is here, the Grand Master, Knights Templar, Ned Dull. I would welcome you at this point, Illustrious Sir, because you were not here yesterday. It is nice to have you with us. Thank you for coming. (Applause)

Now, gentlemen, how did you like the Annual Report? (Applause)

I think that the little child on the front bespeaks well of our great charity. That smile is emblematic of what you gentlemen do and so I was pleased as well that it turned out that well.

Again, I look forward to a great convention here in Denver. Up to now it has been most delightful and I am certainly happy to extend my energies any way I can to help this great fraternity of ours to always pursue our great efforts for our great philanthropy.

This past year I have traveled much and, as you will read in the Annual Report, all those that I have met have been most gracious and kind to me and to Virginia as we traveled across the country. I cannot think of one moment of distress throughout the entire year. We have traveled over 100,000 miles visiting Temples and Associations, football games, receiving checks, attending Ceremonials and now here we come to this great City of Denver now, for our convention.

Also, as I told you last night at the Banquet of the Recorders, we as Delegates are not tired because we are working for a great cause and no matter how much we spend out of our own pockets, we are happy to do so because we share in this great charitable organization.

Therefore, I again say to you—thanks for all of your kindnesses, both in behalf of myself and Virginia. Therefore, once again, my special thanks to all of you here this afternoon.

Throughout this past year my purpose has been, and I am sure that this will be the purpose of those succeeding me, to maintain the high caliber of the Office of Imperial Potentate because, after all, you are those who elect your Imperial Potentate and then, of course, tomorrow we will likewise elect other officers and, in this connection, this is where you have to use your best judgment, in the selection of candidates for these various offices. That is really not politicking, it is just a normal procedure when you exercise your good talents and particularly those of you who are new to the Imperial Council this year.

Now, it is my privilege to call upon our Chairman of the Committee on Transactions of Imperial Officers, Thomas Melham, to give his report.

PAST IMPERIAL POTENTATE MELHAM: This is the report of Transactions of Imperial Officers:

Your Committee on Transactions of Imperial Officers, as required by Section 208.7(b) of the Bylaws of the Iowa Corporation, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures, and bonds, be referred to the Committee on Finance and Accounts.
2. That all matters relating to edicts, orders, decisions, and recommendations as to statutes and laws, be referred to the Committee on Jurisprudence and Laws.
3. That all matters pertaining to grievance and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.
6. That all five of these matters be first referred to the Jurisprudence and Laws Committee, and that such committee report directly to this Imperial Council to take such action as it deems necessary.

Further, this committee calls to your attention that certain reports of the Imperial Potentate, the Imperial Treasurer and the Imperial Recorder have been prepared in advance and were either mailed to you or were included in the registration envelope given all Representatives at the time they registered for this 109th Session.

Respectfully submitted,

Imperial Sir, I move for the acceptance of our report.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second for the acceptance of this report.

All in favor indicate by saying aye; opposed. It is approved and thank you, Mr. Melham.

I now refer the matters to be considered by this 109th Annual Session to the following committees:

1. To the Jurisprudence and Laws Committee:
 - (a) All proposed amendments, resolutions and requests.
2. To the Grievances and Appeals Committee:
 - (a) All matters of controversy, grievance, discipline, or appeal.
3. To the Dispensations and Charters Committee:

 - (b) The following proposals to amend the Bylaws: Items 7, 8 and 9 of the Call.
 - (c) The resolutions to change the location of Tigris and Karnak Temples.
 - (d) The application for dispensation for El Shab Temple.
4. To the Jurisdictional Lines Committee:

 - (b) The application for dispensation for El Shab Temple.
 - (c) The proposal for change in jurisdictional lines in Missouri which is contained in the registration envelopes.
5. To the Finance and Accounts Committee:

6. To the Time and Place Committee:

7. To the Mileage and Per Diem Committee:
 - (a) All matters concerning the mileage and per diem expenses to be paid at this session.
8. To the Insurance Committee:
 - (a) The proposal to amend the Bylaws which is Item 12 of the Call.
9. To the Masonic Relations and Membership Development Committee:
 - (a) Item 4 of the Call.

IMPERIAL POTENTATE BOWERS: I would now like to recognize the Chairman of the Jurisprudence and Laws Committee for the purpose of explaining the procedures.

NOBLE THEODORE CORSONES [Chairman, Jurisprudence and Laws Committee]: Imperial Sir, Imperial Sirs and Representatives: The Jurisprudence and Laws Committee will again, as it has during the previous Annual Sessions and meetings, report to you on the form and legality of each proposed amendment to the Bylaws and upon its consistency with other provisions of the Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be. Likewise, we will report on resolutions and requests.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee, as such, is either in favor of a proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal; and any of us, like you, may wish to participate in the debate concerning one or more of the proposed amendments, resolutions or requests. In so doing, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

This year, when our committee makes a report to you, it will, at the commencement of the report, refer you to the appropriate page on the Call where the proposal appears so that you can quickly identify the matter. In the event the matter to be discussed is a matter that is contained in your registration envelope rather than in the Call, we will so alert you.

We are confident that you have already studied the proposals and are prepared to consider them. However, should this assumption not be entirely accurate, we urge you to do so promptly. At each business session, bring the Call with you as it contains the proposals. Also, bring with you the Bylaws of the Imperial Council and Shriners Hospitals for Crippled Children. You may wish to make reference thereto.

In most instances, pending proposals, resolutions and requests will be considered in the following order:

1. Report of the Jurisprudence and Laws Committee.
2. Report of any other committee to which the matter is referred.
3. Recognition of the sponsor for his motion to adopt and his explanation of the proposal.
4. Your consideration, debate and action.

The Jurisprudence and Laws Committee will not ask you to "receive" our report as, by the very fact of you listening to our report, you are "receiving" it. Hopefully, it will eliminate some procedural confusion. We will, however, answer any inquiries you may have concerning our report.

We once again solicit the courtesy you have historically shown to your fellow Nobles when it is their turn to speak on a matter under consideration. In this regard, we call to your attention that our Bylaws provide "No motion, which, if adopted, would have the effect of stopping debate upon a motion to amend the Bylaws, shall be in order until at least two opponents, if there be that many, have had at least five minutes, if they desire that much time, to speak in opposition to the motion to amend the Bylaws."

Finally, we want it to be imminently clear that we are here to serve you. The Jurisprudence and Laws Committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in our area of expertise. We will make every effort to serve this Imperial Council as you see fit.

Are there any questions about the procedures or this report? If not, Imperial Sir, I thank you for allowing me to address this session.

IMPERIAL POTENTATE BOWERS: Thank you, Mr. Corsones.

I will next call upon the Chairman of the Election Tellers Committee, Joe C. Howell, to explain the election procedures concerning this session.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: When you registered, you received a package like this (indicating). In that package you received a ballot book similar to this (further indicating) one.

If you do not have it with you, please get it and keep it with you at all times.

When the appropriate time comes, the Imperial Sir will select a ballot. We will not know what it is until that particular time comes. No other ballots will do.

When we take up the ballots, we will have the Tellers go across, just like in church, pick up the ballots and we will do it as quickly as possible and give you the returns just as quickly as possible.

Thank you, Imperial Sir.

IMPERIAL POTENTATE BOWERS: Thank you, Mr. Howell.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: I will now recognize Ed Maag for the purpose of giving a report of the Committee on Jurisprudence and Laws.

NOBLE EDWARD MAAG [Reading]: To the Representatives of the Imperial Council:

The Imperial Potentate's General Orders (Series of 1982-1983) were issued pursuant to Section 206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation, and copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Theodore Corsones, Chairman
Walter S. Pettit, Jr.
Edward G. Maag
Robert E. Cooper
Gordon H. Harris
Robert C. Lake, Jr.
Robert W. Morrison

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1982-1983) be approved, and I recommend that you allow Deputy Imperial Potentate Richard B. Olfene to conduct the vote as this motion involves your Orders.

...The motion was duly seconded and Deputy Imperial Potentate Olfene was handed the gavel...

DEPUTY IMPERIAL POTENTATE OLFENE: You have before you the motion and the second for approval as indicated. Is there any discussion?

If not, all in favor please say aye; those opposed no. The motion is carried.

July 2-6	1984	Boston, Massachusetts

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE SECRETARY FOR FRATERNAL AFFAIRS AT THE GENERAL OFFICE IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporation and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1983 IMPERIAL COUNCIL SESSION

The 1983 Session of the Imperial Council will be held in the City of Denver, Colorado, the week of July 3, 1983. The Director General is Robert C. Reynolds, 925 N. Federal Boulevard, Denver, Colorado (80204); telephone number (303) 623-8896.

Chief Rabban of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Denver area with the Housing Chairman as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Denver, Colorado in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Records to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1983 Session in Denver, Colorado.

Potentates, Records, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Denver are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Denver is Monty Hutcheson, 610 S. Alton Way, #9-D, Denver, Colorado 80231; telephone number (303) 343-4869.

The Executive Secretary-Fraternal Affairs will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other Temple Officers who are not Representatives, and the distinguished guests.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make

every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

It is suggested that if convenient time is available, a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary-Fraternal Affairs) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all Shrine meetings.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary-Fraternal Affairs.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Secretary-Fraternal Affairs at the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities for their administration to the Temple membership at a meeting and proceed in accordance with the vote of the membership.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the

tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-Laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

1. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in Property and Casualty insurance matters, and the fourth member shall be the Temple Legal Counsel.

2. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

A. Review all Temple, Shrine Club and Unit operations and activities, including fund-raising events of any kind or nature.

B. Review, analyze and, where appropriate, appraise all Temple properties, whether real, personal, or combinations thereof (including properties held by any holding corporations or affiliated corporations operated in conjunction with the Temple), as well as Shrine and/or Unit properties.

C. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Shrine Clubs, Units, and any holding or affiliated corporations, in order to determine the adequacy and the extent of the coverages afforded compared to the evaluation of the operations, activities and values determined necessary by the Committee in the light of the suggested minimum liability limits and recommended coverages as outlined.

D. Annually prepare a written report to the Potentate and Officers of the Temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage in the insurance program for the Temple activities and exposures known at that time. The report should also include recommendations with regard to insurance coverages or policies necessary to comply with the suggestions outlined in this General Order and to assure adequate protection of the assets of the Temple, its Shrine Clubs and Units, and should also include the best estimates available of the annual cost of the entire insurance program that is recommended.

This Annual report of the Insurance Advisory Committee shall be completed and submitted to the Potentate, and other elected Temple Officers, in sufficient time for it to be used by the Chief Rabban in preparation of the proposed Temple budget for the following year.

Supplements to this report shall be made in writing during the year as events, activities or exposures change, which may require adjustments in insurance coverage to insure proper protection.

A copy of the Annual Insurance Committee report and any supplements thereto shall be sent by the Temple Recorder to the Executive Secretary-Fraternal Affairs by March 1, of each year.

3. Named Insureds

In all Casualty and Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as additional named insureds, only as respects to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Secretary-Fraternal Affairs in our Tampa office Certificates of Insurance on all Workers' Compensation and Liability coverages evidencing compliance with this General Order each time such policies of cancellation or material change to the certificateholder.

THE FOLLOWING, WHILE NOT MANDATORY, ARE INCLUDED AS SUGGESTIONS FOR TEMPLE INSURANCE COVERAGES

The Insurance Advisory Committee shall in their ongoing review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant or affiliated corporations) consider all Temple and affiliated bodies related activities, operations, and fund-raising events. The Committee shall evaluate the Temple and affiliated bodies Insurance Program under the following suggested insurance guidelines:

Note: A voluntary mass-marketed Property and Casualty insurance program is now available to each Temple and Association. The broad liability coverages (similar to Umbrella coverages) are specifically designed for fraternities such as ours. The requirements of the Imperial Council, A.A.O.N.M.S. are automatically included, and in most cases the premiums are lower because of the bulk discounts for Liability and Property insurance that are applied. Contact the Executive Secretary for Fraternal Affairs or the Chairman of the Insurance Committee for further details.

Minimum Liability Limits and Recommended Coverages

A. Comprehensive General Liability insurance, including medical payments for guests and/or members, covering all activities of the Temple, Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased with *suggested minimum* Primary limits of \$500,000 per occurrence. Consideration should be given to providing the following coverages:

Liquor Law liability and Host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosion, for real or personal property whether owned or leased; products liability and/or completed operations coverage; blanket contractual liability for all written (oral, if available) agreements; parade and/or spectators liability; carnival show or athletic event liability; etc. Separate policies may also be required for some portions of owned and non-owned watercraft and owned and non-owned aircraft liabilities, and for physical damage insurance on owned items.

B. Comprehensive Automobile liability insurance covering all Shrine activities of the Temple and its Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased by the Temple and with *suggested minimum* limits of \$500,000 per occurrence. Coverage should include all Temple exposures for owned vehicles, hired cars or trucks and non-owned vehicles. Physical damage insurance for owned vehicles in order to protect these assets and medical payment coverages should also be considered for purchase.

It is recommended that where Temple Units and Shrine Clubs include Member-owned vehicles used in Temple activities, that certificates of the owner's current liability insurance coverage be permanently on file at the Temple. The decision regarding the minimum amounts of insurance protection required for these Member-owned vehicles rests with the Potentate and/or the Temple, but it is recommended that the highest limits available and economically feasible, up to the Temple's non-owned insurance limit, be secured.

Note: Liability limits in excess of the suggested minimum \$500,000 are recommended in most instances and wherever feasible consideration should be given to the purchase of "Umbrella" or similar coverages for general and automobile liability, etc. protection.

C. Workers' Compensation insurance, as mandated by your state law, including coverage for both paid employees and "volunteer" workers, is required.

D. "Named peril" (Fire, E.C.E., Theft, etc.) or "All-Risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (building, contents, uniforms, etc.) of the Temple, Shrine Club(s) and Units.

E. Fidelity insurance for those persons holding Temple funds or property in trust (including Shrine Clubs and Units) must be purchased in amounts sufficient to cover the immediate and long-term exposures where applicable. Fidelity insurance for others, payable in your favor, should always be considered necessary when those outside the Shrine have access to funds that you are or could be held accountable for.

F. Boiler and Machinery coverage, both for physical damage and legal liability, should be purchased if any exposures exist.

G. Any other insurance coverages warranted by the operations and activities of the Temple, Shrine Clubs and its Units, should be considered for purchase (i.e., medical expense reimbursement insurance for participants, livestock mortality coverages, etc.).

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the By-Laws of the Imperial Council.

3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
5. Upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half (½) of the net profits of a designated fund-raising activity may be held by a Temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the Temple or one of its members. Such retained funds shall be maintained in a separate account designated as the "Hospital Transportation Fund." The aggregate amount of the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the Fund revert to Shriners Hospitals for Crippled Children.
6. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three years, such statement to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
7. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children for any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the Temple or any of its Shrine Clubs or Units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1981; and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1981.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

SUMMARY GENERAL ORDER NO. 1

This General Order contains a list of the newly elected Imperial Divan officers, committee appointments made to date, members of the Board of Trustees, miscellaneous instructions to Temple officers and Nobles, amendments to laws adopted at the Imperial Council Session, suggestions regarding the Imperial Potentate's visitations, and other information of value to Temple officers and Nobles.

The complete details of all General Orders are to be kept on file in the Recorder's office and will be made available to any Noble for review.

THE IMPERIAL COUNCIL*of the***Ancient Arabic Order of the****Nobles of the Mystic Shrine****for North America****(An Iowa Corporation)****GENERAL ORDER No. 2****SERIES OF 1982-1983****OFFICE OF THE IMPERIAL POTENTATE****JUNE 1, 1983, TAMPA, FLORIDA****CALL FOR THE ANNUAL SESSION OF 1983***To the Representatives of the Imperial Council, Potentates
and Recorders of Subordinate Temples, and the Nobility of the Order:***"ES SELAMU ALEIKUM"**

You and each of you are hereby notified that the One Hundred Ninth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Denver, Colorado, over the dates of July 5, 6, 7, & 8, 1983. The PUBLIC OPENING Session will be held in the GRAND BALLROOM of the DENVER HILTON HOTEL at 3:00 P.M. on Monday, July 4, 1983. The OFFICIAL OPENING Session will be held in the GRAND BALLROOM of the DENVER HILTON HOTEL at 3:00 P.M. on Tuesday, July 5, 1983. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or the Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e., Tuesday, Wednesday, Thursday and Friday).

REPRESENTATIVES' HEADQUARTERS HOTELS

Representatives' headquarters hotels are the DENVER HILTON HOTEL, the BROWN PALACE HOTEL, and the GOVERNOR'S COURT. The Imperial Council Sessions will be held in the GRAND BALLROOM of the DENVER HILTON HOTEL, and all Imperial Council Committee meetings will be held in the DENVER HILTON HOTEL as detailed in this General Order.

THE OFFICES OF THE EXECUTIVE SECRETARY OF FRATERNAL AFFAIRS AND EXECUTIVE VICE PRESIDENT-SHRINERS HOSPITALS WILL BE IN THE DENVER ROOM ON THE MEZZANINE FLOOR OF THE DENVER HILTON HOTEL, AND THE OFFICE OF THE GENERAL COUNSEL WILL BE IN THE GOLD ROOM ON THE MEZZANINE FLOOR OF THE SAME HOTEL.

REGISTRATION

Registration for the REPRESENTATIVES will be in the South Convention Lobby of the Denver Hilton Hotel and will be open as follows:

Sunday, July 3	9:00 A.M. to 5:00 P.M.
Monday, July 4	9:00 A.M. to 5:00 P.M.
Tuesday, July 5	7:00 A.M. to Noon

It is suggested that it would simplify the details of registration if the Representatives of the various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Banquet and Representatives' Ladies Luncheon. These must be EXCHANGED at the Exchange Desk which will be located at the Convention Registration Desk in the South Convention Lobby, for table numbered tickets on a first-come, first-served basis. If you want to have all Representatives from your Temple sit together, you will have to exchange your tickets all at one time. ALL COUPONS MUST BE EXCHANGED NO LATER THAN 3:00 P.M. ON TUESDAY, JULY 5, 1983.

CHURCH SERVICE

The Church Service will be held on Sunday, July 3, at 3:00 P.M., at the TRINITY METHODIST CHURCH at 18th and Broadway, conducted by the Imperial Chaplain, Dr. Robert P. Gates.

1983 IMPERIAL COUNCIL SESSION HEADQUARTERS

The Office of Director General Robert C. Reynolds is located at 925 N. Federal Boulevard, Denver, Colorado 80204. On Monday, June 27th, an office will be opened for the Director General in the CENTURY Room on the Mezzanine Floor of the DENVER HILTON HOTEL for the duration of the Convention.

BANQUETS

The Imperial Potentate's Banquet for the Representatives and their ladies will be held at CURRIGAN HALL, 1323 Champa Street in Downtown Denver on Wednesday evening, July 6th, at 7:30 P.M. Refreshments will be available at 6:30 P.M. Admission will be by ticket only. Each Representative's Registration Packet will contain two exchange coupons that must be exchanged for the table assigned tickets at the Exchange Desk no later than 3:00 P.M. on Tuesday, July 5th.

REPRESENTATIVES' LUNCHEONS

There are several fine restaurants in the Denver Hilton and the Brown Palace, and surrounding areas, so it was felt that it would be better to allow the Representatives to enjoy a luncheon of their choice, rather than subject them to another catered function. Therefore, the Convention Corporation is drawing a check to each Representative, which will be placed in his Registration Packet to help defray the expense on the 2 days that luncheons are normally held.

REPRESENTATIVES' LADIES' LUNCHEON

The Representatives' Ladies' Luncheon will be held in the Colorado Ballroom of the Marriott City Center, 1701 California Street, on Thursday, July 7th, at 12:00 Noon. Admission will be by ticket only. Each Representative's registration packet will contain an exchange coupon that must be exchanged no later than 3:00 P.M., Tuesday, July 5th, for a table assigned ticket at the Exchange Desk.

SHRINE MARKET PLACE

Do not fail to visit the "SHRINE MARKET PLACE" in the GRAND BALLROOM of the BROWN PALACE TOWER, 321 - 17th Street, Denver, Colorado.

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to the Chairman of the Necrology Committee, c/o The Executive Secretary of Fraternal Affairs, P. O. Box 25356, Tampa, Florida 33622, memoranda relative to the distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Executive Secretary of Fraternal Affairs shall be notified of any Representative who qualifies, not later than June 10, 1983.

NOTICE TO POTENTATES AND RECORDERS

In order to expedite the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Tampa office on or before June 10, 1983.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 30, 1983.

PAGEANT FOR NEWLY ELECTED IMPERIAL POTENTATE

The Pageant for the newly elected Imperial Potentate will take place in the GRAND BALLROOM of the DENVER HILTON HOTEL on Wednesday, July 6, 1983, at 9:00 A.M. All Nobles, their ladies, and friends are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the sessions of the Imperial Council.

Section 205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem. . . ."

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

1982-83 COMMITTEE LIST

Appointed by Imperial Potentate Daniel E. Bowers, M.D.

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Robert C. Reynolds, Director General of the Convention, whose office is located at 925 N. Federal Blvd., Denver, CO 80204. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street

maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Denver, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Denver will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Denver, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than **ONE CAR** in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Neither Outhouses, stills, bathtubs nor any other item that is considered to be in poor taste will be permitted in any Shrine parade.
7. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
8. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.
7. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Denver, it is desirable that you supply one member of your Temple to act as Provost Guard during the Imperial Council Session. Noble Steve Tucker has been named Provost

Guard for this Session. Provost Headquarters during the Session will be in Room 541 of the Denver Hilton Hotel. Each Potentate will kindly advise Noble Tucker the name of the Noble who will serve on the Provost Guard. All correspondence with Noble Tucker prior to July 1st should be addressed to him in care of Director General Robert Reynolds, 925 N. Federal Boulevard, Denver, CO 80204.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1982, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1982.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, National or International Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

IMPERIAL POTENTATE BOWERS: Are there any questions? I recognize Ed Maag.

NOBLE EDWARD MAAG: Imperial Sir, I do have a question of Illustrious Sir Bob Evans of the Finance and Accounts Committee regarding this, please, sir.

Let me say to the Representatives that I address you now as a Representative of Ainad Temple.

Now, the Finance and Accounts Committee, through Illustrious Evans, asked if there are any questions and I do have a question.

My question of the Finance and Accounts Committee is as to how the Finance and Accounts Committee perceives their role in the approval? Does not the Finance and Accounts Committee perceive their role to approve the policies and procedures which are adopted?

IMPERIAL POTENTATE BOWERS: We will have the Vice-Chairman answer.

NOBLE HENNING: The Finance and Accounts Committee would oversee the policies. We feel it would be proper procedure in handling that. We would oversee the policies in handling expense and travel allowance.

IMPERIAL POTENTATE BOWERS: Are you satisfied, Mr. Maag?

NOBLE MAAG: I think I understood the Vice-Chairman.

Incidentally, the Vice-Chairman and I have talked on the elevator about this approximately an hour ago.

Now, are you telling us that you believe that the Finance and Accounts Committee has the right to approve the policies which are tendered to it by the Board of Directors?

NOBLE HENNING: Correct.

NOBLE MAAG: With that explanation, Imperial Sir, my question is answered.

IMPERIAL POTENTATE BOWERS: Thank you, and now I will recognize our Imperial Treasurer, Webb Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: I move the adoption of the proposal and upon its being seconded, I request permission to discuss it.

IMPERIAL POTENTATE BOWERS: It has been seconded, please proceed.

IMPERIAL SIR HARRINGTON: As a professional accountant, I have always been taught that proper review and approval of expenditures was an important part of the internal control of any well managed enterprise. One of my principal endeavors as Imperial Treasurer has been to work with our own accounting staff, the Finance and Accounts Committee and the Imperial Auditor to improve accountability over our major areas of expenditure in both the Colorado and Iowa Corporations. It is in furtherance of that effort that I proposed this resolution.

At the present time, an Imperial Potentate receives a contingency fund approval by the Imperial Council when it adopts a budget for the Iowa Corporation. For the past two years, form 1099 information returns have been filed with the Internal Revenue Service. A copy of form 1099 is furnished to the Imperial Potentate, who then reports on his individual income tax return the amount of the contingency fund received and his actual expenditures therefrom in connection with his travel and other expenses as Imperial Potentate. No accounting of such expenditures has been required by the Imperial Council.

I have been told by several Imperial Potentates that their actual expenditures in connection with their official duties have exceed the contingency fund which they received. In a few cases, although no accounting was required, a small portion of the fund has been returned. In other cases, it would appear to an observer knowledgeable as to the amount of visitations made by an Imperial Potentate that it would have been possible to pocket a good portion of the allowance, with the only accountability being to Internal Revenue Service. I do not agree with this lack of control over a major item in the Imperial Council's budget and our Imperial Potentate-Elect agrees with me in this matter.

The intent of this proposed legislation is to require the submittal of regular expense reports from the Imperial Potentate covering ordinary and necessary hotel and travel expenses in connection with his official duties as Chief Executive Officer of the Imperial Council. The reimbursement of such expenses shall be in accordance with policies and procedures established by the Board of Directors and as approved by the Finance and Accounts Committee. All such reimbursements shall be subject to the same review and approval procedures as all other travel expense vouchers, with the checks then being manually signed by the Imperial Treasurer in accordance with our present policies.

The amount budgeted for an Imperial Potentate's travel allowance would be separately shown as a line item in the Iowa Corporation budget and would have to be approved by the Imperial Council. As you are aware, any deviations from the budget approved by the Imperial Council must be likewise reported, with the reasons therefor.

Under this proposed resolution, the Imperial Potentate would receive a contingent fund from which he would pay all other expenses of his office, but I would contemplate that such funds be greatly reduced from the amount which has been budgeted in prior years. Such amount would be reported on a form 1099 and the Imperial Potentate would still have to make an accounting for the allowance received and the expenditures therefrom. By reducing the allowance, the amount of scrutiny and possible examination of tax returns should be minimized.

Far more important, however, is the fact that we would be bringing under accounting control and audit a significant amount in the Iowa Corporation's budget.

Again, I want to emphasize that both the travel expense and the contingency fund would have to be approved as line items in the budget. The amount of such line items is not an issue in this proposed legislation.

It makes good business sense to improve the accounting over our expenditures.

I hope that you will agree with me. Imperial Sir, I move the adoption of the resolution.

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: Are there any questions or is there any discussion?

If not, all in favor of adoption say aye; contrary no. The amendment is adopted by the affirmative votes required by the Bylaws.

Now, gentlemen, I have a special privilege at this time to recognize two Nobles who have rendered a great service to our Order.

The first involves the recognition of Noble William C. Sanford.

I would like to introduce to all of you Imperial Representatives a Noble who has had a very illustrious career in helping our crippled children. He is a lawyer, practicing in Reno, Nevada, and he has been a member of the Shrine since 1944. The last Imperial Session which he attended was when Harold Lloyd was Imperial Potentate of the Shrine of North America.

Since 1948, Bill Sanford has represented Shriners Hospitals for Crippled Children on the various legal matters which have arisen out of the State of Nevada. Bill Sanford knows probably more lawyers in Nevada than any other lawyer in the state. He has assisted us over the years in obtaining very substantial estates benefitting this philanthropy.

For the past thirty-five years, Bill Sanford has performed legal services to this charity without ever submitting a fee statement, charging us for court filing fees or billing us for the many telephone calls made in representing this charity. Bill says he has had "more damn fun" representing Shriners Hospitals for Crippled Children than anything else he has done in his lifetime. His sister was a victim of polio and so he understands the importance of helping the crippled child firsthand.

Bill has also represented the DeMolay, the Rainbow Girls, Scottish Rite, Eastern Star, Reno Lodge and its Building Association, the Knights Templar Education Association and the Red Cross of Constantine, as well as being Temple Counsel for Kerak Temple. He is a Thirty-Third Degree Mason.

Bill Sanford serves as Trustee Emeritus of the Hastings Law School and has served as a Trustee for the Reno School Board over the years. He has stated that no one has had a richer life and that he intends to practice law until the day they carry him out feet first.

Nobles, I would like to introduce to you, Noble William C. Sanford and present him with a small token of our esteem and gratitude for his thirty-five years of excellent legal service in behalf of this charity and ask that he likewise say a few words.

... Rising applause ensued. . .

NOBLE WILLIAM C. SANFORD: You know, I feel greatly honored by those kind words but I am more honored of the opportunity to serve our hospitals. It has been one of the joys of my life to staff the Legal Department and our own Temple has always worked with me and it has really been one of the highlights of my life. For that opportunity, I thank you. (Applause)

IMPERIAL POTENTATE BOWERS: Bill, in behalf of the Imperial Council, I present to you this plaque. It reads as follows:

"To William C. Sanford in recognition and appreciation of his many years of dedication and his valuable contribution of his legal services in furthering the philanthropic purposes of Shriners Hospitals for Crippled Children." This is signed by Daniel E. Bowers, Imperial Potentate and W. W. Bennett, Chairman of the Board of Trustees.

... Presentation of plaque and additional applause ensued. . .

IMPERIAL POTENTATE BOWERS: We certainly thank Bill for his great contribution. Thank you so much. He knows all about our real purpose.

And now I would like to recognize another individual, Noble James C. Boone.

Another Noble I would like to introduce to this august body is Noble James C.

Boone of Arabia Temple in Houston. Jim has practiced law for over fifty years. He has been a member of the Shrine since 1951.

Jim has actively assisted this philanthropy since 1966, when Arabia Crippled Children's Clinic became the Houston Unit of Shriners Hospitals by change of name. He became an active member of the Board of Governors since that time and served as the Chairman during 1973 and 1974. He was instrumental in obtaining a major affiliation with the University of Texas Health Science Center.

Untold hours have been devoted by Jim to assisting those who wished to remember our hospitals in their estate plans.

Jim has laid the groundwork for many substantial bequests to this charity. In all the legal services which Jim Boone has performed for Shriners Hospitals and the Houston Unit, he has never submitted a fee statement nor has he ever billed us for his out-of-pocket costs for court filing fees and telephone calls he has made in our behalf.

Jim has a heart of gold when it comes to helping the crippled child. He is always ready and willing to give of his time for the welfare of the hospitals.

Nobles, it gives me a great pleasure to introduce to you Noble James C. Boone and present him with a small token of our esteem and gratitude for his exemplary endeavors and legal services in behalf of this philanthropy, and ask him to say a few words.

Therefore, Jim, it is with great pride that I present this plaque to you which reads: "To James C. Boone, in recognition and appreciation of his many years of dedication and valuable contribution of legal services in furtherance of the great philanthropic purposes of Shriners Hospitals for Crippled Children." This is signed by Daniel Bowers, Imperial Potentate and W. W. Bennett, Chairman of the Board of Trustees.

Jim, it is a real pleasure to present this plaque to you.

... Presentation of plaque and applause ensued...

NOBLE JAMES C. BOONE: Thank you very much for this honor. I greatly appreciate it and the pleasure has been all mine. (Applause)

IMPERIAL POTENTATE BOWERS: Let me say that I visited in Jim's home, had lunch with him and he is a great gentleman.

Thank you, gentlemen.

You know, this is what we should continue to do in the future—recognize our fine Nobles like this.

I would like to call on Walter Pettit at this time.

NOBLE WALTER PETTIT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 9 on the Call for the Annual Session of 1983 and is located on Page 18 of the Call. It is a proposal to amend Sections 329.5 and 329.6 of Article 29 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

Section 329.5 Status of Temple Under Dispensation.

(a) A Temple under dispensation has a legal existence and Jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt Bylaws until a Charter is granted and it is regularly constituted.

(c) It is governed by Shrine Law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its Charter is granted.

(e) The Provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in an office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a Charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

Section 329.6 Effect if Dispensation is Refused.

All Nobles who signed the petition remain members of their respective Temples.

Section 329.7 Effect if Charter is Granted.

A Noble who is a member of a Temple under dispensation becomes a Charter Member of that Temple when such Temple receives its Charter.

Section 329.8 Effect if Charter is Refused.

All Nobles who signed the petition for dispensation are thereby restored to membership in the Temples in which they were members prior to the dispensation. All members created by the Temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

If not, I will recognize Graves Trumbo.

NOBLE GRAVES TRUMBO [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters Item 9, located on Page 18 of the Call, which amends Sections 329.5 and 329.6 of the Bylaws of the Iowa Corporation. The amendment is as follows:

Section 329.6 Effect if Dispensation is Refused.

Section 329.7 Effect if Charter is Granted.

A Noble who is a member of a Temple under dispensation becomes a Charter Member of that Temple when such Temple receives its Charter.

Section 329.8 Effect if Charter is Refused.

All members created by the Temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

This is a housekeeping amendment proposed by your Committee on Dispensations and Charters. Its purpose is to clarify membership of Nobles who sign an application for dispensation for a new Temple, where the dispensation is refused, where a Charter is granted, and where a Charter is refused.

The committee recommends the adoption of the amendment.

NOBLE HARRIS: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 11 on the Call for the Annual Session of 1983 and is located on Page 19 of the Call. It is a proposal to amend Section 332.7 of Article 32 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

Section 332.7 Assessment

(a) A Temple contemplating an assessment must first submit the proposal to the Imperial Potentate requesting his approval. The Imperial Potentate shall receive the advice of the Chairman of the Jurisprudence and Laws Committee and the Chairman of the Finance and Accounts Committee prior to the issuance of his decision.

(b) If the Temple receives the written approval of the Imperial Potentate it may levy the assessment on its members, including life members if specifically provided, for purposes general to the membership by resolution adopted at a stated meeting of the Temple, if it is approved by two-thirds of the members present and voting and in the following manner:

(1) One week's notice in writing must be given, stating the amount of the proposed assessment and the time and place when action will be taken.

(2) Upon the adoption of the resolution, there must be sent to the Imperial Recorder (i) three copies thereof together with a certificate of its adoption signed by the Potentate attested by the Recorder with the seal of the Temple affixed, (ii) a copy of the notice, and (iii) a copy of the Temple's Bylaws.

(3) The Imperial Recorder shall send them forthwith to the Committee on Jurisprudence and Laws. If the committee reports that the assessment has been adopted in accordance with these Bylaws, the resolution is so endorsed. One copy is retained by the committee, and two copies are returned to the Imperial Recorder who shall retain one copy for the records of the Imperial Council and forward the other copy to the Temple.

(c) Upon approval, and report of proper adoption by the Committee on Jurisprudence and Laws, the assessment is binding on all Temple members as of the date of passage of the Temple resolution levying the assessment and must be paid as dues are paid or as provided in the resolution.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions about this report, I request that you call upon Palmer Burde of the Finance and Accounts Committee for their report.

IMPERIAL POTENTATE BOWERS: The Chair recognizes Dr. Palmer Burde, please.

NOBLE PALMER BURDE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Finance and Accounts, Item number 11 on the Call for the Annual Session of 1983 and is located on Page 19 of the Call.

The Finance and Accounts Committee has reviewed the proposal and report that its adoption would not affect the budget of the Iowa Corporation.

We believe that it is an important proposal and that it is more prudent to obtain approval of the Imperial Potentate prior to action by the Temple rather than subsequent to action by the Temple. If this proposal is adopted, the Imperial Potentate would refer the request to both the Chairman of the Finance and Accounts Committee and the Chairman of the Jurisprudence and Laws Committee. This would permit such persons to give individual Temples their suggestions and judgments concerning the proposed assessment.

Hopefully, this would prevent a Temple from enacting an assessment which would not be financially viable. In essence, we would work with the Temples in drafting assessments that would be appropriate for their particular needs.

Therefore, it is our unanimous recommendation that this proposal be adopted.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. This application for a waiver shall be acted upon at a stated meeting of the expelling Temple and it must be approved by a majority vote of the members present and voting.

Imperial Sir, if there are no questions about the report, I request that you call upon the proponent, Illustrious Theodore Corsones for the appropriate motion.

IMPERIAL POTENTATE BOWERS: Are there any questions?

If not, I will recognize Mr. Corsones.

NOBLE THEODORE CORSONES: Imperial Sir, I would move the adoption of this proposal and upon it being seconded I would just like to have a few remarks for the Representatives.

... The motion to adopt the proposal was severally seconded...

IMPERIAL POTENTATE BOWERS: It has been seconded and so, all right, Mr. Corsones, please proceed.

NOBLE THEODORE CORSONES: Just so it is clear in your minds as to what we are trying to do, we are trying to strengthen the Bylaws.

At present, if a member is expelled, he can petition again his Temple for membership. There is no change in that. That is in there.

What has happened, however, is that our Bylaws have been silent with his leaving his jurisdiction and so the key then becomes what happens if he, the expelled member, moves from the jurisdiction of his Temple.

For example, if a Noble is expelled from a Temple in Michigan and he moves to Florida, where does he apply for membership? Our present Bylaws are silent on that matter and therefore this amendment attempts, as I indicated, to strengthen the situation.

The proposal provides that if the expelled Noble moves out of the jurisdiction of his Temple, the one that expelled him, he still must go back to the Temple that expelled him and obtain a favorable vote from them. However, that is only step one.

Then he goes to the Temple where he now resides and which has jurisdiction over him and he must file his petition there and if he obviously receives three black balls down there, he does not become a member there.

Therefore, it is a two-step procedure in an attempt to straighten out our Bylaws. Thank you, sir.

IMPERIAL POTENTATE BOWERS: Are there other comments?

You have before you the motion duly made and seconded for adoption.

All those in favor say aye; contrary no. The proposed amendment is adopted by the affirmative votes required by the Bylaws.

Thank you, gentlemen, and I will now call on Ted Corsones.

NOBLE THEODORE CORSONES: Fellow Representatives, this is the last item of legislation for this afternoon.

...Cheers and applause...

NOBLE CORSONES: We have made a lot of progress and come Friday, when you are really tired, you are going to appreciate the fact we did quite a bit today.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 13 on the Call for the Annual Session of 1983 and is located on Page 21 of the Call. It is a proposal to amend Section 334.5 of Article 34 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

Section 334.5 Audit.

(a) Every Temple is required to have its accounts and those of its affiliated corporations, including Shrine Club holding companies, audited at the close of each year by an auditor or committee selected by the Temple. A copy of the audit report including a balance sheet and income and expense statements must be filed with the Imperial Recorder before the first day of May following the end of the year audited, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of a Temple.

(b) All Representatives from a Temple not in compliance with the foregoing shall have their credentials disapproved at any session of the Imperial Council, and they shall not be paid mileage or per diem thereto.

Imperial Sir, if there are no questions about this report, I request you call upon its proponent, Imperial Sir George W. Powell, for the appropriate motion.

IMPERIAL POTENTATE BOWERS: Are there any questions? If not, I will recognize Imperial Sir George Powell.

IMPERIAL SIR POWELL: Imperial Sir, I move its adoption and after receiving a second, I request that you recognize me for discussion.

... The motion was severally seconded. . .

IMPERIAL POTENTATE BOWERS: It has been seconded, please proceed.

IMPERIAL SIR POWELL: I would hope the record will reflect the fact that there were many boos.

Now, there are reasons for everything in life and there is a firm reason for having suggested this amendment.

Within a few days after the Call having been sent, I received a telephone call from Arthur E. Armitage, Jr., an Emeritus Member of Crescent Temple, who said to me in a calm, belligerent voice (if there is such a combination), "George, are you completely out of your mind?"

I said, "It worked, it worked, thank God it worked, we got your attention." Of course, it is not that Crescent Temple needs any attention insofar as this is concerned because they comply with the Bylaws of the Imperial Council as far as their statements are concerned.

As I said to Arthur, "I hope, Arthur, that every Representative of the Shrine of North America feels exactly like you because, if they do, we will be able to put a stop to something that has been going on for too many years, that has been costing the Imperial Council too much money." That is a fact, of course, that the Temples, by and large, do not comply with Imperial Law.

Now, it messes up our books, it costs us a lot of money in the writing of letters and making telephone calls trying to obtain the information on a timely basis and so, in some way, it has to stop.

Also, let me say this to you—that our Imperial Law now covers a method upon which we can obtain the records on a timely basis and there is no need for this legislation and I will tell you what it is.

The Imperial Potentate, at any time, can remove the Potentate of the Temple from office until this information is presented. I talked to our incoming Imperial Potentate and I am sure he wants to reduce the cost of operating our office in Tampa and I am quite confident he will be willing to do so.

So, my fellow Representatives, I believe that my proposal has sufficiently gotten your attention that this problem can be corrected without such drastic action being taken as contained in subsection (b).

I would have no objection, never did have, to a Representative making a motion to delete subsection (b) from my proposal.

REPRESENTATIVE [Egypt Temple]: I move the proposal be amended by deleting subsection (b) from the proposal.

... The motion was duly seconded. . .

IMPERIAL SIR POWELL: I would now like to call for the vote on Item (a).

NOBLE J. B. HOPKINS [Parliamentarian]: A point of order.

A motion has been made to amend the proposal. It has been seconded and, therefore, you must vote on the amendment first and then on the proposal as amended.

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second to amend by the deletion of paragraph (b).

Is there discussion on the amendment?

If not, all those in favor of the amendment indicate by saying aye; contrary no.

This is on the amendment only.

I will declare the amendment to have been adopted.

NOBLE THOMAS PAPE [Mocha Temple]: In regard to section (a), I would like to see the word "selected" changed to the word "approved."

We have several Clubs who are many miles from our Mother Temple. One is some 112 miles away. We suggest, therefore, that this responsibility be placed completely upon the Temples and, in turn, to place the responsibility back on the shoulders of the President and Executives of their own Clubs.

... Cries of "no, no"...

IMPERIAL POTENTATE BOWERS: Is there further discussion? If not, we will vote.

... Cries of "what is the vote on?"...

IMPERIAL POTENTATE BOWERS: I will call on Ted Corsones at this time.

NOBLE TED CORSONES: Fellow Representatives, may I have your attention please.

As I indicated, this is the last piece of legislation and it is an important piece of legislation.

All that you have before you is the amended proposal now and that concerns subsection (a). Subsection (b) is gone, that carried and so, as I say, all you have before you is subsection (a).

All that does is to extend the date for the Temples from March until May—very favorable to the Temples, and then they can get that further extended if they write to the Imperial Potentate.

You are voting on the amended proposal, which carries only subsection (a). Okay?

IMPERIAL POTENTATE BOWERS: All in favor say aye; contrary no. The proposed amendment is adopted by the affirmative votes required by the Bylaws. Let me say there was not one contrary vote and so thank you for that.

IMPERIAL SIR POWELL: I hope when you all go home you remember it is the responsibility of the Potentates to see that this is done.

DELEGATE: Imperial Sir, I have a parliamentary inquiry.

Perhaps, through you, Imperial Sir, this question can be directed to somebody for an answer, perhaps the Parliamentarian or Jurisprudence and Laws.

This Imperial Council just adopted Item 7. The proposer, I understand, as well as others, thought that Item only pertained to Canada.

Perhaps my inquiry therefore is of the Chairman of Jurisprudence and Laws. In other words, does Item 7 just only affect Canada or does it mean that if any Temple in any state does not want to approve dispensation for a new Temple, that just one Temple in the state can object and there can be no action on that matter?

IMPERIAL POTENTATE BOWERS: Ted, do you wish to respond?

NOBLE CORSONES: Item 7 only affects the Temples in Canada.

NOBLE HOPKINS: Am I to understand that your answer was it only affects Canada?

NOBLE CORSONES: Yes.

... Cries of "no, no"...

NOBLE HOPKINS: I would then like to rule that the vote by which the item passed be reconsidered in order, frankly, to only say Canada, if that is the case.

NOBLE PHILIP GRENLEY [Affi Temple]: May I ask you a question, Imperial Sir, or make a statement?

IMPERIAL POTENTATE BOWERS: Yes.

NOBLE GRENLEY: As I read it, it says, "If its proposed location is not less than 300 miles from a Temple in the same state."

I believe, in Canada, they are a country and so they use the word "province." However, I believe we voted for that with the word "states" in it as well.

NOBLE CORSONES: Illustrious Sir, so that you do not have any questions about that, I explained it to J. B. and he is satisfied.

The question is this—does not the word "state" also include "province"?

If you look at your Imperial Bylaws, under definitions, the word "state" likewise includes "province," "territory," and "commonwealth." It is the same thing by definition and if you want the particular section to which I am referring, I can quote you that.

NOBLE GRENLEY: However, that was not my point.

IMPERIAL POTENTATE BOWERS: It affects only Canada.

NOBLE CORSONES: One more time.

This proposal only affects Canada. The fact that the other words are in there just before this, they have just been restructured so it would be easier to read. The policy you passed on only affects Canada.

NOBLE GRENLEY: Well, you may be right but I do not believe it is right and I do not believe we voted on it with that understanding.

NOBLE CORSONES: Well, I will be pleased to meet with any person and go over this and listen to you and if I am wrong, I will come back tomorrow and I will move reconsideration of this item because I did vote favorably on it.

IMPERIAL POTENTATE BOWERS: Are there any other questions?

REPRESENTATIVE: Imperial Sir, 329.1 in our Bylaws does not apply just to Canada—it applies to the United States, Mexico and Canada. What I see in the Call is an amendment of 329.1 and I do not understand the opinion of the Chairman of Jurisprudence and Laws that this applies only to Canada. I would be glad to talk to him afterwards, if that is the way it has to be solved.

IMPERIAL POTENTATE BOWERS: Again, as Mr. Corsones indicated, he will meet with anybody after the session. However, he says that this definitely only refers to Canada.

...Cries of "no, no"...

NOBLE CORSONES: Fellow Representatives, with your permission, if I fail to convince any of you that have a question after this session, I will be the one to stand up in the morning and make the motion to reconsider so that it will be before you.

We are not trying to put anything by you, not trying to have you pass something you do not want to vote for favorably.

I will be pleased, as I have indicated, to speak with any of you that have a question on it and if you are not convinced afterward, we will have it reconsidered. I will be the one to make the motion, is that fair enough?

...Cries of "yes" and applause ensued...

NOBLE FORREST PRESTON [Yelduz Temple]: I would like to move this be reconsidered at a later date with further explanation.

...The motion was duly seconded...

NOBLE THOMAS E. LUCAS [Al Chymia Temple]: I think the trouble is in relation to the reduced number of signatures concerning Canada. In all of the States, there is a requirement of 1,000 signatures or more in order to have a new Temple. It just makes an exception of Canada with 500 signatures. It does not change any other procedure.

...The question on the motion was severally called for...

IMPERIAL POTENTATE BOWERS: Now, I believe we have a motion on the floor and a second to reconsider. Again, let me remind you that Mr. Corsones said he would do this tomorrow morning. However, there is a motion on the floor to reconsider.

All those in favor of reconsideration say aye; contrary no. It is approved and we will reconsider that tomorrow.

Now, any Representatives who desire to discuss this tonight be sure to come up and speak with Ted Corsones, if you will.

Now, at this point, I would like to recognize Imperial Sir George Powell.

IMPERIAL SIR POWELL: Imperial Sir, Imperial Sirs and Representatives: Many of us here know a wonderful man and a wonderful Shriner and Mason by the name of George Stringfellow, who served as Imperial Potentate in 1958-1959.

He has reached the ripe age of 92 years of age. He was with us for the earlier part of this convention but because of physical problems he had to leave. It was he who wanted to make this presentation to our Imperial Sir but I am going to do my best to do it for him.

This is presented to Imperial Sir Daniel E. Bowers, distinguished physician and surgeon and Imperial Potentate, AAONMS and to Virginia in recognition of the outstanding administration they have just completed and in relation to which they have endeared themselves to the Nobility of North America by the warmth, good will, respect and esteem for the high office held and in which they have accomplished the successful promotion of Masonry, the Shrine and Shriners Hospitals for Crippled Children.

This is presented with the compliments and good wishes of their friend, George E. Stringfellow, Imperial Potentate, 1958 and 1959 and a business associate of Thomas Alva Edison.

...Presentation of a painting of the Imperial Sir and his lady, Virginia, was presented to Imperial Potentate Bowers... (Applause)

IMPERIAL POTENTATE BOWERS: It is indeed a pleasure to accept this fine gift from Imperial Sir George Stringfellow. It is a good caricature of Virginia and myself and we surely appreciate it and, again, we appreciate the goodness and kindness on the part of all of you through our visitations during this past year.

At this time, I would like to call upon our Imperial Recorder, Jack Jones, for any announcements he might have.

... Various meeting announcements were made by Imperial Sir Jones...

IMPERIAL SIR JONES: Also, Imperial Sir, I would like to make special mention to all of the Representatives and everyone here by way of announcing that the time of the Pageant tomorrow morning of Imperial Sir Olfene will be at nine o'clock, in this room. You definitely are invited to bring your wives and your families and friends to this very, very special occasion tomorrow morning.

IMPERIAL POTENTATE BOWERS: Thank you, Mr. Jones.

Now, Imperial Sirs, we come to that crucial hour in relation to which we are obligated, we must and we will elect a new Imperial Potentate. The one proposed, I believe, will be Richard B. Olfene.

Is there a nomination for the Office of Imperial Potentate for the year 1983-1984?

I will recognize Walter L. Emerson, Past Potentate of Kora Temple.

NOBLE WALTER EMERSON [Kora Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: Nine years ago, at the 100th Imperial Council Session in Atlantic City, I had the signal honor of nominating a successful candidate for the Office of Imperial Outer Guard. His name was Richard B. Olfene.

As is customary on such occasions, I said some very nice things about my friend, Dick, which, in the subsequent years, have proven to be gross understatements. I am sure most of you are familiar with his outstanding record on the Imperial Line. I do not think any further eulogy is necessary.

Therefore, without further ado, I do hereby nominate Imperial Sir Richard B. Olfene of Kora Temple, Lewiston, Maine, to be the next Imperial Potentate of the Shrine of North America.

And, Imperial Sir, believing and hoping there are no further nominations, I move that the rules be suspended and I ask that you allow Imperial Sir Jack Jones to cast the unanimous ballot of this session for Imperial Sir Dick.

... The motion was duly made and seconded...

IMPERIAL POTENTATE BOWERS: The motion has been duly made and seconded. Are there other nominations? I do not hear any.

Therefore, will you, Imperial Sir Jones, cast a unanimous ballot for Imperial Sir Richard Olfene. Well, first let us vote.

All those in favor of the election of Imperial Sir Olfene as Imperial Potentate for 1983-1984 please say aye; contrary. It is unanimous.

IMPERIAL SIR JONES: Imperial Sir, it gives me a great deal of personal pride and pleasure to cast the unanimous ballot of this Imperial Council for the election of Imperial Sir Richard Olfene to serve as Imperial Potentate of the Shrine of North America for the ensuing year.

... Rising applause ensued. ...

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and my fellow colleagues and Representatives and Nobles: It is indeed a great pleasure to have this high honor bestowed upon me by what I believe to be the greatest fraternity in the world today, the Shrine of North America.

I look forward to the year ahead and I and my family are anxious to get this show on the road, to get you on the road tonight and allow you to get you to your next affair.

With that, ladies and gentlemen, let me say that I do accept.

... Cheers and applause ensued. ...

IMPERIAL POTENTATE BOWERS: Gentlemen, this concludes the afternoon's business and please do not forget that the Pageant will commence tomorrow morning at nine o'clock and immediately thereafter we will reconvene for our business session. Have a nice evening.

... The 109th Annual Session of the Imperial Council, AAONMS, recessed at five o'clock p.m. to reconvene following the conclusion of the Pageant for the incoming Imperial Potentate on Wednesday morning. ...

MORNING SESSION WEDNESDAY, JULY 6, 1983 NINE O'CLOCK A.M.

The Pageant Honoring Imperial Potentate Elect Richard B. Olfene convened at the Denver Hilton Hotel, Denver, Colorado, at nine o'clock a.m., Illustrious Sir Charles R. Glassmire, M.D., Past Potentate of Kora Temple, presiding.

NOBLE CHARLES GLASSMIRE: Good morning, ladies and gentlemen. My watch says nine o'clock and if you will take your seats, we will proceed.

Nobles and ladies, I am Charles R. Glassmire, Past Potentate of Kora Temple of Lewiston, Maine. I am your Master of Ceremonies this morning and I take great delight in welcoming you here to our Pageant honoring our Past Potentate and the Imperial Potentate Elect, Richard B. Olfene.

Before proceeding, I want to thank once again the best band in all of Shrinedom, the Kora Temple Concert Band. (Applause)

Let it be known that the man you elected Imperial Potentate yesterday got his start playing trombone in this band a number of years ago.

Now, if you arise, we will have the Opening Ceremonies and I will have you stand through the invocation, if you will, please.

And now, the Kora Temple Legion of Honor will come forward and present the colors.

... There followed the presentation of the Colors by the Kora Temple Legion of Honor, the playing of the National Anthems of Mexico, Canada and the United States and the Shrine Pledge of Allegiance. ...

NOBLE GLASSMIRE: I now take pleasure in introducing to you at this time, the Imperial Chaplain-Designate, Lawrence W. Hathorne.

CHAPLAIN-DESIGNATE LAWRENCE W. HATHORNE: Let us pray.

Eternal God, we are grateful for this day and all for which our great Shrinedom stands. May we ever be aware of our need to help the young in Crippled Children's and Burns' Hospitals.

We ask Thy blessings upon this Imperial Session, upon today's activities, upon our Imperial Potentate, Imperial Sir Dan and his wife, Virginia, and our Imperial Potentate-Elect, Imperial Sir Dick and his lovely lady JoAn and their families.

May all Nobles serve you well, inspire us in our several tasks, give us faith, purpose, strength to do our jobs well.

Let us be instrumental in helping to bring peace in the world, love in our hearts and labor and growth in our Blue Lodges, Temples and Mosques.

Use our hands to work, our hearts to inspire and love and our minds to do Your will.

This is our prayer. We pray this in Your Holy and Glorious Name forever and ever. Amen.

NOBLE GLASSMIRE: Ladies and gentlemen, you may now be seated.

This morning, the first group that we will present to you will be the Past Potentates of Kora Temple and their lovely ladies. I would ask that you withhold your applause until all the Past Potentates are on the dais and then you may show your appreciation.

...Whereupon, the Past Potentates of Kora Temple and their ladies were individually introduced... (Applause)

NOBLE GLASSMIRE: And now, Nobles and ladies, it is my pleasure to present to you the Divan of Kora Temple.

...At this point, the members of the Divan of Kora Temple and their ladies were individually introduced... (Applause)

NOBLE GLASSMIRE: That certainly is a good looking bunch—I mean the gals. (Laughter)

I now have the pleasure of introducing to you two of the hardest working Nobles in Kora Temple, the Chief Aide, Robert Hayden and the Deputy Chief Aide, Jack Lustig. (Applause)

And now we present to you representatives of the Uniformed Units of Kora Temple.

As you know, some of the units are in competition this morning and so in not every event is the leader present, but we do have a representative from all.

...Whereupon, the leaders and representatives of the various Uniformed Units of Kora Temple were individually introduced... (Applause)

NOBLE GLASSMIRE: Also, at any place and at any time when Masons meet, it is always a privilege and pleasure to introduce to you the Grand Master of Masons in the State of Maine, Most Worshipful C. Ross Buzzell and his wife, Ruth.

...Rising applause ensued...

Now, in just a few moments you will be witnessing a film and I would ask you, when the film begins, that if all of the Nobles would remove their Fezzes, it would make for better visibility for those behind them and, incidentally, great comfort for the Nobles.

...Cheers and applause ensued...

Nobles and ladies, Kora Temple is a proud Temple and with considerable justification.

Dr. Walter Fleming who originated the Shrine and wrote its Ritual, was a physician from Portland, Maine.

Kora Temple was started in Lewiston, Maine in 1891 by two brothers named George and Frank Babbitt of that city who belonged to the Shrine in other Temples; George from Mt. Sinai and Frank from Pyramid.

Maine was, prior to that date, under the jurisdiction of Aleppo Temple in Boston, Massachusetts. After the proper steps were taken, Kora Temple No. 59 was chartered on August 16, 1892, with illustrious Sir F. T. Faulkner as the first Potentate.

Within one year, the membership grew to 140 enthusiastic Nobles. Growth has been steady and, at the present time, with a membership of about 5,000 and increasing every year, we are now second only to Aleppo Temple in the Northeast Shrine Association.

Kora Temple has had three homes. The present Mosque is one of the most beautiful in all of Shrinedom. The murals surrounding the dining room are the work of the celebrated artist Harry H. Cochrane, who toured the entire Arab world, making sketches of the historic areas which he eventually turned into the murals.

On November 2, 1898, a pilgrimage was made to St. John, New Brunswick. Among the participants was an Otto Henry Olfene, grandfather of our Potentate-elect.

This is the first time that this name appears in our records.

J. Putnam Stevens of Portland was elected Potentate of Kora Temple, although there is no record that he ever served on the Divan prior to that date.

His was a very busy and prosperous year. During this time, the land for the present Temple was purchased. Stevens was elected Representative to the Imperial Council that year and after a few years was elected to the Imperial Divan and on July 15, 1915, was installed as our first Imperial Potentate. Our Jester Court bears his name.

It was only a few years later when, on June 21, 1934, another of Kora's Past Potentates, Dana S. Williams, was installed as the Imperial Potentate of the Shrine of North America.

Yesterday you elected the man we honor today to be installed as Imperial Potentate tomorrow. Thus Richard B. Olfene will become the third Imperial Potentate from our Temple and we will then join Medinah and Zuhrah Temples in having three Imperial Potentates.

Only Ararat and Al Malaikah Temples exceed this number, each having four.

And now, Nobles and ladies, sit back, relax and get to know our Imperial Potentate-elect. We proudly present "The Richard Olfene Story—A Portrait."

...Whereupon, the viewing of the film ensued... (Applause)

...There then followed the entry of Imperial Sir Olfene and JoAn who, amid rising applause, assumed their respective places on the stage...

NOBLE GLASSMIRE: Nobles and ladies, it is my pleasure to present to you the Imperial Potentate-elect of the Shrine of North America, Imperial Sir Richard B. Olfene and his lovely lady, JoAn.

...Rising applause again ensued...

And now, I would like to present to you the Chief Rabban of Kora Temple, Stephen F. Dunlap, who has a presentation to make to Lady JoAn.

NOBLE STEPHEN F. DUNLAP: JoAn, for you this Imperial process started in 1969 and your support to Dick and to Shrinedom has been outstanding. We, the Nobles of Kora Temple, thank you and love you. Have a great year, you have earned it.

...Presentation of yellow roses to Lady JoAn ensued...

NOBLE GLASSMIRE: And now I would like to recognize your Imperial Potentate-elect for some introductions he would like to make.

IMPERIAL SIR OLFENE: Thank you, Charles.

Nobles and ladies, this is indeed a day of great honor to me and to JoAn and as an extra special honor, we brought our children and their wives with us and we just think they are the greatest people in the world.

At this point, I would like to have Jane and Rick and Vickie and Todd to come forward. I also want you to know we do have one lovely granddaughter but she is a little young to come out here though she might be, if she were here, running up and down the stage. She is the daughter of Rick and Jane on the far side. Now, the real secret at this point is that we are expecting two more. (Laughter)

NOBLE GLASSMIRE: There are a number of presentations to be made at this time and first I would like to recognize Noble Rick Olfene to make a presentation to his dad.

NOBLE RICK OLFENE: I want to first make sure I have the right one.

A great deal of respect and love I have for this gentleman on my left is a tribute to the amount of work and dedication that he has put into this organization. I think no one in this entire world could wear this Fez with any more pride and I am so very proud to present it to him at this time.

...Presentation of Five-Star Imperial Potentate's Fez and applause ensued...

NOBLE GLASSMIRE: It is not fair to have only one son in the act and we will at this time now call upon Noble Todd Olfene for a presentation.

NOBLE TODD OLFENE: Dad, my grandmother would like to have me present you with this Five-Star Pin with her love and admiration and wish you the best of success for the year as Imperial Potentate.

... Presentation of Five-Star Pin and applause ensued...

NOBLE GLASSMIRE: The next Noble to make a presentation is a man known and loved by everyone of us in this room. I take great pleasure in presenting to you Imperial Recorder Emeritus George M. Saunders.

IMPERIAL SIR GEORGE M. SAUNDERS: Mr. Chairman, Imperial Sirs, Representatives to this Imperial Session, Nobles, very lovely ladies and visitors:

Illustrious Imperial Potentate-elect, Richard B. Olfene, it is an honor to present to you on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the official title, along with your name.

The official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the flag of great leadership. May this flag march along, with our three National Flags of the Shrine, at the head of the mighty Phalanx of nearly a million Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and to our devoted service to mankind in the greatest of all fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as Nobles, will respect the symbolism of this fraternal flag for all that it represents.

Imperial Sir, Richard B. Olfene, it is a personal privilege for me to present to you, in the name of all Shriners, your Imperial Potentate's flag.

... Presentation of Imperial Potentate's flag to Imperial Sir Olfene and applause ensued...

IMPERIAL SIR OLFENE: Thank you, George Saunders. I really appreciate your presenting me with that flag. There is no greater Shriner in the world today more dedicated than George Saunders and I certainly appreciate it, George. (Applause)

NOBLE GLASSMIRE: Next we have the Canadian Delegation to make a presentation and this Delegation is headed by Imperial Sir Edward G. McMullan, Imperial First Ceremonial Master.

IMPERIAL SIR McMULLAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Guests and Ladies: I again have the privilege and honor to present the Canadian Potentates for 1983 and it is my pleasure now to bring them forward and to say to you, Richard Olfene, that we would like to congratulate you in behalf of the Canadian Temples, all eleven Temples in Canada.

There are now about 28,300 Shriners in Canada within these eleven Temples. We do not represent the greatest percentage in the world but we want you to know you have the greatest support from the Canadian Temples, not only with our hearts and loyalty, but with the monies that we do give to the charities and the Montreal Unit, which is so great in this country of ours.

I would like to, Imperial Sir, before I present to you the Illustrious Potentates of the Canadian Temples, introduce to you a gentleman who was Imperial Potentate in 1974-1975, Imperial Jack M. Streight, Q.C. of Gizeh Temple, Vancouver, British Columbia who is one of the two Canadian Past Imperial Potentates, the other one being Marshall Porter. (Applause)

I would also like to introduce Harry E. Alger, Past Potentate of Al Azhar Temple, a member of the Legislature for Alberta and a great helper for Al Azhar Temple and the Canadian Temples.

I also would like to present to you Noble Fred Locke, who is a big businessman in our country. Thank you, Fred, for your assistance. (Applause)

... At this point, Imperial Sir McMullan presented the present Potentates of the eleven Canadian Temples... (Applause)

IMPERIAL SIR McMULLAN: I would next like to recognize Illustrious Potentate William J. Penney of Mazol Temple, St. John's, Newfoundland, for a presentation.

NOBLE WILLIAM J. PENNEY [Potentate, Mazol Temple]: In behalf of the eleven Canadian Temples, I would, Imperial Sir, like to present you with this silver tray. It has inscribed thereon the names of all the Temples and it is presented to you with our best wishes for your success during the coming year and for your contributions to the Shrine.

... Presentation of tray and applause ensued. . .

IMPERIAL SIR OLFENE: Thank you, Illustrious Sir Bill, and to all the Temples in Canada. It is a great honor to accept this tray and the great appreciation that you are bestowing here this morning.

Let me say to you how wonderful it is to have a fraternal organization which, within its total jurisdiction, has really no boundaries between countries. This is just a great group of people from Canada.

My special thanks go to the people in Newfoundland because that is where my mother was born and came from. Therefore, we will be back over there to see you. Thank you all so very, very much. (Applause)

IMPERIAL SIR McMULLAN: To show you the great affection our country has for you, Imperial Sir, I would now like to call on Illustrious Sir, Arthur J. Prowal, Potentate of Gizeh Temple, to present you with the flag of our nation.

NOBLE ARTHUR J. PROWAL [Potentate, Gizeh Temple]: Imperial Sir, on behalf of the eleven Temples in Canada, it is my privilege and pleasure to present to you the Canadian Flag.

... Presentation of Canadian Flag and applause ensued. . .

IMPERIAL SIR OLFENE: Once again, gentlemen, thank you all so very, very much. This is indeed an honor and a flag which I am sure we will display at home and we really appreciate it and, as I said earlier, Canada and the United States and Mexico are really all one. Thank you so very much. (Applause)

NOBLE GLASSMIRE: I take pleasure in presenting to you the Illustrious Potentate of Anezeh Temple, Illustrious Lawrence M. Murphy.

NOBLE LAWRENCE M. MURPHY [Potentate, Anezeh Temple]: Imperial Sir, in behalf of the 526 members we have south of the border in Mexico and Guatemala, it is a pleasure for me to present you with this Mexican sombrero and a shawl for JoAn.

... Presentations and applause ensued. . .

IMPERIAL SIR OLFENE: Thank you very much.

Now, let me put on this sombrero. How is that? (Cheers and applause)

Thank you, Nobles from Mexico and you particularly, Illustrious Potentate. Thank you in behalf of both JoAn and myself for these lovely gifts and, indeed, we will take them back home. I am not sure, however, we will be able to wear them in February or in January but when we come down to your country some day, we will wear them. Thank you very much. (Applause)

NOBLE GLASSMIRE: And now I take great pleasure in presenting to you the Illustrious Potentate of Al Malaikah Temple, Illustrious Benjamin Kalan.

NOBLE BENJAMIN KALAN [Potentate, Al Malaikah Temple]: Imperial Potentate-elect, Richard B. Olfene, Illustrious Sirs, Imperial Sirs, Nobles and Guests: It has been a tradition of Al Malaikah Temple for many years to present the Imperial Potentate-elect with an Al Malaikah Caravan Patrol swagger stick. This swagger stick commemorates the Masonic life of our Imperial Potentate-elect throughout his life.

At this time it is my pleasure to present to you Captain George Goland, Commandant of the Unit, and Gordon Rice, President of the Al Malaikah Caravan Patrol.

Captain Goland will present the swagger stick.

NOBLE GEORGE GOLAND: Imperial Sir, in behalf of my President and Officers and members of the Caravan Patrol, I would like to present to you our official swagger stick which depicts Masonic achievements in connection with each ring. There are 33, from the time you started in Masonry in 1950 throughout your career in the Masonic and Shrine organizations all the way to the leadership of this great fraternal organization of the world.

It is indeed my pleasure to present this to you and I hope you will carry it with wisdom and remembrance for the rest of your life.

...Presentation of swagger stick and applause ensued...

IMPERIAL SIR OLFENE: Captain George, Illustrious Potentate Ben and all of the members of Al Malaikah Temple, again, thank you for this presentation. It is a very unusual piece and one which, of course, we will cherish forever.

Secondly, I am very pleased at the weight of it. Now I can control the Board members during the Board meetings.

...Laughter and applause ensued...

NOBLE GLASSMIRE: And now, from our Mother Temple, Aleppo, in Boston, I have the pleasure to present to you Illustrious Augustus G. Means, Potentate, accompanied by Richard F. Norris, Chief Rabban.

NOBLE A. G. MEANS [Potentate, Aleppo Temple]: Imperial Sir, it is my honor to present to you two messages of greeting today, one from our elected official in the Boston area and one from the Commonwealth of Massachusetts.

This first one is under date of July, 1983 and is addressed to you, Imperial Sir Richard B. Olfene, Imperial Potentate, Shrine of North America.

"Dear Sir:

Congratulations and best wishes on being elected to the office of Imperial Potentate of the Shrine of North America. May your leadership inspire continued success for Shriners Hospitals for Crippled Children. We welcome the Shrine to Boston in 1984 for the 110th Imperial Council Session. Boston is yours in 1984."

That is signed by the Mayor of Boston. (Applause)

The next one is addressed "Commonwealth of Massachusetts" and comes from the Governor:

"In recognition of being responsible for bringing the Shriners Convention to Boston in 1984, which is deserving of recognition by all citizens of Massachusetts, witness my hand and seal of the Commonwealth of Massachusetts this sixth day of July in the year of our Lord, 1983."

And now, assisting me this morning is our Chief Rabban, Richard Norris who, if elected, will be Illustrious Potentate in 1984.

I also wish to present to you this silver bowl in behalf of the Mayor of Boston.

...Presentation of silver bowl and applause ensued...

IMPERIAL SIR OLFENE: Thank you, Gus and Dick and, to the citizens of Massachusetts, I am wondering a little bit why Kevin White, all of a sudden is giving me some gifts. (Laughter) However, in behalf of all of the Nobles and all of my great friends at Aleppo Temple, please extend my thanks to them.

Again, folks, don't forget next year, during the first week of July, the convention will be held in the great City of Boston and be sure and come.

Thank you all. (Applause)

NOBLE GLASSMIRE: The last of the presenters to the Imperial Sir is the Illustrious Potentate of our own Temple, Illustrious Thomas J. Haley, Potentate of Kora Temple.

NOBLE THOMAS J. HALEY [Potentate, Kora Temple]: This is a great day for the Olfene family and, needless to say, I think it is a magnificent day for Kora Temple. (Applause)

We are extremely proud of Imperial Sir Dick and JoAn and on behalf of all of the membership of Kora Temple, Imperial Sir Dick, I would like to present these car keys to you for a car of your choice.

...Presentation of keys and applause ensued...

IMPERIAL SIR OLFENE: How about that? Let me say to the members of Kora Temple, this is more than you should have done but as long as you have done it, I will accept it. (Laughter) I also guarantee you that I will not try to outshine what I heard was done to the new man that just went into the Royal Jester Line, who received, I believe, a \$60,000 Mercedes. However, to all of you wonderful people that have been the support of Kora Temple and have been behind me from day one,

this has made this day possible and to all of those people, we sincerely appreciate it. (Applause)

NOBLE GLASSMIRE: Let me say that for those of you who were so impressed with this that you would like to see this again, we are going to run it through Kora Temple on Sunday on the 24th of this month and you are all welcome. (Laughter)

Now, before I turn the microphone over to Imperial Sir Dick, I would simply like to take one minute to thank him for the pleasure and privilege that it has been for me to serve him in this capacity as Master of Ceremonies this morning—a job that I will long remember and enjoy for the rest of my life.

Thank you, Richard and now I present to you Imperial Sir Richard B. Olfene, Imperial Potentate-elect. (Applause)

IMPERIAL SIR OLFENE: Nobles and ladies, it is a privilege as incoming Imperial Potentate to make certain appointments in my staff of aides and in the case of selecting an Imperial Chaplain.

It is my pleasure to call these various gentlemen forward. I do not know just where they are in the audience and so some of them may be surprised.

However, first of all, where is Larry Hathorne? I would like to have him immediately come to the stage, along with Past Potentates Walter Emerson, Carroll McGilvery and Bob Milton and John Trinward. Will these people please come to the stage at this time. I ask that you do this as quickly as we can, gentlemen, because we are running a little bit late.

If you will stand nearby me, I am going to tell those out here a story.

Now, Larry, you are number one.

I have selected Lawrence W. Hathorne as my Imperial Chaplain of the Shrine of North America during my ensuing year. I have known this man for most of my life. He is truly a fine individual. He has been a dedicated Shriner and an extremely hard worker in Masonry.

In addition to his ministerial duties, he serves as Secretary of my own Blue Lodge and, therefore, Larry, it is my privilege to ask you to take off your present Fez and to put on your head the Fez of the Imperial Chaplain for the ensuing year. Congratulations.

... Presentation of Imperial Chaplain's Fez and applause ensued. . .

Now I am going to start to tell you a little bit of a legend.

First of all, Walter Emerson has been an Emeritus Representative to this Session for several years and, as he said yesterday to you in nominating me, that he has been nominating me since my election to this line in 1974 at each and every succeeding year.

Walter, let me say to you that I have appreciated all that you have done for me and your dedication to the Shrine and, therefore, during this coming year, I would like very much for you to put that Fez you are wearing away and let it rest for awhile and wear this Fez as an Imperial Potentate's Aide. It is my privilege to present it to you at this time.

... Presentation of Imperial Potentate's Aide Fez and applause ensued. . .

Now, this next gentleman, Carroll McGilvery, was Potentate in 1958 and I think you may have seen him in the film and, as you will recall, he is the man who came to me in 1958 and asked if I would join Kora Temple's Divan as its Outer Guard and, of course, I did and, of course, he is responsible for all the damn mess I have gotten into ever since. (Laughter)

However, let me say that he is just an outstanding gentleman; was a great Potentate of Kora Temple and I, too, would ask you to remove that Fez and rest it for at least one year and if you do a good job, I will see that Gene Bracewell will remember you again next year. However, for this year, it is my pleasure to appoint you as an Imperial Potentate's Aide and present this Fez to you.

... Presentation of Imperial Potentate's Aide Fez and applause ensued. . .

Now, Bob Milton is also a Past Potentate and the policy or practice in my Temple is that the incoming Potentate of the Temple has the privilege of selecting the Outer Guard. We have an eleven-year line in Kora Temple and it is our privilege as Potentates to select the man to be our Outer Guard.

In 1966, there was a vacancy in the line and I had the opportunity to make two appointments.

Therefore, I appointed Bob Milton as Captain of the Guard, who served as Potentate in 1974 and normally that is a very close personal friend. He and Vivian, we see each other frequently—go to dinner occasionally and, on rare occasions, we might have a drink together.

However, Bob, again it is my privilege to ask you to remove your present Fez, lay it aside for a year and wear the Fez of an Imperial Potentate's Aide during my year.

...Presentation of Imperial Potentate's Aide Fez and applause ensued...

Last in the group is a man that I selected in 1966 to be the Outer Guard, John Trinward. He has been an extremely dedicated Shriner, a close and personal friend of ours.

John has been very involved in the Shrine Burns Institute and has served in the past as its Vice Chairman, after sitting on the Board for several years.

Jack is also a very dedicated man and, therefore, Jack, I would ask you to remove your present Fez, rest it for a year and please wear this Fez during the coming year as one of my Imperial Potentate's Aides.

...Presentation of Imperial Potentate's Aide Fez and applause ensued...

Now, I am going to tell you a quick story. When it was his privilege as Potentate to select an Outer Guard, he selected Carroll McGilvery. In turn, Carroll selected me and in 1966 I selected these two other men. So we have a pretty good living group here that goes back a long number of years. I just want you to know as to the kind of stock we have in Kora Temple of the Shrine. (Applause)

Now, the last two presentations are very personal and a great pleasure to me and I will ask my sons to step forward here.

I also want to tell you, ladies and gentlemen, that there are not two greater guys than these two fellows and, you will note from their size, that they will be pretty good bodyguards for me. (Laughter)

Now, fellows, you know how your Dad feels about you, and Mom, too, and you know the dedication that I have had to the Shrine. Further, I know that you have not been Shriners for as many years as I but I look forward to you participating and I look forward to this year where we can all be a family together and have a great time.

Therefore, it is with pleasure that I want to present each of you with your Imperial Potentate's Aide Fez and to also tell you that when the old man tells you to do something for him, that means to do it.

...Presentation of Imperial Potentate's Aide Fezes, laughter and applause ensued...

IMPERIAL SIR OLFENE: Thank you, boys, and thank you all, those are the presentations I have at this time.

I would like to close by making a very few brief remarks—to tell you that, again, this is a great day in our lives; it is an honor, not only to me but to JoAn and our family and to Kora Temple.

I will work for the betterment of the organization as I have in the past. We have great plans ahead for the future of the Shrine. I don't want to take the time now and perhaps bore you with any more of that. I am sure you are aware, as Representatives, that you will be getting more of that in the next few days.

There is much I can say to you. I have a whole list of notes to go through but I am going to give you some good news—I am not going to go through them. (Laughter)

I say that to you because I think we have presented ourselves to you today in a fashion that we believe was with class and dignity and I also want to tell you another thing, that there is one person in this room that has made this possible for me and that is my wife, JoAn.

...Rising applause ensued...

I also know that all of the Officers in Kora Temple, as well as the Nobility, all participated. I know that I cannot name all of you individually and collectively but I nevertheless thank you all for helping us, not only through this Pageant but for the many years of support in the past and I am sure your continued support in the future.

Ladies and gentlemen, it is my pleasure and my honor to serve you as your Imperial Potentate for the ensuing year. Thank you for coming.

... Rising applause and the playing of the Maine Stein Song ensued...

NOBLE GLASSMIRE: Nobles and ladies, may I have your attention for just a moment.

If you will stand where you are, the Imperial Chaplain-Designate will bless us with his benediction.

IMPERIAL CHAPLAIN-DESIGNATE HATHORNE: Almighty God, creator of all that is good, we ask Thy blessings to be with us today and thank You for this Imperial Session.

Dismiss us from this beautiful Pageant with Your love and mercy.

May Your presence be with each of us and may we ever be aware of our great goal in supporting the work of the hospitals and burns centers as children are healed and given new health and hope.

Grant Thy wisdom and light upon all of the Imperial Officers and Trustees and all members of Shrinedom as we dedicate ourselves to Your service and the service of others, in Your Holy Name. Amen.

NOBLE GLASSMIRE: This will conclude our Pageant and thank you very much for coming.

... Whereupon, at ten-forty-five o'clock a.m. the Pageant Ceremony was concluded...

MORNING SESSION WEDNESDAY, JULY 6, 1983 ELEVEN-TEN O'CLOCK, P.M.

IMPERIAL POTENTATE BOWERS: Good morning, all.

It is certainly nice to reconvene this session this morning after a beautiful Pageant by your Imperial Potentate-elect, Dick Olfene. I trust you have had a good night's sleep because I see that many of you are looking smart this morning and, of course, this is the big day because you are going to elect an Imperial Outer Guard which, I am sure will change the lives of many families.

We will now reconvene and if you will all rise and remove your Fezes, I will call upon our Imperial Chaplain, Dr. Gates, to give us the invocation.

DR. GATES [Imperial Chaplain]: Brother Nobles, it is written that "happy is the person who has reverence for the Lord, who takes pleasure in doing His commandments."

Let us pray. God, we are reverend Masons and very happy Shriners, who, with gladness for the past and competence for the future, press on with the work now before us.

Guide our deliberations and influence our particular decisions for we take pleasure in obeying Your commands, our Lord and our sovereign. Amen.

IMPERIAL POTENTATE BOWERS: Thank you, Dr. Gates.

Now, we have just had the Pageant concerning our Imperial Potentate-elect, Mr. Olfene.

Now, the first order of business is the election of the Imperial Officers and we will start from the top and move on down.

For nominations for the first office, that of Deputy Imperial Potentate, I will recognize Harry H. McDonald, Potentate of Yaarab Temple.

NOBLE HARRY H. McDONALD [Potentate, Yaarab Temple]: Imperial, Imperial Sirs, Illustrious Sirs, Nobles and Representatives: I come here today to nominate a very fine Shriner, a very fine Mason and a very fine gentleman and friend to everyone of you in this auditorium today—to nominate him for the office of Deputy Imperial Potentate for the year 1983-1984. It is my pleasure to place in nomination the name of Imperial Sir Gene Bracewell. (Applause)

Now, Imperial Sir, hearing no other nominations, I request that nominations be closed and the Imperial Recorder cast the unanimous ballot for Gene Bracewell for Deputy Imperial Potentate for the year 1983-1984.

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: You have heard the motion duly made and seconded. All in favor please say aye; contrary no. It is carried and I will now call upon our Imperial Recorder.

IMPERIAL POTENTATE BOWERS: Russ, do you accept?

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Fellow Representatives: I certainly do accept with all humility and I must say that I do not have the sort of good thing going that Gene and Walker have but I want to tell both of these gentlemen that I hope to be just as dedicated during my year of service in this office and in the future as they have been. (Applause)

IMPERIAL POTENTATE BOWERS: And now, to place in nomination for the office of Imperial High Priest and Prophet, I recognize Illustrious Sir Milton Frazier, Recorder of Habibi Temple.

NOBLE MILTON FRAZIER [Recorder, Habibi Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I again have the opportunity to nominate a Noble who has worked hard for you for six years and who, this year, served as Chairman of the Membership Committee.

I deem it a pleasure and personal privilege to place in nomination for the office of Imperial High Priest and Prophet Imperial Sir Voris King.

If there are no other nominations, Imperial Sir, I move that you suspend the rules and that Imperial Sir Jack Jones cause a unanimous ballot to be cast for Imperial Sir Voris King for the office of Imperial High Priest and Prophet.

IMPERIAL POTENTATE BOWERS: Voris, do you accept?

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: It is with deep humility that I accept the high honor which you have bestowed upon me and I, too, pledge to serve you, to work for you to continue to make our organization the greatest philanthropy in the world. Thank you all very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Voris.

For nomination to the office of Imperial Oriental Guide I recognize Harry Alger, Past Potentate of Al Azhar Temple.

NOBLE HARRY ALGER [Past Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters, Fellow Representatives and Nobles All: I stand before you today to put in nomination for the high office of Imperial Oriental Guide the name of Edward G. McMullan, Past Potentate of Al Azhar Temple of Alberta, Canada. Ed has served us well for the past five years and we are looking forward to his sixth year of great service for this organization.

IMPERIAL POTENTATE BOWERS: And now, for the office of Imperial Treasurer, the Chair recognizes John Coates, the Potentate of Al Kader Temple of Portland, Oregon.

NOBLE JOHN COATES [Potentate, Al Kader Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Voting Delegates and Distinguished Guests: I am John Coates, Potentate of Al Kader Temple and I would like to place in nomination for the position of Imperial Treasurer a Past Potentate of Al Kader Temple, Webber C. Harrington.

Webb has attained high honors in every civic and professional organization in which he has been involved both in our State of Oregon and nationally. During the past year, Webb has been honored by being named First Citizen of the Oregon Society of Certified Public Accountants, the first time that such an honor has been conferred in the seventy-five-year history of the Society. In October of 1982, Webb received the Distinguished Service Award of the American Institute of Certified Public Accountants for outstanding civic and professional service. Far more important to us, however, is the professional approach which he brings to the office of Imperial Treasurer. It is already apparent from the financial reports and information related to financial planning and budgeting and long range planning for both the Iowa and Colorado Corporations, which he has prepared for the Joint Boards and this Imperial Council, that we have a valuable resource in Webb.

Therefore, it is with pleasure and pride that I nominate Webber Harrington for the high office of Imperial Treasurer.

Also, Imperial Sir, hearing no further nominations, I move that the rules be suspended and that Imperial Sir Jack Jones, who was created a Noble of the Mystic Shrine in Al Kader Temple by Webb Harrington in 1968, cast the unanimous ballot of this body for Webb Harrington for Imperial Treasurer.

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: All in favor of the motion indicate by saying aye; opposed no. It is carried.

IMPERIAL SIR JONES: Imperial Sir, it is with great personal pleasure and privilege that I cast the unanimous ballot for my creator and for the great Temple of Al Kader for the election of Webber Harrington to serve in the office of Imperial Treasurer for the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE BOWERS: Webb, do you accept?

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and my Fellow Representatives: In all humility I do accept. I pledge to you that I will continue the program which I have attempted to carry out during the past two years and for which I thank the Imperial Divan and Board of Trustees for the great support which they have given to this office.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: And now, for the office of Imperial Recorder, the Chair recognizes Glenn W. Aiken, Recorder of Al Menah Temple.

NOBLE GLENN W. AIKEN [Recorder, Al Menah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Our Imperial Recorder, Imperial Sir Jack Jones, continues to serve Shrinedom in a very capable and diligent manner. It is my pleasure and honor at this time to nominate Imperial Sir Jack H. Jones to succeed himself as Imperial Recorder.

Further, Imperial Sir, if there be no further nominations, I move that the rules be suspended and that Illustrious Sir J. E. Wollinka, Potentate of Egypt Temple, cast the unanimous ballot of this august assembly for Jack H. Jones to serve as Imperial Recorder for the ensuing year.

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: All in favor of the motion indicate by saying aye; contrary no. It is carried.

NOBLE JEROME WOLLINKA [Potentate, Egypt Temple]: Imperial Sir, Imperial Sirs and Representatives: It gives me great honor to cast the unanimous ballot of Egypt's own Jack H. Jones as Imperial Recorder for the ensuing Shrine year. Thank you.

IMPERIAL POTENTATE BOWERS: Jack, do you accept?

IMPERIAL SIR JONES: I do, Imperial Sir, most humbly accept and promise to do the very best job that I can for this ensuing year and I thank you, the Representatives, for electing me to this position. Thank you. (Applause)

IMPERIAL POTENTATE BOWERS: Now, for nomination to the office of Imperial First Ceremonial Master, I recognize the Potentate of Crescent Temple, James A. Yocum.

NOBLE JAMES A. YOCUM [Potentate, Crescent Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives: It is my privilege and honor at this time to place in nomination for the office of Imperial First Ceremonial Master, a Past Potentate of Crescent Temple, Imperial Sir George W. Powell and if there be no further nominations, I would move that the rules be suspended and that the Imperial Recorder be instructed to cast the unanimous ballot of this group for Imperial Sir George W. Powell.

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second. All in favor please say aye; contrary no. It is carried.

IMPERIAL SIR JONES: Imperial Sir, it is a pleasure for me to cast the unanimous ballot of this august body electing Imperial Sir George Washington Powell to serve in the office of Imperial First Ceremonial Master of the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE BOWERS: George, do you accept?

IMPERIAL SIR POWELL: Imperial Sir and Representatives: Hearing no boos, I do accept. (Laughter and applause)

IMPERIAL POTENTATE BOWERS: Thank you, George.

And now, for the office of Imperial Second Ceremonial Master, I recognize Past Potentate W. L. Barrineau of Al Sihah Temple.

NOBLE W. L. BARRINEAU [Past Potentate, Al Sihah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my fellow Grand Representatives: It is again my privilege and pleasure to place in nomination the name of Joseph P. Padgett, who lives in the San Francisco Bay area of California, for the office of Imperial Second Ceremonial Master.

It is really unnecessary to recap the job that Joe and these other gentlemen are doing. Their records speak for themselves.

And now, Imperial Sir, if there are no other nominations, I move you, sir, that the nominations be closed and that the Imperial Recorder cast the unanimous ballot for Joseph P. Padgett as Imperial Second Ceremonial Master for the ensuing year.

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second. All in favor indicate by saying aye; contrary no. It is carried.

IMPERIAL SIR JONES: Imperial Sir, it is a pleasure for me to cast the unanimous ballot of this august body electing Imperial Sir Joseph P. Padgett to serve in the office of Imperial Second Ceremonial Master for the Shrine of North America during the ensuing year.

IMPERIAL POTENTATE BOWERS: Joe, do you accept?

IMPERIAL SIR PADGETT: Fellow Representatives, I will try to keep my acceptance speech shorter than that of George Powell—I do accept. (Laughter and applause)

IMPERIAL POTENTATE BOWERS: Thank you.

Now, for the office of Imperial Marshal, I will recognize William S. Woehr, Potentate of LuLu Temple.

NOBLE WILLIAM WOHR [Potentate, LuLu Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: I have the privilege and honor to place in nomination a Past Potentate of LuLu Temple who served our Temple in that great year of 1976, for the office of Imperial Marshal for the Shrine of North America, Imperial Sir John W. Dean, III.

Imperial Sir, hearing no other nominations, I move that the rules be suspended and that the Imperial Recorder, Jack Jones, cast the unanimous ballot for John W. Dean, III, to serve as Imperial Marshal of the Shrine of North America for the ensuing year.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: All those in favor say aye; contrary no. It is carried.

IMPERIAL SIR JONES: Imperial Sir, it is with pleasure that I cast the unanimous ballot of this august body electing Imperial Sir John W. Dean, III, to serve in the office of Imperial Marshal for the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE BOWERS: John, do you accept?

IMPERIAL POTENTATE BOWERS: And now, for the office of Imperial Captain of the Guard, I recognize John W. Brown, Potentate of Sharon Temple.

NOBLE JOHN W. BROWN [Potentate, Sharon Temple]: Imperial Sir, Imperial Sirs and my Fellow Shrine Masons: It is with a great deal of pleasure and honor that I have been asked to nominate one of the most dedicated and hard working Shrine Masons in North America. Of course, he comes from the great State of Texas.

It is therefore my great pleasure and honor to place in nomination the name of Imperial Sir Everett M. Evans for the office of Imperial Captain of the Guard.

Hearing no further nominations, Imperial Sir, I move that the rules be suspended and that the Imperial Recorder be instructed to cast the unanimous ballot of this body for the election of Everett M. Evans to the office of Imperial Captain of the Guard.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have heard the motion duly made and seconded. All those in favor say aye; contrary no. It is carried.

IMPERIAL SIR JONES: Imperial Sir, it is with pleasure that I cast a unanimous ballot of this august body electing Imperial Sir Everett M. Evans to serve in the office of Imperial Captain of the Guard for the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE BOWERS: Thank you. Everett, do you accept?

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and my Fellow Representatives and everyone from Texas (laughter): I do thank you for the opportunity to allow me to continue to work for our Crippled Childrens Hospitals and our Burns Institutes, which is really our main purpose and we all know that. I am thankful for this opportunity and, Imperial Sir, yes, I do accept. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Everett.

And now, we come to the crucial moment, nominations for the office of Imperial Outer Guard.

May I say at this point that the nominators will be allowed five minutes and I will ask that they restrict their remarks to strictly five minutes.

Also, let me thank Richard Olfene's staff for the beautiful flowers that are up here this morning. They really help dress up our stage here. (Applause)

Now, as to the candidates for the office of Imperial Outer Guard, there are five listed on the program here.

While I have been talking, the Imperial Recorder has been going through our annual process of drawing for numbers as to their presentation.

The first nomination to be presented will be that for Robert G. Wilson, III of Aleppo Temple, and, to present the nomination, the Chair now recognizes Augustus Means of Aleppo Temple.

NOBLE AUGUSTUS G. MEANS [Potentate, Aleppo Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, my Fellow Representatives: I am honored to place before this Imperial Council the name of a very good friend, Robert Gardiner Wilson, III, for the office of Imperial Outer Guard.

Bob has served in many branches of Masonry with distinction—as a Worshipful Master of his Blue Lodge; Commander of Boston Commandery No. 2; and as Potentate of Aleppo Temple. He holds membership in all of the Scottish Rite bodies in the Valley of Boston and is also a member of Boston Court No. 103, Royal Order of Jesters.

As a member of Aleppo Temple for twenty-eight years, he was elected its Potentate in 1973, the same year he served as President of the Northeastern Shrine Association. Since 1974, he has served as a member of the Arab Patrol, Trustee of the Permanent Fund, Finance Committee and Judge Advocate of the Temple.

But, most important, Bob has devoted twenty-eight years as a Shriner to our kids in the hospitals. He has given unselfishly of his time and talents as an attorney to be Regional Director for Region 24, Endowments, Wills and Gifts Committee. He is Vice Chairman of the Board of Governors, Shriners Burns Institute, Boston Unit and hospital attorney for all legal matters.

This year's hospital budget is near the \$100 million mark. With our new facility under construction and medical costs ever zooming upward, we must look for leadership in our Imperial Line that has the talent and know-how to cope with our complex problems.

Today, Nobles, you are going to be given the opportunity to vote for such a person.

I give you a man who has served Masonry; I give you a man who has served his community; I give you a man who has served Shrinedom; I give you a man who has served humanity; I give you, for Imperial Outer Guard, Robert Gardiner Wilson, III.

IMPERIAL POTENTATE BOWERS: Thank you.

The second candidate to be presented is Elmer MacDonald of Mizpah Temple and to present this nomination, the Chair recognizes Dorman Walker, Potentate of Mizpah Temple.

NOBLE D. W. WALKER [Potentate, Mizpah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Representatives to this great 109th Imperial Session: It is a privilege to extol the many virtues of a long time friend who has excelled in Masonry and the Shrine and also as an outstanding leader in our community and in our state.

It is an honor and pleasure to nominate Elmer MacDonald, a Past Potentate of Mizpah Temple, Fort Wayne, Indiana, for the office of Imperial Outer Guard. During the twenty-six years since he joined Freemasonry, he has given his time and energy to his Blue Lodge, the York and Scottish Rite bodies and the Shrine, freely and without hesitation. He was elected Potentate of Mizpah Temple for the colorful Bicentennial Year of 1976.

His community involvement includes being most active in the Chamber of Commerce, Rotary International and other civic projects. He is a Past Exalted Ruler of the Elks and a life member of the Reserve Officers Association, having attained the rank of Captain.

Elmer is a successful businessman. He graduated from Indiana University with a degree in Business Administration. He is President of W and W Concrete, Incorporated, and a director of a number of boards and associations, including the Home Loan and Savings Associations in Fort Wayne.

Elmer has been married thirty-two years to a lovely and vivacious lady, Hyrlene and they have two children—a son, Greg, and a daughter Suzanne—a wonderful family who enthusiastically support him in this endeavor. They are active members of the First Presbyterian Church in Fort Wayne.

For the past sixteen years, Elmer has been a member of the Indiana General Assembly, now serving as our State Senator. He is Chairman of the Indiana Senate Roads and Transportation Committee. He is also a member of the Budget and Finance and Ethics Committees.

Elmer is the Immediate Past President of the Great Lakes Shrine Association, encompassing twenty-two Temples in five states and parts of Ontario; a member of the Fort Wayne Court No. 27, Royal Order of Jesters and a nominee to receive the Honorary Thirty-Third Degree.

While all of this may be impressive and certainly indicates great achievements, he would prefer that you know him as a person who will get a job done with a mind for the future.

We have an Imperial Divan with Nobles of devotion, knowledge and great character. We want to add a Noble to this Divan who will complement it.

To Elmer, it is most important to continue to work hard to fulfill our responsibilities to crippled and burned children and to those children who will surely but sadly need our help in the future.

With his experience as Potentate of Mizpah Temple, his tenure as an officer and President of the Great Lakes Shrine Association, Elmer recognizes that it takes strong individual Temples to continue a strong Shrine of North America.

In view of these facts, I say it is important to all of us to vote for a man of integrity, a man of honor and, most of all, a Noble who is a dedicated Shriner.

Now is the hour of decision. Representatives, I ask you to elect a Noble who has the Shrine at heart and will work in its best interest for the benefit of Freemasonry and Shrinedom.

So we may have the proper key in '83, may I urge you to elect Illustrious Sir Elmer MacDonald, Past Potentate, Mizpah Temple, Fort Wayne, Indiana, to the office of Imperial Outer Guard. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you.

The third individual to be nominated is Richard L. Bukey of Sabbar Temple.

I would now like to recognize William C. Vaughan, Past Potentate of Kazim Temple.

NOBLE WILLIAM C. VAUGHAN [Past Potentate, Kazim Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives and Nobles All: I am William C. Vaughan, Past Potentate of Kazim Temple and a Past Grand Master of Masons in the Commonwealth of Virginia.

One of the greatest needs in America today in every fraternal and every organization worthwhile can be summed up in one word and that word is "leadership." Our Shrine wants the best available for that position.

One of our greatest responsibilities as Imperial Representatives is the privilege and the choice in selecting the future leadership for our Imperial Shrine of North America. May God lead us in fulfilling this responsibility in making our choice.

I am honored and privileged today to nominate for our Imperial Outer Guard an illustrious Noble who has proven his dedication and ability as an outstanding Shrine Mason—Noble Richard L. "Tony" Bukey, Past Potentate of Sabbar Temple—a Temple that has set an enviable record for our Shriners Hospitals campaign.

Tony has done a tremendous job in every place Shrinedom and Masonry have privileged him to serve. He has proven himself to be an outstanding, dedicated, hard-working, capable leader in civic and also in York and Scottish Rite Masonry and the Shrine, whose values and priorities are right and proper.

He is recommended and supported by the heads of all Masonic bodies in Arizona—York Rite, Scottish Rite, DeMolay. His Grand Master and others all have recommended him as an outstanding, dedicated Masonic leader, one who has and always gives his best.

You have all received this (indicating) folder, letters and other materials endorsing and detailing his many Masonic and civic accomplishments. I will not take your time to read them.

All who know Tony, his lovely wife and family, are impressed and enthused about all he will bring to our Imperial Shrine Line.

A good church man, a Southern Baptist, a dedicated father, a good businessman who believes in our free enterprise system and team work—Tony has proven himself to be a dedicated Shrine Mason whose trust is in God, who loves and supports his country, who lives his Masonry every day and who, as an Imperial Officer, will make us all proud.

A real worker, Tony has brought honor and recognition to his Temple—a leader who will serve as well as an Imperial Officer and leader—who is young, enthusiastic

and willing to serve Shrinedom in the coming years. Tony has instilled forever within Sabbar's Nobility the true Masonic and Shrine virtues that we all support and need. He will do the same in our Imperial Line.

Nobles, in making your choice, cast your vote for this outstanding Shrine Mason—Noble Richard L. "Tony" Bukey—for our Imperial Outer Guard. Then we can all go home, enthused about our Shrine's future and give our best as Shrine Masons every day, supporting our Temples and our Shriners Hospitals, the world's greatest philanthropy and the best public relations arm Freemasonry has today.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you.

The fourth individual to be nominated will be Ron Griffith of Tunis Temple.

The Chair recognizes Floyd Walker, Assistant Rabban of Rameses Temple.

NOBLE FLOYD WALKER [Assistant Rabban, Rameses Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: My name is Floyd Walker and I am both pleased and honored, as Assistant Rabban of Rameses Temple, to present in nomination to this august body the name of Illustrious Ronald G. Griffith for election to the office of Imperial Outer Guard.

Our great fraternity has, in the past, had the good fortune to have men of wisdom and vision assume important roles of leadership. This is very much in evidence this morning as you see these attributes demonstrated in so many of our Imperial Officers. This has largely been due to the fact that the Representatives to the Imperial Council have looked for these qualities in the Nobles they have seen fit to elect to the Imperial Divan.

Ron Griffith was born and raised in Pembroke, Ontario, located near Ottawa, Canada's capital city. He graduated from the University of Ottawa and obtained further educational qualification from Ottawa Teachers College. He is presently a media arts specialist and a labor management consultant, with responsibilities throughout the entire Province of Ontario.

Ron has received recognition from professional organizations in the Province for leadership and management abilities, which he has demonstrated.

In addition to being a practicing educator, Ron has constantly shown initiative and success in his private business ventures which are on an international level and include realty and investment concerns, merchandising establishments, and a consulting engineering firm.

Ron's civic life is active and most beneficial to his community. His contributions of time, talent and energy have received acclaim and recognition both within and far beyond his local community.

Ron's commitment to Masonic endeavors shows his love and respect for our great fraternity and all its branches. He is an active and productive member of all the fraternal bodies within his geographical district and his contributions to the fraternity are well known and recognized.

Ron's career in Shrinedom began in Rameses Temple, where he served with distinction. In 1975, when permission was granted to constitute a new Temple in Ottawa, Canada's national capital, he donned a Tunis Fez and continued to work for the good of the Order.

As a Past Potentate of Tunis Temple, his record of accomplishment is long; as a Shriner, his standard of service is exemplary.

Ron is a man of vision and, as such, looks to the future of our Order. He offers his time and his abilities to assist the Shrine in breaking new ground and exploring new frontiers.

Nobles, you are called upon today to make a decision of much importance to our Mystic Order—a decision of integrity and achievement—each one bearing merit in its own way.

We can be justly proud of one who seeks to serve our great philanthropy. Therefore, you must look for that special distinction that sets a man apart, that spiritual distinction which marks a man as a leader in our time.

Illustrious Ronald G. Griffith has a proven record of service, accomplishment, ability and strength in all paths of life which he has chosen to tread.

Help our Shrine meet the challenges, the demands and the opportunities facing Shrinedom in today's world and fulfill the dreams of our Masonic forefathers.

Nobles, let us choose and elect the best. I urge you to mark your ballot to elect Illustrious Ronald G. Griffith, a proven leader and a true Shriner, to the office of Imperial Outer Guard.

I thank you.

IMPERIAL POTENTATE BOWERS: Thank you.

Candidate number five is Allen E. Dekdebrun of Ismailia Temple and to present his name, I recognize Robert Haas, Potentate of Ben Ali Temple.

NOBLE ROBERT HAAS [Potentate, Ben Ali Temple]: Imperial Sir, Imperial Sirs, Representatives, Nobles and Brothers: We assemble today to select from a group of distinguished candidates a fellow Shriner who will represent our respective Temples on the Imperial Line.

All of the candidates present impeccable credentials—all are Nobles of high principle and unquestioned integrity.

While the choice will be difficult, I know that we all will be motivated by the importance of our selection to the Imperial Line and its significance to Shrinedom everywhere.

In order to enhance the ideals of our Imperial cause and to advance our various programs, there is a need for continued leadership and commitment.

Ismailia Temple is privileged to present for your consideration a gentleman who has demonstrated by spoken word and, more importantly, by action, his dedication and his fidelity to the programs and ideals of Shrinedom.

Allen Dekdebrun is a leader and he is committed. He is a leader in business. He is committed to fair dealing with his fellow man. The competition of the market place never overshadows his sense of ethics. He is a leader in civic affairs. He is constantly in the forefront of causes committed to better his immediate neighborhood or the community as a whole.

He has pledged to you, in his many visits across our jurisdiction, to represent you on the Imperial Line with dignity, devotion and dedication. He has asked me now to reaffirm that pledge before this body.

He was an All American Quarterback in 1945 from Cornell University. He was named the most valuable player in the 1946 Shrine East-West Football Game and the winner of the Shrine's coveted O. E. "Babe" Hollingberry Award in 1982.

Overwhelmingly elected Supervisor of his home town of over 150,000 people, he was thereafter appointed by the Governor of his state as Chairman of the Niagara Frontier Transportation Authority. This Authority operates the Greater Buffalo International Airport, the Niagara Falls International Airport, the Port of Buffalo, a fleet of 500 buses and it is now constructing a one-half billion dollar underground rapid transit system.

At the same time, he was elected a Director of the Automobile Club of Western New York.

He succeeds and he leads because he is committed, but committed to the endeavor at which he strives with a dignity and zeal that belies his proficiency and gives impending notice of his ultimate success.

And finally, but of utmost importance, he is a leader in Masonic affairs, unselfishly devoting his various talents and unbounded energy to our crippled children and the hospitals which care for and cure the sick and afflicted.

A moment ago, I referred to Allen's participation in the East-West Shrine Game in 1946. Allen was twenty years old at that time and it was then that he, along with other players, huge and muscular, visited the Shrine Hospital in San Francisco. He saw crippled kids, bodies twisted, sick and deformed—a pathetic, yet a courageous group of children.

The hearts of the players turned to jelly. They were scheduled to stay an hour but it was nearly three hours before they got the athletes out of there. When Allen left that "mansion of mercy" that December day, he promised himself that one day he would become a Shriner.

And Allen Dekdebrun did just that—and since that memorable day in that hospital ward, he has lived his life after the precepts of our Masonic teachings.

We ask you most respectfully to elect a man who has walked and worked with the crowds and knows the common virtues. We ask you to elect a man who has walked and worked with kings and Potentates and has not lost the common touch.

We ask you to vote for Allen E. Dekdebrun.

I thank you. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much.

Before we proceed, are there any other nominations? Are there any other nominations? Are there any other nominations? I declare the nominations closed. [Gavel].

Now, before we make the selection of the ballot and the number, I will recognize our Imperial Recorder, Jack Jones.

... Whereupon, brief meeting announcements by Imperial Sir Jones were made...

IMPERIAL POTENTATE BOWERS: Thank you, and now we can proceed with the balloting.

The official ballot will be number 1 and before you write your ballot, let me say that I think this will take approximately five minutes and so we will reconvene after this particular ballot at one-thirty p.m.

NOBLE HOWELL: Imperial Sirs and Representatives, if you will remain in your seats when you finish marking your ballot, we can take them up much faster because, if you start out the doors, this will add to the confusion. Therefore, please remain in your seats until the Tellers pick them up just as quickly as possible.

Thank you.

... Balloting and collection of ballots then ensued...

IMPERIAL POTENTATE BOWERS: Have all voted who care to vote? If so, I declare the ballot closed. [Gavel].

We are now in recess until one-thirty p.m.

... The 109th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve-fifteen o'clock p.m., to reconvene for the afternoon session at one-thirty o'clock p.m. ...

AFTERNOON SESSION WEDNESDAY, JULY 6, 1983 ONE-THIRTY O'CLOCK P.M.

The One Hundred Ninth Annual Session of the Imperial Council reconvened at the Denver Hilton Hotel, Denver, Colorado, at one-thirty o'clock p.m., Imperial Potentate Dr. Daniel E. Bowers, presiding.

IMPERIAL POTENTATE BOWERS: Will you please take your seats.

I will now recognize the Chairman of the Tellers Committee, Noble Joe Howell for the results of the election for Imperial Outer Guard.

NOBLE HOWELL: Imperial Sir, it is with pleasure I give you the results of ballot number one for the Office of Imperial Outer Guard.

There were a possible 824 votes; 805 actually voted; there was one spoiled ballot; necessary for choice was 403.

The votes were distributed as follows: Griffith, 44; Wilson, 62; MacDonald, 133; Dekdebrun, 195; Bukey, 370. That is not sufficient for an election.

NOBLE RONALD G. GRIFFITH: Imperial Sir, Imperial Sirs and Representatives and Fellow Delegates: At this time I wish to thank those who voted for me and I would like to have my name withdrawn but I would hope, should my Temple be in favor, that I will be here for you to vote for again next year. Thank you very much.

IMPERIAL POTENTATE BOWERS: Is there any other candidate who has similar feelings? [Laughter] Apparently there are none.

Now, there has been no majority cast and so we will call for another election for Imperial Outer Guard. Therefore, gentlemen, if you will again get out your books, I will tell you which ballot to select.

How would you like to use number three, the blue one?

...Cheers and applause...

IMPERIAL POTENTATE BOWERS: Number three will be the ballot to be used.

...Whereupon, voting and collection of ballots ensued...

IMPERIAL POTENTATE BOWERS: Have all voted who care to vote?

...Cries of "no"...

IMPERIAL POTENTATE BOWERS: Very well, we will give you a few more moments and at this time I would like to recognize Dr. H'Doubler.

PAST IMPERIAL POTENTATE H'DOUBLER: Thank you, Imperial Sir.

Imperial Sirs, Illustrious Sirs, Representatives, Nobles and Distinguished Guests: It was my honor, in behalf of our Imperial Potentate, to accept an award from the National Fire Protection Association at their national meeting in Kansas City a month ago. The Chairman of the Board of Trustees, Woody Bennett, was also there with me.

At this time, I would like to turn this award over to our Imperial Sir, Dr. Bowers. It recognizes the Shrine for its continued efforts concerning safety from fires.

...The above citation was presented to Imperial Potentate Bowers...

PAST IMPERIAL POTENTATE H'DOUBLER: Also, at this time, I would like to personally thank all of you fine Nobles and all the Temples that are doing such an outstanding job of selling our Stop Burns Injury Program, particularly in relation to the response we have seen from the 155 Temples purchasing at least one of our films entitled "An Ounce of Prevention." This is a new record for participation and I hope you continue to do the good job you are doing. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Dr. H'Doubler.

In behalf of the Imperial Council, accept this award of general recognition by the National Fire Protection Association and I will turn this over to Mr. Cumpstone to take down to Tampa.

...The award citation was presented to Noble Cumpstone...

IMPERIAL POTENTATE BOWERS: Now, have all voted who care to vote? If so, I declare the ballot closed. (Gavel)

I would now call upon our Imperial Recorder, Jack Jones, for any announcements he may have.

...Two brief announcements by Imperial Sir Jones ensued...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: I believe that Joe Howell is ready to present you with the results of your second ballot for the Office of Imperial Outer Guard.

NOBLE JOE HOWELL: Imperial Sir, for the Office of Imperial Outer Guard there were a possible 824 votes; 787 actually voted; there were two spoiled ballots; necessary for choice was 394.

The votes were distributed as follows: Wilson, 29; MacDonald, 93; Dekdebrun, 228 and Bukey, 435.

...Cheers and applause ensued...

IMPERIAL POTENTATE BOWERS: Will Mr. Bukey please come forward. I declare that you have elected Mr. Bukey the new Imperial Outer Guard.

Let me ask you, Mr. Bukey, do you accept? (Laughter)

NOBLE RICHARD L. BUKEY: Imperial Sir, I do accept. Also, gentlemen, let me thank you for the support you have given me and also the inspiration.

Also, let me tell you one thing—the enthusiasm that was displayed during the campaign is going to go right on for eleven years. Thank you very much. (Applause)

Also, once again, Imperial Sir, I do accept. (Applause)

NOBLE ALLEN E. DEKDEBRUN [Ismailia Temple]: Fellow Nobles, I would move that we cast one unanimous vote for our new Imperial Outer Guard, Richard Bukey. (Applause)

NOBLE ROBERT G. WILSON: Second the motion.

NOBLE RONALD G. GRIFFITH: I would also like to second the motion.

NOBLE ELMER MACDONALD: Let me say that I appreciated all the support given to me and I will "third" that motion. Thank you very, very much.

IMPERIAL POTENTATE BOWERS: Thank you, gentlemen. That indicates a real fraternal spirit in existence among us. Thank you very much and that was an excellent election.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: I would like to call on Larry Hunt, Grand Master of the DeMolay, to say a few words to us. Larry, where are you?

NOBLE LARRY HUNT [Grand Master, DeMolay]: Thank you, Dr. Bowers.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Nobles All: I appreciate this opportunity to address you on behalf of the DeMolay.

Three years ago, when I attended my first Grand Masters Conference, I listened to an extraordinary report on the future of our Masonic Fraternity. Many of you are well acquainted with this report, as it was developed by the Shrine. It upset me aslo but, at the luncheon hosted by your Masonic Relations Committee, hearing the remarks of Imperial Sir George Powell and Imperial Sir Jack Jones and the comments made by many of the Grand Masters present, I am now very optimistic about the future.

I do have a concern that I would like to share with you and this goes out to the grass roots of Masonry back home.

Recent surveys show that the vast majority of new members in DeMolay and Rainbow are not children of Masonic families. This can be the result of several factors: (1) The Masonic families no longer have children between the ages of thirteen and twenty-one; (2) Masons do not know about DeMolay and therefore are not able to interest their children; and (3) Masons do not care about their own youth Orders and the future of their own Lodges enough to urge their sons to join DeMolay.

I regard the first possible factor as highly unlikely. It is impossible to conceive that the age of the majority of Freemasons in North America is such that they no longer have children of DeMolay age.

The second factor is unfortunately the factor with the highest probability of occurrence. The Shrine has recognized this lack of knowledge as a factor and under the last two Imperial Potentates in particular, has encouraged the development of educational programs on a local Shrine Temple level and national level to acquaint DeMolay with Masonry and Shriners with DeMolay. This ignorance factor cannot, however, be cured only by the efforts of the Shrine, no matter how great that effort. It is time then for each particular Lodge and each Grand Jurisdiction to stress the importance of DeMolay as the foundation for increasing Masonic membership.

The third contributing factor to the absence of Masonic sons in DeMolay is the most alarming. It suggests to us that far from wanting to expand the teachings of Freemasonry, some of our Brothers are only interested in "me" or "I" and adhere to the Louis XIV concept of "After me, who cares?" My fellow Nobles, we cannot afford this narrow viewpoint and it is my pleasure to say that the Imperial Divan of the Shrine is not so parochial in its orientation.

DeMolay has benefited dramatically from the Shrine's concern. All over our nation, Shrine Temples, individual Units and state Shrine Associations are forming a new type of Shrine Parade—they parade to DeMolay Chapters to assist them in growing, to assist our young men in maturing and to assist our fraternity in directing its members toward the Light and thus across the sand into the Shrine. This type of support, while not yet universal in Shrinedom, is growing and paying dividends to DeMolay, which will later inure to the Shrine. For this support, we in DeMolay are extremely grateful.

On a personal level, I would especially like to thank Jack Jones, Imperial Recorder, not only for his enthusiasm in support of International DeMolay, but for DeMolay in Florida, where I am the Executive Officer.

As Grand Master of DeMolay, it is my pleasure to bring to you the greetings of the International Supreme Council of the Order of DeMolay and, on its behalf, I

salute each and every one of you for the moral as well as fiscal support we receive each year from the Imperial Council.

Thank you for this opportunity to speak with you. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Brother Hunt.

I will now recognize Imperial Sir Dick.

IMPERIAL SIR OLFENE: While we are waiting for the decision ballot to be announced, and I understand there can be no business conducted in the meantime, I would like to make one announcement which may be of interest to some of you although, of course, we have announced this in prior conventions for the last couple of years.

Do not forget, we are planning to hold an Imperial Seminar in St. Louis. As most of you may remember, this has been approved by you gentlemen at a prior convention.

I would just like to remind you that the dates of that seminar will be March 18, 19, and 20. Of course, you will be receiving information on this at the proper time.

Again, you will arrive on Sunday, March 18th. The seminar itself will be the 19th and 20th and then the SDA meeting will be right in St. Louis on the 21st.

I would like to have you keep your calendars open and, further, this seminar will be open to your elected Divans of your Temples and we hope it will bring you some good, meaningful information.

Again, as to the dates, arrival will be on Sunday, March 18th. The seminar will be on March 19-20 and I am sure that if you need to leave in the latter part of the afternoon on the 20th, it will be okay. However, the SDA meeting will begin on the 21st.

Also, I want you to know that the beautiful flowers which were on the stage this morning just have not disappeared. We donated them to the local hospitals for patients in the Denver area. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Richard.

Is Grand Commander Stanley Maxwell in the room? May we have a few words from you, please.

GRAND COMMANDER STANLEY MAXWELL: Imperial Sir and Sirs, Most Worshipful Grand Masters and fine Masons All: I am very happy to be here and extend my appreciation to this Imperial Council for the privilege of joining with you in your deliberations.

I congratulate the Imperial Shrine on the tremendous work that has been accomplished during this past year and certainly wish for the incoming administration equal and perhaps even better success in the coming year.

It is my privilege to bring to you on this 109th Imperial Council Session, greetings and best wishes of a half a million Scottish Rite Masons in the Northern Masonic Jurisdiction and we certainly wish you well.

A few months ago, I attended a meeting in Pennsylvania sponsored by the Grand Lodge, at which time our Imperial Sir was present, along with other heads of Masonic bodies.

The subject of this seminar was "The Masonic Family Working Together," and this is my attitude and the attitude of all that were present there, that the success of Freemasonry, the Shrine and all other appendant bodies, including our youth programs, is due to the fact that we are working closer together than we have ever before.

I wish you all great success and thank you Imperial Sir. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much, Brother Maxwell.

The Chair now recognizes a distinguished Mason from the State of Georgia. By the way, this is his birthday.

At this point, I would like to recognize Worshipful Brother Charles Knowles, Grand Master of Georgia.

...Singing of "Happy Birthday" to Worshipful Brother Knowles ensued at this point... (Applause)

MOST WORSHIPFUL BROTHER CHARLES KNOWLES [Grand Master, Georgia]: Imperial Sir, Imperial Sirs, Fellow Representatives and Shrine-Masons All: I bring you greetings from the great State of Georgia and we did elect a President and got rid of one also.

...Cheers and applause...

What a joy it is to be here in Denver and to report to you and thank you so much for greeting me on my thirty-ninth birthday. (Laughter) It was a complete surprise and I am overwhelmed.

I would just like to tell you, Imperial Sir, my Brethren and Shrine Masons, that Masonry is on the move in Georgia and peace and harmony prevail within our jurisdictions. We are so grateful for it and my theme for this year is going to be "We Can" and that includes our Shrine Brothers.

Thank you for this opportunity of speaking with you. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much, Grand Master.

Now, it is a special privilege to welcome and to address my remarks to Charles Lembke, age 94, Delegate Emeritus—Emeritus since 1947. He has been a member since 1922. Charlie, will you please stand up. Where is Charlie?

...At this point, it was indicated that Noble Lembke was not in the audience at this point in time...

IMPERIAL POTENTATE BOWERS: Now, I understand that Charlie is not feeling well and went to his room just before luncheon. Is it not great, fellows? Let us give him a hand anyway. (Applause) Please extend to him our best wishes.

I would at this time recognize Past Potentate Emilio D'Acosta, Past Potentate of Anezeh Temple, Mexico City.

Emilio is attending his forty-fourth consecutive Council Session.

Emilio, where are you? There he is, standing right over there. (Applause)

In behalf of this Imperial Council, Emilio, I wish to extend our very best to you and your family. Thank you so much. You are a grand fellow. Do you wish to say a few words? If you do, please come to the microphone and we will give you that privilege.

You know, it is nice to recognize a gentleman who has served us for so long. (Applause)

NOBLE EMILIO D'ACOSTA [Past Potentate, Anezeh Temple]: Imperial Sir, Imperial Sirs and Representatives: I am very grateful for the opportunity you have given me to express my thoughts and feelings in my heart regarding the Shrine and especially your Shrine patients.

Yes, I have been coming here for a long time now, some forty-four years, but in that time we have done many things.

We in Mexico have been working very hard for the Shrine. We have had support from the Imperial Council and, to this point, we have taken care of more than 7,000 children.

Thank you for this opportunity to be here today and I hope that the Good Lord will allow me life for at least two or three years more.

...Rising applause ensued...

IMPERIAL POTENTATE BOWERS: Thank you, Emilio. That is certainly a great attitude and we sincerely thank you for your fine response.

Is the Grand Master of Louisiana here, Worshipful Brother James King? Will you please proceed to the microphone because we would like to have you say a few words.

MOST WORSHIPFUL BROTHER JAMES KING [Grand Master, Louisiana]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Fellow Grand Masters: This is my first convention.

Now, I am sure that each of you who are present here had your own reasons for joining the Shrine. I likewise have my reasons.

You know, when I became a Mason, I really had no ambition to join the Shrine but I had an experience that changed my whole thinking and philosophy in relation to the Shrine.

I fished with a friend of mine that had a little girl five years old. She was in kindergarten.

There was a wreck in the front of her school and, in the process, she was standing close by and her dress caught on fire and just burned her terribly. My fishing friend did not know what to do under those circumstances and so he called me and asked, "Are you a Mason?" I replied "Yes." He then asked, "Is there anything you can do for me?" Well, I was not a Shriner and so I called a friend of mine who was the Potentate of a Temple. He immediately got on the problem and one of our very civic minded ladies, after hearing about this, who had a plane and a pilot, had the child picked up and they took that child to the Burns Institute at Galveston. She stayed there for over a year, in and out and when they finished the treatments they said, "You do not owe us a dime."

Well, that little girl is now a beautiful young lady. You would never know she had undergone that experience.

I felt it was time that I make a decision, when that happened, and so I decided to become a Shriner. I have never regretted it.

Now may I take this opportunity to tell you a human interest story that I think we all should be aware of.

I had a niece, my wife's niece who lived in Atlanta. On one occasion we invited her to come over and have a vacation with us at our expense for a couple of weeks. She got off the plane in Shreveport and we were there to pick her up and on the way home I asked her, "How are things in Atlanta, Georgia?" She looked at me for a moment and then said, "Uncle Jim, I am worried because that place is literally full of drunken Shriners." I replied, "Really?" She said, "Everywhere you go."

On the way home from the airport, I decided to stop at the hospital and when I got in front of the hospital, I said to her, "Do you see that sign?" She replied, "Yes." I asked, "What kind of sign is it?" She replied, "Well, Uncle Jim, it is a Shrine emblem." I further asked, "Do you see that building?" She replied, "Yes." I asked, "What is it?" She said, "It is a hospital." I said, "That is right, it is the first Shrine Hospital in North America and you will have to remember, young lady, that we have close to a million Shriners in North America and while there may be a few unruly ones, the greater majority of them are giving their heart and soul, efforts and talents and abilities toward supporting these hospitals. We have eighteen of them and also three Burns Institutes. Thousands of little children that could never live a normal life are being taken care of in these hospitals and Burns Institutes. Through these efforts, they can begin to lead a normal life with the help of these Shriners and, of course, I happen to be one of them." She looked at me a moment and said, "Well, Uncle Jim, never again will I say anything about Shriners." (Applause)

Thank you for this opportunity of speaking to you. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Grand Master.

Again, gentlemen, let me inform you that we are waiting for the balloting results because we cannot conduct any business until we first receive those. Therefore, I am offering the opportunity for some of our Past Grand Masters to speak to us here.

Now, I know that the Grand Master of Texas is here because I saw him in Texas a couple of weeks ago when they had that big session in El Paso. Where is he? Here he comes. You know, I never realized, until a few weeks ago, that El Paso was such a large city and, to go along with that, I am happy to introduce to you a big Grand Master, Most Worshipful Brother J. D. Baccus, Grand Master of Texas. (Applause)

MOST WORSHIPFUL BROTHER BACCUS [Grand Master, Texas]: Thank you.

Imperial Sir, Imperial Sirs, Fellow Grand Masters and Shrine-Masons All: I was hoping I would not be called on because I get scared when I get up in front of a bunch of guys like this.

However, I do want you to know that Masonry is alive and well in Texas.

Now, I was asked to tell a story but I am not going to do so. Well, I will tell you just a little one which, of course, has nothing to do with what you are doing and so I guess it is all right to tell at this point.

... A humorous anecdote by Brother Baccus ensued... (Laughter)

Again, it is good to be with you. This is my first Imperial Session and I hope it will not be my last. I am really enjoying myself and your hospitality is great. You are a wonderful bunch and I am looking forward to another session sometime in the future. Thank you all so very, very much for your courtesies. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much, Worshipful Brother. They certainly make things big in Texas.

I will next recognize Grand Master of Utah Most Worshipful Brother Curtis Lancaster.

MOST WORSHIPFUL BROTHER LANCASTER [Grand Master, Utah]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Delegates: I want to thank you for the hospitality that you have shown to us.

It is a real pleasure to come back again to an Imperial Council Session as a Grand Master.

I made a determination a couple of years back that this would be a "must" on my itinerary this year, to come to an Imperial Council Session.

I think it is very important for a Grand Master and the various Grand Lodges to show their support for this great organization which we all are members of and so I am very gratified at the number of Grand Masters that are present here today.

After about six years of coming to these Imperial Council Sessions I think this is the largest number of Grand Masters that I have ever seen in attendance. (Applause)

As I said, I think it is important for us to demonstrate our support for the Shrine, just as it is important for the Shrine to demonstrate its support for our Blue Lodges.

I would also like to echo some of the remarks made by Grand Master Hunt.

This Imperial Council is to be commended for the very positive programs it has commenced, especially, in the last two years with its support to the DeMolay programs. We have an opportunity, as well as responsibility, to provide support to these young men, to help them develop morals and values that we know are necessary. It is indeed an investment in the future because these young men are going to become leaders in our organizations and in our society and, as I said, it is an investment we cannot afford to pass by.

It has been a pleasure for me to be here and I thank all of you for your hospitality. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Grand Master.

Is the Grand Master of Illinois, Worshipful Brother Bachman in the audience? Will you please say a few words to us? Let me say that this is my home state.

MOST WORSHIPFUL BROTHER RAYMOND BACHMAN [Grand Master, Illinois]: Imperial Sir, Imperial Sirs, Representatives and Shrine Masons All: This is my second time at this podium during this session. I think the first time was on Monday afternoon and I was just about as nervous now as I was then.

It is a real pleasure for me to be here.

This is my third Imperial Session and I might tell you that I joined the Shrine, I think, between twenty and twenty-five years ago and I did it for one reason only and that was so that I could participate in and support the great work that the Shriners do in their work with crippled children.

I would like to tell you that the cooperation between the Shrine and the Grand Lodge in Illinois is excellent. We are working together and cooperating with and supporting each other in our endeavors. Through this, I know that Freemasonry is on the move in many areas of our state.

Thank you again for your hospitality. It is a great privilege to be here. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Grand Master.

The Chair would now like to recognize the Grand Master, Knights Templar, Ned Dull. Is he present? I understand he just left.

Now, is the Grand Master of the State of Kentucky here, Harlan White? I see he is coming up here.

MOST WORSHIPFUL BROTHER HARLAN WHITE [Grand Master, Kentucky]: Imperial Sir, Imperial Sirs, Illustrious Sirs and all of you great Nobles out there: I bring you the greetings of approximately 93,000 Masons in the State of Kentucky.

This has been a momentous occasion for me and, certainly, I have enjoyed every minute of it. I believe this is my third consecutive Imperial Council Session. We have always been treated good. The hospitality has been fine.

The projects which we Nobles represent and work so hard for are well represented in the Commonwealth of Kentucky and, as you have heard expressed here before, unity certainly prevails in the Commonwealth of Kentucky from our York and Scottish Rites and our Grand Lodge.

As I look over this group this afternoon, I believe we can all see that most Masons meet on the level because the bubble frequently is in the middle, as I can see out there. It is always a great joy to speak in behalf of our fraternity and for the Brotherhood. I wish you much success in this session, Imperial Sir, and also the one to follow, and may God bless each and every one of you today. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Grand Master.

Are there any other Grand Masters who would like to address this august body?

Well, we would like to hear from our good friend, the Grand Secretary of Mississippi, T. K. "Pete" Griffis.

MOST WORSHIPFUL BROTHER GRIFFIS [Secretary of the Grand Lodge of Mississippi]: Imperial Sir, Imperial Sirs and Illustrious Sirs: I am here to represent my Grand Master, who had to cancel out at the last minute.

This will be my fifteenth Imperial Session and I want to presently announce two programs that we have in Mississippi that our Grand Master has encouraged.

The first is that the Divan of Hamasa Temple has put on four Entered Apprentice Degrees in four different places, in four different Lodges during this past year and they have done an excellent job and our Grand Master has complimented Hamasa Temple and their Divan very, very highly.

The next thing that I want to mention is that several years ago we drew up a little brochure and some people said, "Man, you will never get them to agree to that." I said, "Well, I am sure we will. However, let us get the grass roots to agree to it first and then the rest will go along with it."

The three Shrine Temples in Mississippi printed a brochure that the Grand Master and Grand Lodge approved. We did not have the money—we were running short of money and these three Shrine Temples printed it and it is a neutrally worded brochure for non-Masons.

It starts out by saying, "A personal message to a special friend." We give them to our Masons and ask them to give them to personal friends after first signing their name to them.

Now, I know it is effective because our Grand Master goes across the state and he sets up meetings for me as Grand Secretary and also for my Recorder, Fred Bean.

We follow him at other meetings and, when there, we talk about Masonry and we talk about the Shrine and we talk about our charities and boy, does it work.

For example, we had a little Lodge in a town of about 2,400 people that had not had a Master's Degree in two or three years. Our Grand Master set up a program there and then we went and talked to them and asked them to have a Family Night and bring to this night non-Masons. Well, during this past summer they started to work and on one Saturday they conferred five Master's Degrees and the Grand Master asked each of those five men, "Why did you choose to become a Mason?" Four of those individuals replied, "Because a friend gave me a pamphlet." The fifth one replied, "Because of viewing a Masonic funeral in connection with the death of my father."

Now, last November, when we had our Ceremonial, they brought seventeen candidates to the Shrine Ceremonial from that town of 2,400 people and that was our Hospital Day Program and they also told us that they were going to have fifteen or seventeen more back at that program. They will not bring them unless we have a Hospital Day Program.

Now, I say that if we are going to be successful in the Shrine, the Blue Lodge and the York and Scottish Rites, we all have to work together.

My Potentate, John Parker is sitting right down there and so are some of his Divan members and I want them to know we appreciate what they are doing for the Grand Lodge of Mississippi. We express our appreciation to them. (Applause)

Now, if any one of you would desire a copy of this pamphlet, please write to me.

I believe the State of Louisiana has adopted a similar program, as well as has some other states, and we believe it will work if you will attempt to do it.

Now, I cannot leave here without telling at least one humorous story.

I had an opportunity to go to an all mens' meeting a couple of weeks ago and when I got there I thought it would be strictly an all male program. Also, I thought it was going to be something on a high level because since I have gotten to be the Grand Secretary of Mississippi, I have sort of become dignified and my talking is a little bit better.

Well, I had been there about thirty minutes when about thirty girls walked in. I said to myself, "Oh, Lord, what is going to happen to me? I sure have to do something."

Well, I went and called my wife and when I got her on the phone I said, "Honey, I do not know, but thirty-five girls just showed up at this all male meeting and what should I do?" There was a pause at the other end of the line then she replied, "Well, if you can do anything, come on home." (Laughter)

Thank you, Imperial Sir, for this privilege. (Laughter and Applause)

IMPERIAL POTENTATE BOWERS: I understand we have a few more minutes to wait and, therefore, at this point, gentlemen, would you just like to get up and stretch your legs very briefly?

... A brief pause in the proceedings ensued at this point...

IMPERIAL POTENTATE BOWERS: Please be seated.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: At this time I will call on Jack Dean for his report.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and my Fellow Representatives: May I have your attention, please.

It is my duty as Chairman of the Shrine Regalia and Emblem Committee, to report to this convention that I have a problem.

Nobles, every year your Shrine Regalia and Emblems Committee has met and had very few items that have come before them. This year we received a complaint from one of our Nobles about a Fez. As a matter of fact, it came from a Recorder—about a Fez that contained three lines that had a number of different things and then he went on to say something and his words were that in his personal opinion, this Fez was a billboard.

I recalled that someplace we had in our Bylaws and in our Protocol a number of requirements as to what a Fez should contain and how it should be done. Now, I believe that somewhere it says that it should contain one line and that two lines would be illegal. Now, in order to satisfy my knowledge, I started looking through the Imperial Code and nowhere in the Imperial Code did it say anything about one line, two lines or three lines. That is in our Protocol.

However, I would just like to discuss with you for one moment a problem that your committee perceives and we would like to get an indication from you, before we come back here next year with a recommendation, put it in the Call, get it circulated and then have it voted down before we even get started.

Under Section 213.1, Section (b) as in "boy," entitled "Titles," it says:

"The Imperial Chaplain, Potentate, Past Potentates, Recorders and Divan Members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the Fez. Active members of official uniformed Units of a Temple may likewise have the names of their Units underneath the emblem on the Fez."

Now, fellows, what that says is that if you are the President of the Shrine Motor Corps of the Southeast Shrine Association, you cannot have that on your Fez. If

you are the President of a Shrine Club, you cannot have that on there. It says no titles other than those I read to you, namely, Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members and, also, active members of official uniformed Units of a Temple may likewise have the names of their Units beneath the emblem on the Fez.

Now, I do not know what your general feeling is but as I look over the audience, I am sure that in each of your Temples, if you were required to enforce this, you would have a revolution on your hands. (Laughter)

Your committee has discussed this—your committee is sort of divided. They feel, in particular, that we should not have billboards.

Now, there has been some discussion that probably the best way that we can get into conformance is to maybe also include in here the fact that we can have a couple of other titles, like a Potentate's Aide or to have something else.

We are also thinking of one other thing and that was that we would possibly (and this was suggested by one of the committee members) come back to you with a recommendation that in the future all Fezes would be purchased through your Recorder's Office and in that way you would then have control of the Temple Fezes in your own Units and in your Temples.

We would automatically have to change everything around but we could make additions and we could change the titles.

The Code is actively being violated. Each Potentate takes an oath to enforce the Code; each of your Imperial Officers takes an oath to enforce the Code and I would also like to inform you that I do not have the courage, although I do have the courage to do a lot of other things, to walk up and down the street and tell everybody they have to take off their Fez or declare that Fez illegal. (Laughter)

I really think it is counter-productive to have something here that is not fair.

What would your feelings be, and I am referring to the possibility of having all Fezes in the future handled through the Recorder's Office or in such manner as the Divan may determine—would that be an acceptable solution to you towards possibly eventually working toward getting this situation cleared up?

...Cries of "yes" and "no". . .

IMPERIAL SIR DEAN: We would be open to any other suggestions.

I am not asking you to make a decision at this time but I would just say this—that if I could get a voice reaction as to whether or not you think this is a good thing or bad thing, I would appreciate it.

I would ask that during the course of the next three or four months, each of your Divans meet and come back to us with some kind of suggestion.

Now, this is only in the form of a straw vote but those of you who think this might be a good idea, and this is not binding on anybody, this is an advisory thing only to your committee—those of you who think it might be a good idea of having the Potentate or Divan control it, or the Recorder, please say aye; those opposed. The "ayes" overwhelmingly have it.

Therefore, thank you, we will work on this and we will see if we can draw up something.

Also, what we would like to do is have suggestions from any of you as to some other titles that you would like to have inserted here that you think are proper titles, one of which I think would be the name of the Shrine Club, as well as maybe your Aides. However, if you have some others, we would also appreciate receiving those.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Jack, and I will now recognize our Imperial Treasurer, Webber Harrington, for a presentation.

IMPERIAL SIR HARRINGTON: Thank you, Imperial Sir.

This is one of the most memorable tasks that has ever been assigned to me in my experience as a Shriner.

Fourteen years ago, I became a member of the Finance and Accounts Committee and at that time Bob Vetter was the Chairman of this committee. He had already

been Chairman for some six or seven years but during all of those years, both working with him on the Finance and Accounts Committee and as a Trustee and later as Treasurer, I have come to know this kindly, gentle but firm man and to admire him greatly.

There is so much that could be said about Bob Vetter but I have to tell you something about this man's excellent civic and professional career because this is the one time that we have the opportunity to put on the record of this great organization the many accomplishments of a man that we love, all those of us who have worked with him.

Bob Vetter has been President and Director of the Klockner-Moeller Corporation, Natick, Massachusetts, and a Director of the Moeller Manufacturing Corporation, Lincoln, Rhode Island.

Other than that, he has not done a thing. (Laughter)

This man has labored so long for us that it is fitting that we honor him at this time.

I would like to have our Executive Vice President, Lew Molnar, come up here and join me in a little presentation that we would like to make to Bob and then I have a resolution to present.

I would also like to have Bob join me up here at this time.

It is with pleasure, Bob, that we present this plaque to you and on the picture beneath this plaque it says:

"Imperial Council, AAONMS and Shriners Hospitals for Crippled Children, in recognition of his unprecedented twenty years of inexhaustible dedication and unselfish service as Chairman of the Shriners Finance and Accounts Committee, we do hereby unanimously appoint B. W. Bob Vetter to the position of Chairman Emeritus and on behalf of Shriners across North America, as well as crippled and burned children everywhere, we express our sincere appreciation for your tireless efforts."

That is signed by Dr. Daniel E. Bowers, Imperial Potentate and W. W. Bennett as Chairman of the Board of Trustees.

Now, Imperial Sir, in order that this presentation to him may be legal, I would like to present this resolution for adoption.

"BE IT FURTHER RESOLVED, That this Imperial Council, by its affirmative vote and acclamation, elect B. W. "Bob" Vetter Chairman Emeritus of the Finance and Accounts Committee."

I would so move.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have heard the motion duly made and seconded. All those in favor say aye; contrary no. It is unanimously carried.

IMPERIAL SIR HARRINGTON: And now, Bob, it is with the greatest of pleasure that I present this plaque to you.

...Rising applause ensued as the plaque was presented to Noble Vetter...

NOBLE VETTER: Imperial Sir, Imperial Sirs and Fellow Representatives: I feel most humble at this time. I do not believe that I have had anything that has ever touched me like this. I do not think I deserve it but I appreciate it no end and I shall forever remember this meeting as one of the greatest days of my life.

Thank you again so very, very much.

...Further rising applause ensued...

IMPERIAL POTENTATE BOWERS: You have certainly done well throughout the years in your activities concerning the Finance and Accounts Committee and, of course, you are certainly a great Noble.

...Past Imperial Potentate Weck assumed the Chair and business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: At this time I will call on the Jurisprudence and Laws Committee for the purpose of taking up Item 7 and we will carry on from yesterday. I will recognize Ted Corsones.

NOBLE THEODORE CORSONES: Thank you, Imperial Sir.

My fellow Representatives, you asked me to come back today and further explain Item 7 which is on Page 17 of the Call.

I guess we were all a little bit tired yesterday. We worked hard and got a lot of legislation through yesterday.

It is my job as Chairman of the Jurisprudence and Laws Committee to explain the legislation to you and to explain it effectively. I apologize to you for not having done so. I will try to do better today.

Let me give you the background concerning this legislation.

The Province of Alberta is approximately 1,000 miles long. There is only one Temple for the entire Province and it is located in the City of Calgary in the southern part of the Province and it is known as Al Azhar Temple.

There is a city in the northern portion of the Province known as Edmonton and this city has many dedicated and enthusiastic Nobles. They would like to form their own Temple. They meet with the approval of Al Azhar Temple and in order to allow it to occur, Al Azhar Temple has introduced this legislation.

Now, I told you yesterday that the legislation will only affect Canada and this is true.

You will recall that the Dispensation and Charters Committee also reported to you on this legislation and their report also informed you that this proposed amendment only affects Canada.

Now, let us look at another subsection, Subsection (e), because that is the only subsection we are talking about. We will talk about the old Subsection (e) and the new Subsection (e).

Also, at all times please keep in mind that "state" also means "province."

Now, under the present Bylaws as they presently exist in your book, the new Temple must be at least 300 miles from any Temple in the same state. Under the proposal before you, this stays exactly the same.

Under the present Bylaw that is in the book, the petition for dispensation must be approved and supported by all of the Temples in the state. Under the proposal before you, this stays exactly the same.

Now, under the present Bylaws, there is no exception for such a Temple in Canada. Under the amendment before you, which is what we are considering, it says that if the Temple is to be located in Canada, the petition therefor is signed by at least 500 Nobles in good standing and who reside in the proposed territory of the new Temple.

Now, upon the conclusion of yesterday's session, several Nobles came to me to discuss this proposal, as I had requested them to do. I believe I explained the situation to them to their satisfaction.

I am also pleased to inform you that our Illustrious Parliamentarian, J. B. Hopkins, authorizes me to state to you that he also is now satisfied.

A few of you made some constructive recommendations to me, such as placing this in a different subsection or rewriting it. I believe, too, if we did all of that, we would really be in a state of confusion.

Hopefully this explains what is taking place. I hope it has been helpful. Without this amendment, the Nobles of Edmonton will not be able to take out an application for a Temple in their community. I say that you give them a favorable response.

I move its adoption.

... The motion was severally seconded. . .

IMPERIAL POTENTATE BOWERS: We have a motion and a second to adopt the proposal. Are there any questions?

NOBLE GEORGE WILLIAMS [Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: My name is George Williams and I am the Potentate of Al Azhar Temple.

I am responsible for getting this in the Call and I have to apologize because when I came up yesterday, I thought it was approved and left because I had to visit my

horses in the Horse Patrol. I also wanted to have a little meeting last night to clear this all up.

Now, the second paragraph down there is exactly what the gentleman said—to form another Temple in the Province of Alberta.

To give you a little geography, Alberta is 1,100 miles long and 500 miles across and it is a big province. We feel that this proposal, if adopted, will be the best thing for Shrinedom in the province.

This also happened a few years ago, in the Province of Ontario, when Tunis Temple broke away. At that time, they started out with 500 members and they are now up to 1,100 members and we likewise expect them to grow in Alberta because of the distance of these two major cities and also because there are some two million people in the province. Therefore, we feel that within the next five years we are going to have at least 1,000 to 1,500 Shriners in the area if this is approved.

Now, if this has not been seconded, then I would like to take the privilege of seconding it for Al Azhar Temple. (Applause)

IMPERIAL POTENTATE BOWERS: Is there other discussion?

You have before you the motion duly made and seconded, which is to adopt the recommendation.

All those in favor please say aye; opposed no. The proposed amendment is adopted by the affirmative votes required by the Bylaws.

We will now take up Item 4 in the Call. I will recognize Judge Cooper.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 4 on the Call for the Annual Session of 1983 and is located on Page 16 of the Call. It is a proposal to amend Section 323.8(e) of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

Section 323.8 Retention of Membership (e) If a noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in this Temple is effective when it becomes final in the prerequisite body, unless within thirty days after the loss of his membership in the prerequisite body he shall file an appeal with the Imperial Recorder. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee. The Grievances and Appeals Committee, subject to a review by the Imperial Potentate, may stay the suspension until it hears the appeal. The Grievances and Appeals Committee shall, at the ensuing Imperial Council Session, or at any earlier date the Imperial Potentate or the committee deems appropriate, hear the appeal. The committee shall determine whether the loss of membership was for conduct in violation of Shrine Law and immediately following the hearing make a report thereon to the Imperial Potentate. The Imperial Potentate shall then take such action, if any, as he deems fair and just after consideration of the report of the Grievances and Appeals Committee. He shall submit his decision to the Imperial Council then in session for approval. If his decision is made prior to the commencement of the Imperial Council Session he shall submit it to the session when it convenes.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Imperial Sir, if there are no questions about this report, I request that you call upon the proponent, Illustrious Sir Billy W. Miller for an appropriate motion.

IMPERIAL POTENTATE BOWERS: Are there any questions? If not, I will call upon Illustrious Sir Billy Miller.

NOBLE BILLY MILLER [Past Potentate, Al Chymia Temple]: Imperial Sir, I would move for the adoption of this amendment and upon a proper second, I request permission to speak to the amendment.

...The amendment was duly seconded...

IMPERIAL POTENTATE BOWERS: The amendment has been seconded and I now recognize you for the purpose of speaking on the amendment.

NOBLE BILLY MILLER: Imperial Sir, Imperial Sirs and Representatives: An amendment to Subsection (e) was proposed and passed at the Imperial Session in 1978 and amended at the Imperial Session in 1979.

This proposed amendment differs from the 1978 amendment in that the appeal is made direct to the Imperial Recorder rather than to the Temple Recorder—and the appeal will immediately be placed in the hands of the Grievances and Appeals Committee at the Imperial level rather than be handled at the Temple level.

The suspension may then be stayed until the appeal is heard according to Shrine Law rather than be immediately imposed, as the Rules now stand, when membership must be lost from the Shrine based entirely on the Laws or the interpretation of Laws of the other bodies.

The Rules as they now stand make the Imperial Potentate and the Imperial Council almost helpless to come to the aid of a fellow Noble facing suspension for action that might be blown completely out of proportion in a prerequisite body and the actions might be totally and traditionally acceptable by Shrine Law.

Fellow Representatives, any law or the lack of that law that allows that to happen is not good. I am sure there will be those that will be against this amendment, thinking that this will divide Shrinedom from Masonry.

I have had letters, followed by phone calls, from members of the Masonic Relations Committee asking that I withdraw this amendment because it might make a leader in a prerequisite body mad and make him want to take some action against the Shrine. Nobles, to think that that might happen makes this amendment that much more important. In many states, the Shrine is not recognized by the Grand Lodge as a Masonic body. However, we all accept, and with pride, the fact that we are all Shrine Masons but the Blue Lodge and the Shrine are not the same.

No one is proposing to divide the Shrine from Masonry. I assure you that is not what this amendment says, nor is it the intent to do so.

We look to our prerequisite bodies to first screen those that we hope will later become Shriners and we fully support their rules and regulations, including disciplinary actions that sometimes become necessary.

What this amendment asks is that we give the Imperial Officers that right to table and investigate a suspension that might come from someone's misinterpretation of a rule or law.

You say it cannot happen? Well, let me give you an example.

A Potentate in the State of Tennessee was charged with un-Masonic conduct because he had violated an Executive Order by the then Grand Master of Tennessee. This Order was and is still believed by many knowledgeable Masons to have been totally and completely unlawful but interpreted to be lawful.

Let me quickly give you the sequence of events that followed that Executive Order and how something can get blown completely out of proportion.

This Grand Master, a very young man, came from a very strong religious background that believes that no Mason or no one for that matter, should consume or use alcoholic beverages in any way.

In October of 1981, he issued an Executive Order to all Potentates, Divan Officers and Members of Shrine Temples in Tennessee stating that absolutely no alcoholic beverages would be served or consumed (1) on Temple property, (2) during parades, or (3) before or during any public appearance.

Keep in mind now the Shrine is not recognized in the Bylaws of the Grand Lodge of Tennessee. However, this Executive Order was only directed to the officers and members of the Shrine.

His Order further stated that any Potentate or Divan Officer that permitted this to happen would be charged with un-Masonic conduct.

The Potentate's Ball in Memphis is traditionally the first big event of the year after the election. For the past many years it has been held in Holiday Hall of the Holiday Inn, Rivermont. That year it was held in January and over 1,200 people attended—Shriners and wives, corporate and public dignitaries and wives and many other guests, including Potentates, Divans and Representatives from Shrine Temples in Texas, Arkansas, Missouri, Kentucky, Mississippi, Alabama, Kansas and the Temples in Tennessee.

The arrangements with the hotel have always been to allow the hotel to handle and serve all drinks and food and that there would be no "brown bagging" allowed. In addition to the regular bars in the hotel, they have always set up additional ones in the hall outside the ballroom to better serve the crowd.

For us to allow the hotel to do this, they would (1) lower the cost of drinks, (2) reduce the cost of the food, (3) give us the use of Holiday Hall for two days—one day to decorate and one day for the ball and (4) give us other rooms and services. This would, as you can see, save the Temple a lot of money.

You see, I know the facts of this case because I was that Potentate.

The Grand Master had been a Shriner for almost six months when he issued his Executive Order and had not attended any Shrine functions and he is a member of my Temple.

The Grand Master called me the week of the ball and stated that the ball would be a Shrine public appearance and if I allowed the hotel to sell the drinks it would be a violation of his Executive Order and I would be charged with un-Masonic conduct. I told him that the arrangements with the hotel were made months in advance of his Executive Order and it would be too late and too expensive to make changes. I informed him that it had been a tradition for many years to hold the ball in the Holiday Hall, which was a public place and we had no control over their selling drinks in the public bars. He informed me that I could cancel the ball and if I allowed the drinks to be sold, I would be charged with un-Masonic conduct.

The ball could not be and was not cancelled and the hotel fulfilled its contract. It was a beautiful affair, controlled by our Provost Guard and I was charged.

The trial was set in my Blue Lodge for early March but then postponed until after the Grand Lodge meeting through negotiations by many people from the Blue Lodge, the Scottish Rite and the Shrine, including members of the Imperial.

At the next Grand Lodge meeting, the rules were changed to not only recognize the Shrine but the non-use of alcoholic beverages in Shrine Temples was now much stronger. The interpretation of the Law had allowed them to do that.

A new Grand Master was elected and instead of dropping the charges against me, as we had thought were agreed upon, took a stronger stand against the Shrine.

He (1) charged the Potentate of Alhambra in Chattanooga with the same charges, (2) reset my trial but not in my Blue Lodge but in the Blue Lodge of the charging Grand Master, (3) dismissed the old trial commission from my area, (4) appointed a new trial commission from his area and (5) I was found guilty at a trial held in August—eight months after the original charge at the Potentate's Ball—guilty of un-Masonic conduct—allowing people to purchase alcoholic beverages at a social gathering in a public place.

The trial commission recommended a stern reprimand but this recommendation was overruled by the Grand Master and a "definite suspension" for the period of October 11 through January 15 was issued. The time of the suspension, by the way, just happened to be the same period of time I had remaining during my term as Potentate.

My Divan, my Temple, my family and I had to live with this order over our heads for eleven long months. I happen to be Vice President of the CBS television station in Memphis and, believe me, it is difficult to keep stories like this from the

media, especially since representatives from all the media in Memphis were my special guests at the Potentate's Ball. I even received money from members to be used to fight this in the courts—it was tempting—but Masonic business does not belong in civil courts.

Of course, appeals were made by us and also by Imperial Sir Randy Thomas and members of the Shrine Masonic Relations Committee, but all were overruled or ignored.

Misinterpretations of rules made from a moral or religious belief became an issue as to who rules Shrine activities in Tennessee—the Grand Master or the Imperial.

My appeal was made to Imperial Potentate Dan Bowers who, I am proud to say, and without authority from our Shrine Bylaws as they now stand, allowed me to remain in office as Potentate and delaying my suspension from Shrine by asking the Grievances and Appeals Committee to investigate the issues and report to him at their next meeting. I am just glad their next meeting happened to be in January.

This year's Potentate from Al Chymia, Ray Harvell and his Divan asked that the elections of officers be postponed until after my suspension period had passed and that allowed me to serve an additional week as Potentate and end my year in good standing in all Masonic bodies. For that, I will always be grateful.

Now, Nobles, I do not relate that story asking for sympathy or to pass judgment on any Grand Master but only to illustrate to you what can happen from misinterpretation of rules and laws. Things that had been traditional under Shrine Law now became un-Masonic with just one interpretation.

Our problem in Tennessee must be and will be handled in our Grand Lodge. This is not a "sour grapes" amendment that is being presented, nor is it asking this Imperial Session to do our work for us. However, for you to think that this is only a Tennessee concern and not yours is totally incorrect. You may now have great relationships with everyone in your state, as we have always had in Tennessee, and are working hard to restore once again. Our Grand Master is here at this Imperial Session but remember, you may as we were, be only one term in office away from relationships changing. Good personalities or good community standing may get people elected but it does not always make good administrators nor interpreters of the laws of their state.

We fully believe that the Shrine needs this amendment so that such actions as Imperial Sir Bowers took for Shrinedom in Tennessee and for me personally will be fully backed by the Bylaws of the Shrine.

Since I have been at this convention, I have met with many people that I respect very highly regarding Masonic relationships and this amendment in particular.

We have lived with this amendment for the past two years and have given much thought to it. Our Units have not been allowed to do things they traditionally have always done, by holding their dances and by holding special things which have been tradition because of lack of attendance and because of this threat held over us.

I was elected by my Temple as a representative to this Imperial Session with full authority to put this amendment before this meeting. I have discussed this with my Temple Representatives and with the Representatives from Temples in Chattanooga, Knoxville and other states as well.

It is our feeling that although we may have enough support from you fellow Representatives to pass this, it certainly would not be a unanimous one.

We are all proud Shrine Masons and we want to help, not hurt.

After many discussions and much thought, we have decided to yield our position at this time and reluctantly ask that this amendment be tabled. This will allow each of you, the Imperial Officers and the Masonic Relations Committee, to read and study this proposal or other proposals regarding our position with the other bodies.

We must legislate with strength, interpret with knowledge and administer with compassion.

We must be strong in numbers, with good laws behind us.

Imperial Sir, if I am in order, I ask and move that this amendment be tabled indefinitely.

...The motion was severally seconded...

IMPERIAL SIR POWELL: Imperial Sir, I move that the proposal be indefinitely postponed.

...The motion was severally seconded...

IMPERIAL POTENTATE BOWERS: That is the same motion, do you wish to restate it again?

IMPERIAL SIR POWELL: Imperial Sir, I move that the proposal be indefinitely postponed. It has been seconded.

...Cries of "no, no"...

IMPERIAL POTENTATE BOWERS: Thank you, George, and I will call upon our Parliamentarian to explain any difference of thought.

NOBLE HOPKINS: The motion is in order. It is not a high or priority motion but is above a main motion. It is debatable and it has the effect of killing this issue for the purpose of this session and, for all practical purposes, it kills it forever without the necessity of voting on it. That is what indefinite postponement means.

...Cries of "no, no"...

IMPERIAL POTENTATE BOWERS: As I understand it, the question is on tabling the motion—I am sorry, to indefinitely postpone.

All in favor please say aye; opposed no.

NOBLE HOPKINS: The motion is indefinitely postponed, not to table, and it has failed and, therefore, the main motion is before the body, the main issue.

...At this point, some confusion was indicated on the part of some of the Representatives as to the last vote...

NOBLE HOPKINS: By way of explanation, he really did not move the question—he finished his remarks by asking to table it and then there was a motion to definitely postpone. It was all out of order because there was not really a motion to adopt. You have to have a motion before you before you can pass a motion.

...Cries of "no, no"...

NOBLE HOPKINS: A motion to table cannot be taken unless there is present a motion to react to it.

NOBLE MILLER: I moved that this amendment be tabled indefinitely. That was the motion.

IMPERIAL POTENTATE BOWERS: I will recognize Sewell Lamin.

NOBLE SEWELL LAMIN: I have a parliamentary inquiry.

As I understand the rules of this Imperial Council, it is the only motion that can be made at this point, and I stand corrected if the parliamentarian says that I am out of order, would be a motion to withdraw the legislation and if he makes that motion to withdraw the legislation, it takes the unanimous vote of this body to carry.

NOBLE HOPKINS: This proposal, once having had committee action, belongs to the body. You cannot withdraw it. It would take a motion and a unanimous consent to withdraw.

IMPERIAL POTENTATE BOWERS: Are you all clear on where we are here?

...Further confusion by the Representatives was indicated...

REPRESENTATIVE [Sharon Temple]: Imperial Sir, I think we all understand. However, the truth of the matter is that there was a motion to adopt the matter, it was seconded and then the gentleman asked to speak on it. He did, upon the conclusion of his remarks, move to table the matter and that was seconded. Then there was another motion which was out of order, a motion to indefinitely postpone. That was the motion that was out of order.

Now, Imperial Sir, I would ask that we vote on the motion to table, which is the motion before the floor, and it is not a debatable motion. That was never voted on.

...Cries of "no, no"...

NOBLE HOPKINS: I do not recall the Chair putting a motion to table. If it were put and I was asked to rule, I would have ruled it out of order. However, what I understand as being before the body is the motion to adopt.

You cannot cut off debate on a motion to adopt an amendment to the Bylaws without flying in the face of the Bylaws, which require at least two negative voters to be allowed five minutes each to speak.

IMPERIAL POTENTATE BOWERS: Are there any people that wish to speak in opposition to this?

NOBLE WILLIAM C. VAUGHAN [Past Potentate, Kazim Temple]: My question, Imperial Sir, is this— are you going to vote to adopt or not adopt this proposal?

IMPERIAL POTENTATE BOWERS: That is what is before you.

NOBLE VAUGHAN: If that be the case, I would like to make a comment.

IMPERIAL POTENTATE BOWERS: Please proceed.

NOBLE VAUGHAN: I certainly admire Billy Miller and work with him and certainly do not want to confuse the issue.

However, there were some unfortunate situations involved with this matter. Billy's father died and was to be buried either the day before or the day after the trial and, in all honesty, we should give the Masons of Tennessee and this body the opportunity of knowing that the Grand Master did call Billy and postpone the trial—not because he wanted but because of this untimely death.

Secondly this individual who became the Grand Master was most unfortunate at being put in the position of having all of this fall into his lap and I feel that he was reasonably fair with Brother Miller because he went and talked to Brother Miller, talked to him about accepting a reprimand, the same as another Temple Potentate had done and, I believe that Billy was not willing to accept that, were you, Billy?

I don't know what happened in connection with all of this but, nevertheless, I want to uphold the great Masons we have in Tennessee and say that we do not want to do anything here that would hurt our Masonic family relationships and, therefore, I hope that we will, by a tremendous majority vote, kill this resolution and let the Masonic family handle their own situation in their own jurisdiction.

Thank you. (Applause)

IMPERIAL POTENTATE BOWERS: Under the Bylaws you are legally entitled to have one more speak against it.

PAST IMPERIAL POTENTATE WECK: I would like to speak, Imperial Sir.

I was the one that was the Potentate in 1979 when this was brought up at Minneapolis and I want to tell you we did everything we could during that period that I was Imperial Potentate. Further, I respect Bill Vaughan's statement here. However, I think it is about time that the Masons would honor our needs as well. We respect them and it is about time they respect us.

... Cries of "here, here" and applause ensued...

NOBLE FRANKLIN H. MACDOUGALL [Potentate, Palestine Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Shrine Masons All: I am Franklin MacDougall, Potentate of Palestine Temple.

When I received my copy of the Call to this session, as I always do, I read it from cover to cover and in reading Item 4, it occurred to me that our fraternity is strong, we have requirements for membership and, in spite of these requirements, if the problem is a personal conflict, then the Grand Lodge, under those circumstances and in the jurisdictions in which they have authority, should make the judgment as to whether or not a man should be taken by the right hand and welcomed as a Brother.

Our roots are based on the tenets of Freemasonry. We must not allow these roots to be destroyed or even slightly weakened.

Please vote to reject this amendment. (Applause)

IMPERIAL POTENTATE BOWERS: Now, according to my count, we have had two speak in favor and two against.

... At this point, the question was severally called for...

NOBLE HOPKINS: Without objection by any other speakers, the call for the question is meaningless without actually voting on the closing of debate. However, it can now be cut off and we can vote.

IMPERIAL POTENTATE BOWERS: Do the Representatives wish to end debate at this time?

... The question was again severally called for...

NOBLE HOPKINS: Again, the question is being called for and is meaningless. In other words, Imperial Sir, if somebody wants to speak, you cannot cut them off without taking a vote.

The call for the question takes a majority vote in order to terminate debate.

NOBLE EDWARD MAAG: Imperial Sir, I would like to speak, if I may.

IMPERIAL POTENTATE BOWERS: The Chair recognizes Ed Maag.

NOBLE EDWARD MAAG: Thank you for your indulgence my fellow Representatives.

I hope that we never get to a place in this Fraternity where any Representative cannot speak in debate and share with you his views on any legislation pro or con for or against.

Let me say to you that I am well aware of this legislation. I know all about the appeal in Warren Weck's year. I spoke at that time and I will not repeat now the words that I then said.

I also know Billy Miller and I sympathize with him and I, for one, tried to help Billy Miller and I think Billy will be the first one to agree to this.

However, I want you to remember two things.

The first of these is history.

The Shrine was first formed for the sole purpose of supporting Masonry, Blue Lodge Masonry and that is all. That was the basic reason for our initial existence.

We only got a charitable purpose many years later, about twenty years later, but our initial purpose in the formation of this organization as a fraternity was to be a strong right arm in support of Symbolic Lodge Masonry.

Now, I, for one, do not want to do anything to change the basic goal of this fraternity as it was initially conceived by our forebears.

If you do not believe what I said just now, you can turn around to any Noble, any Representative in this room who wears a Mecca Fez—that of the first Temple in all of Shrinedom. George Levy, their Recorder, is here; Sid Schwartz is here. You can ask these gentlemen about that because that is contained within their Temple records. They were the first Temple and they were formed to support the Symbolic bodies and I believe that is our main goal.

With respect to Billy Miller and his comments, he made two or three points, real points.

For example, he said in his opening remarks that his problems with his Grand Master arose out of an Executive Order of the Grand Master, which was unlawful. Do you remember Billy using those words?

Well, the thought came to my mind, Billy, just a few moments ago—unlawful under whose law? Obviously, the answer to that was the Grand Lodge Law of Tennessee.

As a matter of fact, Billy stated that the Grand Master misinterpreted the Grand Lodge Law of Tennessee and well he might have. I will not say that he did not because I am no expert on Grand Lodge Law of Tennessee and I don't think that our Grievances and Appeals Committee is an expert on Grand Lodge Law of Tennessee.

If you believe that this is an arbitrary and capricious action, unlawful action taken by a Grand Master of any state under the law of his Grand Lodge, then the determination of that illegality ought to be made in accordance with the process, first, of the Grand Lodge of Tennessee. It has no place in this body. We have no right to interpret, for better or worse, the laws of any of the several Grand Lodges. We must live in amity and harmony with our several Grand Lodges and amity and harmony means this—that if I have a problem in Illinois with my Grand Master, for God's sake, my Brothers, give me the right to go to my Grand Master and deal with that problem in Illinois because I pledge to you if I have that problem, I will never come to you and ask you to go into Illinois and solve it. You do not belong

to the Grand Lodge of Illinois and by the same token, I am not going into Tennessee either. (Applause)

NOBLE HOPKINS: Imperial Sir, I want to make one quick correction.

If the body wants to stop debate, then the motion is to move the previous question. It is not debatable and it takes a two-thirds vote. I previously said that it took a majority and that was wrong.

IMPERIAL POTENTATE BOWERS: That is the motion before us.

NOBLE S. M. SCHWARTZ [Past Potentate, Mecca Temple]: Imperial Sir, in his zeal and his usual capable manner, our very able Counsel and my very dear friend, Ed Maag, spoke against this resolution and, in so doing, referred to Mecca Temple, the Mother Temple and, of course, those of us who wear this Fez are very proud of it.

Illustrious Ed is correct, that Mecca Temple was formed to support Masonry. However, I do not wish this body to believe that the Representatives of Mecca Temple at this time necessarily agree or disagree with Illustrious Ed Maag's interpretation.

We vote here as Representatives of Mecca Temple in behalf of the Shrine.

NOBLE HOPKINS: Let me say to you, Noble Schwartz, that you are out of order in those comments.

NOBLE SCHWARTZ: Well, the Imperial Sir may rule me off the floor and, if so, I will retire. However, since my name was mentioned and the intimation was made, and I was voting against this motion, I respectfully submit that I am entitled to make a statement both on behalf of Mecca Temple and in deference to my own opinion.

NOBLE MAAG: If he is rising to a point of personal privilege, then I specifically and overtly disclaim any intent to imply in relation to the way you are going to vote.

I merely commented that the Temple to which he belongs, that one Temple was founded to support Masonry.

NOBLE THEODORE CORSONES: Imperial Sir, I move that the previous question be called.

IMPERIAL POTENTATE BOWERS: There will be no further discussion. Is there a second to call the question?

... The motion was severally seconded.

NOBLE HOPKINS: Imperial Sir, the motion is in order. The motion is not debatable.

IMPERIAL POTENTATE BOWERS: Is not debatable, you say?

Well, all those in favor please say aye; contrary no. Well, I guess we will have to ballot. However, we do that and inasmuch as there seems to be confusion, let me call on our Parliamentarian to explain just exactly where we are and what we are proposing to do.

NOBLE HOPKINS: I think, Imperial Sir, calling for a ballot on the question of cutting off debate is not in order, with due discretion to the Imperial Potentate.

If someone wishes to speak that has not been heard and feels strongly about that, it is then a matter of dividing the House on whether or not to hear him or not to hear him.

The motion for the previous question says that the body, by a two-thirds vote, has heard enough and they want to vote. If someone wishes to speak and he has so announced that purpose, the body usually lets him speak but the Chair can call for a division, not a written ballot, on whether or not to cut off the right of someone to speak.

I say, let him speak, but there is nothing before us except the undebatable question which requires two-thirds to cut off the right to speak for the merits of the issue.

Now, by way of explanation, let me say that the motion before us is in relation to the previous question and, again, it is undebatable. The Chair has put that motion and has not ruled other than saying "we will ballot."

Therefore, I think, with due respect, you ought to ask for a division of the House and then the Chair should rule that two-thirds cut off debate or, on the other hand, you still have the right to speak.

If you do not cut off debate, then the issue is before you and you may speak.
That is the only thing we are to do now.

IMPERIAL POTENTATE BOWERS: Let me ask you, gentlemen, do you wish to cut off debate?

...Cries of "yes" and "no" ensued...

IMPERIAL POTENTATE BOWERS: All those in favor of cutting off debate please say aye; contrary no. It takes two-thirds to do that and it did not pass.

NOBLE MAHLON HESSEY: Imperial Sir, I respectfully request a division of the House.

IMPERIAL POTENTATE BOWERS: Very well.

Those who desire to cut off debate, please stand. This is to cut off debate. You may sit down. Now, those who do not desire to cut off debate please stand up. Please sit down. Debate has been cut off and I believe now you are ready to vote.

NOBLE HOPKINS: Imperial Sir, what we have done now is cut off any further debate. There is no further debate. You cannot open it up on anything. We must now vote on the proposed amendment to the Bylaws, which requires a two-thirds vote to pass.

NOBLE THEODORE CORSONES: Representatives, just as your Parliamentarian has stated, the Imperial Sir is now going to give you a written ballot to use. If you vote in the affirmative on your written ballot, that means that you are in favor of Item 4 on the Call. Again, if you vote "yes" you are in favor of Item 4. If you vote "no" you are in opposition to Item 4.

IMPERIAL POTENTATE BOWERS: The time has come for balloting. We will use Ballot 9. Remember, you vote either yes or no. If you are in favor of adoption, you vote in the affirmative; if you are opposed, you vote in the negative.

...Whereupon, voting and collection of ballots ensued...

IMPERIAL POTENTATE BOWERS: Gentlemen, have all voted? I hear no objection and so I will declare this ballot closed. [Gavel].

Now, gentlemen, it has been a long but very pleasant day and a lot of work has been accomplished. I am sure you are all looking forward to the evening hour and so, at this point, we will stand in recess until tomorrow morning at nine o'clock a.m.

...The 109th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at five-ten o'clock p.m., to reconvene the following morning at nine o'clock a.m....

MORNING SESSION THURSDAY, JULY 7, 1983 NINE O'CLOCK A.M.

The 109th Annual Session of the Imperial Council reconvened at the Denver Hilton Hotel, Denver, Colorado, at nine o'clock a.m., Imperial Potentate Dr. Daniel E. Bowers presiding.

IMPERIAL POTENTATE BOWERS: Gentlemen, will you please take your seats. Please be seated.

The hour is now nine o'clock and it is time to reconvene our meeting.

At this time we will have the invocation by Dr. Gates, our Imperial Chaplain. Will you please rise and remove your Fez.

DR. ROBERT GATES [Imperial Chaplain]: Brother Nobles and Masons All, we know the truth of God's word—that it is good to give thanks to the Lord and praise His Holy Name. Let us join Him in that.

God, as we assemble here this morning to conduct the business of the Shrine, we come here as thankful men; grateful for Your watch over us, both as individuals and as Brother Nobles all joined together in a fantastic Fraternity of fun, fellowship and healing.

God, we have just learned that which You already know, that our beloved Past Imperial Potentate, Imperial Sir Harold Close, as of the early hours of this morning is at peace in Your hands. Your greeting to him echoes in our hearts "Well done, good and faithful servant. You have been faithful over much. Come now and enjoy the oasis refreshment and fun in My Heavenly Temple."

God, as Shriners, we do send our praise unto You for Your ever-growing eternal goodness in our lives. May men see our good works and give glory to You. Amen.

IMPERIAL POTENTATE BOWERS: Thank you, Dr. Gates.

I will now call upon our Imperial Recorder, Jack Jones, for some announcements.

... Various announcements by Imperial Sir Jones ensued. . .

... Business was transacted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE BOWERS: At this time I will recognize Joe Howell to give you the report on the decision reached by you in relation to Item 4 in the Call.

NOBLE JOE HOWELL: Imperial Sirs and Representatives, it is with pleasure I give you the results of the ballot on Item 4 in the Call.

There were a possible 824 votes; 648 actually voted. There were no spoiled ballots and necessary for choice was 432.

The votes were distributed as follows: "Yes", 282; "No", 366.

IMPERIAL POTENTATE BOWERS: Therefore, by the votes as cast, I declare the amendment not adopted by the necessary majority as required by the Bylaws.

I believe that this will conclude discussion on Item 4.

I will recognize Ted Corsones.

NOBLE THEODORE CORSONES: Fellow Representatives, we start off with some good news concerning legislation.

To the Representatives of the Imperial Council:

I have before me a written request to withdraw Item 5 which appears on Page 22 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council session to withdraw Item 15 on the Call for the Annual Session of 1983."

It is signed by Ellis E. Monk, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committees to which this proposal has been referred, be discharged from further report.

Theodore Corsones, Chairman
Jurisprudence and Laws Committee

IMPERIAL POTENTATE BOWERS: You have heard the motion as just made. Is there a second?

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: Is there discussion?

If not, all in favor say aye; contrary no. By your unanimous vote I declare it to be withdrawn.

NOBLE THEODORE CORSONES: To the Representatives of the Imperial Council:

I have before me a written request to withdraw Item 20 which appears on Page 25 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 20 on the Call for the Annual Session of 1983."

It is signed by Jerome Wollinka, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committees to which this proposal has been referred be discharged from further report.

Theodore Corsones, Chairman
Jurisprudence and Laws Committee

IMPERIAL POTENTATE BOWERS: You have heard the motion. Is there a second?

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: Is there discussion?

If not, all in favor say aye; opposed no. By your unanimous vote I declare Item 20 withdrawn.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: I will now call on Past Imperial Potentate Warren F. Weck for the Emeriti Membership Report.

PAST IMPERIAL POTENTATE WECK: Imperial Sir, Imperial Sirs and Fellow Representatives: At this time I would like to present the report concerning nomination of Emeriti Members. I would like to have the members of the Emeriti Committee come forward and also the nominees for Emeriti Membership.

Will the nominators and those to be nominated please come up to the stage.

Also, while we are waiting, is Charles Lembke in the audience? He was not here yesterday afternoon when an attempt was made to recognize him. There he is.

Charlie, we wish you a very happy birthday. I know you were not here yesterday afternoon and I want you to know that we remembered you and hope you heard that song all the way up to your hotel room. Let us give him a big hand.

... Rising applause ensued...

Now, I presume our committee members are all present up here, as are those to be nominated. Therefore, I will call upon Harvey Leggee to present the first nomination.

He is now serving as Grand Secretary of the Grand Lodge of Mississippi along with being the Grand Recorder of all of the York Rite bodies of Mississippi.

If I were to read all of the accomplishments of this great Noble, you would be here until tomorrow sometime. However, he being so well known, all I need to do is to submit to you his name as being qualified for election as an Emeritus Representative and, therefore, I would move that Illustrious Sir T. K. "Pete" Griffiths, having the necessary qualifications, be made an Emeritus Member of this Imperial Council.

... The motion was duly seconded. . .

PAST IMPERIAL POTENTATE WECK: All those in favor of the motion indicate by saying aye; are there any opposed. It is carried and you have elected Noble T. K. "Pete" Griffiths to Emeriti Membership.

I will next recognize Dewey E. S. Kuhns.

NOBLE DEWEY E. S. KUHN [Beni Kedem Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Illustrious Sirs and Fellow Delegates: I am delighted and pleased to have the privilege of placing in nomination for the treasured Emeritus Membership Award, the distinguished Mason and Past Potentate of Abou Ben Adhem Temple located in Springfield, Missouri, Illustrious Sir James T. Brown.

He is a surgeon in practice at the Farrell-Duncan Clinic in Springfield, Missouri. He is married to his lovely lady, Louise and they are the parents of two children, a daughter, Mary Louise and a son, James Brown, M.D.

Dr. Brown started his Masonic career with joining a Blue Lodge at Springfield, Missouri. His interest and dedication to Masonry and the Shrine is evidenced by the following record.

Member of the York Rite, Springfield Chapter No. 5, Royal Arch Masons. Member of the Scottish Rite bodies in Joplin, Missouri. Member of the Royal Order of Scotland. Member of St. John's Consistory No. 20, Knights Templar. Potentate of Abou Ben Adhem Temple in 1971. President of the Cabiri, 1975-1976. Director, Royal Order of Jesters Court No. 73, 1980-1981.

Dr. Brown was also the writer, producer and director of the Imperial Potentate's Pageant staged in Cleveland, Ohio at the 1980 Imperial Session.

Dr. Brown capably discharged the responsibilities of and served Shrinedom as Master of Ceremonies at the Imperial Banquet in 1981 at New Orleans, Louisiana.

It is with great pleasure I now nominate for Emeriti Membership in the Imperial Council, an outstanding citizen and faithful worker in Masonry and the Shrine, Past Potentate, Illustrious Sir Dr. James T. Brown of Abou Ben Adhem Temple, Springfield, Missouri.

I would move adoption of this report and for his election.

... The motion was duly seconded. ...

PAST IMPERIAL POTENTATE WECK: You have before you the motion and the second. All in favor indicate by saying aye; opposed no. It is unanimous and you have elected Dr. Brown to Emeriti Membership.

NOBLE DEWEY E. S. KUHN: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Illustrious Sirs and Fellow Representatives: As a member of the Imperial Council Emeriti Membership Committee, I am highly honored to be given this opportunity to nominate for Emeriti Membership in the Imperial Council a Mason and Shriner who, by unusual performance, has so well earned this treasured recognition.

Illustrious Sir, R. S. "Stu" Lang, a Past Potentate of Egypt Temple, Tampa, Florida, started his career in Masonry by membership in Hillsborough, Florida Blue Lodge No. 25. His work in the Scottish Rite, Valley of Tampa, Florida was recognized by honoring him with the degree of Knight Commander of the Court of Honor.

Illustrious Sir Lang is engaged in business and President of Lang Aquatech Pools, Incorporated, which business embodies pool building and contracting.

He is the father of two daughters, Laura Lang, age 25 and Dinah Painter, age 31.

He is a member of Court No. 89, Royal Order of Jesters where he serves as an elected Representative to the National Court, Royal Order of Jesters.

Likewise, he was the Chairman of Egypt Temple's first Building Committee, which committee spearheaded the program which made possible, in about 1964, Egypt's first Mosque complex. He is still active in this same role and is now Chairman of Phase III with the responsibility of contracting for an addition to the present Mosque building.

Illustrious Sir Lang was also Chairman of the Scottish Rite, Valley of Tampa, Building Committee which committee carried out its responsibilities in the construction and completion of the Scottish Rite facilities at Tampa.

Noble Lang also served as Building Agent for the construction of the newly occupied National Headquarters building at Tampa.

Illustrious Sir Lang has served Shrinedom well on the Imperial Council level where, for a period of about ten years, he has been a member of the Investment Committee and is currently a member of the Dispensations and Charters Committee.

With this excellent record, I am proud indeed to have the privilege of placing in nomination the name of Illustrious Sir R. S. "Stu" Lang, Past Potentate of Egypt Temple, Tampa, Florida, for Emeriti Membership in the Imperial Council and I would so move the adoption of this report.

... The motion was duly seconded. ...

NOBLE I. SEWELL LAMDIN [Chairman, Grievances and Appeals Committee]: Imperial Sirs and Fellow Representatives: Before making my report, I would like to take just one brief moment to introduce to you the members of the Committee on Grievances and Appeals. When you go home tomorrow, then we will go to work.

Invariably, several times each year between sessions, this Committee is called upon to go to a distant city and to conduct a hearing. Now, all of these men are members of the Bar of their respective states.

... Whereupon, Noble Lamdin then individually introduced the members of the Grievances and Appeals Committee...

They are always ready, willing and able to give of their time.

Now, Imperial Sir, I would like to present to you the first report of the Grievances and Appeals Committee.

To the Representatives of the Imperial Council:

The hearing was held as scheduled with the matter being submitted to your Committee for determination on the basis of the documentary evidence furnished by Noble Harold C. Close, Past Imperial Potentate.

After a thorough discussion of the evidence submitted, and the applicable Imperial Council Bylaws, your Committee is of the unanimous opinion that the ruling of the Imperial Potentate, Daniel E. Bowers, M.D., was correct under the present language contained in Article 6, Section 206.5(a).

In view of the above, your Committee on Grievances and Appeals unanimously recommends to the Imperial Council that the Appeal be denied.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Said Appeal was timely filed and a hearing was scheduled for Sunday, July 3, 1983, beginning at ten-thirty a.m., in the Terrace Room of the Denver Hilton Hotel, Denver, Colorado. Due notice of said hearing was given all parties concerned and the hearing was held as scheduled.

NOBLE I. SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals, an Appeal filed on behalf of Noble Thomas Masters of Oleika Temple from the decision of the Oleika Temple Trial Committee in finding him guilty of violating Section 325.10(a) of Article 25 of the Imperial Council Bylaws, and suspending him from the Shrine for a period of six (6) months from January 6, 1983, the date sentence was read and pronounced at the regular stated meeting of Oleika Temple. A request for a Stay of Execution of Sentence was filed at the same time.

Due to the emergency nature of the Appeal and the impending Annual Election of Officers of Oleika Temple, a hearing was arranged for Saturday, January 29, 1983, at Kosair Temple, Louisville, Kentucky, commencing at ten a.m. Due notice of said hearing was given all parties concerned, and the hearing was held as scheduled.

The appellant, Noble Thomas Masters, was present and represented by Counsel. The Temple was represented by Counsel and the elected Divan. Both sides were given an opportunity to be heard and present evidence, and the matter was then submitted to your Committee for determination.

After a thorough and complete discussion of the evidence submitted, oral arguments, and the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals was of the unanimous opinion that Oleika Temple had complied with the Imperial Council Bylaws.

In view of the above, your Committee on Grievances and Appeals unanimously denied the motion to Stay Execution of Sentence imposed by the Oleika Temple Trial Committee, and further, recommends to the Imperial Council that the Appeal filed on behalf of Noble Thomas Masters of Oleika Temple be denied.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals present and participating in the hearing held on January 29, 1983, in Lexington, Kentucky.

Imperial Sir, I would move adoption of the recommendation.

...The motion was severally seconded...

IMPERIAL POTENTATE BOWERS: You have before you the recommendation and second to adopt. Is there any discussion?

If not, all those in favor of adoption please say aye; opposed no. It is unanimously carried and the report is adopted.

NOBLE I. SEWELL LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Gary McLaughlin of Abba Temple from the decision of the Abba Temple Grievance Committee in finding "no probable cause" existed in the charges filed by Noble McLaughlin against Noble William Cecil Smith, Jr., of Abba Temple.

The Appeal was timely filed and the matter was scheduled for hearing before the Imperial Council Committee on Grievances and Appeals on Tuesday, December 29, 1981, in the International Shrine Headquarters Building, Tampa, Florida, commencing at eleven a.m. Due notice of said hearing was given all parties concerned by first-class mail.

Noble Gary McLaughlin appeared at the appointed time, presented oral testimony as well as documentary evidence. Oral testimony was received from several members of Abba Temple. The matter was submitted on behalf of Abba Temple on the basis of the documentary evidence presented to your Committee on Grievances and Appeals.

By action of the Imperial Council during its 1982 Session in Orlando, Florida, the above matter was re-referred to your Committee on Grievances and Appeals in order to permit Abba Temple to present additional evidence.

The matter was again scheduled for hearing on Sunday, July 3, 1983, in the Terrace Room of the Denver Hilton Hotel, Denver, Colorado, beginning at eleven a.m. Due notice of said hearing was given all parties concerned.

The hearing was held as scheduled, and Abba Temple was represented by Illustrious Sir Duke Miller, Past Potentates John Tyson and Glen Riley. Oral argument was heard from all of these Nobles. No additional evidence was presented on behalf of Abba Temple.

After a thorough discussion and consideration of all the evidence together with the applicable Imperial Council Bylaws provisions, your Committee on Grievances and Appeals is of the opinion that probable cause existed to proceed with charges against Noble William Cecil Smith, Jr., of Abba Temple and that the decision of the ABBA Temple Grievance Committee should be reversed.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal of Noble Gary McLaughlin of Abba Temple be sustained and that the Potentate of Abba Temple be directed to comply with the provisions of Section 330.2(3) of Article 30 of the Imperial Council Bylaws within sixty days from date hereof.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Imperial Sir, I would move adoption of the recommendation.

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second, to adopt the report as presented. Is there any discussion?

NOBLE JOHN M. TYSON [Past Potentate, Abba Temple]: Imperial Sir, Imperial Sirs and Representatives: I am John Tyson, a Past Potentate of Abba Temple and a Representative to the Imperial Council.

This matter that Judge Lamdin just brought before you appears to be a case of first impressions.

Many of us did not even know all the details as to what happened in relation to this particular issue.

Now, under the provisions of the Code, when a complaint is received by a Temple, the Potentate, under the provisions of Shrine Law, is ordered to appoint five individuals, with preference given to Past Potentates, to investigate that complaint. The purpose of this is to serve as a sort of mini grand jury to see if there is substance to the complaint or what we call a probable cause.

Now, we had a unit in Abba Temple that made a lot of money off of an enterprise of theirs and they kind of fell into disarray. It was a motor unit and it fell apart and the Potentate disbanded the unit and, as a result, charges between the members of this unit began to flow back and forth.

The potentate, at that time, appointed several screening committees. One of the committees was here before you today, consisting of five Past Potentates and those five Past Potentates held in-depth hearings regarding each of the complaints. At the conclusion of the hearing, no probable cause was found by those five Past Potentates with regard to this complaint.

Whereupon, the aggrieved party, the one filing the complaint, filed a notice of appeal to the Grievances and Appeals Committee and did subsequently appear before Judge Lamdin's Committee.

I might say at this time that Judge Lamdin's Committee has been most courteous concerning this matter.

They handle, as you probably may know, a number of appeals concerning tried and convicted individuals but I am sure they do not handle many coming from an investigative committee.

Now, when that occurred, Judge Lamdin called this Committee together in Tampa, at our Imperial Headquarters, and had notice sent out to the aggrieved party and to Abba Temple that they were holding a hearing.

Now, mind you, in relation to the Code, it is not set out in-depth as to whether this is a new hearing, a de novo hearing or a hearing on the record.

There is nothing requiring that Abba Temple or your Temple investigative committee keep a record of the proceedings, even though a record in this instance was kept in the nature of taped recordings. These taped recordings were forwarded to Imperial Headquarters—not transcribed.

The Imperial Committee, of course, did not wish to consider those at the hearing.

Also, Abba Temple did not see fit to send an attorney, all the people that were on the investigative committee and all the witnesses because of the expense that would be involved concerning an appeal of this nature.

Now, nevertheless, several people, at Tampa, did appear before Judge Lamdin's Committee and their chief complaint, in fact their only complaint, was that the investigative committee failed to call or hear the testimony of one or more Nobles—really one Noble—and that since they did not hear that testimony we submitted to Judge Lamdin's Committee evidence showing that the committee felt like that was cumulative testimony and not necessary. However, that was the complaint before Judge Lamdin's Committee.

Now, at two separate occasions—last year at Buena Vista, the entire Abba Temple delegation of Imperial Representatives unanimously said that this matter should be reconsidered by the Committee because the taped evidence was really evidence to be submitted on the record and they wanted this matter dropped because Abba Temple

is at a place down in Mobile, Alabama, where the oil meets the salt water and, of course, we indicated that we felt that our Committee had properly investigated the matter.

Now, Abba Temple, just a day or two ago, at this Imperial Session, again appeared before the Grievances and Appeals Committee and the Temple, at its own expense, brought to that session, the present Potentate and also Brother Riley. The tapes were also forwarded to the Committee for the purpose of having them review the record rather than having a new trial. However, they were, at that time, lost somewhere in transit.

Now, what I am afraid they have done, since this is a rather new issue, is that they have put Abba Temple and perhaps you in the future, in the position of having to send on to any appeal everything that appeared before the Committee to justify the Temple's position which would be, of course, at great expense to the Temple. Therefore, we asked them to consider the matter from the testimony of Noble Ben Riley, who is a Past Potentate of Abba Temple of many long years of standing, offering the record of the testimony and, at that point, Noble Riley was given an opportunity to present any additional evidence he desired.

Now, in an effort to reconcile this matter and not do violence to this fine Committee, because there was little said in the Code about a factor of this type, I have a substitute that I wish to offer.

Now, the nature of the substitute, Imperial Sir, is this—that since the complaint was that a certain individual or individuals were not heard, not given the opportunity to be heard by the investigating committee of the five Past Potentates, that this Imperial Council re-refer this matter to Abba Temple, with direction to the Potentate of Abba Temple to reconvene that committee and that that committee be instructed to hear all Nobles, including those making the complaint to the Imperial and report further to the Imperial Committee.

In essence, this is an effort to say that we wish to do equity to the matter and that the Temple does not want any Noble to go away dissatisfied, nor do we want this precedent-setting thing here to open the door for every kind of complaint that comes in and be automatically tried.

The purpose of the investigating committee is really to keep the confidentiality of a complaint within the confines of this committee, a grand jury type of thing, and not smear the name of a good Noble if there is no probable cause.

Therefore, to rectify the complaint addressed to Judge Lamdin's Committee. I am going to offer the following substitute, Imperial Sir—a substitute for the report of the Grievances and Appeals Committee pertaining to Abba Temple.

Therefore, I would now move you, Imperial Sir, that the Imperial Council non-concur in the Committee's report and substitute therefor the following—that the Potentate of Abba Temple is hereby instructed to reconvene the investigating committee and reconsider its finding and reopen the investigation; that said committee is hereby ordered to hear all Nobles who wish to appear, including but not limited to those persons complaining to this Imperial Committee of not being called to testify; that the Potentate of Abba Temple and the investigating committee report to the Imperial Committee on Grievances and Appeals compliance with these instructions.

I would so move, Imperial Sir and in my behalf, I am sure that we have the Potentate of Abba Temple who will second that motion and also, I believe he wants to briefly speak.

NOBLE HOPKINS: Imperial Sir, the nature of the motion before us is such that, as a member of the Grievances and Appeals Committee, I would like to defer to the Jurisprudence and Laws Committee to rule on this because if I rule on this, it may indicate that I may be prejudiced since I am a member of the Grievances and Appeals Committee and also the Parliamentarian here.

...At this point a brief discussion between the Chairman of Jurisprudence and Laws and Imperial Potentate ensued...

NOBLE THEODORE CORSONES: You know, we are getting better. We are now talking between ourselves first before we open our mouths. (Laughter and applause)

At any rate, Nobles, this is my understanding of the situation.

A motion has been made and seconded to substitute. It is debatable. We are now going to go on that and then we will take a motion as to whether or not you do want to substitute the motion just made by John. Again, it is debatable and so you may now proceed on John's motion before the floor. You have not voted on it.

Later on, should you vote in the affirmative to sustain, then you will vote on the major issue.

NOBLE LAMDIN: Imperial Sir, I would like to speak to the substitute motion if I may.

IMPERIAL POTENTATE BOWERS: Please proceed.

NOBLE LAMDIN: I do not think you have gotten the correct chronology of what happened and I am going to tell you about it and, further, I am going to do it without my notes and if I do need them, I will bring my notes.

This appeal was filed on November 9, 1981, through proper channels to the then Potentate of Abba Temple. It was then sent to the Imperial Recorder, who referred it to our Committee.

On December 1, 1981, I notified everybody involved by first class mail that a hearing would be held on December 29, 1981, at Tampa, Florida, and I gave everybody due notice to be there and then I quoted the pertinent section of the Bylaws and I can read them to you here also.

This is from Article 8, Section 208.9(e): "Hearing. The Grievances and Appeals Committee must convene, at a time and place selected by it to receive evidence and hear arguments and sufficient time and notice must be arranged and provided so as to enable all parties to appear throughout the hearing and be heard without counsel."

Now, they were notified of the hearing in ample time. However, they chose not to appear and when I say "they," I mean Abba Temple chose not to appear in any way at all.

They sent to Mr. Cumpstone, I believe it was eight, nine or ten tapes. Every tape had, I believe, ninety minutes on it and they, I believe, expected your Committee to stay in Tampa and play those tapes.

On the other side of the issue, there appeared six or seven of them, at their own expense, and they presented what you have now heard—not one person, but they presented to your Committee four signed affidavits from Nobles who were in the room and witnessed the incident and they were competent to testify that it happened.

On January 4, 1982, I wrote to the Illustrious Sir, I believe his name was George Mitchell and I told him what happened in Tampa. I told him the decision of the Committee and what we would report in Orlando, Florida.

Nothing was heard from Abba Temple.

Now, when we appeared at Orlando, Florida, for the first time, Mr. Tyson appeared before me all upset—"This is going to happen and we do not want this to happen." So we asked him if he had any evidence. He said, "Yes, we have evidence. I am the one that made the motion to re-refer. You have already done it once. You have re-referred this matter back to them once."

It was re-referred to them in Orlando to do what they wanted to do again. From that day forward, not one word did I hear from Abba Temple.

On October 25, 1982, I wrote Illustrious Sir George Mitchell another letter and I put in the letter, and we still heard nothing further from Abba Temple—"Your Committee on Grievances and Appeals will again recommend what we recommended or wanted to recommend in Orlando."

Well, I still have not heard anything. We came down to the time for the Call. The Call comes out and I then schedule another hearing.

This is the third hearing for Abba Temple.

I sent them notice of it. Everybody knew about it.

The present Potentate appeared before the hearing; John Tyson appeared before the hearing and another Past Potentate appeared before the hearing and once again they brought along the tapes but the tapes, unfortunately, somewhere in their travels, got lost, their luggage got lost—it went, as I understand it, to Houston, Texas and did not get to Denver.

Now, gentlemen, I have been a member of the Bar for a long time. I have been sitting on the bench for twenty-three years.

Now, in this issue, the burden of proof was on Abba Temple and they could have taken those tapes and they could have had them transcribed and then the Temple attorney, Mr. Tyson, could have reported on each and every page—brought the testimony he wanted to submit to sustain his position.

Gentlemen, from November 9, 1981, to this date, your Committee on Grievances and Appeals has not heard one piece of contradictory evidence—not one word of contradictory evidence.

Faced with that, we have the sworn affidavits of four Nobles that this incident happened.

Now, gentlemen, those of you who are members of the Bar and those who are judges in a court room here today, you know that when there is uncontradicted testimony, you can only rule one way.

I urge you, with all the sincerity at my command, that you reject the substitute motion and when it is called upon, you adopt the recommendation of your Committee on Grievances and Appeals.

IMPERIAL POTENTATE BOWERS: The Chair recognizes the Potentate of Abba Temple.

NOBLE D. W. MILLER [Potentate, Abba Temple]: Imperial Sir, Imperial Sirs and Fellow Delegates: I realize that Abba Temple has been very lax in the last two years concerning this matter. However, as you might say, with a new Potentate, such as in my case, we do have new and aggressive programs at Abba Temple.

Now, I, as Potentate of Abba Temple, did answer the first call to this Committee, which was the one that congregated here at Denver.

I want to ask that you not decide the guilt or innocence of anyone in Abba Temple. I would also ask that this Committee, who has worked so very hard, not be asked to solve the problems of Abba Temple.

I do this in my own behalf and, also, the evidence that has already been gathered and the continued evidence I pledge to make, I request that this matter be re-referred to Abba Temple and a committee, under my direction, be appointed and I ask that this committee be given one more chance to solve this matter and, really, have Abba Temple solve its own problems locally.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: I will recognize Illustrious Sir Tyson.

NOBLE JOHN M. TYSON [Abba Temple]: I thought I would reserve the right to close. However, if Judge Lamdin has something else, I would suggest he be permitted to go ahead.

NOBLE LAMDIN: I have nothing further.

NOBLE TYSON: I believe there is one point we need really some guidance from perhaps Jurisprudence and Laws on, our good committee chairman over there.

The Judge's report was to the effect that a number of people came down and gave testimony, and there were also presented some affidavits, which we have not seen but which we heard about the other day for the first time.

Now, under the provisions of the Section which sets the appeal, it does, in general, provide for the filing of the transcript. However, in this case, our Temple did not file a transcript but we did file the tapes and, further, we offered to reduce them to transcript. However, the point is this, Imperial Sir, that nowhere can I find that this Committee has a right or a duty to consider other than procedural matters.

For example, like people not being allowed to appear, yet, on the other hand, they took testimony or affidavits that were never forwarded to the Temple or to the Abba Temple Potentate, who had no knowledge of what to defend.

What I am attempting to say to you gentlemen here is that this is a more over-riding issue here than you have heard about. Of course, we all love Judge Lamdin but there is also the fact that any complaint, no matter how frivolous it may be in your Temple and which is heard in confidentiality by a committee appointed by the Temple Potentate, with preference given to Past Potentates, is subject to appeal, if that appeal is taken.

Now, some of you come from rich Temples but we are a poor Temple.

Now, if there is an appeal taken and Judge Lamdin sends out a notice that he is going to have a hearing, then that Temple must send all of the people that came before the initial investigating committee, the lawyers and everybody and, of course, that involves a great deal of expense.

Now, when that appeal is made, as I understand it, that committee should look to see if there is an adequate reason for appeal.

Now, I also have been a judge for a long time but, when that appeal takes place, it is the duty of that committee to see whether or not there is any substance toward reversing and remanding the initial action and that is precisely what we are asking you gentlemen to do.

NOBLE LAMDIN: Will the gentleman yield to a question?

NOBLE TYSON: Certainly, Judge, anytime for you.

NOBLE LAMDIN: You tell me, Mr. Tyson, or tell this august body, what evidence you, as an attorney for Abba Temple have submitted to the Imperial Council Grievances and Appeal Committee in two years—what piece of evidence other than the ten, eleven or twelve little tapes?

NOBLE TYSON: We put on the chairman of the investigating committee, Past Potentate Riley, who testified before your committee as to the proceedings of the committee and to the facts at issue—why this one person was not qualified. He also offered to play the tapes when they arrived from Houston or wherever to your committee to substantiate this issue, whereupon you said, "We do not want to listen to any tapes."

That, Illustrious Sir, was positive evidence by the chairman of the committee, a respected Past Potentate of Abba Temple and this was the testimony of this one person who did not offer to appear, did not try to appear.

NOBLE LAMDIN: Imperial Sir, if I may be permitted to do so, I would like to speak once again.

Now, Noble Tyson, what you said is not quite true. It is half true.

Now, these four affidavits were filed December 29, on the record, and are in the files of this case at Tampa, Florida. They did not just come out of the woods—they were filed on December 29, 1981.

Now, Mr. Riley appeared before our committee and I am going to quote verbatim and we do have with us the reporter who took that transcript—he took the testimony that we had on Sunday concerning this issue.

We asked, for example, Mr. Riley the direct question—"Why did not the Temple trial committee permit these four, not one but four, Nobles to testify?" He said, and I quote, "I turned around to the committee 'do you want to hear from them' and the committee said, 'we have heard enough' ". That is the reason, gentlemen, those four Nobles were not heard from.

Well, this is a democratic body and there is not a person in this room, and I am convinced of it, who would want to shut off any Noble.

I do not want to use the term "little" Noble because we are all equal. There is no rank among us. Some of us emerge for a period of time and take an office but once again we then return right back to those ranks and that Noble, no matter what, if he takes the time and if he raises his right hand and takes an oath that this happened, then I suggest to you that he is entirely to be heard and that is all your committee is recommending—go back to Abba Temple, put it on.

We are not trying to find anybody guilty—that is not our purpose. All that we want Abba Temple to do and all we are recommending they do is to go back, put it on, try it and let the chips fall where they may.

Once again I would urge you that you reject the substitute motion and adopt the main motion.

... At this point, the question was severally called for. . . (Applause)

IMPERIAL POTENTATE BOWERS: The question has been called for. Is there a second?

... The call for the question was severally seconded. . .

IMPERIAL POTENTATE BOWERS: I would like to call on Ted Corsones.

NOBLE THEODORE CORSONES: Imperial Sir, as to the status of the proceedings at this time, it is as follows, and I hope I am not in error.

We have before us the request and motion of Past Potentate John Tyson which says that he is asking this Imperial Council not to concur with the report of the Grievances and Appeals Committee but, instead, to adopt the following substitute resolution, and I am going to paraphrase it a bit but I believe it won't do any harm.

He said, in relation to his substitute motion, that the Potentate of Abba Temple reconvene its investigating committee and reopen the investigation and hear all Nobles who wish to appear. There will then be a decision made at Abba Temple and this decision will then be sent by the Potentate or his investigative committee to the Grievances and Appeals Committee of the Imperial Council.

Now, what you are doing, so we make it clear, and all we want is fairness and Dr. Bowers has instructed me from day number one to make sure everything is fair—is that when you vote, when you are asked to vote, you will be voting "yes" to accept the substitute motion of Past Potentate Tyson or, on the other hand, if you vote "no," you are not accepting the substitute motion and then we will go back to what Judge Lamdin just reported to you.

Do you all understand that?

... Cries of "yes" . . .

IMPERIAL POTENTATE BOWER: Well, Nobles, I am sure all of you heard what Ted Corsones just said.

Now, all those in favor please say aye; opposed no. It is defeated.

NOBLE THEODORE CORSONES: Representatives, I know you are way ahead of me but let me state at this time that you are now voting on the report of the Imperial Council Grievances and Appeals Committee, which has been moved and seconded.

Now, if you vote "yes" you not only adopt this report, you adopt their recommendation. If you vote "no" you vote against it.

NOBLE TYSON: Imperial Sir, I would like the right to make another motion if I might.

This is back to the main question.

I believe the question has been called and I appreciate those of you that understood the question and voted with us but since we really have not gotten a definition as to this type of proceeding and what Judge Lamdin referred to as "affidavits", something which we have never seen, I move you, sir, that this matter be recommended and, in accordance with the Code, that a transcript be prepared and that there be notification to all parties and a report back to the next meeting.

IMPERIAL POTENTATE BOWERS: You know, with that, we could delay this all day. At any rate, is there a second to that motion?

... There is no second. . .

NOBLE THEODORE CORSONES: Imperial Sir, on that basis, this is where the body is now.

There was no second to the motion and the Chair has therefore declared you are now ready to vote.

If you vote "yes" you vote to adopt the report of your Imperial Council Grievances and Appeals Committee; that is, to adopt the report and its recommendation.

IMPERIAL POTENTATE BOWERS: I will now put the motion.

All those in favor of the adoption of the report and its recommendation say aye; opposed. I will declare the motion is carried.

NOBLE SEWELL LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives, that concludes our report for this session unless something else is referred to us.

Also, let me tell you one thing. I have been in conference with the present Potentate and with John Tyson and at their request, I will personally go down to Abba Temple and assist them with their problem. I cannot be any fairer, I do not think, than that.

Thank you, gentlemen. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, gentlemen.

We will now proceed to Item 12 in the Call and I will call on Ed Maag.

NOBLE MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item number 12 on the Call for the annual session of 1983 and is located on Page 20 of the Call. It is a proposal to amend Section 334.2 of Article 34 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

§.334.2 Bonds and Insurance.

(a) Bonds. Every Temple, at its expense, must procure a corporate surety bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or Nobles, of its funds, assets or property.

(b) Insurance.

(1) The Potentate of every Temple shall appoint an insurance advisory committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the Temple attorney.

(2) The insurance advisory committee shall have such duties and responsibilities as assigned to it by the Temple and by the Imperial Potentate.

(3) The Temple must procure adequate and proper fire, casualty, comprehensive public liability and motor vehicle insurance coverage. In all casualty and liability insurance policies written for the Temple and its appendant bodies, the following shall be included as an additional named insureds, only as respects to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, and Shriners Hospitals for Crippled Children, a Colorado Corporation, and all its affiliated corporations."

(4) The Potentate and Recorder shall be responsible that appropriate certificates of insurance on all worker's compensation and liability policies showing compliance with (3) hereof shall be filed with the Imperial Recorder within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the Temple.

(c) Non Compliance.

All Representatives from a Temple not in compliance with (3) and (4) hereof, shall have their credentials disapproved at any sessions of the Imperial Council, and they shall not be paid mileage or per diem thereto.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I will recommend that you call on Imperial Sir Jack Dean for the report of the Insurance Committee.

IMPERIAL POTENTATE BOWERS: Are there any questions? If not, I will recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Representatives: This matter has been referred to your Insurance Committee. Your Insurance Committee has met and recommends that the non-compliance provisions be amended to only apply to the Potentate and not to the other Representatives. (Laughter) That completes the Insurance Committee Report, Imperial Sir, and if there is nothing else, may I suggest that you refer to the proponent of this legislation so that he may make the appropriate motion and then speak thereto.

IMPERIAL POTENTATE BOWERS: I will now recognize the proponent of the legislation.

IMPERIAL SIR DEAN: As the proponent of this legislation, Imperial Sir, I move adoption of the amendment contained on page 20 of the Call, namely that Section 334.2, Bonds and Insurance, read as set forth in the Call and if I have a second, I would further like to speak.

...The motion was severally seconded...

IMPERIAL SIR DEAN: And now, Imperial Sir, I would move that Section (4)(c) of Section 334.2 be amended to read:

(c) Non-compliance.

"The Potentate of a Temple in non-compliance with (3) and (4) hereof, shall have his credentials disapproved at any sessions of the Imperial Council Session, and he shall not be paid mileage or per diem thereto."

If I may, I would like to have a second to that, Imperial Sir.

...The motion was severally seconded...

IMPERIAL SIR DEAN: I would now like to speak to this motion.

IMPERIAL POTENTATE BOWERS: Just a moment, Jack, I would like to call on Ed Maag for a moment.

NOBLE EDWARD MAAG: Imperial Sir, Imperial Sirs and Representatives, I am authorized to report to the Representatives in behalf of the Jurisprudence and Laws Committee that the amendment as proposed by Imperial Sir John Dean is in proper and legal form and will not conflict with any provision of the Articles of Incorporation of Bylaws.

Thank you.

IMPERIAL SIR DEAN: Imperial Sir, I now move the amendment.

...The motion was again severally seconded...

IMPERIAL POTENTATE BOWERS: Will you please proceed, Jack.

IMPERIAL SIR DEAN: Let me speak to this motion first.

IMPERIAL POTENTATE BOWERS: The motion has been seconded.

IMPERIAL SIR DEAN: I would like to speak to the amendment.

Now, gentlemen, the penalty provisions of this particular section have been placed in here because the Imperial Potentate currently for non-concurrence with the provisions of the Bylaws, has a choice and he only has one choice and that is if the Potentate does not comply, he has to remove him from office.

He can send them a notice and say, "Hey, fellows, either comply or I will remove you from office." This gives him an additional means of enforcing this particular section.

I do want to speak to the importance of the entire section and the importance of the entire section is that, as Chairman of your Insurance Committee, I would point out to you that you are required to have on file with the Imperial Council the endorsements or certificates of insurance showing that you have included in your insurance policy the Iowa and Colorado Corporations and all of the appendant corporations thereto.

In this particular provision, your Committee has been trying and they have been sending out letters asking everybody to do this. We still have some thirty-one Temples who have not yet done it.

We also have one Temple who has only named the Colorado Corporation.

Now, gentlemen, last year alone, your Imperial Council spent \$30,000 in relation to three lawsuits that we would not have had to defend had those three Temples named the Iowa and Colorado Corporations in their particular policies.

Now, what happens, for example, when we get served with a lawsuit concerning one of your motor bicycles running over somebody or something else happens, they sue the Temple and they also take a shotgun and sue everybody they can find and, therefore, they will sue the Iowa Corporation and also the Colorado Corporation.

Our liability, in ninety-nine percent of these cases is negligible but what happens when you get somebody with a lawsuit, you have twenty days to answer or you lose. Therefore, when we get somebody in our General Counsel's office who gets that lawsuit, they pick up the telephone and they call our Risk Manager and they say, "X Temple has been sued, we have been sued, will you pull our certificate of insurance and see whether or not the Iowa or Colorado Corporations are named." The Risk Manager goes down, pulls the certificate and says back to them, "We are named." At this point, we then refer the matter to our insurance carrier, who defends us.

If we do not have a certificate of insurance from you, we try to determine that information as rapidly as we can and if we cannot get an answer immediately, then we have to go out and retain a lawyer.

Now, gentlemen, it is your money that is being spent. We are spending Iowa Money to defend lawsuits that we should not have to defend and there is no reason for this at all because it does not cost the Temple one penny to have the Iowa and Colorado Corporations named as additional insureds on their policy. On the other hand, it does save you money and if, at some time, everybody is sued, we will be back here and say, "Hey, fellows, we are spending too much money on legal cases," because, if the Iowa Corporation gets hit, then we are going to have to raise the dues. This is unfair to everybody mainly because a few choose not to comply.

The reason we originally mentioned all of the Representatives in here is that we thought it would get everybody's attention and, as George indicated earlier, the Potentate is charged with the responsibility of running his Temple and I would hate to see the Potentate put in a position where we conjoin him two or three times and then the Potentate gets a letter that says, "You are out," because, fellows, when an order comes out, we don't know what your schedule is and if a Potentate does receive a suspension, it may come before one of his scheduled trips or something else.

Therefore, it is much easier for you to have this provision in your insurance policies rather than having to subject yourselves to an order of removal from office.

Thank you very much.

IMPERIAL POTENTATE BOWERS: Is there anymore discussion?

NOBLE T. E. LUCAS [Past Potentate, Al Chymia Temple]: Imperial Sir, under the present motion before the House, I would like to offer a substitute motion and that is that Section (c) be deleted entirely.

NOBLE HOPKINS: Imperial Sir, may I explain something here at this point.

We are now in the position of having a subsidiary motion to an amended motion before us. This is an amendment to the main motion.

Brother Lucas has moved a substitute on the amendment, which would be in order as an amendment to the amendment, which is a further subsidiary to the subsidiary and so you have to vote on whether or not to amend the amendment by majority vote and if the vote passes, then you have the main motion as then amended.

IMPERIAL POTENTATE BOWERS: You have heard the motion. Is there a second?

... The motion was duly seconded. ...

IMPERIAL POTENTATE BOWERS: Very well. All those in favor of the amendment say aye—

... Cries of "what are we voting on?" ...

NOBLE LUCAS: I don't think this confusion is necessary. What I am offering to you is a substitute to the motion as made by the proponent.

He says in item (c) that those not in compliance, Representatives from a Temple, shall have their credentials disapproved at any session of the Imperial Council.

Now, really, he does not know whether, for example, a Potentate is going to be elected a Representative. He assumes that and that is what I was trying to explain to you before. What I am doing here is offering you a substitute motion on the amendment of Section (c)—that the non-compliance provision be stricken from the proposed legislation entirely.

IMPERIAL POTENTATE BOWERS: I believe our Parliamentarian desires to comment.

NOBLE HOPKINS: I think they understand that and what you just voted on, you did not declare it but we are only voting on an amendment to an amendment. It takes a majority vote, and that is simply that the Potentate alone, and it does not matter whether he is a Representative because, if he is not a Representative, obviously then, if that is passed, there will not be any penalty of not being paid if he is not a Representative.

However, again, you are voting on an amendment to the amendment.

IMPERIAL POTENTATE BOWERS: Do you all understand that?

...Cries of "yes" and "no"...

NOBLE HOPKINS: Well, let us try it one more time.

Imperial Sir, there is a motion to adopt this Bylaws procedure amendment, which takes two-thirds. The proponent of this motion made an amendment to change a portion of it to eliminate all Representatives and include just the Potentate. That is an amendment to the amendment and that is the main motion.

Noble Lucas has amended that amendment by motion saying "leave out the Representatives and only take from the Potentate."

NOBLE LUCAS: Just a moment.

...Cries of "no, no"...

NOBLE HOPKINS: This is an amendment to the amendment where the Representatives are not before you. It says "Potentate"—only singularly is subject to these proceedings.

IMPERIAL POTENTATE BOWERS: Thank you, J. B. I would now like to call on Ted Corsones.

NOBLE THEODORE CORSONES: Thank you, Imperial Sir.

As I understand the situation, you have before you the motion offered by Tom Lucas—that this proposal be amended by deleting subsection (c) therefrom and the issue is do you allow that motion to pass or not to pass.

IMPERIAL POTENTATE BOWERS: Do you all understand the procedure? We are on the substitute motion offered by Mr. Lucas.

All in favor please say aye; contrary no. It is carried and I think the ayes have it.

NOBLE CORSONES: Now, here is where you are, as I understand it, and subject, of course, to J. B. indicating to the contrary.

You now have allowed the amendment to go forward on it and so you have now amended Jack's amendment.

Now, the main section is 334.2 and (a) is included in this, (b) is included in this and then you have allowed (c) to be amended by deletion so it is not included in there.

Therefore, if you are ready to vote at this time, you would then be voting on what is in your Call, less subsection (c).

...Cries of "right"...

NOBLE THOMAS LUCAS: Imperial Sir, I would call for the question on the remaining part of the motion.

...The motion was severally seconded...

IMPERIAL POTENTATE BOWERS: All in favor say aye; opposed no. It is carried unanimously. (Laughter)

The proposed amendment is adopted by the affirmative vote required by the Bylaws.

Thank you, gentlemen, that was a nice one.

I will now recognize Judge Cooper.

NOBLE R. E. COOPER [Reading]: To the Representatives of the Imperial Council:

NOBLE THEODORE CORSONES: Imperial Sir, Imperial Sirs and Representatives: We are going to get rid of a lot of business right now. It will not, I believe, take more than ten minutes. There are about ten items involved.

These are matters in your Call concerning Temples joining the Association of Temples. It is a housekeeping matter.

What happens here is that many of the new Temples, they do join their Association but they forget to read the Bylaws and that is the only reason we are doing a work-up and, of course, are glad to do it.

The Bylaws provide that any change or proposal of change in relationship to any membership in any Association shall be sent to you folks and you have the vote. Therefore, we will go forward and we will get these done very quickly for you.

Imperial Sir, if there are no questions concerning this report, I move the adoption of this Resolution.

... The motion was duly seconded. . .

IMPERIAL POTENTATE BOWERS: It has been moved and seconded that this Resolution be adopted. Is there any discussion?

If not, all in favor indicate by saying aye; opposed. The Resolution is adopted by the affirmative votes required by the Bylaws.

NOBLE THOMAS LUCAS [Al Chymia Temple]: Imperial Sir, I would like to make a request of this body which I believe would be in order.

IMPERIAL POTENTATE BOWERS: Which item do you desire to discuss?

NOBLE THOMAS LUCAS: I rise to a point of order if I might, right here now.

I would like to have this question answered by Jurisprudence and Laws.

We have, I believe, Items 19, 20, 21, 22, 23, 24, 26, 27 and 28, which all deal with like matters that you have just heard. Now, I know that it is necessary to put these reports into the record but inasmuch as they are so similar and are merely a house-keeping measure, I would like to address this question to Jurisprudence and Laws—would it be possible to have these reports merely adopted by this body and be put in the record without us having to hear each one of them read individually? As a matter of fact, I believe you previously indicated they were all similar and a matter of housekeeping only.

... Cheers and applause ensued. . .

IMPERIAL POTENTATE BOWERS: That sounds pretty good to me. (Laughter)

NOBLE THOMAS LUCAS: Imperial Sir, if a motion is in order I would make such a motion.

NOBLE CORSONES: I accept the interrogation and I will respond.

The important thing, and this has just been called to my attention so that I do not forget it, but we want to make sure that you out there do not have any questions in relation to any of these. In other words, there are, I believe, some five or six of these that we can put into the record with your approval but, before we do that, do any of you have any discussion or questions concerning any of these? If you do have questions, then I don't think it would be fair to shut off debate in any manner.

So I would suppose, Tom, you are making a motion that these reports of the Jurisprudence and Laws Committee and also Dispensations and Charters be put into the record without reading.

NOBLE THOMAS LUCAS: Yes.

NOBLE THEODORE CORSONES: Well, as I say, if that is agreeable to the Representatives, I see no objection.

IMPERIAL POTENTATE BOWERS: Let me first ask the Representatives concerning this proposal—does anyone have any specific item they wish to discuss or does anybody have any objection to the suggested procedure? Is there anyone who wishes to speak to any of these proposals?

For the record, I hear no indications that any Representative wants to speak to any of these what you have referred to, Ted, as housekeeping matters.

NOBLE THEODORE CORSONES: All right, if you will look in your Call, Items 19, 21, 22, 23, 24, 26, 27 and 28—and that is where we will stop for the time being. Therefore, with that remark on my part, I would again ask the Imperial Potentate to ask you if you are ready to adopt these items as per the motion on the floor from Tom Lucas.

IMPERIAL POTENTATE BOWERS: Is there a second to the motion?

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: Let me ask, is everybody comfortable?

...Cries of "yes"...

IMPERIAL POTENTATE BOWERS: Very well, all those in favor of adopting these items as presented by your Jurisprudence and Laws Committee and the Dispensations and Charters Committee, please say aye; opposed no. I will declare that these items have been adopted by the affirmative votes required by the Bylaws and will be included in the record without reading.

...Whereupon, the reports concerning Items 19, 21, 22, 23, 24, 26, 27 and 28 of the Jurisprudence and Laws Committee and the Dispensations and Charters Committee as above indicated are included as follows...

To the Representatives of the Imperial Council:

IMPERIAL POTENTATE BOWERS: I would now like to call on our Imperial Recorder for some announcements.

... Various announcements by Imperial Recorder Jack Jones ensued...

IMPERIAL POTENTATE BOWERS: Gentlemen, at this point, I will now declare this meeting to be in recess until one-thirty.

All of you enjoy your lunch.

... The 109th Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at eleven-fifty-five o'clock a.m. to reconvene for the afternoon session at one-thirty o'clock p.m. ...

AFTERNOON SESSION
THURSDAY, JULY 7, 1983
ONE-THIRTY O'CLOCK, P.M.

The 109th Annual Session of the Imperial Council reconvened at the Denver Hilton Hotel, Denver, Colorado, at one-thirty o'clock p.m., Imperial Potentate Dr. Daniel E. Bowers presiding.

IMPERIAL POTENTATE BOWERS: Nobles, if you will take your seats, I would like to reconvene our session.

We will continue with our legislation from where we left off before luncheon.

We will next consider Item 29 in the Call, on Page 26.

Now, I am sure there will be some controversy involved in this and I will, as a courtesy to the Chair, request that we will recognize, if there is no objection, three speakers for the proposition and three against the proposition.

At that time, I will ask that this conclude the discussion and that we then submit this to a vote.

Let me ask you, Representatives, do you all agree to that procedure?

...Cries of "yes"...

IMPERIAL POTENTATE BOWERS: Again, we will have three speakers in the affirmative and three in the negative. We do not desire a continuous discussion on this issue.

I believe that if you gentlemen cannot make a decision on this issue after that, then something is wrong with your mentalities.

For the presentation of this item by the Jurisprudence and Laws Committee, I will now call upon Judge Cooper.

NOBLE R. E. COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 29 of the Call for the annual session of 1983 and it is located on Page 26 of the Call. It is an application for dispensation for a new Temple in Flint, Michigan, to be known as El Shab, U.D.

Your Committee reports that the application is in proper and legal form and that it is in compliance with the Articles of Incorporation and Bylaws.

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Graves H. Trumbo for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE BOWERS: The Chair recognizes Graves Trumbo.

NOBLE GRAVES H. TRUMBO [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters, the application for a new Temple to be located in Flint, Genessee County, Michigan, and to be known as El Shab Temple U.D. This is Item 29, located on Page 26 of the Call, for the annual session of 1983.

A hearing on the application was held by the Committee on Dispensations and Charters in joint session with the Jurisdictional Lines Committee. At that time, El Shab (proposed) modified its application and asked for exclusive jurisdiction in Shiawassee, Genessee and Lapeer Counties, and concurrent jurisdiction with Moslem

Temple in Oakland County, Michigan. The proposed new Temple will be only 35 miles from Elf Khurafeh, which has an investment of approximately three-quarters of a million dollars in that area.

Many of you were present at the 1982 Imperial Session and adopted the report of your Committee, that the application for a new Temple for El Shab, "be withdrawn from consideration" at that Imperial Session. The report noted, among other things, that El Shab (proposed) had agreed to transfer to Elf Khurafeh those monies held by El Shab (proposed) and due Elf Khurafeh. The report, as adopted by the Representatives, also directed involved Temples to form a Special Study Committee, with representation from the Flint, Michigan area, to study the needs of the Shrine in lower Michigan.

Your Committee reports that El Shab now has returned all monies due Elf Khurafeh—the final transfer of funds being on December 30, 1982.

Also, the Special Study Committee, called for in the 1982 report and adopted by the Representatives, was formed. It consisted of fourteen members, representing all the Masonic bodies in lower Michigan and included two Nobles from Flint, Michigan.

The Committee met several times. While it did not file a Consensus Report, each Noble filed his recommendation in writing. The tabulation of the individual reports shows twelve for the denial of El Shab's application for dispensation and two for granting it.

Under the Bylaws of the Imperial Council, your Committee is charged with the duty of determining not only if enumerated requirements for dispensation have been met—and they have in this instance—but also with determining if the circumstances surrounding the petition for dispensation are conducive to the operation of a successful Temple, and are in the best interest of Shrinedom.

We cannot, of course, detail every facet of information that entered the deliberations of your Committee in its efforts to fulfill its assigned duty. We gave you the specific information of the transfer of money and the Study Committee report as they are relevant to specific action called for in the report adopted by the Representatives in the 1982 Imperial Session.

Your Committee does report to you that it has considered all correspondence and documents furnished by those appearing at the hearing, the presentations of El Shab (proposed) and those of Elf Khurafeh, Moslem and Saladin Temples as well as the actions with respect to transfer of monies due Elf Khurafeh and the reports of the Study Committee.

The Committee recognizes that a need is developing for a Temple in the central industrial section of Michigan, and further, that there exists a group of dedicated Shriners in that area with the apparent ability and means to establish and support a new Michigan Shrine Temple.

However, on balance, the current economic climate and the turbulent fraternal atmosphere prevailing in that part of Michigan where El Shab Temple (proposed) is to be located, makes the creation of a new Temple not feasible at this particular time and it is the judgment of this Committee that the request for dispensation be denied.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS
AND CHARTERS

Imperial Sir, I move the adoption of this report and that the other Committees to which the application has been assigned be discharged from further report.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second. Is there discussion?

I will recognize Ted Corsones.

NOBLE THEODORE CORSONES: My fellow Representatives, the Imperial Potentate has asked that I speak on this because of the matter within Jurisprudence and Laws concerning the function of these two committees—that is the Dispensations and Charters and Jurisdictional Lines.

So I am going to read to you a few remarks so you understand exactly where you are and what will happen, depending on which way you vote.

The motion to adopt the report of the Dispensations and Charters Committee has been duly seconded and, therefore, the issue is before you.

The issue now before you because of the motion just made in connection with the report given to you by Graves Trumbo was to adopt the recommendation—that is to adopt denial. If you vote “yes” to the report of the Dispensations and Charters Committee, you vote to deny the application for dispensation to form the new Temple entitled El Shab. If you vote “no” to the report of the Dispensations and Charters Committee, the issue is still alive and we will later today or tomorrow hear from the Jurisdictional Lines Committee as to what jurisdiction they believe is appropriate.

There will also be a report from the Jurisprudence and Laws Committee regarding its legality.

At that time you will vote again and the issue then before you will be to grant dispensation for a new Temple to be called El Shab in accordance with the jurisdictions recited in the report of the Jurisdictional Lines Committee.

That is where we are, Imperial Sir.

The Imperial Sir has indicated, and I will finish my report by saying that the Imperial Potentate has indicated that he is desirous of having three speakers speak on each side of the issue. He has called them to the stage and I believe they are on the stage and they are going to address the issue.

Thank you, Imperial Sir, for permitting me to address the assembly.

IMPERIAL POTENTATE BOWERS: Thank you, Ted.

I will now recognize a speaker on the positive side only.

NOBLE PHILIP GRENNLEY [Potentate, Affi Temple]: A point of order, Imperial Sir.

Section 329.2(e), if that is still in effect, would it not first be important to see if this applies—300 miles from a Temple and approved and supported by all other Temples in the state? Could we not find out if that applies before we go into the rest of this?

IMPERIAL POTENTATE BOWERS: I will recognize Mr. Corsones.

NOBLE THEODORE CORSONES: If you will give me your attention, Representatives, I will try to respond to that question.

Believe me, if I do nothing else during this ensuing year between sessions, I am going to rewrite all of this area concerning Dispensations and try to bring it back so that you will understand it better and also us understand it better also.

Now, there are two general requirements for Dispensations and Charters and they are as follows: The first is that there be 1,000 signatures on an application for dispensation and, in addition to that, the granting of dispensation will not reduce the membership of the adjacent Temple to less than 3,000 Nobles.

Those are the general provisions and if they meet those provisions, the request is valid.

IMPERIAL POTENTATE BOWERS: Thank you for that explanation, Ted.

Now, I believe we can proceed with the discussion.

We will proceed first to hear from a spokesman in favor of the proposal by the Dispensations and Charters Committee.

You are speaking for the proposal of the Dispensations and Charters Committee?

NOBLE CHARLES COLE: Imperial Sir, I am speaking against the motion.

IMPERIAL POTENTATE BOWERS: Well, either way.

NOBLE CHARLES COLE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: My name is Charles Cole and I am here in an attempt to get the proposed Temple in Flint, Michigan, called El Shab, proposed.

To begin with, I would like to indicate to you that in order to get that Temple, it will be necessary for you to vote against the motion that is on the floor because the motion is to approve the Committee's report and we would certainly appreciate it if you would vote against that motion.

Now, I have some comments that I would like to make because I hope to convince you that the motion should be denied so that, in turn, El Shab can proceed to receive its dispensation.

The El Shab proposal started back in 1973. We have copies of correspondence that was returned to us requesting this dispensation and so this is not something that was started in the last couple of years.

In order to grant dispensation, we have to have a thousand members and we have over 1200 members that have signed petitions requesting dispensation.

In order to grant dispensation, I think one of the necessary elements is the fact that we have great extraordinary leadership in that our Provisional Potentate is Frank Smith, Jr. and Frank is 59 years of age, married for 37 years and has three children. He is an electrician at the General Motors Corporation and he was honorably discharged from World War II.

Further, he has been active in Scouting and spent some twelve years as a Scout Master.

He became a Mason in 1957, joined the Scottish Rite in 1963, and he became a Shriner in 1969.

He was Chairman of the Crippled Children's Committee for five years and at the time he started as Chairman, there were less than fifty crippled children that the area was taking care of and now this area has over 150 children.

He was an Ambassador to Elf Khurafeh. He also started the first Crippled Children's Clinic in Michigan.

He assisted in the starting of the sale of newspapers in Michigan for Elf Khurafeh and also assisted Moslem Temple in Detroit in starting their paper sale.

He is a Past President of the Oasis Shrine Club and is the Past President of the Military Patrol and he also has awards for meritorious service from the State of Michigan, the City of Flint and also from Elf Khurafeh Temple. He is also a member of the Jesters.

I think the third element with regard to getting dispensation is the financial ability to take care of the Temple and the crippled children after you get them and it is obvious that the El Shab group is capable of doing that because we have obtained more than \$250,000 last year and I think that with the ability to raise funds in those amounts, it would certainly give us the financial ability to take care of crippled children.

Now, I would like to talk a minute about the Imperial Laws.

It requires a thousand members as petitioners for a new Temple and we have almost 1300 and we have to assume that Imperial, with all of its wisdom and experience, when they made that as a minimum, considered all of the economic concerns in establishing a new Temple.

The next thing is that you have to leave the Mother Temple with at least 3,000 members and, at the present time, Elf Khurafeh Temple has 5600 members. These are, of course, in round figures. There are certainly more than that.

The El Shab proposed membership is over 900 and so if you take 900 away from 5600, you come out with about 4700 members that would be remaining in Elf Khurafeh Temple.

I would assume that when they established those rules and regulations that Imperial knew what they were talking about and it was reasonable to assume that with over 3,000 members they would be able to maintain the Mother Temple without any problem.

Further, it seems as though the opposition to El Shab is doing a lot of things to misdirect you and one of these things is that they are trying to talk about what happened last year instead of talking about whether or not the proposed El Shab is capable of handling a Temple.

Now, one of the things they have done, and which has been mentioned is, and I would like to mention this for the record, that El Shab (proposed) has returned all of the funds to Elf Khurafeh Temple and I might add these funds were raised by the El Shab people in Genessee County, Michigan and that anything they are saying with regard to El Shab still owing this money is not a fair statement.

I think one of the things they got out was a letter showing a check or a money order in the amount of six or seven thousand dollars and they are trying to imply that El Shab still has this money. However, I would like to indicate to you that this money was returned, plus the interest and it was all returned as of December 30, 1982. Therefore, on that basis, El Shab does not have any of Elf Khurafeh's money and what they are trying to do is to get you to chase rabbits and forget about the main issue of whether or not El Shab should have a Temple.

Now, further, I realize that nobody wants to lose members from a Temple and yet there is not any way, under the Imperial Bylaws, of forming a new Temple if you do not take from an existing Temple. Of course, it would be much easier if we could start out in an area where there was not a Temple and say we are going to start in the area here, for example, get a thousand new people and do our thing. However, that is impossible because all of the areas are covered; all of the areas have Temples. As a matter of fact, it is like losing a child when they grow up—we do not like to let them go but, realistically, we have to let them go in order to grow.

In other words, we have to divide and multiply and that is what we are asking you to help El Shab do—to grant this dispensation and, in other words vote “no” to the motion that is on the floor and eventually get dispensation for El Shab so that we can grow.

Now, as you heard from the Committee Chairman, one of the reasons that this basically was turned down was because of the economy. Well, I would just like to point out a few things to you about the economy of Genessee, Lapeer and Oakland Counties.

General Motors has spent over \$200 million rejuvenating their old manufacturing plant in Genessee County in the last couple of years. Also, in northern Oakland County, General Motors has spent over \$500 million building a new final assembly plant for Cadillacs. Also, Genessee County has already medical and nursing centers which are one of the greatest in the country. Also, Genessee County has a Foundation which is one of the ten largest philanthropic organizations in the country.

Also, Flint is building Auto World which is a miniature Epcot and Flint is also building Cross Road Village which is an area which is composed of the former old time rural buildings. They have an old schoolhouse, an old law office, an old theater and there are twelve miles of railroad tracks and that type of thing.

Therefore, I am submitting to you that if the economy is bad in Flint, it is bad all over. However, I would also like to indicate to you that during this “bad” period, as the opponents would like you to think, the El Shab people in Genessee County worked for the Shrine Circus in Flint, Michigan and raised over \$140,000 after expenses and, in relation to the paper sales during the last five years, they raised over \$100,000 a year and, incidentally, the paper sales in Michigan were started in Flint, Michigan.

Therefore, I am submitting to you Representatives that considering the economy the way it is and the fact that the El Shab people have made this thing go very well, this would be another indication as to why you should want to help El Shab become a Temple by giving us dispensation.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, sir.

The Chair would suggest that those subsequently speaking kindly keep their remarks to about five minutes. Thank you.

Now, on the other side of the fence—and five minutes, please.

NOBLE DONALD B. ROGERS [Potentate, Elf Khurafeh Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives and especially all of the Nobles in the back of the room: My name is Donald Rogers and I am the Potentate of Elf Khurafeh Temple.

Noble Cole and I have known each other for many years and many of the things he says I would have to say are absolutely true. However, they have to be interpreted in the light of how they apply to Shrinedom in the State of Michigan.

We are talking about giving authority for the establishment of a new Temple.

Generally, when giving birth, a weaker body is formed and the stronger body, in turn, helps to mother it.

Now, with regard to the jurisdiction requested, it asks for Genessee County and I am sure all of you have read of a place called Flint, Michigan—have heard of it. As a matter of fact, it is the birthplace of General Motors and some \$200 million has been spent there. However, it has been spent on inanimate objects, such as buildings, machines and robots and robots will not be joining the Masonic Order. That is one of the problems concerning the money that General Motors has spent and is spending in Genessee County.

Now, also, Flint, Michigan has been in the news. One year ago, when we were at Orlando, Orlando came out with the top ten unemployment places in the State of Michigan—with the top four, as a matter of fact, being top ten in the nation—namely, Flint, Saginaw, Bay City and Muskegon. Muskegon is in Saladin Temple territory but Flint, Saginaw and Bay City are in Elf Khurafeh territory.

Let us talk about membership for a moment. Elf Khurafeh Temple has approximately 5600 members. It is true that only 900 to 1000 members might go over to the new Temple but if dispensation is granted and jurisdictional lines are drawn around Genessee County, it would have a tremendous effect upon the Mother Temple which would, we believe, weaken it down to the point where it would become the weaker of the two.

For example, in Genessee County itself, that one county out of the twenty-six county jurisdiction of Elf Khurafeh Temple, we have twenty-six percent of the entire population of the twenty-six counties. One county contains over one-quarter of the population of twenty-six counties.

Further, it contains thirty-four percent of all of the Blue Lodge Masons living in the twenty-six county area, which certainly takes away the power base for continued growth from Elf Khurafeh Temple.

It contains thirty-seven percent of the Bay City Valley, Scottish Rite members and contains thirty-one percent of the York Rite members living in our twenty-six county jurisdiction.

And, more than that, even though nine hundred members signed, approximately nine hundred others have not signed but are living in that one county which involves almost thirty-four percent of the entire Nobility of Elf Khurafeh Temple.

I say to you that today the future of Elf Khurafeh Temple, Moslem Temple and Saladin Temple, to a slight degree, since the new jurisdictional lines involved, are in jeopardy, the balance hangs in your hands, in the hands of you, the Representatives to this assembly.

We are looking at the point now as to whether or not a new Temple comes into the Genessee County area at this time.

Further, in relation to Elf Khurafeh Temple, we do have some 2000 working Nobles in Genessee County and, as Potentate, I realize that I am Potentate of all 5600 men, which includes the 900 who have signed for the new Temple.

Many of you have seen Elf Khurafeh Fezes out here. Let me tell you that some of those gentlemen are the finest in the Temple. They work, they do make things go.

Back in 1973, Elf Khurafeh Temple did purchase some property which was then called Elf Khurafeh Circus Park and is now referred to as Circus Park. That lies three miles south of the northern border of Genessee County. That was purchased to be a base of operations for all of Genessee County and all the other southern jurisdictional Nobles that we have in Elf Khurafeh Temple. To date we have three-quarters of a million dollars invested.

Well, gentlemen, Representatives, those are some of the major points I wanted to call to your attention. Rather than going at it from an emotional basis and bringing up emotional issues or anything else, these are some of the facts, as I see them, as the Potentate of Elf Khurafeh Temple.

As Potentate and representing the Nobles of my Temple, I am asking that when you cast your vote, please cast a positive vote for the recommendation of the Charters and Dispensations Committee.

Thank you for giving me your attention and for the kindnesses you have shown at this Imperial Session towards settling this issue. (Applause)

IMPERIAL POTENTATE BOWERS: Now, we will recognize an individual on the other side—remember, five minutes only.

NOBLE BILL T. PETERS [El Kalah Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Bill Thomas Peters and I am the High Priest and Prophet of El Kalah Temple at Salt Lake City.

Now, some of you may wonder why I, who reside west of the Rocky Mountains, would come before you this afternoon and speak in behalf of El Shab. Briefly, I will tell you why.

When I received the reports concerning El Shab, as most of you did, I was very impressed with the manner in which El Shab has proposed to resolve the conflict that had very much distressed me in Orlando last year, which was my first year as a Representative. What impressed me was the positive Masonic Shrine manner in relation to which they proposed to now go forward with their Temple. That is why I am here.

Imperial Sir and Representatives, I am here not in behalf of El Shab but in behalf of the Shrine and against the motion.

We have all received the light. The part that struck me in relation to the light from my meeting with the Representatives of El Shab is that it has been seventy-six years since the Shrine Temples formed in the State of Michigan. Seventy-six years, for example is fifteen years prior to the time when we initiated our hospitals; seventy-six years is even prior to the time that Henry Ford, in that general area started the first production line. Also, during the last seventy-six years we have had two World Wars, the Korean Conflict and the Viet Nam Conflict and yet we still have three Temples in Michigan. Further, those wars produced tremendous amounts of growth in that industrial corridor and yet we still have three Temples in Michigan.

Also, during the same period of time, we put a man on the moon. Also, during that same period of time, within a mile of my house, we implanted the first artificial heart in Dr. Barney Clark and yet we still have three Temples in Michigan.

Now, the Charters and Dispensations Committee says that now is not the right time—the economy is bad—in Michigan it is even worse. I am thankful that the man who is the head of the Chrysler Corporation did not believe that. (Laughter)

I have been a Representative of this Imperial Council for two years and in each of these past two years we voted substantial increases for our hospitals. This year, even this morning, we approved what I would anticipate is a record budget for the hospitals and yet the economy is not good—it is improving but not good.

We are concerned about membership. Three weeks ago in Salt Lake City, Imperial Sir Voris King indicated that during the last year he spent most of his time addressing problems of membership.

In my opinion, this new Temple would not hurt membership—it would promote it. This new Temple would be a lighthouse and shine forth the light of Masonry to more people in that area.

As proof of that, let us look back over the past five to eight years.

We have had some five new Temples formed over the last five years and, in relation to their formation, I would indicate to you that all of them have doubled in membership.

Really, where would we be today if the original Shrine Temple had decided to hold and protect what it had? We would have one Temple that would be so large and its boundaries so great, that it would crumble from its own unwieldy weight.

In fact, this morning, we elected a Representative from Sabbar Temple. Do you know this Temple has been in existence for eighteen years? Now, if we had

followed the dictates of the Charters and Dispensations Committee, we might not even have had that Noble as a member of our Fraternity. However, this morning we elected him as the Imperial Outer Guard and found him worthy to represent all of us.

I think the philosophy we should follow is to take the Shrine to the Shriners. We can no longer expect the Shriner who has many demands on his time to go way out of his way and make tremendous commitments both in terms of time and money and then add to that the distances that are involved. We need to take the Shrine to the Shriners and I believe the adoption of the petition of this new Temple would go a long way toward this. Therefore, I believe that defeating the motion as presently before us would go a long way toward helping in that aspect.

Now, I suppose the best way I can say all of this is that we have all had dreams at one time or another. For example, we had a dream to put a man on the moon and we put him there. We had a dream to expand our philanthropy to children of the world who were burned and crippled and we are in the process of fulfilling that dream, both for ourselves and for those children.

Further, El Shab is a dream whose time has come and I think it is only appropriate that this body not deny them that dream.

With that, I leave you these words, which are part of a prayer:

"Help us open the inner doors of our hearts to let the sunshine in; help us to change our thoughts whenever they are dark and gloomy to bright and happy ones; bind us in understanding and sympathy to give us strength to do the things we know we should do."

We know we need to progress. We know El Shab is the answer in this particular situation. We know we must vote against the resolution. Thank you. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you. Now we will hear from somebody on the other side.

NOBLE THOMAS G. DRAPER [Past Potentate, Moslem Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Tom Draper and I am a Past Potentate of Moslem Temple.

You have heard some eloquent speakers here and now you are going to have to put up with me.

I do have just a couple of comments and I think they will indicate to you that I speak right from the heart in relation to what it is all about.

Saying "yes" to the establishment of a new Temple is a pleasure for all of us and under normal conditions, this request for dispensation would have been issued last year in Orlando. However, the special factors involved were such that our Committee on Dispensations and Charters recommended against issuance of a Charter and the petition was withdrawn.

During this past year and in accordance with the provisions of what we choose to call the "Orlando Agreement," a study committee was established in Michigan with representation from all Masonic bodies, including two representatives from El Shab. This committee conducted exhaustive research on this matter and when they all wound up, every Masonic body, including all of the Michigan Shrine Temples and the Worshipful Grand Master of Masons, recommended this dispensation not be issued.

Now here again in beautiful Denver this same issue is again the subject of exhaustive powers of deliberation and our Imperial Committee on Dispensations and Charters found that issuance of dispensation would not be in the best interest of Shrinedom and has recommended that the dispensation not be granted.

There are many factors involved here, Nobles, and it is a great temptation to get out and debate, but we cannot do the matter justice.

I respectfully ask of you, my fellow Representatives, to support the actions of our Imperial Committee and accept their recommendation.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: If nobody else desires to speak, that concludes the speakers relative to this particular item.

I will now call on Mr. Corsones.

NOBLE THEODORE CORSONES: My fellow Representatives, I hope you still have the remarks in mind that I made to you just a moment ago.

To remind you, the Dispensations and Charters Committee has a motion on the floor and the motion is that you adopt its report, which recommends and states in there that you deny the application for dispensation. Therefore, if you vote "yes", you are denying the application; if you vote "no" it is still alive.

NOBLE HOWARD D. NOBLE [Past Potentate, Sahid Temple]: Imperial Sir, I have a point of order.

IMPERIAL POTENTATE BOWERS: Will you please state your point of order.

NOBLE HOWARD NOBLE: My question in relation to my point of order is this—if we vote for the committee, does that mean that this proposed Temple may not again apply for three years?

IMPERIAL POTENTATE BOWERS: I will recognize Mr. Corsones to answer your question.

NOBLE THEODORE CORSONES: Well, let me read it and then we will have it in front of us.

"When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the third annual session thereafter."

Therefore, the answer to that is in black and white—should you, at this time, refuse the application for dispensation, it cannot be reinstituted until the third annual session hereafter.

IMPERIAL POTENTATE BOWERS: Now, do you all know what you are voting on?

Those in favor please say aye; opposed no. The ayes have it.

... Cries of "no, no"...

REPRESENTATIVE: Imperial Sir, would it be appropriate for me at this time to request a written ballot? If it would be appropriate, I would so make the request.

IMPERIAL POTENTATE BOWERS: Before I rule on that, for just a moment and before we handle that, let me ask all those Representatives only who are in favor of the motion as stated to please stand; you may be seated. Will those in opposition please stand. Please be seated.

Well, let me say that the Chair has to honor the request concerning a written ballot on this issue. (Applause)

Let me announce to you that it will be the brown ballot, number six.

Now, I believe Mr. Corsones has a further comment.

NOBLE THEODORE CORSONES: I know there are no questions. But if you vote "yes" you are voting to adopt the report of the Dispensations and Charters Committee to deny El Shab. If you vote "no", El Shab is still before us and we will proceed from there.

IMPERIAL POTENTATE BOWERS: Let me say that this takes a simple majority of votes. I have discussed this with your Parliamentarian and your Parliamentarian and I both agree at this stage that it will take a simple majority because we are not as yet amending the Bylaws.

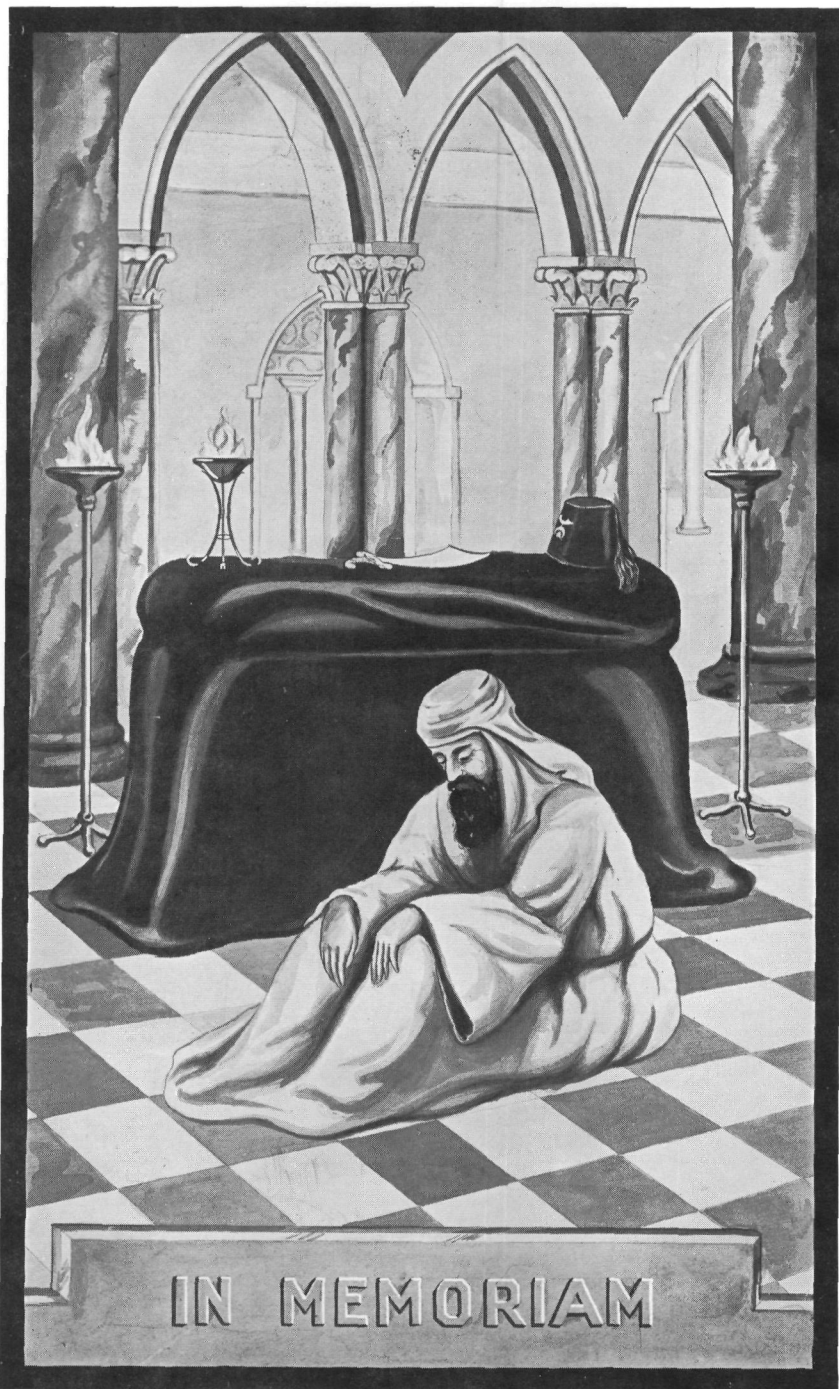

Again, you will use ballot 6.

... Whereupon, balloting and collection of ballots ensued...

IMPERIAL POTENTATE BOWERS: Has everybody voted who desires to vote? Hearing no objection, I declare the ballot closed. (Gavel).

Thank you, gentlemen and we will now go into the report of the Necrology Committee.

NOBLE ROY T. LORD [Chairman, Necrology Committee]: Imperial Sir, Imperial Sirs, Fellow Representatives and Guests to this Imperial Council Session: If we may have your attention for just a few moments while the votes are being counted, we shall proceed with our annual Necrology Service honoring those who have passed away since we last met. Our chanters have been very patient. We are just about an hour late in bringing you this Necrology Service but business must come first, as

you well know. Therefore, if you will just be kind enough to give us your attention, be comfortable and remove your Fez, we shall proceed with our annual Necrology Service.

IN MEMORIAM—"Death is the Gateway to Eternity"

"One by one we miss the voices
Of the friends we love to hear
One by one their gentle faces
In the darkness disappear
No one hears the door that opens,
Thus they pass beyond recall,
Soft as fragrant leaves of roses,
One by one our loved ones fall."

We, your Necrology Committee sadly report that during the past year Past Potentates and other distinguished Nobles of our beloved Shrine have passed to the "Other Shore" where in peace and tranquility they rest from their earthly chores. We pause during this annual session to pay a lasting tribute to those Nobles who lived among us and who worked so diligently to advance the cause of the crippled and burned child. God has blessed us in our endeavors and to express our thanks to Him who "Doest All Things Well," we ask our Imperial Chaplain, Dr. Robert Gates to open our memorial report with prayer:

DR. ROBERT GATES [Imperial Chaplain]: Let us bow our heads.

Our Father and our God, Potentate of heaven and earth, by candle light we draw aside from mundane matters of the moment to come into closer communion with you; to memorialize those illustrious Nobles who have led our caravan of fun and philanthropy across the hot sands of this world and are now united with you in green pastures beside the still waters in the happy oasis of heaven.

God, we thank You for the good gift of life and for Your guiding hand. We thank You for the binding love we cherish in relation to our families and the bonds of brotherhood we strive for in our Fraternity. We thank You for our departed Nobles who served You with dedication and devotion, letting goodness, truth and graciousness and triumph pass from their lives into the lives of others making this world happier and richer because of their unselfish sacrifice.

God, accept their service as the sign of our devoted gratitude to You for the inspiration You have given us through our awareness of the excellence of their lives that, like them, we, too, making a jewel of righteousness You grant to all who love and serve You. Amen.

NOBLE LORD: Included in the large list of Past Potentates and Nobles who have passed to the "Unseen Temple" were Past Imperial Potentates George M. Klepper and Fred Morrison, Sr. Imperial Sir Klepper was born on September 11, 1903 and passed away on February 18, 1983. Imperial Sir George began his Masonic and Shrine career in 1920 as a DeMolay in Cameron, Missouri, and later served as Grand Master of the International Order of DeMolay. He was a Past Master of his Lodge, an active member of both the Scottish and York Rites, the Red Cross of Constantine, a Thirty-Third Degree Mason and in 1947 served Al Chymia Temple as their Potentate, and in 1962-63 as our Imperial Potentate. His many years of service in most of our appendent Orders marked him as a loyal and dedicated leader of our beloved Fraternity. His Imperial Council activity was replete with decisions stemming from his profession as a prominent lawyer in his home town of Memphis, Tennessee, where his loving wife Margaret now resides.

Imperial Sir Fred Morrison, Sr., known by all as the "Happy Warrior" of the Imperial Council was born on August 27, 1914 in Rochester, New York and at the age of 3, moved with his family to Detroit, Michigan. It was in the great Motor City that he was educated and in 1946 formed his own Morrison Carbonic Company, serving as its President until he suffered a fatal heart attack on September 12, 1982. He too started an active fraternal career as a DeMolay boy and at the age of 21 was raised to the Master Mason Degree. His interest never diminished and he served both the Scottish and York Rites in their highest offices in the Detroit area. He

was a Thirty-Third Degree Mason in the Northern Masonic Jurisdiction. As Potentate of Moslem Temple in 1967 he immediately became interested in Imperial Council committee work and served in the exalted office of Imperial Potentate in 1977-78. His "Glad Hand" philosophy to all will always be remembered by a large host of friends.

We will now be honored with a selection by the Chanters of El Jebel Temple, directed by Noble Robert (Bob) Lansing.

... A musical selection by the Chanters of El Jebel Temple ensued...

NOBLE LORD: As we continue our Memoriam we again say that we are grateful for the dramatic and thrilling story of the Shrine—for men who are more than boys just grown tall, who with all of their wholesome fun never forget to be charitable, who always stoop to help a crippled or burned child, or to put a smile on somebody's face, who with all of the splendor of their parades do not forget the humility they learned as Master Masons. We therefore thank God for not only those who have departed this earthly scene, but to those also who mourn their loss.

Death hallows all men, sets upon each the diadem of immortality and silently drops the curtain upon all to which even perhaps our most deliberate judgment has made us unjust. We no more see the silent friend than the dead one, and death is but a prolonged absence, a separation to last as the other might, until we ourselves pass away. The saddest part of losing a friend and Brother is that those that live the longest outline all that made a longer life desirable.

In both Freemasonry and the Shrine we find ourselves wholly dependent upon our God, for in the beginning He created the heaven and the earth and the earth was without form and void, and darkness was upon the face of the deep. The spirit of God moved upon the face of the waters and God said, "Let there be light," and there was light.

In Ecclesiastes we are further reminded of these words: Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them, while the sun, or the light, or the moon, or the stars, be not darkened nor the clouds return after the rain. In the day when the keepers of the house shall tremble, and the strong men shall bow themselves, and the grinders cease because they are few, and those that look out of the windows be darkened, and the doors shall be shut in the streets. When the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of music shall be brought low. Also, when they shall be afraid of that which is high, and fears shall be in the way. And the almond tree shall flourish, and the grasshopper shall be a burden and desire shall fail. Because man goeth to his long home, and the mourners go about the streets; or ever the silver cord be loosed or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was and the spirit shall return unto God who gave it. Thus ends the Bible saying.

We copy the writer who said:
 "The sands of time, they swiftly run,
 From hour to hour and sun to sun.
 The constant flow weakens life's brittle thread,
 Until we are numbered among the dead.
 But he who dies and gave his best
 Will draw us to his loving breast.
 Then we will live with him on high
 In that Celestial Temple in the sky."

Es Selamu Aleikum

Our Necrology Report now closes with the rendition of "The Lord's Prayer" by El Jebel's fine Chanters. Then a final tribute with Echo Taps.

OFFICE OF THE IMPERIAL POTENTATE
Tampa, Florida

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples,
and the Nobility of the Order:*

We do not lose the ones we love
They only go before
Where there is everlasting life
Where sorrow is no more. . .
And there the soul will always live
And peace is everywhere.
We do not lose the ones we love
God takes them in His care.

Past Imperial Potentate Fred R. Morrison died on September 12, 1982, after suffering a massive heart attack. He was known as the "Happy Warrior" and will be remembered as a man who displayed a glad hand and a happy smile to everyone he met.

Imperial Sir Fred was a native of Rochester, New York, but his family moved to Detroit, Michigan, when he was three years old. He became a member of Moslem Temple in 1949 and joined its Directors Staff ten years later. In 1967 he served as Potentate of Moslem and two years later was elected Imperial Captain of the Guard, the second office from the bottom in the Imperial Divan. There were two vacancies to be filled in the line that year because of the death of one of the Imperial Officers during the preceding year.

As a member of the Imperial Council, Imperial Sir Fred served as chairman of the Audit Committee, Regalia Committee, Membership Committee and Investment Committee. One of the highlights of his Imperial Year was the groundbreaking of the new International Shrine Headquarters in Tampa, Florida, on May 25, 1978. In the years following his term as Imperial Potentate, Fred Morrison served on various Imperial Committees and on the Board of Trustees for Shriners Hospitals for Crippled Children. At the time of his death he was still active on the Modern Temple Executive Committee.

Imperial Sir Fred founded the Morrison Carbonic Company in 1946. Three years later he was elected president of the Michigan Drug Travelers Association and in 1953 served as president of the Allied Ice Cream Manufacturers Association. He was active for many years in the Food Service Executives Association and the Michigan Restaurant Association. He was also involved in numerous civic activities, including work with the Detroit Convention Bureau and the Detroit Chamber of Commerce.

His masonic background began when he joined the Order of DeMolay as a teenager. He was later honored with the Legion of Honor Degree. At the age of 21, he became a Master Mason in Detroit Lodge No. 2. He demitted to Highland Park Lodge No. 468 in 1940 and was a life member there.

Imperial Sir Fred was also a member of Damascus Commandery No. 42, Knights Templar, Palestine Chapter No. 159, Royal Arch Masons, the Scottish Rite Bodies of Detroit, Aries Grotto and Detroit Court No. 28, Royal Order of Jesters, where he also served in the line.

In recognition of his leadership in both the community and the fraternity, the Supreme Council of the Ancient Accepted Scottish Rite of Freemasonry created him a Sovereign Grand Inspector General, 33rd Degree, Honorary Member of the Supreme Council in 1975.

In 1936, Fred married Edna Boundy and they had three children: Peggy (Mrs. Jack Roberts); Fred, Jr., a Moslem Temple Past Potentate; and Neal, before Edna passed away in 1956. On May 16, 1959, Fred and Lady Rita were united in marriage. She is the mother of three daughters: Ruth (Mrs. John Holmstrom); Eleanor (Mrs. Al Hardie); and Elizabeth (Mrs. Gerald Lang). Imperial Sir Fred and Lady Rita had 18 grandchildren.

Final services were conducted by his close friend and Past Imperial Chaplain, Rev. William D. Mercer, on Thursday, September 16, at the First United Methodist Church of Dearborn.

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones at his parting.

There was a friend whose heart was good.
He walked with men and understood.
His was a voice that spoke to cheer,
And fell like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncouneted friends.

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

Last night I had a dream,
About a world that cared,

Where each and every scene,
Concerned a life we shared.
Their little limbs did heal,
You made them walk again,
They run, and play, and feel,
Anew, their life begin.
So, for each life you touch
A crown of glory wear,
For you deserve so much,
For this, the life you share.

HAROLD C. CLOSE
Past Imperial Potentate
1963-1964

December 10, 1899

July 6, 1983

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

If I should die and leave you here a while,
Be not like others, sore undone, who keep
Long vigil by the silent dust and weep.
For my sake turn again to life and smile.
Nerving thy heart and trembling hand to do
That which will comfort other souls than thine;
Complete these dear unfinished tasks of mine,
And I, perchance, may therein comfort you.

Past Imperial Potentate, Harold C. Close, 83, died on July 6, 1983 at Sun City Center Regional Medical Center in Sun City Center, Florida after a prolonged illness. Imperial Sir Close's death has greatly saddened the many people who knew and loved him. He was Representative Ad Vitam and Emeritus of the Imperial Council of the Shrine of North America at the time of his death.

Imperial Sir Harold was born in Somerville, Massachusetts on December 10, 1899. His boyhood was spent in Waterbury, Connecticut where he also completed his education in the mechanical field.

His business career started in 1931 when he organized and became President of the Waterville Manufacturing Company. After 21 successful years as President and Treasurer of his company he retired.

Early in his career, Imperial Sir Close became a Master Mason at Union Lodge #96 A.F. & A.M. in Thomaston, Connecticut. Following his term as Master of Union Lodge in 1933, he was elected Treasurer for 25 consecutive years. His other Masonic affiliations included: the Scottish Rite; the York Rite: the Royal Order of Jesters, Hartford Court No. 141; The Cabiri; and the Shrine.

He became a Noble at Sphinx Shrine Temple, Newington, Connecticut, in 1938 where he served as Potentate in 1951. In 1953, he was elected to the Imperial Divan and served as Imperial Potentate from July 1963 to July 1964.

Imperial Sir Harold's civic and community service included: Past President of the Waterbury Rotary Club; Director of the National Screw Machine Products Association; and Director of several Connecticut corporations. This record of accomplishments carries the admiration and respect of his business acquaintances.

After retiring, he moved to Florida and in 1976 he transferred his membership from Sphinx Temple to Egypt Temple in Tampa, Florida.

Imperial Sir Close is survived by his wife, Elizabeth, and two sisters Edna Close and Mrs. Franklin Scofield, both of Woodbury, Connecticut.

His many friends in the Imperial Council and in all of Shrinedom join with the Imperial Potentate in expressing sincere condolences to his lovely wife Elizabeth and his loved ones.

There was a friend whose heart was good.
He walked with men and understood.
His was a voice that spoke to cheer,
And fell like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncounted friends.

NOBLE LORD: Imperial Sir, this concludes the report of your Necrology Committee and I would move for its adoption.

... The motion was duly seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE BOWERS: Thank you, Past Grand Master Lord, and your Committee. It was a beautiful report and a beautiful service.

At this time, I will recognize Joe Howell.

NOBLE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure I give you the results of ballot 6 concerning Item 29 in the Call.

There were a possible 804 votes; 763 actually voted. There was one spoiled ballot; necessary for choice, 382.

The votes were distributed as follows: Yes—434; No—328.

IMPERIAL POTENTATE BOWERS: By your vote you have adopted the recommendation to deny.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: Now, gentlemen, I will ask that you turn to Page 15 of the Call and we will take up Item 3 of the Call. I will recognize Mr. Pettit.

NOBLE WALTER S. PETTIT [Reading]: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws Item number 3 on the Call for the annual session of 1983 and is located on Page 15 of the Call. It is a proposal to amend Section 211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

§ 211.5 Per Capita Tax

(1) Amount. Each Temple shall pay an annual per capita tax to the Imperial Council of \$3.00 for each member of the Temple.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Theodore Corsones, Chairman
Walter S. Pettit, Jr.
Edward G. Maag
Robert E. Cooper
Gordon H. Harris
Robert C. Lake, Jr.
Robert W. Morrison

Imperial Sir, if there are no questions concerning this report, I recommend that you call upon Illustrious Mervin Henning for the report of the Finance and Accounts Committee concerning this matter.

IMPERIAL POTENTATE BOWERS: I will recognize Mr. Henning.

NOBLE MERVIN HENNING [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Finance and Accounts, Item number 3 on the Call for the annual session of 1983 and is located on Page 15 of the Call.

The Finance and Accounts Committee have reviewed the proposed amendment and report that the adoption of this amendment would increase the proposed revenues of the Iowa Corporation by \$1,035,000 ($900 \times 1.15 = \$1,035,000$). (Even with this increase, we will be projecting a \$45,000 deficit for 1984.) Without this increase, we will exhaust the Iowa Corporation's net worth within three years.

Therefore, it is our unanimous recommendation that this proposal be adopted.

Respectfully submitted,
COMMITTEE ON FINANCE
AND ACCOUNTS

B. W. Vetter, Chairman
Mervin D. Henning
Edward C. Brohl
Rolan C. Simpson
D. Sam Erickson
Palmer D. Burde
Robert G. Evans, Sr.

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious B. W. "Bob" Vetter, the proponent of the proposal, for an appropriate motion.

NOBLE B. W. VETTER: Imperial Sir, Imperial Sirs and Fellow Representatives, I move the adoption of this report.

NOBLE THOMAS LUCAS: Imperial Sir, I would like to personally have the privilege of seconding that motion and, gentlemen, upon your expression concerning the previous legislation before you, I don't think there needs to be any discussion. I would like to see a unanimous vote in favor of this proposal. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Is there further discussion?

PAST IMPERIAL POTENTATE WECK: Imperial Sir, I would like to ask a question here.

The last time we raised the assessment, I believe that the language was a bit different and said that it would be automatically passed through to the Nobility of each Temple unless the Temple voted to assume that as a part of its annual dues.

Now then, I would like to ask the Jurisprudence and Laws Committee as to whether or not that language should be added or is necessary or going to be absorbed by the Temples without that?

IMPERIAL POTENTATE BOWERS: I will refer to the Imperial Treasurer for the answer to that question.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and my Fellow Representatives: In answer to the question that was raised by Past Imperial Potentate Warren Weck, the Bylaws of the Iowa Corporation, Section 211.5(b) read as follows:

The full amount of per capita tax shall be passed on to each member as a part of his annual dues unless the Temple, by affirmative vote at a stated meeting, elects to absorb all or part of the per capita tax, in which event, that part not absorbed by the Temple shall be passed on to the member as a part of his annual dues.

That is the way the Bylaw presently reads.

Now, Imperial Sir, while I am here at the microphone, I would just like to make some comments with respect to this proposed amendment.

You were given, when you registered, a copy of the 1983 budget and a proposed 1984 budget.

You will note that in that 1983 budget there have been adjustments made during the current year of \$337,800 and it is my plan to report to you with respect to each of these adjustments but I do want to point out at this time, because I think it is important so that you know when you approve a budget one year, that we are not going to amend it without serious consideration before the next annual session and then report to you.

However, these amendments which were made have been made as the result of things which have been done for very good reasons.

For example, there has been a reduction of \$118,000 in our income interest because of the fact that the interest rates have declined and we have eaten up a portion of our principal so that we have less to invest.

Likewise, we have reduced the budget income from your annual convention by \$75,000. Things have gone so well here this week that I hope that expenditure may not be necessary. Nevertheless, we are attempting to take a conservative approach to it.

We have had some other minor adjustments and I would just like to mention a few of them very quickly.

We have, for example, reduced the budget of the Public Relations Department by \$48,800. We have other expense of \$67,000 which came about because the Temples indicated to us they urgently needed a Temple computer study so that we would be doing things in a uniform way and, hopefully, save much more than that for the Temples. Also, incidentally, the amount budgeted for that same item next year is \$75,000. However, here again it is because of something that was needed by the Temples.

We have also budgeted \$50,000 that we did not have in the budget last year for the Pride Program because we seriously believed that membership is one of the most important things that we must address and it was as a result of the recommendation of the Membership Program that this was done.

We also published a Circus Manual which cost us \$15,000 and here again we felt it was for the benefit of the Temples in relation to their fund raising activities, etc.

There are also some other items and I will not read them to you but I did want to bring to you the most important thing in relation to this whole issue and that is that nearly half of our total budget is for this Imperial Council Session and unless you go back and amend what has been previously approved with respect to mileage and per diem, we are hooked into that figure. It is almost like the United States Government with Social Security.

I believe that a study needs to be made on that and I believe our Imperial Potentate-elect intends to appoint a committee for this purpose.

However, for now, in order to operate on a good, sound financial basis, we have two choices.

You have already very clearly expressed here today how you feel with respect to asking the charitable corporation to share in the expenses. You, at this point, do not have the capability of approving because we have not made a study and cannot make a recommendation to you as far as what you do on mileage and per diem is concerned but, remember, what you are talking about there is taking something out of the pockets of the elected Representatives here which we have found in times past has been pretty hard to do but, in any event, that leaves one thing that can solve the problem and keep this Corporation and the Iowa Corporation on a sound financial basis—and that is to amend the per capita tax.

Now, I recognize that it may appear that this is a lot of money when you multiply by the number of members of your Temple but if you think about it insofar as the individual Shriner is concerned, it is a tip for a nice luncheon or two.

Therefore, I strongly urge you to keep our Corporation on a sound financial basis and vote "yes" for this resolution.

Thank you very much.

... The question was severally called for ...

IMPERIAL POTENTATE BOWERS: We have a call for the question. I will recognize Mr. Corsones.

NOBLE CORSONES: Okay.

The issue before you, and it has been a little while since it has been moved to be adopted, is Item 3 on the Call and that is to increase the per capita from its present \$1.85 to \$3.00. If you vote "yes", you will increase the per capita to \$3.00. If you vote "no", you have not increased it.

IMPERIAL POTENTATE BOWERS: Do you all understand? If there is no further discussion, I will proceed with the vote.

All in favor of the increase as indicated, please say aye; opposed no.

The proposed amendment is adopted by the affirmative votes required by the Bylaws. (Applause)

I will now recognize Mr. Corsones.

NOBLE THEODORE CORSONES: My fellow Representatives, the Imperial Bylaws, Section 211.1, require the adoption of the budget on the day before we adjourn, which is today, we believe. However, you have just taken some very drastic action concerning the finances of Iowa.

I am therefore going to propose a motion the effect of which will be to postpone action on the budget until tomorrow so that they can get their reports ready. Therefore, Imperial Sir, I move that the session approve the postponement of the action on the budget until Friday, July 8, 1983.

... The motion was severally seconded. ...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second. Is there any discussion?

If not, all in favor please say aye; opposed no. It is carried unanimously and so be it.

We will proceed now to a consideration of Item 14 and I will recognize Mr. Pettit.

NOBLE WALTER PETTIT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 14 on the Call for the annual session of 1983 and is located on Page 21 of the Call. It is a proposal to amend Sections 454.7 and 454.8 of Article 54 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

§ 454.7 Amara Temple

Has:

(a) Exclusive jurisdiction over the counties of Martin, Okeechobee, Palm Beach and St. Lucie.

(b) Concurrent jurisdiction with Azan Temple over Indian River County.

§ 454.8 Azan Temple

Has:

(a) Exclusive jurisdiction over the county of Brevard

(b) Concurrent jurisdiction with Amara Temple over Indian River County.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Theodore Corsones, Chairman
Walter S. Pettit, Jr.
Edward G. Maag
Robert E. Cooper
Gordon H. Harris
Robert C. Lake, Jr.
Robert W. Morrison

Imperial Sir, if there are no questions with respect to this report, I would recommend that you call on Dr. Posey, Chairman of the Jurisdictional Lines Committee, for a report at this time.

IMPERIAL POTENTATE BOWERS: The Chair recognizes Dr. Posey.

NOBLE R. W. POSEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal, shown as Item No. 14 in the Call, by Marion L. Meadows, Potentate of Azan Temple, to amend Article 54 of the Bylaws to read as follows:

§ 454.7 Amara Temple

Has:

(a) Exclusive jurisdiction over the counties of Martin, Okeechobee, Palm Beach and St. Lucie.

(b) Concurrent jurisdiction with Azan Temple over Indian River County.

§ 454.8 Azan Temple

Has:

(a) Exclusive jurisdiction over the county of Brevard.

(a) Concurrent jurisdiction with Amara Temple over Indian River County.

Your Committee met with the Representatives and other interested Nobles of Azan and Amara Temples at which time a full and complete discussion was held dealing with all the ramifications of the proposal.

After careful consideration, your Committee feels that the proposal is in the best interest of the Shrine and, therefore, recommends its adoption.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL
LINES

R. A. Posey, Chairman
Arthur E. Armitage, Jr.
Cecil B. Walrath
Thomas E. Lucas
Dewey E. S. Kuhns
Aurie J. Thompson
Howard E. Smith
J. D. Hill

Imperial Sir, I move that the proposal be adopted by this Imperial Council.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you a motion and a second that the proposal be adopted by this Imperial Council. Is there any discussion?

NOBLE ALBERT L. ROSS [Chief Rabban, Amara Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I rise in opposition to the Committee's findings.

We did appear before the Jurisdictional Lines Committee. We did not feel this was in the best interests of Amara Temple that there would be concurrent jurisdiction in relation to Indian River County.

We have, for example, 200 members in Indian River County and 99 percent of them want to stay with Amara. They are working hard and trying to build their own Temple. We feel this will dilute their efforts and, therefore, we respectfully request the delegates to vote against this proposition and give these fellows a chance to build their own Shrine Temple. Thank you.

IMPERIAL POTENTATE BOWERS: Is there further discussion?

NOBLE WILLIAM A. COBB [Recorder, Azan Temple]: I would just like to address a few words to you in order for you to understand what we are talking about and what Azan Temple is trying to do.

Now, in this connection, we have to go back to 1974, when Amara Temple received its dispensation. At that time, there was an agreement made that in the future, Indian River County would kind of be held in reserve for this new Temple. We received our new Temple in Brevard County and now this is the first chance we have had to come back to you and try to follow through our initial agreement.

In 1980, we had our petition signed, which included Indian River County as exclusive jurisdiction for Azan Temple. Now, when we were so informed by the Imperial Council, we withdrew from Indian River County because of low membership of Amara Temple and now we are back together where we were in the first place.

Now, some of you may be asking—what makes you think you can do a better job than they do? I am sure you all have that question in your mind and perhaps I can comment on that a little bit more.

In relation to population, the population of Amara Temple in this jurisdiction is just under 900,000 individuals; the population in the jurisdiction of Brevard County is just under 300,000 and, by Shriners' population, the ratio in our county, in Azan jurisdiction, is exactly twice as high in the Amara jurisdiction.

In the last two years, in Azan Temple, we have created 315 Nobles in our one county. In the last year, in Indian River County, Amara Temple created four.

In the last two years, Azan Temple has raised for the hospitals and transportation fund a total of \$176,000. We are proud of this accomplishment in just two years.

Further we have raised our membership from 1,156 to a figure of 1,804 and we are still growing.

I think we have proven that we know how to promote Shrinedom. We are promoting it and all we want to do, all we are asking you to do is to give us an opportunity to get some Nobles down in Indian River County active—get them doing something and raise more money for the hospitals.

As it is now, they are not doing anything. A lot of them are only about nineteen miles from our Temple and we just want to give them the opportunity to come up to the Temple, if they want. If they don't want to do so, let them stay with Amara Temple and that will be fine with us. We love the Temple.

We ask that you just give us a chance and, most important, your Committee has recommended that this action be taken. Please do not do what you did in 1980. Please support the Committee. Those gentlemen are knowledgeable and they are able and know what they are doing.

They have made their decision and I respectfully request you to support it.

...Applause ensued...

...The question was severally called for...

IMPERIAL POTENTATE BOWERS: I will recognize Mr. Corsones.

NOBLE THEODORE CORSONES: My fellow Representatives, the Imperial Potentate has requested me to explain that you are voting on the adoption of the report of your Committee on Jurisdictional Lines and that report moves the adoption of this proposal. Therefore, if vote yes, you are adopting the proposal and if you vote no, you are against it.

NOBLE ALBERT ROSS [Chief Rabban, Amara Temple]: Imperial Sir, may I speak?

IMPERIAL POTENTATE BOWERS: The question has been called for.

NOBLE J. B. HOPKINS: Let me say, Imperial Sir, it is in order for him to speak because while the question has been called for, you have not cut off debate.

IMPERIAL POTENTATE BOWERS: Very well, please proceed.

NOBLE ALBERT ROSS [Amara Temple]: Thank you, Imperial Sir.

I will be brief but there were a few things said that I feel I have to respond to.

First of all, our Temple is only eight years old. We started with 1,000 members but we are almost up to almost 3,000 now.

Our property cost us some \$100,000 and we paid it off in three years. Our Mosque cost us \$400,000 and that is likewise paid off.

We are as aggressive as any Temple in this nation and we want to continue to work with the various counties that we have.

Imperial Sir, I am not emotional but I just wanted to say that.

IMPERIAL POTENTATE BOWERS: Thank you.

Now, there has been a call for the question. All in favor say aye; opposed.

We will take a division. All in favor please stand up; please be seated. Now all opposed please stand; please be seated.

Well, gentlemen, do you wish to ballot?

...Cries of "yes" and "no"...

IMPERIAL POTENTATE BOWERS: Well, gentlemen, this will take a two-thirds vote. However, let me try it this way one more time.

All those in favor please stand up; please be seated. Now those in opposition please stand; be seated. I would say that this is passed by the necessary two-thirds majority.

...Cheers and applause ensued...

IMPERIAL POTENTATE BOWERS: The Chair rules that you have passed it. The proposed amendment is adopted by the affirmative votes required by the Bylaws.

REPRESENTATIVE: Imperial Sir, I did not think that there was a majority that voted in favor.

IMPERIAL POTENTATE BOWERS: Well, this required a two-thirds vote and it appeared clear, at least in the mind of the Chair, that there was a two-thirds in favor.

I will recognize our Parliamentarian.

NOBLE J. B. HOPKINS: The Noble, Imperial Sir, is questioning your ruling, appealing your decision. Therefore, it would be necessary to have a motion put to indicate whether or not to uphold your decision as the Chair.

IMPERIAL POTENTATE BOWERS: Well, as I understand it, the ruling of the Chair has been questioned regarding this issue. Therefore, I will put to you the motion considering the ruling to appeal the decision of the Chair.

Therefore, let me put the motion to you.

All in favor of the previous ruling of the Chair indicate by saying aye; opposed no. The Chair declares that his ruling has been upheld.

I will now recognize Noble Harris for the presentation of a report of the Jurisprudence and Laws Committee.

NOBLE GORDON H. HARRIS [Reading]: To the Representatives of the Imperial Council:

The Imperial Potentate's report of his rulings and decisions was issued pursuant to § 206.5(a)(13) of the Bylaws of the Imperial Council, an Iowa Corporation and summaries thereof were included in the registration envelopes given to all Representatives at the time they registered for this annual session. The report has been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your Committee reports that it concurs with the Imperial Potentate's rulings and decisions and also that there have been no objections to or appeals from any of such rulings and decisions.

Your Committee further reports that the Imperial Potentate's report is in proper legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Imperial Sir, I move that the Imperial Potentate's Rulings and Decisions be approved.

...The motion was duly seconded and the gavel at this point was tendered to Imperial Sir Olfene...

IMPERIAL SIR OLFENE: The motion and the second is that the Imperial Potentate's Rulings and Decisions be approved. Is there any discussion?

If not, all those in favor say aye; opposed no. The motion is carried.

...The gavel was returned to Imperial Potentate Bowers...

IMPERIAL POTENTATE BOWERS: Thank you, Richard. I will now recognize the Imperial Recorder for some announcements that he has.

...Various announcements by Imperial Recorder Jones ensued...

IMPERIAL POTENTATE BOWERS: I will now declare this session to be in recess until nine o'clock tomorrow morning.

...The 109th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-five o'clock p.m. to reconvene at nine o'clock a.m. the following morning...

MORNING SESSION FRIDAY JULY 7, 1983 NINE O'CLOCK A.M.

The 109th Annual Session of the Imperial Council reconvened at the Denver Hilton Hotel, Denver, Colorado, at nine o'clock a.m., Imperial Potentate Dr. Daniel E. Bowers presiding.

IMPERIAL POTENTATE BOWERS: Nobles, if you will take your seats, I would like to reconvene this session.

I will now call upon our Imperial Chaplain, Dr. Gates, to give the invocation.

DR. ROBERT GATES [Imperial Chaplain]: Will you all please stand.

Brother Nobles, as we begin this final meeting of the 109th Session of the Imperial Council of the Shrine of North America, God's word declares this:

"The Lord Almighty, whose thorne is in the mountains, has sent us as living messages to the people."

With God's word in our hearts, let us turn to Him in prayer.

God, this week together at Denver has surely been a mountain top experience, for we have been filled to the brim by the beauty of your blessings and the beauty of your benevolence.

We came here in grateful celebration and thanksgiving for the leadership that Potentate, Dr. Dan, has provided us with this past year.

We came here in unreserved confidence and trust that our caravan will delight in increasing refreshment, enjoyment and prosperity as Potentate Dick mounts the lead camel for the year ahead.

Bless Dick and his JoAn as you have blessed Dan and his Virginia that we and all of our Temples may continue to be living messages of faith and fun, health and happiness, so that your holy providence, your healing power may be glorified in all its sovereign and saving splendor through the Shrine. Amen.

IMPERIAL POTENTATE BOWERS: Thank you, Dr. Gates.

Let me say that Virginia and I both thank you for your participation with us this year. You have conducted yourself, as Imperial Chaplain, very, very well and for this we all thank you sincerely. You have been a great Imperial Council member.

I also wish to thank in particular my Director General and all his staff, and particularly the Marshal's staff as well for their kindness in driving us around the

parade but, in addition, I want to thank a group that has been kind to us throughout these years and that is General Motors, with their contribution of 140 Oldsmobiles. (Applause)

Also, gentlemen, I know you have been quite pleased with the newspaper response and all of the publicity we have received in this city this past week. They were most kind and I think at this point I would like to indicate for you that they furnished newspapers for the Imperial Divan and all the members in the hotel throughout the week and that was at no cost to us. That was the Denver Post. (Applause)

I am sure that in the paper this morning you read that we have a new image here in Denver and, I think, across the continent. They pointed out, for example, that there was not one Shriner arrested. Isn't that great? (Applause)

We are not a bunch of rowdy boys—it said just that—and so I am very happy, gentlemen, that you will be able to depart from this city with that thought behind you and, further, may God bless you as you safely return to your homes and that we will leave Denver as clean a city as it was when we came and, after all, that is our purpose, never to leave any bad impressions.

Also, I thank you one and all for your many kindnesses to me, the staff here on the stage and all of the Divan members and as you will reassemble here next year, I wish you the best and I hope to see everyone and that the deaths among you will be few. I would hope that our Lord will always look upon you and smile upon each of you. Thank you very much.

... Rising Applause ensued ...

I would like to have, at this time, if you will, the report by Mr. Jones on Shrine Rooms East and Shrine Rooms West.

IMPERIAL RECORDER JONES: Imperial Sir, the reports concerning Shrine Rooms East and Shrine Rooms West have been received.

I would move you, Imperial Sir, that you ask this Imperial Council Session to grant you permission to print the reports in the Proceedings of this session rather than read them at this time.

I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE BOWERS: Is there discussion? If not, all in favor of the motion indicate by saying aye; opposed no. It is unanimously carried.

REPORT OF THE SHRINE ROOMS-EAST COMMITTEE DENVER, COLORADO, JULY 1983

To the Imperial Potentate, Imperial Divan and Imperial Representatives to the 109th Imperial Council Session, A.A.O.N.M.S.

Your Committee is honored and pleased to submit its report on the administration of the Shrine Rooms-East, located in the George Washington Masonic National Memorial, for the year June 1, 1982 through May 31, 1983.

The Committee met twice during the year, October 7, 1982 and June 6, 1983. Both meetings were held in the Board Room of the Memorial. Both meetings were well attended, all business was properly discussed and appropriate actions taken. Items of interest are as follows:

Displays and memorabilia are in excellent condition with one exception detailed later in the report. A complete inventory along with his annual report was forwarded to Shrine Headquarters by Chief Custodian Frank L. Dority on June 1, 1983.

Our air conditioning system, which was provided by the Shrine, is checked semi-annually by our maintenance contractor. It is reported in excellent condition.

The new Fez Case in the Parade Room was completed last Fall, which now gives full exposure to all Fezzes of our 185 Temples, as well as providing additional space for any new Temples created in the foreseeable future.

The Topographic Map in the Parade Room has been updated to include the four new Temples created last year at the Imperial Session in Orlando.

New Greenery has been installed in the Hospital Room which, with the new pictures provided by Tampa last year, greatly enhances this entire area.

A framed colored photostat of Past Imperial Recorder Robert J. Turley has been placed with the other Past Imperial Recorders in the Imperial Room.

A new name plate has been placed on the portrait of the late Right Honorable John G. Diefenbaker, Past Prime Minister of Canada, which, in addition to his major political achievement, now shows he was Potentate of Tunis Temple, Ottawa, Canada, in 1975-1976, during the formative years of dispensation and charter. The plate was provided by Tunis Temple.

The Committee was saddened by the death of Allyn Cox on September 26, 1982. Brother Cox painted the long semi-circular mural on the wall in the Imperial Room. This mural depicts a "Pilgrimage to Mecca", and no two faces of the many characters in the scene are the same. Brother Cox also painted the two very large murals in the Main Hall of the George Washington Masonic National Memorial, as well as extensive work in the United States Capital.

A total of 40,529 people signed the Visitors Register during the period of this report. While visitations have remained steady during the past four years, we continue to look for ways to increase attendance.

In prior years expenditures of the Shrine Rooms-East have been reported for the period of the Committee's report. We have now been instructed by Shrine Headquarters to report expenditures on a calendar year basis. Expenditures for the year 1982 were \$43,254.00 which was \$1,746.00 under amount budgeted. The only unusual expense anticipated through the year 1984 is herewith detailed.

Most of the Dioramas of the Orthopedic Hospitals now show their age. Some are outdated as hospitals have been replaced. As other hospitals are built or replaced, consideration will be given to update or replace this entire area.

We the Committee conclude this report by conveying to the Custodial Staff our thanks for the pleasing and efficient manner they present the Shrine Rooms-East to the public, and by expressing to the Imperial Potentate our appreciation for permitting us to serve in this capacity.

Respectfully submitted,

SHRINE ROOMS WEST COMMITTEE

The following is a report of the International Shrine Rooms West Committee for the Shrine year—1982-1983 for inclusion in the Imperial Council Proceedings.

International Shrine Rooms West was indicated by the then Imperial Potentate, C. Victor Thornton on March 18, 1972.

During the following years the Museum has attracted attention to its many exhibits. The Nobility, their families and friends find the exhibits to be interesting from a historical viewpoint; many exhibits date back to the beginning of Shrinedom. Many of the artifacts displayed were items used by the Nobility of various temples in the past years.

The Museum is voluntarily manned by three dedicated Nobles who have retired from their gainful occupations. The Museum is open to the Nobility daily, Monday through Friday, and is opened on Saturday and Sunday for groups of 25 or more if requested about three weeks in advance.

The Shrine Rooms Committee remains the same as last year.

We appreciate the support and encouragement of the Imperial officers. We would appreciate it if the Imperial officers on their trips to the various temples would encourage the Temple officers and their members to include Shrine Rooms West in their itineraries when traveling to San Francisco.

Respectfully submitted,
INTERNATIONAL SHRINE ROOMS
WEST COMMITTEE

IMPERIAL POTENTATE BOWERS: I believe we are now ready to consider further legislation and so I will recognize Mr. Corsones.

NOBLE THEODORE CORSONES [Reading]: To the Representatives of the Imperial Council:

I have before me a written request to withdraw Item 17 which appears on Page 23 of the Call for the annual session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 17 on the Call for the annual session of 1983."

It is signed by Forest Preston, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committees to which this proposal has been referred be discharged from further report.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: The motion has been moved and second to withdraw Item 17 on Page 23 of the Call. Is there any discussion? It requires a unanimous vote.

All in favor please say aye; opposed no. I declare the vote to be unanimous and it is therefore withdrawn.

The next item on the agenda concerns Item 8 on the Call for the annual session, which is on Page 18. I call on Noble Robert W. Morrison.

NOBLE ROBERT W. MORRISON [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 8 on the Call for the annual session of 1983 and is located on Page 18 of the Call. It is a proposal to amend § 329.2(a) of Article 29 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

§ 329.2 Application, form and procedure

(2) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4(b). However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he determines that there can be compliance with the requirements of § 329.1.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Graves Trumbo for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE BOWERS: I will recognize Illustrious Sir Graves Trumbo.

NOBLE GRAVES TRUMBO [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters Item number 8 of the Call for the annual session of 1983, amending § 329.2(a) of Article 29 of the Bylaws of the Iowa Corporation. The proposed amendment is as follows:

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4(b). However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he determines that there can be compliance with the requirements of § 329.1

The proposal was included in the Call at the request of your Committee. Over the years, we have seen enthusiastic Nobles obtain an application for dispensation for a new Temple. However, unknown to them, there is no possibility of their meeting requirements set forth in the Bylaws for the granting of dispensation for a new Temple, such as too few Nobles living in the area where the proposed Temple is to be located.

The applicants fill out the application and return it to the Recorder's office and then find out, for the first time, that their work has been in vain. Needless to say, we have some frustrated Nobles.

The proposed legislation is to correct this situation. Under it, no new application will leave the Recorder's office unless it is possible for the Nobles seeking a dispensation for a new Temple to comply with existing Bylaws.

Your Committee unanimously supports the proposed amendment and recommends its adoption.

Respectfully submitted,

AND DISPENSATIONS

Imperial Sir, I move the adoption of the proposed amendment by this Imperial Session.

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second. Is there any discussion?

If not, all in favor please indicate by saying aye; opposed. The proposed amendment is adopted by the affirmative votes required by the Bylaws. In other words, it was unanimous and thank you very much.

Next, we will take up Item 16 on Page 22 of the Call and I will call on Wallace Pettit.

At this time, we will proceed with other business.

At this time, we will have a short report from Imperial Sir Voris King concerning the Membership Committee.

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs and Representatives: I think you are all aware that the continued loss which we are suffering in the Shrine has continued for the past several years. Last year, for example, we had a loss of 12,059 members as compared to a loss the year before of 8,277 members, which is a continued loss of 3,782 more members last year than the previous year.

The areas which are primarily responsible for this initial loss are (1) a lack of creations in order for us to maintain the annual membership which we have today, we almost need to write 35,000 new applications per year. Last year we barely wrote over 28,000 new memberships into the Shrine. We are also, in addition, not attracting new members into the Shrine.

The second factor which causes us to go down in membership is our suspensions and I guess, in some respects, this can be laid, perhaps, to our economy but then, again, maybe this is not really true for the entire Shrine.

I am afraid that many of our Potentates, many of our Temples are perhaps spending more time on planning their trips and things that they want to do rather than working a bit harder on membership.

Quite often we hear it said, for example, that the York Rite, the Scottish Rite and the various Grand Lodges are not furnishing us with enough Masons to make new Shriners. However, I would like to tell you right now that this is really not the case.

For example, a brief check of many of our Temples indicates that most of the new Shriners coming in frequently have joined Masonry so that they can come into our great Shrine. I have seen this happen in many cases, particularly in our area in the South.

I agree, it is not difficult to understand why some of these individuals join the various Masonic Lodges and then not go on. The simple fact of the matter is that we obviously do not have enough attraction for them in the Shrine that would cause these young men to want to attain this membership and so they do not join us.

We have some programs that we have implemented here at the Imperial level and have offered them to various Temples and we hope that you will continue to work, you Potentates and your Divan members, on membership, especially as you visit your clubs and go from one unit to the other. In other words, we hope that you will encourage them to also help you write membership applications.

Now, the greatest worry we have in Shrinedom is the matter of suspensions. Last year, in connection with the Shrine, we had nearly 17,000 suspensions and had it not been for a concerted effort, which involved a letter writing campaign held by the various Recorders of our Temples and with Jack Jones and his department working diligently mailing out many letters signed by our Imperial Potentate, this would have not been the case. We feel that this effort was responsible for saving probably 7,000 members who would probably have gone by the wayside for lack of payment of dues.

There is one other area that I would like to call to your attention and that is that several of our Temples have levied large assessments against their membership in order to build a new Mosque.

We have found that of the membership in the various Shrine Temples, that almost eighty percent of these Shriners are card-carrying Shriners and really not active in participating in the various activities of the Temple. You Potentates and Divans should offer programs so that these individuals will become more interested.

Also, please remember, that in order to stay in the Shrine, it is necessary that you keep up your Blue Lodge, your York and Scottish Rite dues, which, today, involves a cost of almost \$100 per year.

Now, when the average individual is faced with this, and then also faced, on top of that, with the assessment made by a Temple for a new building, you can readily see that the results are obvious—that some are going to drop and in many cases it has been the Shrine portion of it.

I hope that you will remember this and not let twenty percent of your membership levy a large assessment on your Temple which would cause those other eighty percent card-carrying members to drop out.

I would also like to add that it has been a privilege for me to serve as your Imperial Membership Chairman for the past year and I would ask that as we continue to give you help, that you work with our Public Relations Department, our Membership Department, the Department of our Imperial Recorder.

Also, please remember at the Imperial level, that we are doing everything that we can to help you but we just cannot do it alone—it is necessary that you give us the help it will take to get this membership up.

I would request that you help us at the Imperial level work for a large membership gain during the next twelve months.

Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Imperial Sir Voris King.

I will next recognize Imperial Treasurer, Mr. Harrington, for his report.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: The report of the Imperial Treasurer is printed on Page 1 of the Reports of Shriners Hospitals for Crippled Children and on Page 1 of the Report of the Imperial Council. I would urge you to read those reports. I hope that I have stated them in layman's language so you can understand them easily.

What I have attempted to do is to highlight those things that I think are important for you to know as Representatives. I will be glad to answer any questions but I certainly want the members of this Imperial Council to be fully informed regarding our finances.

I would move you, Imperial Sir, that you ask this Imperial Council Session to grant permission to print these reports into the proceedings of this session rather than to read them at this time.

... The motion was duly seconded. ...

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second. All those in favor please say aye; contrary no: The motion is unanimously carried.

Now, I believe that Mr. Harrington will report again.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Representatives: This is the report required in accordance with Section 207.5(b) of the Bylaws of the Iowa Corporation which you approved last year.

On behalf of the Board of Directors, I submit the following report on adjustments to the 1983 budget of the Iowa Corporation as approved at the 1982 Imperial Council Session at Lake Buena Vista, and the reasons for such revenue adjustments. Some of these I mentioned to you yesterday but I will mention them quickly this morning so that you will know.

Incidentally, I do want to mention that there was a typographical error on Page 1 of the report of the 1983 Iowa budget and the 1984 Iowa budget. There was an error in relation to public relations and the totals as shown are correct on Page 1 but the adjustments of the reduction of \$48,800 has not been brought forward on the one page.

If any of you happened to notice that, let me say that we do apologize, we did catch it and the totals are correct.

Now, I would like to go through this very quickly.

First, we had a reduction of interest income of \$118,000 due to lower interest rates and less amount of money we invested during the year.

We had a \$75,000 budgeted reduction on the refund of unused per capita tax because of our concern that we might not have the amount of \$100,000 net income from this convention. However, I am hopeful that things have gone so well this week that this may not transpire but, for conservatism, we did that.

There is an increase in general counsel's office budget of \$4,000 concerning increased legal activity on corporate matters.

I already mentioned a reduction of \$48,800 concerning public relations. This came about as a result by an analysis of the Imperial Auditor, who determined that the portion of the public relations with respect to Shriners Hospitals was greater than that of the Imperial Council and so a proration was made on that reduction and was included in the Colorado Corporation budget.

Also, there was a \$9,000 reduction on the general administrative budget due to reduction on insurance and bonds.

We had a request from Shrine Rooms West for an additional \$5,000 due to urgent money that was needed there and we granted that request.

I also mentioned yesterday the Temple computer study, for which we budgeted this year the sum of \$62,000, and I have been complimented by many people here because the Imperial Council took that action.

In relation to Jurisprudence and Laws, there was a \$5,000 cost of living increase in the fee of the Chairman of that committee.

In relation to the Pride Program, we have some \$50,000 budgeted for that.

Also, it was recommended by the Membership Committee to attempt to reverse our loss of membership. That was also mentioned yesterday.

I also mentioned a \$15,000 budget for the Circus Manual which was recommended by the Circus Committee.

Also, there was a \$23,600 increase in the Imperial Potentate's Travel Expense due to increased costs of private plane travel.

There was a \$4,000 reduction in Imperial Officers' office expense and an \$8,000 reduction in Imperial Officers' uniforms.

Also, we have to budget an additional \$50,000 for mileage and per diem for this session based upon the actual figures which were developed at the time the checks were made up.

The total of those items which I have read to you amount to an increase in revenues of \$193,000, an increase of expenses of \$144,800, for a total increase of expenses over revenues of \$337,800.

By action which you took yesterday with respect to the per capita tax, we will end up the year with, I hope, at least as much excess of revenues over expenses

as we had to reverse that here and that completes my report, Imperial Sir, with respect to the adjustments concerning the Imperial Council, Iowa Corporation budget.

Imperial Sir, I would move that this report be accepted.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: All in favor say aye; contrary no. It is carried unanimously.

Let me say to you, Webb, that you did a great job. Thank you.

I will now call on Imperial Sir Everett Evans for a report concerning the Mileage and Per Diem Committee.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs, My Fellow Representatives: This is the report you have been waiting for.

To the Imperial Potentate, Officers and Members of the Imperial Council:

As provided in Article 5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive a pay, mileage allowance equal to twice the daytime round-trip coach, standard or most comparable class airline fare, from the departure airport served by a regularly scheduled airline which is nearest his Temple, to the destination airport. If a Representative lives outside the state in which his Temple is located and nearer the place of the session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of ninety-five dollars (\$95) room rate, plus fifteen dollars (\$15) for meals, for each day he attends the session.

All members of the Committee on Jurisprudence and Laws shall receive ninety-five dollars (\$95) plus fifteen dollars (\$15) per day for four extra days. All members of the Committee on Finance and Accounts shall receive ninety-five dollars (\$95) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive ninety-five dollars (\$95) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive ninety-five dollars (\$95) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive ninety-five dollars (\$95) plus fifteen dollars (\$15) per day for two extra days.

Your committee recommends the adoption of this report.

Let me add, Imperial Sir, that if you approve this, you will have some money to get you out of town.

Also, let me add that the \$95 hotel double room charge was obtained by averaging the price of all of the double rooms in all three headquarters hotels.

I would move for the adoption of this report, Imperial Sir.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second to approve the report as presented. Is there any discussion?

If not, all in favor of approval indicate by saying aye; opposed no. I declare the report unanimously adopted.

Now, at this time, we are going to call on Noble Henning for the report with respect to expenditures and income for the Imperial Council, Iowa Corporation.

IMPERIAL POTENTATE BOWERS: I will next recognize Mr. Jones for the report of the Masonic Relations and Membership Development Committee.

IMPERIAL SIR JACK JONES: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and My Fellow Representatives:

I am pleased to give the following report concerning activities of the Imperial Masonic Relations and Membership Development Committee since our last session. First, I would like to give you an update on an item reported to you at the last session concerning the DeMolay data base membership master file. As you may recall, we were providing financial assistance to the DeMolay Headquarters in Kansas City which would enable them to put all of their active members in their computer system for mailing and other purposes. I am pleased to report that the project is approximately eighty-five percent complete; and, as a result, DeMolay has now reestablished its national publication, The "Cordon," and has mailed out two quarterly issues to their membership.

While on the subject of DeMolay, I would like to discuss a recent program launched by the Shrine to further assist this fine youth organization. The idea for this large scale operation was conceived by DeMolay's good friend and our Emeritus Representative Past Potentate Graves Trumbo who is also a member of the Imperial DeMolay Committee. After concurrence of the Imperial Divan, it was presented to the DeMolay Executive Officers at their International Supreme Council Session held in San Antonio last May. It was enthusiastically and unanimously accepted by that body of dedicated, hard-working Masons. On May 27, 1983, the Imperial Potentate, Dr. Daniel E. Bowers, sent a letter to each Temple Potentate outlining the proposed plan and urging all Shrine Temples to assist in this endeavor.

Here is how the new Shrine-DeMolay assistance program should work:

The main purpose or goal is to get Shrine Clubs involved in supporting and, where needed, sponsoring DeMolay Chapters throughout North America. However, everything must be very carefully planned and coordinated with the state or province DeMolay Executive Officer. That is an absolute must if this plan is to be successful. It is the Executive Officer who must call the shots as to when and where Chapters should be reactivated or new ones organized. This, of course, may require a great deal of correspondence and telephone calls and could entail a number of meetings between Temple Officials, Club Officials and State/Province or Local DeMolay Officials. It is realized that each Temple Potentate is extremely busy with all of the responsibilities and many varied duties required of that high office. Henceforth, in order to maintain Divan prestige and emphasis on this project, the Imperial Potentate has asked each Temple to designate the Assistant Rabban as DeMolay Coordinator in addition to any other established duties he may have. The present Assistant Rabban and his successors would be responsible for coordinating and monitoring your Temple DeMolay Programs.

As indicated in the letter, one of the first duties of the DeMolay Coordinator is to advise the DeMolay Executive Officer in his state or province of the locations of each Shrine Club under his Temple's control. This will enable the Executive Officer to place priorities where DeMolay Chapters could be reactivated or new ones established, thus allowing it to be done in an orderly fashion without too great a strain on his staff. Also, it is possible that existing Chapters in areas where Shrine Clubs are located may be in need of financial or adult leadership assistance.

A special thanks must go to the many, many Temples in North America who have provided invaluable assistance to the Order or DeMolay and other Masonic youth organizations during this past year.

Under the leadership of our Imperial Potentate, fraternal relations with other Masonic Family organizations have improved significantly. The Imperial Sir and other members of the Imperial Divan attended and/or participated in many Masonic meetings and activities during the past year. All members of the Imperial Divan were present at the Grand Masters Conference held in Dallas last February, and, as in the past, the Shrine hosted the Frank Land Memorial Breakfast.

I am pleased to report that, during the past year, a meaningful dialogue was established with the Acacia College Fraternity. Acacia was founded at the University of Michigan and incorporated on May 12, 1904. Most of its forty-one Chapters maintain Chapter Houses at universities and colleges across the United States and are recognized as a member of the National Innerfraternal Conference. Membership was restricted to Master Masons until 1931. At that time, the average age of the college student had declined. Therefore, fewer Masons were in college which reduced the number of men eligible to join the Acacia Fraternity. In order to increase mem-

bership, Acacia was forced to drop its Masonic prerequisite but not its proud Masonic heritage.

Nobles who have sons or grandsons that are members of DeMolay or who are about to enter college may want to inform them about the Acacia Fraternity. For the current DeMolay Member, Acacia expands his involvement and knowledge of Masonry. For the newcomer, it introduces him to the ideals and principles of Freemasonry. It offers leadership training and promotes the ideals of brotherhood, scholarship and excellence of achievement in men. Acacia can insure that these values and objectives will not only be maintained but strengthened as they strive to create the next generation of leaders.

The Acacia Fraternity has adopted the Shrine's Burns Institutes as the beneficiary of its major, Annual Human Services Program. During the 1981-82 school year Acacia Chapters sponsored fund raising events that produced more than \$8,000 and individual Acacians and friends donated more than 350 pints of blood to our Burns Institutes.

And now on to our most important subject which is the greatest challenge facing Shrinedom today—membership. Yesterday, you heard the report by Imperial Sir Voris King concerning our current membership losses. As inferred in his report, it is time that we stop, take a good, hard look at our membership situation, establish membership as the highest priority in our Temples, make appropriate plans to remedy the problems and move forward.

Let us take a brief look at where we stand with our Prerequisite, Blue Lodge and other Masonic Family organizations. In 1900 there were over 890,000 Master Masons, approximately 127,000 York Rite Masons, approximately 40,000 Scottish Rite Masons and 55,000 Shrine Masons. By 1960 the number of Master Masons in North America had risen to over 4,340,000. At that time, there were approximately 410,000 York Rite Masons, 979,000 Scottish Rite Masons and over 821,000 Shrine Masons. However, by 1982 there were only approximately 3,300,000 Master Masons—a loss of one million in that twenty-two year period. Membership in the York Rite began its present rate of decline in 1961. The Shrine suffered its first net loss since the period of the Great Depression in 1979 and that net loss has progressively increased each year thereafter. The Scottish Rite has experienced similar net losses since 1980.

At this point, I would like to include some information concerning DeMolay's membership. Having been formed in 1919, its membership peaked in 1967 with a little over 162,000 active DeMolays. By the end of 1982, their roster had dropped to only 83,000. Almost half of its membership lost in a short fifteen year period.

Now, let us look at two major areas affecting the Shrine's membership crisis—initiations and suspensions. Last year, only 28,087 Nobles were created—the lowest number since 1942. Suspensions numbered 16,832 which was the highest since 1937.

It is obvious that both of these areas have an important bearing on membership. Your Imperial Membership Committee has worked diligently providing assistance and developing innovative ideas and new programs to help reverse this trend. Last fall, all Temples were advised that if they provided the names and addresses of their Nobles scheduled for suspension at the end of the year, a personal letter from the Imperial Potentate would be sent to each individual Noble urging him to retain his Shrine membership. For the 109 Temples that participated, this program seemed to have been quite successful. Over 13,000 letters were mailed; and according to the December, 1982 Temple reports, a little over 7,000 Nobles were actually suspended for non-payment of dues on 12/31/82. Therefore, it appears that approximately 6,000 Nobles were saved as a result of this and other local Temple programs. The opportunity to take advantage of this program will once again be offered to all Temples this year.

I do want to place strong emphasis on the use of local Temple programs. Without a doubt, they are the most effective in your own Jurisdiction areas. In curtailing the number of suspensions, the most effective method seems to be the utilization of programs which involve personal contact, either by phone or in person, with the Noble about to be suspended. Quite often, this is being done by the Potentate, other Divan members or Past Potentates. However, many Temples have a Special Committee set up for this purpose.

It appears that the reason for high suspension rates and low creation rates, in some Temples, may be due to limited programmed activities, both social and fund raising, as well as the lack of interesting and informative meetings on a regular basis.

I would like to sum up this report by emphasizing the importance of both short run and long run planning concerning our membership. Careful plans must be laid by our individual Temples and it is very important that we continue to work closely with all other Masonic Family organizations to perpetuate the philosophies of our great fraternities.

Imperial Sir, I would like to move that this report be received, placed in the minutes of this meeting and possibly sent to all Representatives.

... The motion was duly seconded. ...

IMPERIAL POTENTATE BOWERS: You have heard the motion and the second.

All in favor indicate by saying aye; contrary no. It is unanimously carried. Again, thank you, Jack.

At this point I would like to recognize our Imperial Potentate-Elect, Dick Olfene.

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and My Fellow Representatives: For the last three years you have heard us tell you about and you have voted to accept going to the great City of Boston and to the Commonwealth of Massachusetts next year for your 1984 Imperial Council Session. As you know, the dates will be the week of July 1st. The official dates are July 2-6. This will be a four-day convention and there will be some new changes and innovative ideas during the course of that week which we hope you will enjoy. Here to tell you more about the convention which I look forward to having you all attend and bringing your Units to visit with us, the great Director General of this great convention, Past Potentate of Aleppo Temple, Fred Spencer. Fred, will you take a moment or two to tell them what a great and fantastic convention we are going to have in Boston?

NOBLE FRED SPENCER [Past Potentate, Aleppo Temple]: Thank you, Dick.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives and Nobles All: We want the Chief Rabbans to really pay attention to this today.

Boston is yours in '84. In behalf of our Potentate and Aleppo Temple, we are proud to host the 110th Imperial Council Session, the finest of all, from July 2-6, 1984 at Boston and we extend a warm invitation to all Nobles and their families. We pledge to make Boston yours in '84.

Thus far the response by the Chief Rabbans indicates that the 1984 convention will be the largest convention since 1975 in Toronto. We think that is great and we appreciate that because it is a big convention.

We still do have rooms available and I want those Chief Rabbans who have not made their room reservations, if they would do so, to please do so either today in room 1619, which will be open until two o'clock this afternoon, or contact us at the Boston office to make reservations for those rooms because we do not want you to wait until the last minute.

Let us say to you that there is much to enjoy in Boston for all. We look forward, therefore, to your participation in the 110th Imperial Council Session. Boston is yours in '84 and we look forward to seeing all of you.

Thank you very much. (Applause)

IMPERIAL SIR OLFENE: Before I relinquish the podium, Imperial Sir, I hope you will give me the privilege of making one announcement.

We toyed with whether we would do this but I told you we were going to do a couple of things differently. However, I thought at this point you might like to know about one of them so that you can go home and excite the rest of your Representatives into attendance in 1984.

We have heard it said, "When in Rome, do as the Romans do." We believe, therefore, that when in Boston, do as the Bostonians do. Therefore, instead of having our typical Imperial Potentate's Banquet, we are going to take all of the Representatives and their wives to a private evening concert of the Boston Pops Orchestra.

... Cheers and applause ensued. ...

Then also, fellow Representatives, if we have enough money left over, we will have a little theatre party. (Applause)

Therefore, please come and join us at Boston in 1984.

IMPERIAL POTENTATE BOWERS: With that, we will go into the report on Time and Place and I would now like to recognize our Deputy Imperial Potentate-elect, Gene Bracewell.

IMPERIAL SIR BRACEWELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: Before I present to you the Director General for the 1985 Imperial Council Session, I would like to commend the Representatives for the wisdom and judgment you have shown this week during this 109th Imperial Council Session. The decisions that you have made and the projects you have approved here this week will certainly have a very positive effect on the future operation of our great philanthropy.

At this point, Imperial Sir, I would like to ask everyone on the stage to please stand and let us give these Representatives a great round of applause.

... Rising round of applause to the Representatives from those assembled on the stage ensued...

IMPERIAL SIR BRACEWELL: Again, thank you, my fellow Representatives, for a job well done.

I would like to now present to you the Director General for the 1985 Imperial Council Session. As I stated to you last year, I spent quite a bit of time making the selection because, having had the pleasure of being the Director General for Past Imperial Sir Henry Struby in 1973, I realize the importance of this position and so I wanted to be very slow in making my decision. However, mother and I got together and we selected my brother, Jim Bracewell. (Laughter)

At this time I have Georgia on my mind because we plan to come alive in 1985. (Applause)

NOBLE JAMES BRACEWELL: Thank you, sir.

Imperial Sir, Imperial Sirs, Grand Masters, Representatives and Fellow Nobles: My report this morning will be very brief.

The 1985 Imperial Council Session has been scheduled for Atlanta, Georgia, from July 2-6. This will begin on Tuesday and conclude on Saturday.

I hope, even before Gene said it, that you noticed that we have adopted a slogan, "Atlanta, Georgia, On My Mind."

I came to Denver with the belief that you would share my enthusiasm for Atlanta in 1985.

Imperial Sir Gene, Brother, I am pleased to report to you this morning that over seventy-five Temples have responded to our invitation and have reserved rooms for their Units and Clubs in our city.

Now, I also hasten to tell you that Atlanta has grown a great deal and we do have new facilities available. We do have sufficient rooms available, especially in relation to our great growth.

Nobles, your response to this point has been more than gratifying and we appreciate it. Perhaps it is Atlanta's famed Peachtree Street or perhaps it is the world's tallest hotel or, further, perhaps it is the Six Flags Amusement Park or the natural wonder of Stone Mountain or, on the other hand, perhaps it is the brand new 3,000 seat facility that we have reserved for the Imperial Banquet or the home of the first Scottish Rite Hospital.

However, I like best what one visitor said:

"If it pleases you to have your chicken Southern fried and if the honoring of tradition fills your heart with pride, then, Nobles, you have Atlanta on your mind."

Imperial Sir, 1985 awaits the grandest convention in Shrinedom. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Noble Bracewell.

Now, we will next call on Walker Kisselburgh.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Before I introduce my Director General of the convention for 1986 in Los Angeles, and you can bet your bottom dollar he is not my brother (laughter), I do want to congratulate you Representatives for taking

part in a very, very significant 109th Imperial Council Session. The legislation you have passed this week will go down in Shrine history as one of the most memorable.

Further, seeing as to how the members on the stage got up and applauded you, how about all of you getting up and standing for a stretch and giving these fine gentlemen up here a round of applause.

...A rising round of applause from the Representatives to those on the stage ensued...

IMPERIAL SIR KISSELBURGH: And now, Imperial Sir and Representatives, I would like to introduce the Director General for the convention for 1986 to be held in Southern California. It will be, by that time, the first Shrine Convention, Imperial Sir, that Los Angeles has had since 1950 and that will be thirty-six years ago, when Harold Lloyd was Imperial Potentate.

We are looking forward to a very significant convention and I can assure you that the Director General will explain to you some exciting things. May I present to you the Assistant Rabban of Al Malaikah Temple, Thomas M. Boles.

NOBLE THOMAS BOLES [Assistant Rabban, Al Malaikah Temple]: Thank you, Uncle Walker. (Laughter)

I really have some interesting and exciting things to tell all of you but I think the Imperial Sir read my thoughts but, Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives and the Distinguished Nobles in the rear, 1986 will be a very fine convention.

I want you to know that even though the last convention held in Los Angeles was held there in 1950 and that you will experience conventions next year and the following year, I trust that 1986 will be a good Shrine year, even though Gene Bracewell may have retired. (Laughter)

However, I can guarantee you that the convention in 1986 will be one of the finest conventions in Shrine history.

The Nobles of our great Temple, Al Malaikah Temple, are looking forward to the opportunity to service you and your families—to a week of fun and frivolity that I hope will last you the rest of your lives.

We, too, also have interesting sites and I am sure that most of you already know what they are. I do not believe I have to mention Disneyland, Hollywood, but I can tell you that you will be treated with courtesy and with your interest in mind, every single detail will be taken care of.

Therefore, between now and then, you High Priests and Prophets think diligently about your Temples coming to our great city. We will welcome you with open arms and, again, we pledge to you the most wonderful convention in the history of the Shrine of North America.

Thank you very much. (Applause)

IMPERIAL SIR KISSELBURGH: Thank you, Tom.

Let me say that the dates for that convention in 1986 will be June 30-July 4. Now this will put the rumor that has been going around the floor here for the last three or four days—that due to his influence, Gene Bracewell wants me to switch my convention to Death Valley, to rest.

Imperial Sir, I would move that this excellent report be accepted and ratified. ... Laughter and applause ensued...

IMPERIAL POTENTATE BOWERS: Thank you, Walker, for a very fine report.

I will now call upon the Assistant Rabban-Elect, Dr. Russell Anthony.

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Representatives: It gives me great pleasure to be able to tell you that I am going to have my Imperial Council Session held in Las Vegas, Nevada and it will be a four-day convention. June 22-25 of 1987, with the Public Opening Ceremony to be on June 21, 1987.

I have appointed my Director General, Illustrious Sir and the original Charter Potentate of Zelzah Temple, Dick Land, a very, very capable individual, who will come before this convention at its next session in Boston and tell you about the various things that we will have to offer in Las Vegas, Nevada, if you do not already know about them.

I would like to move, Imperial Sir, pursuant to Section 204.1, that the Imperial Council pick Las Vegas, Nevada, as the site for the 1987 Imperial Council Session with the dates, again, to be June 22-25, 1987 and with the Public Opening Ceremony to be on June 21, 1987. I would so move, Imperial Sir.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: Representatives, you have before you the motion and the second to fix the site of the 1987 convention at Las Vegas, Nevada.

All in favor please say aye; opposed. It is unanimously carried. Thank you, Russ.

I will next recognize Voris King to tell us about the plans for his Imperial Council Session.

IMPERIAL SIR VORIS KING: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a great pleasure to me to hear about going to the Land of Sunshine, where it never rains on the golf course (laughter) and then to Las Vegas. It is with great pleasure that I stand here today to tell you of the preliminary plans for the 1988 Imperial Council Session.

We in the South feel as though you had a very comfortable convention down there several years ago and I am told that today the great City of New Orleans can now provide you with 10,000 rooms within one and one-tenth miles of the hotel that will host the convention.

Therefore, if this be true and I can negotiate with those in the City of New Orleans and receive favorable room rates and the other necessary concessions, I will appear before you next year and ask that you confirm New Orleans, Louisiana, for the convention city in 1988.

Fellow Representatives, I move that this most excellent report be adopted and that I be authorized to make the best possible deal I can for you for 1988. Thank you very much.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second. All in favor say aye; opposed no. It is unanimously carried.

We will now have the report of the Imperial Circus Committee, to be given to us by Imperial Sir Edward McMullan.

IMPERIAL SIR McMULLAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Guests and My Fellow Representatives:

I am pleased to give you a very positive report concerning the activities of the Imperial Circus Committee during the past year. The Eighth Annual Circus Seminar was held last October 28, 29, 30 at Murat Temple in Indianapolis, Indiana. One hundred sixty-seven Nobles representing fifty-seven Shrine Temples were in attendance. Twelve circus producers were also present.

The Imperial Circus Committee, or Regional Directors, met on the evening prior to the two-day seminar to discuss the seminar agenda and other circus programs. One of the main topics of discussion was a circus operations manual which is in the process of being developed. The manual will be very valuable to all Temples currently having circuses and also to any Temple contemplating sponsoring a Shrine Circus. It contains information concerning areas such as insurance, advertising, publicity, ticket and program sales and many, many other such items. The manual is presently in our General Counsel's Office at Shrine Headquarters for their review and edification. We hope to have it completed and ready for publication this fall.

The two-day seminar, consisting of a workshop portion and an open forum session, provided a variety of important information for all in attendance. The guest speaker for this affair was Mr. Lew Breiner, Publicity Manager for the Indians State Fair Board. His outstanding address covered many facets of promotion and advertising, local and otherwise; how to prepare and sell the media interesting stories about circus performers; who to contact and how to follow up with newspapers, television and radio stations.

Gentlemen, your Imperial Circus Committee has only begun to scratch the surface of its potential as a valuable tool for Temple Circus operations. It is capable of providing expert guidance to Temple Circus Chairman through the

development of innovative procedures that can improve the quality of performance and substantially increase potential income. This can only be done by properly educating the Temples in tried and proven operational methods and by efficient timing and routing of circus performances in the various regions. By improving the quality of our circuses, we will enhance our public image as well as increase our net income. In many cases, these funds are utilized not only as a part of the overall Temple operating budget but for donations to Shriners Hospitals for Crippled Children and the Burns Institutes.

I feel certain that those who attended this seminar gained a great deal of valuable information which will benefit their circus operation. The more participation we have at these seminars will result in a greater exchange of ideas and better programs for everyone in attendance.

I urge the Potentates of every Temple, whether or not they presently sponsor a circus or are contemplating doing so, to send a member of their Divan, a reliable representative, and/or his Circus Chairman to the upcoming Imperial Circus Seminar scheduled for October 21 to 23, 1983, to be held at "Murat" Temple, Indianapolis. Send your request for application and further information to Illustrious Sir Cecil M. Byrne, C/O The Circus Chairman, Murat Temple or directly to Imperial Sir Jack Jones, Imperial Recorder, the Co-Chairman of the Imperial Circus Committee.

I move that this report be received.

... The report was duly seconded. ...

IMPERIAL POTENTATE BOWERS: We have a motion and a second to receive this report.

All in favor indicate by saying aye; opposed no. It is received and thank you, Ed, for a fine report.

At this time, we will have the closing remarks of our Director General, Bob Reynolds.

NOBLE REYNOLDS: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Representatives and Nobles: At this point in time, if you have had a good time in Denver and like your accommodations, this is what we set out to do. (Applause)

The committee has worked hard and the comments we have received, I am very happy to say, are very, very few.

I would like to also commend every one of you for your most exemplary conduct during this convention. It is something of a record that not one of our Nobles in any of our Temples has been arrested for improper conduct and that really says something, Nobles. (Applause)

Thank you once again for the opportunity to be your Director General.

Your committee thanks you also and we are most grateful that you came to Denver.

... Rising applause ensued. ...

IMPERIAL POTENTATE BOWERS: Thank you, gentlemen. You certainly have been a most gracious Imperial Council.

We will now have the report of the Committee on Resolutions.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have before you the motion and the second as just made.

All in favor please say aye; opposed no. The motion is unanimously carried.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL SIR JONES: Imperial Sir and Imperial Sirs and Representatives: I move that the acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this session be ratified and approved.

...The motion was duly seconded, voted upon and declared to be unanimously carried...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE BOWERS: Thank you, Imperial Sir Jones.

Now, before we proceed into our closing and the installation of the newly elected officers, does any Noble have anything to say for the good of the Order?

At this point, Noble Pape, we will recognize you. Let me add that the reason I could not recognize you previously was because of the fact that we were at that time in the middle of a committee report. However, the microphone is now yours.

NOBLE THOMAS PAPE [Mocha Temple]: First, Imperial Sir, may I apologize for interrupting the reports as they were given previously. It was strictly a misunderstanding on my part.

At this time, Imperial Sir and Representatives, let me say that I have been

At this time, I am also a member of the Oriental Band from Mocha Temple, through all of the Chairs in my Chapter and Council. I believe in a strong Fraternal Order.

At this time, I am also a member of the Oriental Band from Mocha Temple, have been for some twenty years and I have marched with many of the members of Elf Khurafeh Temple and also with some of their other Units.

I am most upset in relation to the issue involving El Shab and Elf Khurafeh Temples and at this time, Imperial Sir, I would like to make a proposal that either you or your resucceeding officers please send a letter to all of the proposers of El Shab Temple inviting them to come back to Elf Khurafeh Temple with full fraternal Rites and fraternal feelings and try to work out everything with harmony in the future. That is my proposal, Imperial Sir. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much, Noble Pape.

NOBLE PAPE: Also, may I indicate that I did vote in the affirmative concerning the proposal.

IMPERIAL POTENTATE BOWERS: We thank you for your remarks and they will be considered. Thank you very kindly.

NOBLE FRANK SMITH: Imperial Sir, my name is Frank Smith, Jr., and I am the Proposed Potentate for El Shab Temple (proposed).

In the interest of all of us as Masons, I would like to present to you today, in behalf of the 1,300 Shriners who held together for two years now, and I am told by Jurisprudence and Laws that I cannot get up and speak to you and ask for a resolution but, on the other hand, as a Mason here today, I feel that three years is a pretty hard penalty for an effort that failed.

I would hope that there would be a Mason, a Delegate in the room today who would be willing to take the microphone in our behalf and ask for a resolution or make a motion that we be permitted to come back next year at Boston.

I feel that we have a good group of Nobles and Masons who have worked real hard toward the establishment of a new Temple and I feel that possibly someone as a Brother could take the microphone and ask that we be permitted to return in Boston next year.

I would also like to thank all of the committees that have been involved here and I am sure they learned a lesson in connection with this session. I know that I learned considerably but I know that all the efforts that went into trying to form a Temple and the effort it took our Imperial Council just to present the opportunity to do that. I know that all the committees have worked hard. Last year, for example, they put in over a hundred hours and I know it was a tremendous undertaking.

However, I would hope that today somebody will take the microphone in our behalf and propose that we again have an opportunity to present this next year.

I wish to thank all of you for your courtesy and attention. I have appreciated this opportunity just to address you. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: I believe that Jack desires to make a few comments.

IMPERIAL SIR JONES: Imperial Sir, in reference to my responsibilities concerning Masonic Relations and Membership Development, I would just like to make a brief comment, if I may, pertaining to Masonry and to the pamphlets which many of you have probably received since you have been in this city.

The comment that I wish to present here at this time is to caution all of you, particularly the Temples that hold paper sales. There was an instance, for example, that was reported to me, where in an area a Shrine Temple was having a paper sale and the papers were left unattended and, during that time, there were slipped into these papers some of these anti-Masonic pamphlets of a similar type—not this one that I have up here at the moment—but, again, of a similar type.

Therefore, I would urge that any of the Temples having paper sales or anything of that nature, be aware of this. It is, of course, unfortunate that these matters

have to occur in different parts of the country because I believe that those individuals circulating these un-Masonic circulars are really uninformed, unaware of what we stand for and what we as Masons are.

It is just a bad situation—it is regretful that this has to occur. Perhaps as time goes on they will become better educated—at least let us hope so.

I thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE BOWERS: Let me say that I concur with his remarks because just recently one of our national magazines had an article in there which I thought was somewhat misleading. It was with reference to the Imperial Shrine and Shrine Members in regard to solicitation and other types of things. Probably many of you read that particular article.

I believe we can and should be a little more astute in reporting out those things which could be detrimental to our total Masonic philosophy.

Now we will proceed with the installation of the Imperial Officers and at this point I will call on Imperial Sir. C. Victor Thornton, please.

PAST IMPERIAL POTENTATE THORNTON: Imperial Sir, Imperial Sirs and Fellow Representatives: I now yield the gavel to the incoming Imperial Potentate so that I may be appointed officially and so that the Installing Marshal may also be appointed.

IMPERIAL SIR OLFENE: Excuse me. I appoint Past Imperial Potentate C. Victor Thornton as Installing Officer and Past Imperial Potentate Jack Streight as his assistant—as the Installing Marshal.

...The gavel was tendered to Past Imperial Potentate Thornton...

PAST IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir. It is a pleasure to perform the duty which you have delegated to me.

Imperial Installing Marshal, Jack Streight, will you place the officers who are to be installed in the form of a crescent facing the Representatives.

...The Imperial Officers-Elect were presented in proper form for installation...

...At this point, the Imperial Officers, in unison and with their right hands raised, repeated their Oaths of Office... (Applause)

...At this point, Imperial Potentate-Elect Richard B. Olfene then repeated an additional Obligation pertaining solely to his office... (Applause)

PAST IMPERIAL POTENTATE THORNTON: The Line Officers, in anticipation of the success of this installation, have already presented their Jewels to their successors and I have now made the action official.

And now, Imperial Sir Bowers, or your Designate, would you please place a three-star Fez upon the handsome young man from Sabbar Temple, our Imperial Outer Guard Richard "Tony" Bukey.

PAST IMPERIAL POTENTATE BOWERS: It is a real honor to present this three-star Fez to our friend, Tony Bukey, from Sabbar Temple. The very best to you as you come up in the Line through the years. Good happiness and health to you as all of us likewise have enjoyed it.

...Presentation of three-star Fez to Imperial Sir Bukey and applause ensued...

PAST IMPERIAL POTENTATE THORNTON: Now, Imperial Sir Bowers, you have reserved for yourself the pleasure of presenting the retiring Chaplain's Jewel to Dr. Robert Gates.

PAST IMPERIAL POTENTATE BOWERS: It is a real honor to present this Past Imperial Potentate Chaplain's Jewel to a good friend, Dr. Robert Gates. Gentlemen, I am sure you will agree with me that Dr. Gates has been a tremendous Imperial Chaplain during this past year. Thank you so very much.

...Presentation of Past Imperial Chaplain's Jewel to Dr. Gates and applause ensued...

DR. ROBERT GATES: Imperial Sir Dan, I thank you very much for this presentation here this morning and for what you have done for me throughout the past year.

This Jewel, of course, is very valuable but it is not as valuable as that pull is in my heart for the wonderful year I have had with all of these fine Masons and Shriners. Thank you all very much. (Applause)

PAST IMPERIAL POTENTATE THORNTON: Thank you.

And now, Imperial Sir Dan, would you complete the adornment of our Imperial Outer Guard, Tony Bukey, by presenting his Jewel.

...Whereupon, Imperial Outer Guard, Imperial Sir Bukey was presented with the Jewel of his office. . . (Applause)

PAST IMPERIAL POTENTATE THORNTON: And now, Dr. Gates, will you present the Jewel of Office to the new Imperial Chaplain, the Reverend Lawrence W. Hathorne.

DR. ROBERT GATES: Larry, I cannot help but observe again that I was given this great joy this past year by Imperial Sir Dan and it has been a great life for us. Now, however, I have been afforded the double honor and that is to give you this Badge of Office and to have you place that over your heart.

Now, I really do not know what an Imperial Chaplain does. I think, however, that Masons like to have a living symbol of God's presence with them. None of us are good vehicles for that and so my advice to you, Imperial Sir, is be yourself, be what God made you and you will be accepted with love and joy.

Your greatest gift will be in being able to see that what you preach is what these men practice: what you preach they give of their talents and treasures so that there may be harmony among our Temples, as there might be harmony in all of the times to come.

God bless you to be a blessing to others. (Applause)

PAST IMPERIAL POTENTATE THORNTON: And now, our Imperial Potentate-Elect will complete the adornment of our new Imperial Chaplain.

IMPERIAL SIR OLFENE: Larry, will you please come back over here and take off your illegal Fez. (Laughter)

It is now my pleasure to present to you the Fez of the highest office on the Chaplain's side of the picture in our organization—that of Imperial Chaplain.

Larry has just been a great friend and fellow I have known for many years, a terrific guy.

Now, at this point I only want to finish what Dr. Gates was, I believe, attempting to say to you. He told you about all the good and right things to do and he is absolutely correct. However, I want to add one thing to it—be brief.

... Laughter and applause ensued. . .

PAST IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir.

Now, Nobles, Rick Olfene, in the Pageant, presented our Imperial Potentate-Elect with his Fez. However, as seems to happen year after year, he appears to have mislaid it. Therefore, I will call on Illustrious Sir Walter Emerson to place the Fez upon our incoming Imperial Potentate again and perhaps at this point, Walter, you may wish to apply it with a little bit of Elmer's Glue. (Laughter)

ILLUSTRIOUS SIR WALTER EMERSON: Imperial Sir, Dick, you and I have served together in Kora Temple and on the Imperial Council for a great many years but the presentation this morning of your five-star Imperial Potentate's Fez has to be the highlight of my nearly fifty-year Shrine career.

Words cannot express my feelings for this great honor at this time and I would like to feel I am making a presentation symbolically for the nearly 10,000 Shriners in the State of Maine whose love and affection for you is without question.

And so, Imperial Sir, if you will remove your out-moded three-star Fez and if I can borrow a step-ladder, I will attempt to improve your situation.

...Presentation of five-star Fez to Imperial Sir Olfene and rising applause ensued. . .

PAST IMPERIAL POTENTATE THORNTON: And now, Imperial Sir Dan, will you complete his adornment.

PAST IMPERIAL POTENTATE BOWERS: Imperial Sir Dick, it is a great honor and privilege for me to present to you the Imperial Potentate's Jewel—the Jewel of Authority.

As I present this Imperial Potentate's Jewel to you, which has been worn these many years by all of the Past Imperial Potentates, it is a great honor to do so and

may I also wish the best to you in your administration. May the good Lord always smile upon you.

...Presentation of Imperial Potentate's Jewel and applause ensued...

PAST IMPERIAL POTENTATE BOWERS: Imperial Installing Marshal, Jack Streight, will you now make the Proclamation.

PAST IMPERIAL POTENTATE STREIGHT: I now proclaim the Officers of the Imperial Council of the A.A.O.N.M.S. duly installed in their respective positions for the ensuing year. Congratulations to all of you.

...Rising applause again ensued...

PAST IMPERIAL POTENTATE THORNTON: And now, Imperial Dick, I present to you this gavel. I know that you will use it judiciously in governing this great body of Nobles of the Mystic Shrine. May God be with you and may God bless you.

...Presentation of gavel to Imperial Potentate Olfene and applause ensued...

IMPERIAL POTENTATE OLFENE: Gentlemen, the next order of business is to present the Past Imperial Potentate's Fez to the outgoing Imperial Sir and this is going to be presented to Dan by Voris King. However, before the ceremony, let me say to those of you who are not familiar with the five-star Fez, that the Imperial Potentate, while in office, wears five gold stars on his Fez and then, when that individual becomes a Past Imperial Potentate, the two outer stars go from gold to silver. I merely give you that as a point of information. Therefore, Voris, I will be happy to recognize you at this time.

IMPERIAL SIR KING: Thank you, Imperial Sir.

Imperial Sir Dan, during the past year you have traveled throughout three great countries. You have done an outstanding job and it is with great pleasure that I ask everyone to give you a tremendous standing ovation for the wonderful job you have done in representing us during the past twelve months.

...Presentation of the Past Imperial Potentate's Fez to Imperial Sir Bowers ensued with rising applause ensuing...

PAST IMPERIAL POTENTATE BOWERS: Thank you so very much. You have all been very gracious. Thank you again.

IMPERIAL POTENTATE OLFENE: Very excellent, Dan, and you did a great job. Now, traditionally I assume there is a Past Imperial Potentate's Jewel around here somewhere. Who has that? Well, here it is, how about that?

Well, Dan, let me say that I am very pleased to have the great opportunity, and this is indeed an honor, to present to you this lovely Jewel that you will have for the rest of your life as a Past Imperial Potentate of the Shrine of North America and I can truly assure you from all of us that you have been a great Imperial Potentate, we have enjoyed working with you and to you and Virginia, God bless and keep you in the best of health in the years ahead.

...Presentation of Past Imperial Potentate's Jewel to Imperial Sir Bowers and further applause ensued...

PAST IMPERIAL POTENTATE BOWERS: Thank you very much, Dick, and I wish the same for you. God bless you all.

IMPERIAL POTENTATE OLFENE: I believe that now concludes the installation and the various presentations and so I will ask that if the officers will be seated and comfortable, I would now like to proceed to a few remarks and then close out this convention.

Imperial Officers and Fellow Representatives: You have now placed me in the highest office of the Shrine of North America and I assure you that I will, to the very best of my ability carry out the heavy duties that are required of this office and what you expect of the leader of the greatest fraternal and philanthropic organization in the world.

I believe that JoAn and I have prepared for these twelve months in advance. I believe I have a reasonable handle on Shrinedom, as many of you know from me running around the country, meeting with you and speaking at seminars and association meetings.

I will not spend any time here today telling you of all the good things that are ahead—only to say to you that never in my time have I been as enthused about where this association is going as I am today.

You have heard the report of the Chairman of the Board in relation to a very updating, very progressive and, to some degree, an aggressive program in our hospital field. We will continue to work to improve our fraternal Order, with great emphasis on membership and a working relationship with the Masonic Fraternity.

I believe that Masonry is our foundation and it is our responsibility, as one of those in that group of great Masonic organizations, to work toward a strong and meaningful relationship.

As I have traveled around the country, I have found there to be in existence such things as we have heard up here on the stage during this session—such things as rumors, comments of “I do not understand it—somebody told it to me this way, somebody told it to me that way.”

Gentlemen, what all this is, I believe, is that we are just like all organizations, involved with a lack of good communications. Only through good communications will we have a much stronger and much more active group of Shriners working together for a greater cause.

Therefore, this year I have adopted a very short slogan and I would urge you use it in your Temples. I am likewise going to ask my Imperial Officers to use it as they tour the country and when we have our seminars, and the slogan is simply this—“Communicate to Educate.”

I believe that if we communicate from the National Office to you and we educate you better in relation to what is going on, that you, in turn, can begin to educate your own people through communications. Therefore, we look forward in the year ahead to visiting with you, to socializing with you, being serious with you and also attempting to educate you in relation to this great fraternity, in relation to our hospital programs and our great philanthropic Order.

Once again, it is a great honor and an outstanding privilege having been elected to this high office and for being able to have this opportunity of serving all of you. Thank you very much.

... Rising applause ensued. ...

IMPERIAL POTENTATE OLFENE: Now, as you know, we have had some discussions at this session as to the serious financial condition of the Iowa Corporation and true it is. Our Imperial Treasurer reported out to you the projected deficit for 1984 will be in excess of over a million dollars.

Now, you have raised the per capita tax but I think one of the other steps that should be taken is that there should be a thorough study and review of our method of payment, basis of payment, method of computing and method of issuing payments concerning our mileage and per diem account.

Now, with that in mind, I am going to appoint a seven-person committee, the majority of the committee coming from you, the Representatives on the floor, so that you can tell us what you think may be the best route to take solving this very, very serious and difficult problem concerning mileage and per diem.

Therefore, I am appointing a Special Committee to study the mileage and per diem area, to establish the method of computing and issuing payment for attendance at the Imperial Council Session.

The committee will be as follows: Webber C. Harrington, Chairman; Walker S. Kisselburgh; Warren F. Weck; Aurie J. Thompson; Charles B. Mason; Thomas E. Lucas and Thomas M. Boles.

Whether or not legislation is proposed by the committee after studying the issue, the committee will be required to present a full report to the Representatives at the next session. However, if legislation is found by the committee to be needed, then the committee shall see that the appropriate legislation appears in the Call of the 110th Imperial Council Session.

Gentlemen, I think that is a fair way for the floor to have a voice. Without any objection, I shall call that committee as appointed and to begin work immediately.

Now, secondly, I have some news to present to you which, I know, will be a disappointment to many of you, but it has happened that I want to alert you to my procedure with regard to the solution concerning this particular issue.

I am sure you know that our eminent and capable General Counsel, Ed Maag, has resigned. We appreciate the great service that Illustrious Sir Ed Maag has rendered the hospitals and the fraternal organization. He will be difficult to replace.

In an effort to secure the most qualified and dedicated Noble to serve as General Counsel, I have appointed a Search Committee consisting of Robert J. Turley, Webber C. Harrington and Judge Robert E. Cooper, appointing Judge Cooper as the Chairman.

Let me stop and say to you at this point that neither Judge Cooper nor Bob Turley will apply for the position. They are to make recommendations to me and, subsequently, these will be presented to the Board.

The position of General Counsel is open to every attorney who is a Noble in good standing. It is not necessary that he be a member of the Imperial Council. It is imperative that a General Counsel be appointed soon but not at the expense of taking time to assure that we get the best qualified Noble and, to this end, the Search Committee has asked that any attorney that is interested in being considered for appointment as General Legal Counsel contact the Search Committee and send each member of the committee a resume. This should be done at once so that the committee can begin work on this task.

I have asked the Search Committee to make its recommendations, three in number, to me, no later than October 10, 1983. This will allow time for me to make a final recommendation at the October, 1983 Board of Directors meeting.

Now, for those of you who think you or friends of yours have an interest in this, I will call your attention to two Sections in the Bylaws. They are called "Requirements and Duties of General Counsel." In the Colorado Corporation you will find them on Page 23, under Section 511.5 and in the Iowa Corporation, you will find them on Page 37, under Section 214.5.

Gentlemen, again I will assume that there is no objection to this method of procedure. Further, I think it is a fair way for us to solve this problem—to search out through our Nobility and come up with a very fine and capable attorney as General Legal Counsel. Also, all of the members of this committee have accepted their appointments.

Now, in accordance with my responsibility as set forth in the Bylaws, I would like to read to you the members of the five Standing Committees as is required by our Bylaws.

...Whereupon, Imperial Sir Olfene's appointments to these five Standing Committees were read...

IMPERIAL POTENTATE OLFENE: Gentlemen, I know these are all very dedicated and hard-working Nobles and members of the Imperial Council.

With that, this concludes the report concerning committees that I propose here today and I would now ask Ted Corsones, do you have any other business?

NOBLE THEODORE CORSONES: No, sir.

IMPERIAL POTENTATE OLFENE: Is there any business that anyone wishes to bring before this Imperial Council before we officially close?

If not, by the power invested in me by the Imperial Council, I now adjourn this session sine die.

...Whereupon, at eleven-twenty-five o'clock a.m., the One Hundred Ninth Annual Imperial Council Session was adjourned sine die...

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

JANUARY 1, 1982-DECEMBER 31, 1982

*Imperial Potentate Daniel E. Bowers, Officers and Members of the Imperial Council
A.A.O.N.M.S., in meeting assembled at Denver, Colorado, July, 1983.*

IMPERIAL SIR, IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

I reported to you last year that a special committee had been appointed to study and review the escalating costs sustained by the Iowa Corporation over the preceding five years. The special study committee also made a projection of anticipated income for 1982 and the succeeding four years, which revealed a serious financial problem unless appropriate action was taken to increase our revenues or decrease our expenses. A questionnaire was mailed to each representative to the One Hundred Ninth Annual Imperial Session. The responses to that questionnaire will be presented at the Imperial Session and a course of action proposed to solve the problem.

I am deeply grateful to our Deputy Imperial Potentate, Richard B. Olfene, who has made numerous appearances at Shrine Association meetings this year to explain the finances of the Imperial Council. As a result, I believe that many representatives will be able to vote more intelligently on proposed methods of financing the Imperial Council on a sound basis.

The Imperial Council's 1982 operations resulted in an excess of expenses over revenues of \$333,983, compared to a budgeted deficit of \$366,433. The previous year's operations resulted in an excess of revenues over expenses of \$56,637. This unfavorable variance was principally due to a decrease in interest income of \$141,000 and an increase in the costs of the Imperial Council Session of approximately \$276,500, due for the most part to higher mileage and per diem costs. The negative results were very close to those anticipated by the budget adopted at the 1982 Imperial Session.

This annual Imperial Council Session marks the end of an era in the oversight of the finances and accounts of the Imperial Council. At the conclusion of this session B. W. "Bob" Vetter, member of the Finance and Accounts Committee for twenty years and chairman of that committee for most of that time, will retire and assume emeritus status. Bob Vetter has contributed a great deal to the financial health and integrity of both the Iowa and Colorado Corporations and we salute him for the great contribution which he has made to our fraternity and our charity.

I am pleased to report that the Imperial Divan has been most supportive of the Imperial Treasurer's budgeting and financial planning efforts, together with full disclosure of financial information so that the members of the Imperial Council may continue to be well informed. The information which is included in the representatives' registration packets is an important part of that program.

Respectfully submitted,

Yours in the Faith,
WEBBER C. HARRINGTON, *Imperial Treasurer*

REPORTS
ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER A.A.O.N.M.S.

January 1, 1982 to December 31, 1982

*Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1982 to December 31, 1982 are submitted for your information.

The report of the Imperial Auditor showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The election returns for 1983 of the 185 Temples reflect that there are Representatives to the Imperial Council for 1983 as follows:

	*Total Number	Total Votes
At Large	13	13
Ad Vitam	18	18
Emeritus	98	77
Elected	735	735
Appointed	1	1
Total		844

*includes duplications

At the end of our last calendar year, the Temple's Annual Reports showed a total of 912,458 Nobles plus 4,764 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 76,728 Nobles, which relieves them from paying the annual Shriners Hospital assessment. The Associate Membership total of 4,764 must be added to the total membership figure of 912,458 members since Temples profit financially from Associate Memberships.

The net loss in total Shrine membership for the year 1982 was 12,059 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It should be noted that only 60 Temples reported a gain in membership while 123 had losses during the previous year and 2 had no change.

The 1982 net loss of Shrine membership was even greater than 1981. We must do something to reverse that trend. I urge every Potentate to make membership the number one priority for his Shrine year. Also, I challenge each Temple Divan member to work doubly hard on membership through development of new ideas to improve their Temple's existing programs. It is possible that your Temple has an outstanding recruiting program, but does not have other programs social and otherwise to keep the interest of its' members or to attract non-Shriners. How is your Temple's image in the communities throughout your jurisdiction? Is your Mosque building in

good condition—a building of such beauty that you can proudly say “that’s my Shrine Mosque”? If you don’t have your own Mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? It is also very important to have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country.

Your Imperial Membership Committee has developed some outstanding membership recruitment programs. Please use them. Watch your suspension list closely. The Shrine suspended 16,832 Nobles in 1982 which was the most since 1937. Many Temples are not taking advantage of the programs developed, both locally and nationally, to help curtail these suspensions. If a Noble is about to be suspended for non-payment of dues, investigate his situation and try to determine why he is in arrears. If he is experiencing financial difficulties and cannot afford to pay, the Temple should remit his dues. Also, many Nobles who have been previously suspended for non-payment of dues would like to be restored but because of their financial situations cannot afford the restoration fees. If this situation exists, it would be in the best interest of the Shrine to charge him only the current years dues and/or hospital assessment to reinstate. Generally, a Noble is proud to pay his hospital assessment.

While on the subject of membership, I urge you as officers of your Temple to work in close harmony with all Masonic organizations to develop programs that will promote the good of our Masonic family. We must work hand in hand with our Scottish Rite, York Rite and Blue Lodge brothers to develop a method for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. The Imperial Potentate requested all Temple Potentates to develop special programs in support of that fine youth organization for basically two reasons. First, it is a part of the philosophy of Masonry to help and encourage youth. Secondly, what better way to invest a part of our income and time than in our prospects for future members. Besides, those who don’t join Masonry will become better citizens because through ritual and ceremonies DeMolay teaches all those things that are good. They are being exposed and molded into men with high values, well adjusted members of our society. If your Temple does not already have an active DeMolay Committee, Unit or Club(s), I implore you to get your Temple involved immediately.

Imperial Potentate Daniel E. Bowers has done a magnificent job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership, and for this I compliment him on an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership of your Temple with that of others. Work hard to promote the best interest of our great fraternity, the World’s Greatest Philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES
Imperial Recorder

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1983

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags. If there are only one or two flags, such as state, province, and Shrine flags, they may be paraded on the marching left of the three national flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Secretary for Fraternal Affairs at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Secretary for Fraternal Affairs at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the

Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the

Mystic Shrine for North America, Imperial Sir.....of.....
Temple,(City), (State or Province.)”

or

“Illustrious Potentate, I have the honor of presenting Imperial Sir.....of..... Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America.”

Potentate: “You will conduct the Imperial Potentate to the East.”

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

“Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabbah at the left of the Potentate; the Assistant Rabbah at the right of the Imperial Potentate; the High

THE IMPERIAL COUNCIL

Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

CANADIAN PROTOCOL

Banquets:

In Canada a toast is always given to Her Majesty, The Queen: "Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen, God Bless Her."

And then a toast to the "Office" of the President of the United States.

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the

protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 8 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Divan, elected and appointed, of the Temple are allowed on *one* line underneath the emblem on the fez. Active members of official Uniformed Units may have the names of their Units likewise on *one* line beneath the emblem on the fez. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National

Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
By the dawn's early light,
What so proudly we hail
At the twilight's last gleaming,

Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>
Imperial Officer	Name Title Temple Address	Dear Imperial Sir _____:	Yours in the Faith,
Potentate	Name, Potentate Temple Address	Dear Illustrious Sir _____:	Yours in the Faith,

Shrine Club Unit, or Temple Officers	Name Title and Unit or Club Temple Address	Dear Noble _____:	Yours in the Faith,
Any Noble	Noble (name) Temple Address	Dear Noble _____:	Yours in the Faith,

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

§ 323.1 Temple; how constituted. A Temple consists of its officers and as many members as it admits.

§ 323.2 **Petition, form.** Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 **Prerequisite for membership.**

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these bylaws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 **Residence.**

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 **Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Application for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a

member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

(h) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the Temple by an associate member who is in good standing and free from charges;

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A demit entitles the holder to affiliate with a Temple only pursuant to these bylaws.

(g) When a demit is issued to a Noble residing outside the exclusive or concurrent jurisdiction of the issuing Temple and in the jurisdiction of another Temple, the Recorder of the issuing Temple must give written notification within 30 days of the issuance to the Recorder of the Temple in whose jurisdiction he resides. In the event such Noble resides in territory in concurrent jurisdiction (which is not concurrent with the issuing Temple) the Recorder of the Temple located nearest his residence shall receive the foregoing notification. The notification shall recite the Noble's name and address and the date the demit was issued.

Amend. 1982

- (2) Without a vote of the Temple upon terms authorized by the Temple; and
- (3) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ 323.12 Life Membership. Life membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

§ 323.13 Honorary Membership.

(a) Honorary membership may be conferred by a Temple upon any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

(b) The issuance of annual membership cards to honorary members is prohibited.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each Temple extends in all directions

to ½ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of the Imperial Council in accordance with § 328.3(d).

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom

objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no Temple is located and when no Temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest Temple located in an adjoining state to his state of residence, if the location of that Temple is within 25 miles of his residence; and no waiver from any Temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the Temple to which the petition is presented.

Amend. 1976

Amend. 1979

Amend. 1979

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ 328.9 Clubs, Units and Activities in Concurrent Jurisdiction.

(a) In all cases where a Shrine club exists or is hereafter organized in concurrent jurisdiction, only the Temple having control of that club may organize or maintain units composed of Nobles residing in the city, county or other geographic area served by that club and only that Temple may sponsor activities in that area.

(c) The planned and publicized activities referred to in § 328.9 (b) shall be exclusive for the Temple having planned and publicized said activities annually prior to May 1, 1975, so long as said activities are continued annually thereafter.

(b) The petition must be signed by 1,000 Nobles in good stand-

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such dispensation may be granted only on the petition of at least 300 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

Amend. 1983

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either § 329.1(b) or § 329.1(e) until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. (a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple

The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Noble.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evi-

dence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may

be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for

restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other Temple, he must obtain a waiver from the expelling Temple before the Temple having jurisdiction of his petition can vote thereon. PREFACE

These annotations are not "Shrine law". See §101.3(j). They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. Obedience to Shrine law, as defined in § 101.3(j), is not optional but is required of all Shriners and of every Temple.

1973 Proceedings, p. 99. According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.

§ 101.4

1975 Proceedings, p. 20. By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.

§ 101.7

1966 Proceedings, p. 208. Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.

§ 101.9

1966 Proceedings, p. 208. Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.

§ 203.1

1976 Proceedings, p. 177. An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.

§ 206.5

1966 Proceedings, p. 211. General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.

1970 Proceedings, p. 96. The Imperial Potentate may suspend from office a Representative to the Imperial Council.

1973 Proceedings, p. 99. According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.

§ 207.3

1976 Proceedings, p. 176. While the minutes of the Boards of Directors and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under §208.6(e).

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Po-

ANNOTATIONS TO BYLAWS (IOWA)

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.4

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1976 Proceedings, see p. 175. The use of the title "Ambassador at Large" on a fez is forbidden by §§ 213.1(b) and 213.1(e).

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain

ANNOTATIONS TO BYLAWS (IOWA)

membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 90. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in §330.2(a)(3) have not been filed, is "free from charges" within the meaning of §323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to §332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under §323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with §324.8.

§ 323.13

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 324.1

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an

election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited:

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 324.14

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

§ 325.3

1975 Proceedings, p. 20. The offices of Director and Outer Guard are incompatible, and one person may not be appointed to both offices.

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

ANNOTATIONS TO BYLAWS (IOWA)

§ 325.6

1980 Proceedings, p. 29. *The making of announcements, reports, and presentations while ballots are being counted during a Temple election is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.*

§ 325.7

1967 Proceedings, p. 83. *A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.*

1974 Proceedings, p. 26. *Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.*

1974 Proceedings, p. 27. *Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple bylaws pursuant to § 325.7.*

§ 325.8

1978 Proceedings, p. 88. *Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.*

§ 325.9

1983 Proceedings, p. 212. *A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.*

§ 325.10

1965 Proceedings, p. 40. *Use of written devices prohibited.*

1968 Proceedings, p. 121. *Shrine Club Meeting Notice cannot recommend candidates for Temple office.*

1971 Proceedings, p. 97. *The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.*

1972 Proceedings, p. 154. *The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.*

1972 Proceedings, p. 153. *A Temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.*

1975 Proceedings, p. 19. *A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.*

1976 Proceedings, p. 175. *An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).*

1981 Proceedings, p. 165. *Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.*

ANNOTATIONS TO BYLAWS (IOWA)

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1979 Proceedings, p. 170. Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

1973 Proceedings, p. 96. A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

ANNOTATIONS TO BYLAWS (IOWA)

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

ANNOTATIONS TO BYLAWS (IOWA)

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1977 Proceedings, p. 161. *Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.*

§ 328.7

1972 Proceedings, p. 154. *By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.*

1974 Proceedings, p. 25. *A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.*

1977 Proceedings, p. 161. *While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.8(b).*

1980 Proceedings, p. 29. *One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.8(d).*

§ 328.9

§ 329.1

1975 Proceedings, p. 21. *§ 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.*

1982 Proceedings, p. 169. *To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.*

§ 331.2

1966 Proceedings, p. 210. *Proposed amendment may be circulated among members.*

1977 Proceedings, p. 162. *Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.*

§ 332.1

ANNOTATIONS TO BYLAWS (IOWA)

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his Temple.

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

ANNOTATIONS TO BYLAWS (IOWA)

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.6

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, p. 177. The purchase of golf carts for a Temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

§ 334.8

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 95. A Temple proposing to form a corporation for the purpose of holding a Shrine association meeting must obtain approval under this sub-section.

1976 Proceedings, p. 176. The Board of Directors of a Temple affiliated corporation may not take action which is inconsistent with a Resolution adopted at a meeting of the members of the corporation.

§ 335.1

1976 Proceedings, p. 176. Use of the United States mails for the promotion of a lottery or raffle being unlawful under Postal Regulations, it is also contrary to § 335.1.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline. 1966 Proceedings, p. 211. Identification of photograph in commercial advertisement as a former Temple Potentate violates Shrine Law.

ANNOTATIONS TO BYLAWS (IOWA)

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under Section 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 171. Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by § 335.6(a); but § 335.8(b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of

ANNOTATIONS TO BYLAWS (IOWA)

§ 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1975 Proceedings, p. 19. A Temple bylaw setting aside a certain part of annual dues to a sinking fund for the retirement of an indebtedness related to Temple real estate is not prohibited by § 335.9.

§ 335.10

1970 Proceedings, p. 95. Articles concerning ladies' organizations in Temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.12

1980 Proceedings, p. 28. A candidate for Temple office need not reside within the jurisdiction of the Temple, but only within the jurisdiction of the Imperial Council, as required by § 325.12.

§ 335.14

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

§ 335.15

1968 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine Clubs or units are not prohibited.

§ 335.17

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.17.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.17.

1976 Proceedings, see p. 175. § 335.17 is not to be applied retroactively to corporations formed before its adoption in 1970.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 19. *Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.*

1975 Proceedings, p. 21. *Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.*

1977 Proceedings, p. 163. *A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.*

1979 Proceedings, p. 170. *Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.*

1982 Proceedings, p. 170. *Incorporation of a Temple unit is not permitted under the Imperial bylaws.*

§ 336.2

1972 Proceedings, p. 155. *The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).*

1973 Proceedings, p. 98. *§ 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.*

1976 Proceedings, p. 175. *While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".*

1977 Proceedings, p. 162. *A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.*

1979 Proceedings, p. 171. *In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.*

1981 Proceedings, p. 165. *The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.*

§ 337.1

1967 Proceedings, p. 84. *Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.*

1974 Proceedings, p. 26. *The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.*

1977 Proceedings, p. 163. *A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.*

1978 Proceedings, p. 87. *Inasmuch as §337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.*

§ 337.3

1966 Proceedings, p. 212. *Shrine Club has no independent existence. It is under complete control of the Temple, acting through its Potentate, having jurisdiction over it.*

ANNOTATIONS TO BYLAWS (IOWA)

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club is not removed from the control of the Potentate by a provision in its bylaws that one-half of one percent of its members shall not be Shriners.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to §337.3, and he may require changes in the Bylaws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

§ 337.4

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.6 or § 335.17.

IMPERIAL COUNCIL AAONMS
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES

The by-laws of the Imperial Council AAONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporation, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to move modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

NOTES TO FINANCIAL STATEMENTS

December 31, 1981 and 1980

Summary of Significant Accounting Policies

Basis of accounting—The accompanying statements have been prepared substantially on the accrual basis of accounting.

Designated funds—Designated funds represent unrestricted funds set aside by the membership and/or Finance and Accounts Committee for specific purposes.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

Organization

ABC Temple is a subordinate temple of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America ("Imperial Council").

The Temple remits certain fees and charges to the Imperial Council for granting dispensations, charters, certificates and diplomas and for Shriners Hospitals for Crippled Children and other charitable purposes. Such fees and charges paid to the Imperial Council were \$ and \$ for 1981 and 1980, respectively.

Various units and clubs are sponsored by the Temple. Certain of these units and clubs maintain funds outside the control of the Temple governing body. These funds are generally of nominal amounts.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 11th day of the 2nd month, Safar, 1404 (marked 48 in red) is the 17th day of November, 1983 (also marked 48 in red).

What day in the Mohammendan year is June 4, 1984?

Finding June 4, 1984 in the Gregorian calendar it is found to be marked 248 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 5th day of the 9th month, Ramadan, 1404 (also marked 248 in red).

A Colorado Corporation

109th Annual Session

July 5-8, 1983

Denver Hilton Hotel

Denver, Colorado

AFTERNOON SESSION

TUESDAY, JULY 5, 1983

THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened at the Denver Hilton Hotel, Denver, Colorado, on Tuesday, July 5, 1983 at three o'clock p.m., Imperial Potentate Dr. Daniel Bowers, presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE BOWERS: I now proclaim this session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the session will remain open until adjourned.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: I would now like to recognize Jack Jones, our Imperial Recorder, for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move you, sir, that the Representatives of the Imperial Council and Iowa Corporation, including all ad vitam and emeriti Representatives be elected to membership in the Colorado Corporation for the ensuing year.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: Is there discussion?

If not, all in favor please signify by saying aye; opposed. It is unanimously carried.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: We will now have the report of the Endowments, Wills and Gifts Committee, by Imperial Sir Walker S. Kisselburgh, Chairman.

IMPERIAL SIR WALKER S. KISSELBURGH [Chairman, Endowments, Wills and Gifts Committee]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Representatives All: My excellent report to you concerning Endowments, Wills and Gifts is a very brief one because we have been so successful that there are not enough words to tell you about how successful we have been.

We have one of the most active Endowments, Wills and Gifts Committee that has ever been appointed. They number about fifty-five or sixty individuals across the North American continent and for the most part they are out telling the Shrine Story and exposing our great philanthropy to the general public and whoever might want to listen to them.

We have excited everyone with the number of wills that we received last year and it is an increase over the year before, which is a record-breaking year.

Our new monies received was a record-breaking year. We are riding the crest of the wave.

Imperial Sir, we I move acceptance of this excellent report. (Laughter and applause).

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: All those in favor please say aye; contrary no. Walker, your report is accepted.

I would now like to call on the Chairman of our Investment Committee, Past Imperial Potentate Randolph R. Thomas, to give us the report of the Investment Committee.

PAST IMPERIAL POTENTATE THOMAS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives: This is the report of your Investment Committee for the year ended December 31, 1982.

The Endowment Fund for Shriners Hospitals is invested in banks and investment counseling firms throughout the United States and Canada. It is the responsibility of the Investment Committee to monitor the comparative operating results of our managers and to place our funds with those institutions who provide the best investment return.

I am pleased to report at this time that 1982 provided us with a much improved return compared to most recent years. As we have reported before, our investment objectives are straightforward.

Each investment manager has two primary responsibilities. First, to provide a reasonable annual income distribution sufficient to finance our hospital budgets. Second, to invest in a manner that ensures the principal value of our fund will keep pace with inflation.

As you can appreciate, it is not possible for our investment objectives to be met each year; however, 1982 was a year in which our fund performed strong and met these objectives.

For the year, we had a current return of 7.3 percent and a market increase of 13.9 percent, or a total return of 21.2 percent. This performance, of course, represents in large part, the strong equity market we are all seeing.

Your committee also believes that as we continue to monitor our managers and put these funds with the best performers, we will ensure that our funds will continue to grow and meet our investment objective.

The Book of Reports which each of you has received will give you details regarding our fund balances, etc. I will not take time now to read off the numbers but I would like to state that our year-end total for all investment management accounts now amounts to \$1,298,000,000.

It has been my pleasure and I have enjoyed a feeling of satisfaction serving as Chairman of this most important committee. This is a hard-working committee, with a great deal of responsibility. I would be remiss if I did not take a moment to acknowledge and thank the other members of the committee for their dedication and hard work—Walker Kisselburgh, Gene Bracewell, Russ Anthony, Bob Turley (Trustee), Webb Harrington (Treasurer), Stu Lang (Egypt Temple), Earl Austin (Kora Temple), J. P. Hall (Morocco Temple) and Bill Latimer (Emeritus Member from Syria Temple).

In addition, we have Martin Browne of Suez Temple and Voris King serving the committee as Mineral Interest Advisors.

Imperial Sir, I would move that this report be accepted.

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: The motion before you is to accept the report.

All in favor please say aye; opposed. The report is accepted. (Applause)

Let me say to you, Randy, that certainly was a fine report, also a very important one. Of course, all committee reports are important.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: Gentlemen, this will conclude this afternoon's business. Please do not forget that tomorrow we will reconvene immediately after the Pageant is over. Have a nice evening.

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at five o'clock p.m. ...

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Denver Hilton Hotel, Denver, Colorado, at eleven-ten o'clock a.m., Imperial Potentate Dr. Daniel E. Bowers, presiding.

IMPERIAL POTENTATE BOWERS: We will reconvene at one-thirty o'clock p.m. and please be on time.

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-fifteen o'clock p.m. ...

AFTERNOON SESSION
WEDNESDAY, JULY 6, 1983
ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Denver Hilton Hotel, Denver, Colorado, at one-thirty o'clock p.m., Imperial Potentate Dr. Daniel E. Bowers, presiding.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: I will now recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons, by virtue of their office as Imperial Officers, to serve one year on the Board of Trustees, Shriners Hospitals for Crippled Children: Imperial Potentate-Elect, Richard B. Olfene; Deputy Imperial Potentate-Elect, Gene Bracewell; Imperial Chief Rabban-Elect, Walker S. Kisselburgh; Imperial Treasurer, Webber C. Harrington and Imperial Potentate Daniel E. Bowers, M.D.

IMPERIAL POTENTATE BOWERS: You have heard the motion made that these Trustees be elected.

Those in favor say aye; opposed no. It is unanimously carried and so be it.

We will now proceed with the election of the remaining Trustees for Shriners Hospitals for Crippled Children under Section 508.2.

According to the list here, the candidates are four in number.

Well, just a moment, we will dispense with this election at this time and have it a little later because the Tellers are out and we are going to have to take a ballot. Therefore, we will go into some legislation in the meantime but keep in the back of your thoughts what your Imperial Recorder just read to you.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: I believe we are now ready to proceed with the election of the remaining Trustees for Shriners Hospitals for Crippled Children and we have four candidates and, from them, you will elect two for a three-year term.

We will now ask our Imperial Recorder, Jack Jones, to go through the procedures of getting them in the usual proper order.

...Whereupon, the candidates and their nominators were assembled on the stage and drawing for nominating positions ensued...

IMPERIAL POTENTATE BOWERS: I believe, gentlemen, we are ready to proceed and for the first nominator, I will recognize Ralph G. McCoy, Potentate, Bagdad Temple.

NOBLE RALPH G. MCCOY [Potentate, Bagdad Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I am here to place in nomination the name of Joseph I. Morris for election to a three-year term as Trustee of the Colorado Corporation.

Joe served Bagdad Temple as Potentate in 1976. He became a Mason in 1953; became a member of our great Shrine in 1959. He has been an elected Representative since 1975.

Joe has almost twenty-five years of strong, active and outstanding service to our fraternity.

Joe Morris is a graduate of the University of Montana in Business Administration and has been extremely successful in his business career. He started as a partner in the family grocery store; from there he worked as a cost estimator for a general contractor and, since 1955, Joe has been with the Montana Power Company where he has been involved in various management positions as he progressed—working with oil, natural gas and coal leasing from field operations and setting up and managing the utility's computer facility. From there, Joe headed up the Engineering Department, with over 360 engineers in his charge.

Joe has a strong civic and community involvement background—Chairman of the Board of Directors of the Butte Civic Convention Center; member of the Board of Directors of the Columbia Plaza Manor Low Income Housing Complex; a member of the Board of Directors of the Butte Rotary Club and a member of the Vigilante Council, Boy Scouts of America.

Joe's dedication and involvement with our Masonic bodies is outstanding. He has been, for many years, an ex officio member of the Board of Governors, Spokane Shriners Crippled Children's Hospital. For over twenty years, Joe has served on Bagdad's Budget, Finance and Investment Committee and is the prime reason for the extremely strong financial position of Bagdad Temple. He has also been serving for a number of years as Vice Chairman of the Masonic Temple Association which manages Butte's fine Masonic Temple.

One of his greatest achievements is being the recipient of the DeMolay Legion of Honor Award. Joe Morris has been active over the years in developing or helping to develop numerous successful money-raising projects for Bagdad Temple and the Shrine. This included initiating our One-Hundred Million Dollar Club and our membership is presently an outstanding sixty percent.

He has been actively involved over his Shrine years in helping to promote Montana's Annual East-West Shrine Football Game.

Joe is a Past Director of Butte Court 23, Royal Order of Jesters. He is a permanent contributing member to our Shrine Hospitals and is a member of the Imperial Marshall's Committee.

Joe is the prime mover in our Spokane Shriners Crippled Children's Hospital, recently establishing seminars and lectures for this Unit as a part of the on-going education for the staff and medical personnel in the Pacific Northwest.

Joe Morris will work for our hospitals and our crippled and burns children and I know he can bring a better understanding to some unique situations that exist in the western part of North America.

Western North America, including Hawaii and Mexico, is greatly under-represented on the Board of Trustees of the Colorado Corporation. We have twenty-two facilities of which ten are in the above-referenced area and yet the make-up of the Colorado Board of Trustees shows only about seventeen percent of the Board coming from this area and yet we have forty-five percent of the facilities.

Joe and his wife are the parents of three fine sons.

Joe Morris is a young, successful businessman who is and has been making good use of his talents. He is concerned about and involved in civic and community affairs and is "Noble Shriner" insofar as Bagdad Temple is concerned—one who has done much for Masonry and the Shrine and wants to continue. His extreme involvement over the years is what makes our wonderful Shrine Hospitals system what it is.

Bagdad Temple is a small but strong and active Temple and I proudly place in nomination the name of such a capable Noble as Past Potentate Joseph I. Morris for election to a three-year term as a member of the Board of Trustees of the Colorado Corporation. Thank you so much.

IMPERIAL POTENTATE BOWERS: Thank you.

Now, to nominate our next candidate, I recognize Imperial Sir Walker S. Kisselburgh, Imperial Assistant Rabban from Al Malaikah Temple.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs and Fellow Representatives: I have the distinct pleasure and honor to place in nomination for the Board of Trustees for a three-year term a man who has served our great philanthropy, Shriners Hospitals for Crippled Children, for over a decade.

His service record is long and envious and his dedication has been unquestioned as well as his integrity and honesty.

Randy Thomas was elected to the Imperial Divan in 1972 and since then has served on a great number of important committees in the Colorado Corporation. These committee assignments have given him the experience that we need on the Board of Trustees to carry on the important and energetic programs that we are committed to for the next five or ten years. The experience that he has attained has been attained by hard work on those important committees.

Let me give you a brief list of those committee assignments during his eleven years on the Imperial Divan.

First, five years on the Salary and Personnel Committee, three of which he served as Chairman. Two years on the Audit Committee. Five years on the Investment Committee with three years as Chairman, a tremendous experience and responsibility. Nine years on the Long-Range Planning Committee, with one year as Chairman. This is one of our most important committees.

Aside from these important committee assignments, Randy has served as Chairman of the Special Purposes Committee, the most important being the Philadelphia Unit, during which time the Spinal Cord Injury Program was initiated and through his leadership we will open the West Coast Spinal Cord Injury Center at San Francisco and, also, because of his strong support, we were able to revitalize the Spokane Unit.

It is Randy's type of experience that has given the Board of Trustees the insight to make the important decisions that has brought our great philanthropy to the top of the list of all philanthropies.

Randy's business experience has been valuable to us as he progressed through the Imperial Divan. He just recently retired from several successful business enterprises and can devote full time to our Shriners Hospitals for Crippled Children.

Fellow Representatives, I am proud to stand before you and place in nomination Randolph R. Thomas as a candidate to serve the next three years as a member of the Board of Trustees for Shriners Hospitals for Crippled Children. We need his experience and guidance and he needs your vote and support. He is an honest and deserving man. Thank you very much.

IMPERIAL POTENTATE BOWERS: Thank you very much. The Chair next recognizes Thomas C. Yantis, Past Potentate of Suez Temple.

NOBLE THOMAS C. YANTIS [Past Potentate, Suez Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives, Nobles and My Brethren: It is a signal honor for me once again come before this body to place in nomination for a position on the Board of Trustees of Shriners Hospitals for Crippled Children, the name of William E. "Bill" Mattison, Past Potentate of Arabia Temple at Houston.

I know this is not just a popularity contest. Our hospitals are a billion dollar corporation and are growing every day.

We need experience—we need men who have served and who have already proven themselves. There is no school or training ground for this type of operation.

Bill Mattison has already proven himself. He started in the hospital area back in the sixties working with the Houston Unit and also the Galveston Burns Center. He served as Vice Chairman of the Burns Center and has been on all of the committees, Secretary, Vice Chairman and Chairman of the Board of Governors of the Houston Unit in years past.

In 1977, it was my privilege to nominate him for a position as Imperial Trustee in New York. You saw fit to elect him to a three-year term. Again, in 1980, at Cleveland, you re-elected him to this office. These six years of experience have proven what Bill Mattison can do. We know what his record is.

I will not take the time to read all of his personal Masonic data because, unless you are a first-timer here, you probably all know Bill Mattison.

Bill is a successful businessman, President of Houston Slag Material and also on the Board of Directors of the National Slag Association.

He has proven himself in his own business and while he is not retired, he will give almost full time to the hospitals and to the business of the Shrine.

I think you will find that Bill is young enough to have the energy and vitality and to carry out the duties of this office and yet he is mature enough to have the experience and the expertise to do a good job.

Having served admirably in the past, he stands on his record and I think this experience should be retained on that Board.

Therefore, I am happy to place in nomination the name of William E. "Bill" Mattison to succeed himself for a three-year term on the Board of Trustees of Shriners Hospitals for Crippled Children. Thank you.

IMPERIAL POTENTATE BOWERS: Thank you.

The Chair next recognizes Thomas E. Lucas, Past Potentate of Al Chymia Temple.

NOBLE THOMAS E. LUCAS [Past Potentate, Al Chymia Temple]: Imperial Sir, Imperial Sirs and My Fellow Representatives of the Colorado Corporation: I deem it a privilege and pleasure to have an opportunity to nominate a qualified candidate for the position of a Trustee of this corporation for the ensuing term.

The Noble I am going to nominate is Dwight T. Worthy, Past Potentate of Kismet Temple.

I will not beleaguer you with his Masonic and Shrine background. You have all received his brochure and history through the mails and Dwight has taken the time this past year to visit with as many of you as possible in furtherance of his campaign for a Trustee of our hospitals.

I would like to remind you of a special qualification in the field of hospital administration and health care facilities operations, and also his service on the Board of Governors of the Philadelphia Unit. Experience and knowledge in this field would be a welcome addition to our Board in the operation of our great philanthropy.

Nobles, we have the opportunity to realize the services of a professional in the health care field by supporting Dwight T. Worthy, Past Potentate, as a Trustee for the ensuing term. It is with pride that I place the name of Dwight T. Worthy, Past Potentate of Kismet Temple, in nomination for the office of Trustee and solicit your support for this qualified Noble. Thank you.

IMPERIAL POTENTATE BOWERS: Thank you, Tom.

Are there other nominations? Are there other nominations? Hearing none, I declare the nominations for Trustee closed.

Gentlemen, we will use ballot sixteen, the dark green ballot, and you will vote only for two. Again, I must stress that you vote only for two. If you vote for three or one your ballot will become void. Please mark your ballots.

...Balloting and collection of ballots then ensued...

IMPERIAL POTENTATE BOWERS: Has everyone voted that desires to vote? If so, I will declare the ballot closed. (Gavel)

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: At this point, gentlemen, I would like to recognize the Potentate of Al Aska Temple, Illustrious Sir Charles E. Wellong.

NOBLE CHARLES E. WELLONG [Potentate, Al Aska Temple]: Imperial Sir, Imperial Sirs and Representatives: We in Alaska being far removed from some of you here in the States are kind of plagued with transportation problems of our kids to our Shriners Hospitals. Last December, for example, we had six kids to pick up and we only had about \$1,500 in the kitty. It costs around \$1,200 to send one of these kids to a hospital.

Well, one of our Legislators, who is a Noble, took it upon himself and formed a committee and got this particular action underway.

Wien Air Alaska, through the efforts of an individual by the name of Flood, took care of the transportation for these kids free of charge. (Applause)

We do have a plaque to present to the Denver Operations Manager and we also have 500 of these magazines concerning this airline which we would like to pass out to you Nobles sometime tomorrow morning. The magazine is called "Flight Time" and on page 4 of this magazine is a very nice article, which I just showed to the Imperial Sir, concerning our philanthropy.

Let me say that this individual is not a member of the craft but he is a prince of a guy and truly a humanitarian.

For those of you in the area of Wien Air Alaska Airlines, if you fly to Alaska, we would certainly appreciate it if you would use that airline.

Thank you so much, Imperial Sir. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Charlie. I am sure you will see that Mike Andrews gets a copy of this concerning our Public Relations Department, will you not?

NOBLE WELLONG: Yes, Imperial Sir, I will do that.

IMPERIAL POTENTATE BOWERS: Now, I will recognize Joe Howell to present to us the results of the ballot we have been waiting for.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: I give you the result of ballot sixteen for the office of Trustee for a three-year period.

There were a possible 852 votes; 811 actually voted; there were 9 spoiled ballots; necessary for choice was 406.

The votes were distributed as follows: Morris, 149; Worthy, 378; Thomas, 475 and Mattison, 603.

IMPERIAL POTENTATE BOWERS: In accordance with the vote just indicated to you, I declare you have elected as Trustees for a three-year term Bill Mattison and Randolph R. Thomas. Thank you very much. (Applause)

The Chair at this time will recognize Randy Thomas.

PAST IMPERIAL POTENTATE THOMAS: Imperial Sir, Imperial Sirs and Representatives: I promise you that I will continue to give you my one hundred percent effort. Thank you very much. (Applause)

IMPERIAL POTENTATE BOWERS: Therefore, by that, Randy, I take it that you accept? (Laughter)

PAST IMPERIAL POTENTATE THOMAS: Imperial Sir, I do accept this election.

IMPERIAL POTENTATE BOWERS: Thank you, Randy and now, Billy Mattison, do you accept?

NOBLE MATTISON: Thank you, Imperial Sir, I do accept and I do appreciate this third term to which you have elected me. I will try to continue to do a job for the Shriners Hospitals which I love so much. Thank you all so very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, Billy.

Now we will proceed to the election of officers in the Colorado Corporation and I will at this point recognize Imperial Recorder Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following to serve as officers of the Colorado Corporation:

Chairman of the Board—Richard B. Olfene.

For First Vice President—Gene Bracewell.

For Second Vice President—Walker S. Kisselburgh.

For Treasurer—Webber C. Harrington.

For Secretary—Russell H. Anthony.

For Assistant Secretary—Voris King.

Let me say that these names are being presented under the provisions of Section 507.1.

IMPERIAL POTENTATE BOWERS: Thank you. Those are the names that have been placed in nomination. Are there any other nominations?

If not, all in favor of the nominations as presented by Imperial Sir Jones please say aye; contrary no. It is unanimously carried.

Now, for the President of the Board of Directors of the Colorado Corporation there is more than one nominee and, inasmuch as I am involved, I will, upon suggestion made to me, turn the gavel over to Past Imperial Potentate Warren F. Weck for this order of business.

... The gavel was tendered to Past Imperial Potentate Weck...

PAST IMPERIAL POTENTATE WECK: I will ask the nominators for our two candidates to please come forward here and I will also ask the Imperial Recorder, since there are two individuals to be nominated for this position, to prepare for the usual drawing.

... Whereupon, the usual drawing for nominating positions ensued...

PAST IMPERIAL POTENTATE WECK: The Chair recognizes the Chairman of the Jurisprudence and Laws Committee to explain to you what is about to happen. This, I believe, is a little different procedure than that we have followed in previous years.

NOBLE THEODORE CORSONES: Thank you, Imperial Sir Warren.

Nobles, what you are going to vote on now is not usually done. However, it is always permitted to be done.

You are going to vote for the President of the Board of Directors of the Colorado Corporation and once you elect him, by virtue of you electing him, he becomes the Chairman of the Board of Trustees of the Colorado Corporation. Therefore, what you will in effect be doing is electing a Chairman of the Board of Trustees.

Do you all understand? Are there any questions?

If not, I believe we are ready to proceed, Imperial Sir.

PAST IMPERIAL POTENTATE WECK: I believe we are ready to proceed with the nominations and I will first recognize Imperial Sir Voris King.

IMPERIAL SIR VORIS KING: Imperial Sir, Imperial Sirs, Illustrious Representatives All: I deem this one of the great privileges that I have had since you elected me some six years ago as one of your Imperial Officers.

The man that I am going to nominate is a man well-known to all of you here in this room today.

We as Shriners all recognize that our Shrine Hospitals are the heart of Shrinedom and we also know that we are accepted as the most powerful arm in all of Masonry, in that we have been fortunate to have great leadership in the Shrine for these past many years and particularly from the individuals who have served as Chairman of the Board of the Colorado Corporation. To all these men we say "thank you."

However, since I have been an Imperial Officer, a change has been taking place in the operation of our hospitals and there are today considerably more problems that exist than ever before in relation to our various buildings and in relation to the operation of our hospitals.

Each year, for example, tremendous pressures have been put upon us by the regulatory agencies of the cities, counties and states and even by our federal government. Our faithful employees who have served these hospitals out of the goodness of their hearts are passing on and today the surgeons who were truly behind our great cause and many of them who served for little or no pay in the past, are gradually retiring from the service of our hospitals.

Also, every month, as you and I know, new medicines come into being, new developments and these, in turn, necessitate knowledge of a physician-surgeon to be able to deal on a one-to-one basis with all of these problems.

Also, I am sure that probably all of you know that our hospitals budgets today constitute the greatest part of the money which is allocated for our philanthropy.

I assure you that a surgeon who has served in the medical field can discuss with fellow members their mutual problems and can be familiar with what is going on.

As a matter of fact, my candidate, Dr. Bowers, in dealing with the medical personnel and discussing issues with them, cannot only pronounce some of those great big words they use but he can also spell them. (Laughter)

Now, about our building program, something that has been on its way for the past few years.

We all recognize the great fact, of course, that these are on the tresleboard, almost \$150 million in new buildings. Dr. Dan has been on your team and has been a part of planning and working for eleven years to make this great dream become a reality. Further, he has served us this past year as Imperial Potentate and now being retired, he will be able to give one hundred percent of his time to the operation of the hospitals of our great philanthropy.

I solicit your vote today for this great, outstanding Shriner, one of my dearest friends, a true gentleman in every respect and, therefore, I am proud to place in nomination a man who will serve you as Chairman of the Colorado Board, Dr. Daniel E. Bowers. (Applause)

PAST IMPERIAL POTENTATE WECK: Thank you, Voris.

The Chair now recognizes Mahlon Hessey for the purpose of presenting a nomination.

NOBLE MAHLON HESSEY: Mr. Chairman, Imperial Sir, Imperial Sirs and Representatives: I find it somewhat strange to stand before you today to recite a litany of accomplishments for a man so well-known to all of us and so I will not attempt to do so.

W. W. "Woody" Bennett served as Imperial Potentate in 1975-1976. He has served us as a member of the Board of Trustees of the Colorado Corporation since 1971, a period of some twelve years.

What distinguishes one candidate from another? I would like to share with you some of my reasons and thinking.

All of you have received a letter outlining an ambitious program of reconstruction and renovation of our beloved hospitals. Active construction projects have just been completed at Portland, are underway at Tampa and Los Angeles, and are contemplated, subject to your approval later in this session, at Cincinnati, Lexington, Spokane and Twin Cities. In addition, a new hospital has been authorized for Greenville, and a new Spinal Cord Injury Unit is under construction for San Francisco.

You, as members of the Colorado Corporation, have already appropriated in excess of \$100 million for these purposes and you will be asked to appropriate sums at this session.

Such a program requires, nay demands, a qualified business executive at the helm. Woody has that experience. As President of the Bennett Construction Company, he has amassed thirty-eight years of experience in the active management of construction projects with bottom-line experience that cannot be duplicated. Additionally, he has served for sixteen years as Chairman or Vice Chairman of the Building and Equipment Committee which manages the construction projects for the Shrine.

Woody is eligible for election as an Emeritus Member of the Board of Trustees by virtue of his years of service and is legally qualified under the Bylaws of the Colorado Corporation to continue to serve in the capacity of Chairman of the Board of Trustees.

Incidentally, or not so incidentally, he presently holds and has held that position since 1981 as a result of your prior expression of confidence.

Now is not the time for a change.

We have just been through a devious election campaign that contained more than its usual share of bitterness and acrimony. The time demands a person who is decisive without being devious. Woody is that man.

I believe that Woody enjoys the support of a substantial majority of the members of the Joint Boards, those very people with whom he must work. By no means do we mean to drive wedges between colleagues and friends but I think that most of them, along with me, believe that Woody has that remarkable ability to say "no" without injuring feelings, to placate those inflamed in a conciliatory manner, to forge compromise without abandoning principle, and yet is one who retains the ability to make a decision when the occasion demands.

Some time ago, during one of the Presidential campaigns, a small child held up a sign directing one of the Presidential candidates to "bring us together." Today, I hold up that sign to you and implore you to elect the person with both the quality and qualifications to "bring us together."

It is a signal honor for me to place in nomination for President of the Colorado Corporation, the name of W. W. Bennett.

Thank you for your attention. (Applause)

PAST IMPERIAL POTENTATE WECK: Are there further nominations? Are there further nominations? Are there further nominations? Hearing none, I declare the nominations closed.

Let me inform you that we will be using ballot twenty, the light blue. You will vote only for one, please.

...Whereupon, voting and collection of ballots ensued...

PAST IMPERIAL POTENTATE WECK: Has everybody voted that desires to vote? Is there anybody who has not voted? I hear no response and so, at this point, I will declare the ballot closed. (Gavel)

I will now return the gavel to your Imperial Potentate for the conduct of other business.

...The gavel was returned to Imperial Potentate Bowers...

...Business was transacted in the Iowa Corporation at this time...

PAST IMPERIAL POTENTATE WECK: All right, the Chair recognizes Joe Howell for a report on the election that you have been waiting for.

NOBLE JOE HOWELL: Imperial Sir and Representatives: It is with pleasure that I give you the results of ballot twenty for the office of Chairman of the Board of Trustees.

There were a possible 852 votes; 781 actually voted; there were two spoiled ballots; necessary for choice was a majority.

The votes were distributed as follows: Bowers, 301; Bennett, 478.

...Cheers and applause ensued...

PAST IMPERIAL POTENTATE WECK: I declare W. W. Bennett elected to the office of President. Will you please come forward and advise us whether or not you will accept.

PAST IMPERIAL POTENTATE BENNETT: Imperial Sir, I do accept and I want to express to all of you Representatives my appreciation. I will stay in there and work and try to bring all of these projects to fruition and I am going to have Imperial Sir Bowers help me. Thank you very much. (Applause)

PAST IMPERIAL POTENTATE WECK: I will now return the gavel to the Imperial Potentate.

...The gavel was returned to Imperial Potentate Bowers...

IMPERIAL POTENTATE BOWERS: Thank you, Woody and, gentlemen, you have expressed yourselves.

In all elections of this type, there is no intent to get personalities involved because we are all one and the same and working for the same purpose. It is just that you Representatives have now made your decision and so we go on as usual. Let me say there is no uncomfortable feeling on my part. Thank you very much for making your decision and I will go to bed tonight not having shed any tears because I know I will continue to work for you and the Shrine as I did before. So I am not a bit uncomfortable and thank you very much. (Applause)

I will now recognize our Imperial Recorder, Jack Jones.

MORNING SESSION
 THURSDAY, JULY 7, 1983
 NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Denver Hilton Hotel, Denver, Colorado, at nine o'clock a.m., Imperial Potentate Dr. Daniel E. Bowers, presiding.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: I would now like to call upon Charles Wellong, Potentate of Al Aska Temple.

NOBLE CHARLES WELLONG [Potentate, Al Aska Temple]: Imperial Sir, Imperial Sirs and Most Worshipful Sirs and Shriners All: I would like to thank you on behalf of Al Aska Temple for allowing me to present to you Mr. Tom DeNardin, who is the Area Sales Manager for Wien Air Alaska Airlines.

The magazine that I promised you yesterday has been circulated and I am sure that if you read page 4 thereof, you will understand what this airline has done for Al Aska Temple.

At this time, Imperial Sir, if I may be permitted to do so, I would like to present this plaque of appreciation to Mr. DeNardin as a token of appreciation for what the airline has done for Al Aska Temple.

... Presentation of plaque and rising applause ensued...

MR. TOM DENARDIN [Wien Air Alaska Airlines]: Thank you very much for the presentation of this plaque.

As you know, we receive many plaques in the airline business but not a plaque that means as much to us as we have enjoyed in working with a group of men of your caliber. I am sorry Mr. Flood is not here at this time because he would probably be accepting this with a few tears in his eyes.

However, all I can say for Mr. Flood now, who owns the airline, is that our bind is now that much greater. Thank you very, very much. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you very much, Mr. DeNardin.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: I will now recognize the Chairman of the Board of Trustees, Woody Bennett, for his report.

PAST IMPERIAL POTENTATE W. W. BENNETT [Chairman, Board of Trustees]: This is a report on your hospitals.

Imperial Sir, Imperial Sirs, Fellow Representatives and Distinguished Nobles All: The Colorado Corporation Bylaws state that the President shall "prepare and present at all Annual Meetings, a report of matters pertaining to the operations and transactions of the hospitals." That report is hereby presented to you now.

Before proceeding, may I say that it has been a great pleasure working with Imperial Sir Bowers this year. Dan has been so dedicated to the hospitals' programs and has allowed us the free reins necessary to keep the momentum going for the sake of the hospitals. Without Imperial Sir Dan's support, the job would have been more difficult to accomplish. I am extremely grateful to you, Imperial Sir, and wish to thank you very much.

The past year has been a busy one with meetings and activities.

Before proceeding, may I have the great pleasure of stating that all hospital Units carry a two-year accreditation. The hospitals that have been reviewed in 1983 carry a three-year accreditation. This speaks very highly of the local Boards of Governors, the Administrators, Chiefs of Staff, Directors of Nursing and the staff that supports our hospitals. With the high standards and excellent care that they have given the children, we must all be proud that our hospitals are of such caliber.

Last fall, the Administrators and Chiefs of Staff met in Honolulu. The seminar started with the two groups meeting together and later meeting separately. It gave the Administrators a great opportunity to discuss their operational problems. The Chiefs of Staff presented papers and discussions, slides etc., to exchange new ideas and new techniques. It was a very successful meeting and was well attended.

This month there is a meeting scheduled for the Chairman of the Boards of Governors and Administrators in Portland. They will be introduced to the newly installed computer system planned for all our Units in the next two years. They will be given the opportunity to discuss legal matters and budgetary procedures. They will also be given the opportunity of directing questions to the Chairman of the Board of Trustees and National Office staff.

Last month, the First Harvey Beffa Seminar, which is paid for by the Harvey Beffa Foundation, was held in Cincinnati, to bring all of the people together who operate the three Burns Institutes. This gave the Chiefs of Staff an opportunity not only to become better acquainted with each other but to discuss the different types of research and protocols that will be done in their Units. This was well attended and it is planned that this will be an annual event. The next meeting is scheduled for Boston during Imperial Sir Richard Olfene's reign.

To give you a history of the Long-Range Planning Committee and its operations, may I explain to you how the Building and Equipment Committee functions with them.

The Chairman of the Board of Trustees and the Imperial Potentate have set up special committees for each hospital Unit which continually review the operations of the Units. Their report is submitted to the Long-Range Planning Committee and is thoroughly discussed and their conclusion referred to the Joint Boards. If the report is in the affirmative, then it directs the Building and Equipment Committee to carry out their recommendations.

There has been a Special Committee selected to interview architects and to select a consultant architect to write a set of standards consisting of room sizes, types of material, equipment and furnishings and other matters so that whenever the Building and Equipment Committee is requested to make changes, renovations or additions, we will eliminate re-inventing the wheel for each construction project.

I will report to you on several of the Units, in condensed form, trying to inform you as to the special things that are going on in each of the Units. Imperial Sir Walker Kisselburgh will have additional comments later on with respect to some of the Units which involves the Long-Range Planning Committee.

CHICAGO: The new facility is functioning as designed and constructed and has been very efficient, with very few problems. The hospital is very active, with approximately 900 admissions this year and over 6,200 outpatients. A Spinal Cord Injury Program is now in operation, which will serve the midwest. This Unit

will also have a Research Department and, at the present time, we are still searching for a new Director of Research.

ERIE: This Unit has improved performance in every way during the past three years. A new Assistant Surgeon has been added. This Unit is also known for its screening programs of curvatures of the spine. The program started in 1975 and over 26,000 children have been screened to this date. This hospital serves as a referral center for Northwestern Pennsylvania, Western New York and Eastern Ohio. Plans are underway for renovations and additions to this Unit which will alleviate some crowded conditions and will meet the agencies' requirements.

GREENVILLE: This is a very active hospital and has had considerable renovations consisting of the outpatient area and the x-ray Department, and many other areas that were necessary to meet agency requirements. This Unit shows an increase in operations in all departments. The Special Committee has spent considerable time looking for a new site to build a new Unit and plans to report back to the Joint Boards in October their recommendations as to a new location.

HONOLULU: Activities in this Unit vary considerably due to the fact that many of their patients are from the Pacific Basin and have difficulty with availability of transportation and also require a longer stay due to the long distance some of the children must travel. Renovation at this Unit now consists of office renovation, auditorium and extra parking facilities.

HOUSTON: This Unit has one of our newest appointed Chiefs of Staff, who is performing in an excellent manner. The activities of this Unit increase each year and there is a complete renovation program of the business office. They have also just completed an auditorium and other additions to make this a more viable Unit. The medical staff uses micro-surgery techniques for some of the complicated cases.

INTERMOUNTAIN: The activities in this Unit have not been high but the quality has been supreme and still continues to have one of the most active food caravans, which helps the hospital to keep down their food costs. An extensive remodeling program has been planned, which consists of outpatient clinics, medical records, operating suites and upgrading the mechanical and electrical systems.

LOS ANGELES: The reconstruction program in this Unit is proceeding on schedule and, when completed, will certainly be an outstanding Unit to have in our system. Completion is expected in December of 1984.

MEXICO CITY: The recently appointed Chief of Staff has developed an excellent active staff. The quality of work in this hospital continues to be high. A complete kitchen renovation program is underway. With all of our other problems, we are constantly faced with outside interference from time to time. This past year, we have been confronted either with the threat of a strike or some type of disruption which has occurred in three of your Units. Even though we are able to get these problems settled, it does take time, effort and expense in case they should come to fruition.

PHILADELPHIA: This hospital began on a very active level and continues to improve. It has the availability of teaching and patient care is of the highest quality and was the first Unit to establish the Spinal Cord Injury Program. It has been so successful in caring for children who have been injured in sports-related activities such as swimming, football and other active sports. One of the greatest things that the Shrine Hospitals is doing for these patients is to give them a feeling of getting back their self-worth.

PORTLAND: They have just moved into their new hospital, which was a total replacement of their old hospital. They have reported that everything has gone beautifully and are more than pleased with their new facility. This Unit also has a new Director of Research who is developing his staff and beginning to work on research and new protocols as recommended.

ST. LOUIS: This Unit is one of our most active Units. The workload is full-time and the quality is excellent. There are many departments that need to be evaluated as to a renovation program. A new Metabolic Unit has been established and is staffed to care for patients.

SAN FRANCISCO: The addition of a new Spinal Cord Injury Program will increase the activities. This will provide a much needed service to children on the

West Coast. San Francisco is one of our newer Units. The building has been kept in excellent condition.

SHREVEPORT: This is a very active Unit and it is planned that construction for their new facility will start in September, 1983, and will be completed in 1985. The Unit has moved from its old facilities to temporary facilities so that the entire site may be cleaned and made available for the construction of the new facility. The new Unit will have many outstanding characteristics, such as family-centered care, which was not possible in the old Unit.

SPRINGFIELD: High quality care under excellent leadership. Producing well under some adverse physical plant conditions. Known nationally for work in limb deficiency care and use of artificial limbs. For the first time, the Shrine Hospitals have a Fellowship for professionals in the Prosthetic and Orthotic Department. The Fellowship has been awarded to a young woman from New York University. This special study has been presented to the Planning Commission, subject to the recommendation of the Joint Boards.

SPOKANE: This Unit has improved over the last few years and has become more active in every way. Medical staff is performing well with added vigor. Two new resident affiliations have been added. This Unit continues to actively screen scoliosis patients with the use of the Morie camera. This Unit has been under the observation of a Special Committee, which constantly reports improvement and greater activity.

TWIN CITIES: Again, we are faced with an old Unit which is under study by the Special Committee as to their recommendations on how they should proceed in keeping the high standards necessary in all Units. Another instance of improved activity and good quality care under new leadership. A new Administrator has just been appointed and it is expected that new leadership will bring this Unit to new horizons. This Unit is also well-known for its care of limb deficiencies and rehabilitation of such patients. It continues to use a highly sophisticated Myo electric arm for patients with limb deficiencies.

MONTREAL: The new Chief of Staff is one of the most highly respected young children's orthopedic surgeons in North America. He is performing with great effort, interest and understanding. The Orthopedic Research Unit is one of the most highly respected in the world. The efforts in the Research Laboratory Center are on work in juvenile rheumatoid arthritis, genetics and rickets. The hospital is now looking to improve the patient areas by reducing nine and ten-bed wards to three and four-bed units. It is now planned that an addition and renovation program will be underway in the very near future and it is hoped that the project will be completed in 1985.

BOSTON: Under the leadership of a recently appointed Chief of Staff, this Unit continues to function with high quality care and efficiency, both in clinical care and research. This Unit is in need of some minor renovations in the very near future to meet the necessary requirements.

GALVESTON: An excellent, highly qualified young Chief of Staff, proficient in clinical care and research, is performing in an outstanding manner. The number of greater percentage acutely burned patients and those with more complicated burns have doubled. Burn research regarding the little known area of inhalation burns has started. The entire research activity in this hospital has been improved.

CINCINNATI: Research activities have improved here in the past two years. There are improved relations between the affiliated university and Shriners Hospital due to change in attitude of the university. This hospital is bursting at the seams. It was in the hands of the Building and Equipment Committee to proceed with an extensive addition and remodeling program. After many months of study, it was concluded by the Joint Boards, that we would study the possibility of a new site and new facility, as there are not adequate grounds available for medical needs.

TAMPA: Although this hospital is not open, we have a Chief of Staff recently selected. We were fortunate in recruiting one of the most highly respected of the young children's orthopedic surgeons. He is not only highly qualified in clinical care but is already renown for his research. Construction is underway with the new facilities and appears to be on schedule. Work is estimated to be completed in mid-summer of 1984.

Now, I would like to make one other comment that I have not written down here so that you know and that is this—as long as we have city, county, state and federal agencies, we are going to be making changes every month in some hospitals because they all keep adding to it. Therefore, when that happens, I do not want you to be surprised.

Now, I would like to continue in relation to the program of building and renovation, certainly in our hospital Units.

Now you all have received a letter under date of June 1, 1983, signed by your Imperial Potentate, Dr. Daniel E. Bowers and the Chairman of the Board of Trustees. I will now recognize Ted Corsones for the purpose of presenting this item of business to you.

NOBLE THEODORE CORSONES: Thank you, Imperial Sir Woody. I am going to read you the letter so that we have it as a part of our record and I will move right along. The letter reads as follows:

To the Representatives and Members of the Colorado Corporation:

This letter is being sent to you with the Call for the Annual Session of Shriners Hospitals for Crippled Children, a Colorado Corporation, in compliance with a resolution unanimously adopted and endorsed by all members of the Joint Boards of Directors and Trustees of the Colorado Corporation.

Our intent is to inform you, in advance of the Session, of the progress which the Joint Boards have made in developing a proposed program of renovation, modernization and rebuilding of several units in our hospital system. This must be done so that we can continue to maintain the level of professional excellence of our hospital units.

Within the past five years, you, the members of the Colorado Corporation, have authorized the construction of replacement facilities in Chicago, Portland, Shreveport and the construction of an additional new hospital unit in Tampa. The Chicago and Portland hospitals have been completed. They are considered the state of the art in specialized pediatric-orthopedic units. The construction of the new hospital unit in Tampa is underway and the building is expected to be completed on schedule. Architectural plans for a new Shreveport Hospital to be constructed on its present site are being finalized. We shall be seeking construction bids shortly in Shreveport.

A complete renovation of the Los Angeles hospital is likewise underway; it also will be completed on schedule. Likewise, two separate renovation projects—one to house teen-age patients and the other to provide additional out-patient facilities and to renovate existing in-patient areas, are almost ready to go out for construction bids in Erie. In addition, plans are progressing nicely for major redesign of the patient care area, outpatient clinic area and surgical suite at our Montreal Hospital. Our Houston and St. Louis Hospitals have recently completed their most recent renovation plans.

All of our hospital units are operated as a part of a pediatric hospital system which has justly earned the right to be characterized as "the world's greatest philanthropy." In order to keep pace with modern medical technology, we must assure that each Shriners Hospital bearing our name has an up-to-date physical plant and the latest in needed equipment to provide optimum medical care and treatment for crippled and burned children.

With this in mind, your Joint Boards of Directors and Trustees within the past year specifically commissioned its Planning Committee to study, review and assess the needs of several of our other units in respect to possible renovation, rebuilding and/or capital improvements. In addition, Special Purpose Committees have been appointed for several hospital units. These Special Purpose Committees, working in conjunction with local Boards of Governors and within the guidelines promulgated by the Planning Committee, have availed themselves of the finest professional consultants in the hospital field to analyze the health care needs of the particular hospital region and develop long-range master physical planning for these hospitals.

During the past year, much of the work of the Planning Committee, the Buildings and Equipment Committee, the Special Purpose Committees and the Joint Boards of Directors and Trustees has been devoted to the studies and evaluations of the

Cincinnati, Greenville, Intermountain, Lexington, Philadelphia, San Francisco, Spokane, Springfield and the Twin Cities Units. These studies, in various stages of review at present, have led these Joint Boards to unanimously conclude that a consolidated program of rebuilding, modernization or renovation be submitted to you for your consideration and approval with respect, to several of these units, and that the Members of the Colorado Corporation authorize your Joint Boards to implement such recommendations of your Directors, Trustees, professional consultants and advisers.

To the end that you, as a responsible voting member of the Colorado Corporation, may be fully informed, the Joint Boards have directed that we write this letter to you, briefly outlining the programs which shall be recommended at the Annual Session in Denver. You will be asked to vote favorably upon a resolution which will authorize the construction of a replacement burns facility in Cincinnati. This will be built on a site to be acquired by the Joint Boards, either by purchase or long-term lease. Its location will be either on the University of Cincinnati Medical Complex Campus at the University of Cincinnati, or on an alternative site in the metropolitan area of Cincinnati. You will also be asked to authorize the Joint Boards of Directors and Trustees to dispose of the existing facility on such terms and conditions as are provided in the present Lease Indenture with the University of Cincinnati, or on such other terms as may be negotiated by our Joint Boards, once construction is completed. You will be asked to vote favorably upon a resolution authorizing the construction of a replacement pediatric-orthopedic hospital on our existing site in Lexington, with a bed capacity for fifty patients and designed so that it can be increased in size, should demand warrant it, and the appropriation of funds for the replacement facility.

You will be asked to vote favorably upon a resolution to authorize the Joint Boards of Directors and Trustees to develop a program and functional plan for expansion of services for the Spokane hospital unit. To this end, the Joint Boards, the Planning Committee, the Spokane Special Purpose Committee in conjunction with the central office staff and its hospital advisers should be instructed to develop such a program and functional plan, which shall encompass giving consideration to alternatives with respect to the expansion of services, affiliating with a major medical complex in the Spokane area, and the renovation or rehabilitation of the present facility, or the replacement of the present facility, either on the existing site or on an appropriate site in or near a major medical complex in Spokane.

You will be asked to vote favorably on a resolution to authorize the creation of a new spinal cord injury program for the West, and that such program be established and undertaken at the San Francisco Unit to be located in space currently available within the San Francisco Unit, and that said unit be remodeled and renovated as necessary to accomplish such a program. You will be asked to vote favorably on a resolution to authorize and approve renovation plans for the Twin Cities Unit for remodeling the surgical suite and central service area to meet state health and Joint Commission Accreditation requirements. Further, you will be asked to authorize and empower the Joint Boards to employ such professional architects and consultants as necessary to develop a long-range master physical plan for the Twin Cities Unit including a review of the existing facility site, as well as alternate sites available in the Twin Cities area.

You will be asked to vote favorably upon a resolution authorizing the appropriation of funds of the corporation for the implementation of such programs as are approved by you, including acquisition of an appropriate site for rebuilding the Cincinnati Unit, and for the Greenville, Spokane and Twin Cities Units, if necessary. Lastly, you will be asked to vote favorably upon a resolution in accordance with Sections 508.7 and 510.1(b)(1) of the Bylaws of the Colorado Corporation, that the Boards of Trustees and the Committee on Buildings and Equipment be authorized, empowered and directed to take such steps as appropriate and consistent with the Bylaws of the corporation to fully implement all provisions of these several resolutions with deliberate speed, but no later than 1992, making progress reports to the Members of this Corporation at its Annual Session meetings from time to time.

Our Treasurer, Executive Vice President and Controller have prepared long-range projections of our operating revenues and expenses and funds available for Capital

Expenditures to ascertain that we are proceeding on a sound financial basis. These long-range projections will be updated at least annually to assure the Joint Boards and you, the Members of the Colorado Corporation, that our decisions are based on a sound financial plan. On behalf of each member of the Board of Directors and the Board of Trustees, we wish to assure you that the several proposals outlined above are the result of prodigious deliberation and study. Further, we believe the adoption and implementation of these proposals are in the best interests of our beloved philanthropy and are necessary in providing optimum and compassionate coordinated medical care and treatment for our crippled and burned children, to whom we have eternally dedicated our energies and resources.

Fraternally yours,

/s/ Daniel E. Bowers, M.D.

Daniel E. Bowers, M.D., Imperial
Potentate and Chairman of the Board
of Directors, Shriners Hospitals for
Crippled Children

/s/ W. W. Bennett

W. W. Bennett, President and Chairman
of the Board of Trustees, Shriners
Hospitals for Crippled Children

PAST IMPERIAL POTENTATE BENNETT: Thank you very much, Ted.

At this point, I am going to call upon Imperial Sir Walker Kisselburgh, who will give you a continuation of the program and who Chairs the Long Range Planning Committee.

IMPERIAL SIR KISSELBURGH: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives: As Chairman of the Planning Committee of the Colorado Corporation, I have been given the assignment to further explain the resolution that you will soon be asked to vote favorably on but before I do that, I wish to state, as Chairman of the Endowments, Wills and Gifts Committee, that we are very fortunate to have the money to bring our Units up to the "state of the art" and make them the Centers of Excellence for the future.

The number of wills that we are probating each year is increasing as well as the amount of new monies received. We are very fortunate to have a hard working EWG Committee that is out telling our famous Shrine Story to all those who want to hear it.

You will be hearing from our Imperial Treasurer, Webb Harrington, concerning the financial projections and our financial condition.

With this in mind, your Joint Boards of Directors and Trustees, within the past year, commissioned the Long Range Planning Committee to study, review and assess the needs of several of our Units in respect to possible renovation, rebuilding and capital improvements.

Accepting this assignment, your Planning Committee has had a very active year and with the assistance of the various Special Purpose Committees, we have reported to the Joint Boards of Directors and Trustees, that the following Units are in immediate need and attention—Cincinnati, Lexington, Spokane, Spinal Cord Injury Center for the West, and the Twin Cities Units. I will take them up with you one by one and give you further explanation as to the needs.

CINCINNATI BURNS UNIT: This Unit was to have had some major remodeling which would have cost us some \$9 million or \$10 million, which still would have left us with problems down the road, such as inadequate space, etc., and so it was felt by your Long Range Planning Committee to reevaluate our plans and we have approached the University of Cincinnati and they have offered, on a very long-term lease at a dollar a year, two or three larger sites on which we can build a larger and more efficient Burns Unit which would give us a "Burns Center of Excellence" for the next twenty or thirty years.

We ask your support to authorize the Joint Boards of Directors and Trustees to dispose of the existing facility on such terms and conditions as are provided in the present lease indenture with the University of Cincinnati, or on such other terms as may be negotiated by our Joint Boards, once construction is completed.

LEXINGTON UNIT: This facility, the predecessor of which was donated to us by Oleika Temple in 1926, has served us well over the past near sixty years, but it is worn out and the Unit is considered quite inadequate by present-day medical standards. We have been strongly advised by an engineer-architectural firm, to replace it with a modern and medically efficient building. This beautiful edifice will be constructed on the same magnificent property as the present site. The estimated cost will be \$20 million.

We ask your support to authorize the construction of a replacement pediatric-orthopedic hospital on our existing site in Lexington, with a bed capacity for fifty patients and designed so that it can be increased in size should demand warrant it.

SPOKANE UNIT: This Unit has had a dramatic increase in the number of applications received, number of patients admitted and improved length of stay and operations performed. The Shriners in the Pacific Northwest should be congratulated for turning that Unit around.

The present structure was built in 1924 and we need to look at it very carefully.

We ask you to authorize the Joint Boards of Directors and Trustees to develop a program and functional plan for expansion of service for the Spokane Unit. We also ask you to instruct the Boards, the Spokane Special Purpose Committee in conjunction with the Central Office staff and its hospital advisers, to develop a program and functional plan which shall encompass affiliating with a major medical complex in the Spokane area and the renovation or rehabilitation of the present facility or the replacement of the present facility, either on the existing site or on an appropriate site in or near a major medical complex in Spokane.

SPINAL CORD INJURY CENTER FOR THE WEST: Our Spinal Cord Injury Center in Philadelphia has been very successful in helping children to rehabilitate themselves by teaching the paraplegic or quadriplegic children to feed themselves, clothe themselves and how to go to the bathroom. We are the first organization to enter this field to help the children under the age of eighteen. These kids have suffered spinal cord injuries from diving boards, auto accidents and athletic contests.

Our program has been so successful in the East that we just recently authorized our Chicago Unit to be the Spinal Cord Injury Center for the Midwest.

We ask your support to authorize the creation of an eight-bed new Spinal Cord Injury Center for the West, to be located in our San Francisco Unit, in space currently available within that Unit and that the San Francisco Unit be remodeled and renovated as necessary to accomplish such a program.

TWIN CITIES UNIT: This Unit was opened in 1923 and is suffering from old age and to satisfy the JCAH we are constantly spending money to patch it up. The Unit is located on a beautiful piece of property overlooking the river separating St. Paul and Minneapolis.

We ask you to authorize and approve renovation plans for the Twin Cities Unit for remodeling surgical suite and central service area to meet state health and Joint Commission on Accreditation requirements. Further, we ask you to authorize and empower the Joint Boards to employ such professional architects and consultants as necessary to develop a long range master physical plan for the Twin Cities Unit, including a review of the existing facility site, as well as alternate sites available in the Twin Cities area.

You Representatives will be asked to vote favorably upon a General Resolution authorizing the appropriation of funds of the corporation for the implementation of such programs as are approved by you, including acquisition of an appropriate site for rebuilding the Cincinnati Unit, Lexington Unit, and for the Greenville, Spokane and Twin Cities Units, if necessary.

You Representatives are taking part in the exciting and challenging future of our Shriners Hospitals for Crippled and Burned Children and I know, like me, you are proud of being a part of it.

Thank you. (Applause)

PAST IMPERIAL POTENTATE BENNETT: Thank you, Walker.

Now, Representatives, I would like to call upon the Treasurer of the Colorado Corporation, Imperial Sir Webber Harrington, for a report on the status of the capital reserve funds.

IMPERIAL SIR HARRINGTON: Thank you, Mr. Chairman.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives:

Like you, I have been thrilled to hear the report of the Chairman of the Board of Trustees regarding the tremendous progress which we have made or contemplate making in the renovation, rebuilding or replacement of our Orthopedic and Burns Units. A very appropriate question is, "Do we have the resources to do all of this between now and 1992?"

It has been my privilege to be a member of the Long Range Planning, Investment and Budget Committees during the past three years during which much of this program has been considered and partially carried out. I also have been privileged to serve on several of the Special Purpose Committees, including Chicago, Erie, Spokane, Intermountain, Shreveport and the Southeast Study Committee. During all of the deliberations of these committees, the one thing that has been uppermost in my mind has been the financial stability of the Colorado Corporation in the face of rapidly accelerating medical care costs and a large building program. I have not been alone in these concerns, and I can assure you that each project contemplated has been carefully considered, not only with respect to need, but also our ability to finance the project.

It is obvious that we must approach this overall rebuilding program on a planned basis, with probably no more than one or two major building projects being undertaken each year. By so doing, we can guard against any unforeseen changes in economic conditions, tax laws relating to charitable organizations, or degree of support for our great philanthropy.

The Imperial Treasurer, Executive Vice President and Controller have prepared long range projections of our operating revenues and expenses and funds available for capital expenditures based upon several different sets of assumptions. These projections have been reviewed with the Long Range Planning Committee and the Board of Trustees.

At the present time we feel that the most likely occurrence would be that operating revenues and expenses would increase at a rate of 7.5 percent per year. If that should be the case, we would accumulate an excess of revenues over expenses of \$130 million during the nine year period 1983 through 1991. This figure could be drastically reduced if expenses should increase at a greater rate than revenues. However, if that should happen we have the ability to assess our position well in advance of any serious financial problem, and could take steps to cut back on our building projects or stretch them out over a greater period of time.

You have received a copy of the Book of Reports of Shriners Hospitals for Crippled Children. If you will refer to page 4 of that report you will find that the balance in our capital reserve and building funds at December 31, 1982 was \$79,291,571. The Joint Boards in session this past week approved the transfer of \$25,000,000 from operating funds to capital reserve and building funds. The pro-forma status of the capital reserve and building funds may be summarized as follows:

Balance at December 31, 1982	\$ 79,291,571
Transfer from Operating Funds—June, 1983	25,000,000
	<u>\$104,291,571</u>
Construction and Major Renovations—Unexpended Appropriations at December 31, 1982	102,391,937
Excess of Capital Reserve Over Unexpended Appropriations	<u>\$ 1,899,634</u>

The above figures include a \$10,000 appropriation for Cincinnati Unit referred to previously. We anticipate being able to transfer at least \$15,000,000 from operating funds to capital reserve funds in 1984 and we estimate that investment income on the capital reserve fund will approximate \$8,000,000. Also, we estimate approximately \$3.5 million will be transferred to this fund in 1984, representing the depreciation reserve. The total of these estimated increments for 1984 aggregate \$26.5 million. Also, I would call to your attention the fact that there is a period of several years from the start of planning on a major project and the completion of construction.

It is my opinion that we are proceeding on a sound financial basis and that the Board of Trustees will continue to proceed on a conservative basis as it reviews the proposed renovation and rebuilding program.

With that, Mr. Chairman, I turn it back to you. (Applause)

PAST IMPERIAL POTENTATE BENNETT: Thank you, Webb.

Now, fellow Representatives, the Joint Boards have suggested the following resolution for your adoption and I am going to call on Illustrious Mahlon Hessey to present the resolution.

NOBLE MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: The resolution I present is as follows:

WHEREAS, the Boards of Directors and Trustees of the Colorado Corporation ("Joint Boards") have received and unanimously approved the recommendations of the Planning Committee concerning its study, review, and assessment of the needs of several of our Hospital Units with respect to possible renovation, rebuilding and/or capital improvements; and

WHEREAS, notice of the recommendations of the Joint Boards was given to all members of this Corporation by letter dated June 1, 1983; and

WHEREAS, the comprehensive nature of the recommendations is such that the Joint Boards believe that such recommendations should be considered as a whole by the Members of the Colorado Corporation;

NOW THEREFORE BE IT RESOLVED, that the recommendations of the Joint Boards as set forth in the letter of June 1, 1983, to all Members of this Corporation, as amplified by the Chairman of the Board of Trustees, the Chairman of the Planning Committee, and the Treasurer, in their reports to this meeting, be, and the same are, hereby adopted and approved; and

FURTHER RESOLVED, that funds of this Corporation for the implementation of this Resolution be included in future capital budgets; and

FURTHER RESOLVED, that in accordance with Sections 508.7 and 510.1(b)(1), the Board of Trustees and the Committee on Buildings and Equipment be hereby authorized, empowered and directed to take such steps as are appropriate and consistent with the Bylaws of the Corporation to fully implement all provisions of this Resolution with deliberate speed, making progress reports to the Members of this Corporation at its annual meetings from time to time until the provisions of this Resolution are fully implemented.

Imperial Sir, I would move for the adoption of the resolution as just presented.

... The motion was severally seconded...

PAST IMPERIAL POTENTATE BENNETT: Thank you.

You will now hear from Ted Corsones, Chairman of the Jurisprudence and Laws Committee, for a report on the resolution.

NOBLE THEODORE CORSONES [Reading]: To the members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws the resolution just recited by the Chairman of the Board of Trustees. Unless requested by you, I will not read the resolution again.

The committee reports that the resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Theodore Corsones, Chairman
Walter S. Pettit, Jr.
Edward G. Maag
Robert E. Cooper
Gordon H. Harris
Robert C. Lake, Jr.
Robert W. Morrison

If there are no questions concerning this report, it is now appropriate for the Chairman of the Board of Trustees to move the adoption and implementation of the resolution.

PAST IMPERIAL POTENTATE BENNETT: I move the adoption and implementation of the resolution.

...The motion was severally seconded...

IMPERIAL POTENTATE BOWERS: Are there any questions? You have a motion and a second to adopt the resolution as presented. Is there any discussion?

If not, all those in favor say eye; contrary no. Beautiful. The resolution is adopted by unanimous vote—by the necessary affirmative votes required by the Bylaws. (Applause)

Thank you, gentlemen.

May I again say this to you—thank you very much for the adoption of this resolution. It is something, I am sure you will agree, that is very, very important to our philanthropy.

Now, in this connection, I would like to tell you something that was brought to my attention here yesterday.

There were two children burned here in Denver, ninety-five percent burned, and they were sent immediately to the Boston Unit. I am sure you know why this happened—because the family of these children heard of our great program due to our presence here and, as a result, those two children were sent to Boston.

Is Fred Spencer here? Fred, would you like to tell us a little bit more about this?

NOBLE FREDERICK A. SPENCER [Chairman, Board of Governors, Boston Burns Institute]: This morning, Imperial Sir, just prior to the commencement of this meeting, I received a call from my Administrator, who is also in attendance at this convention, and he said to me that he had received a call from Boston that there has been a tremendous amount of support on the part of the newspapers and television telling of this incident that happened here in Denver to two brothers about ages seven and eight. As I understand the story, they were cleaning some paint with some kind of liquid and somebody lit a match and it caught them on fire. I do not know any more than just that.

Of course, we are going to render them the best care possible and I am sure they will attend to these boys and bring them back to health.

However, to think about what we have done here and this great program you have just voted your approval on to carry on that work, certainly makes us all proud to be Shriners and I am glad to be of service to this great organization. Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE BOWERS: For those of you who may not know it, Fred Spencer is the Chairman of the Boston Burns Unit.

NOBLE FLOYD A. RUMMEL, JR. [Potentate, Korein Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Floyd Rummel and I am Potentate of Korein Temple.

With regard to those two children, they were burned at Casper, Wyoming, and it was Korein Temple that made arrangements to get them to Boston. I just wanted to set the record straight. (Applause)

IMPERIAL POTENTATE BOWERS: Thank you, sir. However, I think the great thing about all of this concerns the great publicity we have received through the media while this convention was convening here in Denver. The papers each day have given us excellent publicity and we have been very fortunate to have that type of response from the local people.

Also, I want to comment upon something else concerning Woody's report and this concerns the great research program that is to be carried on.

We just did hire a researcher from Europe and he will be located at the Portland Unit and, through these types of efforts, it is possible that in connection with that Unit in the years ahead, we may even be able to achieve a Nobel Prize. If that should occur, then we would certainly be a most outstanding institution. At any rate, this is a possibility and this is the type of work your Trustees and Directors are attempting to promote for us in the future.

It is far in excess of what you gentlemen may think sometimes in relation to what we are trying to accomplish in that field. Therefore, I thank you all, in behalf of Woody and myself, for what you have just done here this morning.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: We will now stand in recess until one-thirty, fellows. Enjoy your lunch.

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at eleven-fifty-five o'clock a.m. ...

AFTERNOON SESSION
THURSDAY, JULY 7, 1983
ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Denver Hilton Hotel, Denver, Colorado, at one-thirty o'clock p.m., Imperial Potentate Dr. Daniel E. Bowers, presiding.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE BOWERS: We will now proceed to a consideration of Item 30 in the Call and for that I will recognize Mr. Maag.

NOBLE EDWARD MAAG: To the Members of the Colorado Corporation and to the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal identified as No. 30 in the Call, by Thomas E. Lucas, Representative of Al Chymia Temple, to amend Section 505.5 of Article 5 of the Bylaws of the Colorado Corporation. Your committee has met with the proponent and the proponent has agreed to amend the proposal that appears in the Call of the session so that it reads as follows:

Section 505.5 Joint Meetings with Other Organizations

(a) If convenient, meetings of this corporation may be held jointly with meetings of any other organization.

(b) This Corporation may pay an equitable and reasonable share of the expenses of such joint meetings beginning in 1984 and thereafter.

The method of calculating this corporation's share of the expenses of such joint meetings shall be as determined by the Finance and Accounts Committee and approved by the members of this corporation.

The General Counsel shall annually render his written opinion to the members of this corporation that the method of calculating this corporation's share of said expenses will not impair the charitable status of the corporation under the laws of the United States and will be consistent with the Articles of Incorporation and the Bylaws.

The committee reports that the proposal and the proposal, as amended, are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Theodore Corsones, Chairman
Walter S. Pettit, Jr.
Edward G. Maag
Robert E. Cooper
Gordon H. Harris
Robert C. Lake, Jr.
Robert W. Morrison

In order to bring this matter onto the floor for discussion, I move that the proposal, Item 30 in the Call, be amended so that it will be in accord with the amendment just read to you, and I would so move.

... The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: You have the motion and the second before you which is the adoption of Item 30 as presented in the Call, as amended. Is there discussion?

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, a parliamentary inquiry, if you please.

Is the vote you are about to take a vote which would adopt this proposal or simply amend the proposal so that it can be discussed and then put on the floor for adoption or rejection?

IMPERIAL POTENTATE BOWERS: It is simply to amend.

NOBLE THOMAS LUCAS [Al Chymia Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: This I do not consider a form of an amendment.

Due to some mix-up in communications, this proposal would have been in proper form when it came out in the Call. However, I was not advised until noon yesterday that there could be some legalities come up on this and I met with the committee at noon yesterday and we agreed to change my original verbiage in there so that it would not be in conflict with any of our laws and leave it all legal within the law.

Let me say that I agreed to "emend" my original motion—not "amend," not corrected to show that.

I offered an opportunity to the Imperial Counsel back earlier in the year to attend a meeting down in Tampa and make whatever changes needed to be made but due to a mix-up in communications that did not take place. However, in cooperation with Imperial Counsel, I did agree to the new verbiage—again, to "emend" and not "amend."

IMPERIAL POTENTATE BOWERS: Thank you, Tom.

REPRESENTATIVE: May I ask, Imperial Sir, as to the purpose of this amendment?

IMPERIAL POTENTATE BOWERS: I will recognize Mr. Corsones to answer that question.

NOBLE THEODORE CORSONES: I think that is a legitimate inquiry because we are now in discussion of this matter.

All the discussion involves at this point is to grant the motion to amend so that it would be amended in accordance with the language just presented to you by Illustrious Sir Maag.

REPRESENTATIVE: However, all I am asking is as to the purpose of this before we vote on it. I do not think many of us understand the reason for this. At least I do not understand it.

IMPERIAL POTENTATE BOWERS: Do you wish to respond to that question, Mr. Lucas?

NOBLE THOMAS LUCAS: Again I fully accept the language in the motion and in the resolution in the Call as presented to you by the committee just a moment ago.

Now, gentlemen, what has happened, if you will read your Call, is that there has been additional language added to what is in your Call which I will ask Noble Maag to read to you again.

... Cries of "no, no"...

NOBLE MAAG: I do not believe they desire to have it read again, Imperial Sir, but by way of explanation and in answer to your question, sir, if you will look at the legislation as it was in the Call, look at paragraph (b), you will notice that it says "this corporation shall pay its pro rata share of expenses of such meetings," and then it has some more language and then the words "as shall be determined by vote of the members in attendance at the meeting."

Now, the words pro rata in there are meaningless inasmuch as they lack clarity. There was no method of calculating the fair and reasonable share of expenses set forth in the legislation.

Now, in relation to the words "pro rata" we had a discussion among several people as to the meaning of the words and the exact method of calculation was there by everyone's standards. Therefore, we felt that the Representatives and members of both corporations should have a knowledge and definite ascertainable method presented to them at each session for making the calculation and we felt

that there was no better qualified group to develop this method of making a fair and reasonable calculation than the Finance and Accounts Committee of both corporations.

Therefore, what we tried to do was to clear up this legislation and give to you, the members, certainty that you would receive expert opinion at every Annual Session, both from General Counsel and the Finance and Accounts Committee.

I trust that will answer your question.

IMPERIAL POTENTATE BOWERS: Are you ready for the vote?

IMPERIAL SIR TURLEY: Imperial Sir, I still have not received an answer to my parliamentary inquiry.

As I have advised you, Imperial Sir, and the proponent, I expect to be permitted to speak in opposition to this proposal and I do not want to lose that opportunity by some parliamentary device I do not understand. (Laughter)

NOBLE TED CORSONES: Let me say that the Imperial Sir did rule and he said this was simply on the question of whether or not to allow the amendment. Therefore, I believe the Imperial Sir did previously answer that question.

IMPERIAL POTENTATE BOWERS: Very well, I will put the question.

All in favor please say aye; contrary no. It is carried and I will now recognize Tom Lucas.

NOBLE THOMAS LUCAS: Imperial Sir and Fellow Representatives: I would like to place this before you and it is Section 505.5, Joint Meetings with Other Organizations.

"If convenient, meetings of this corporation may be held jointly with meetings of any other organization.

"This corporation may pay an equitable and reasonable share of such joint meetings and the expense of such joint meetings shall be as determined by the Finance and Accounts Committee and approved by the members of this corporation.

"General Counsel shall annually render his written opinion to the members of this corporation that the method of calculation of this corporation's share of said expenses will not impair the charitable status of the corporation under the laws of the United States and will be consistent with the Articles of Incorporation and the Bylaws."

I would move the adoption of that language.

IMPERIAL POTENTATE BOWERS: I believe that language has already been moved.

NOBLE THOMAS LUCAS: Then I would move that the amended resolution be adopted.

IMPERIAL POTENTATE BOWERS: I believe that before that can be done, we have to have the report of the Finance and Accounts Committee.

NOBLE MERVIN D. HENNING [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Finance and Accounts, Item 30 on the Call for the Annual Session of 1983 and is located on Page 39 of the Call.

The Finance and Accounts Committee have reviewed the revised proposed amendment and report that the adoption of this amendment would affect both the Iowa Corporation and the Colorado Corporation budgets. The exact amount is now and would be each year, an unknown amount due to the allocation of business transacted by both Corporations.

The proposal would also require this committee to report annually, a method of sharing of expenses between the Iowa and Colorado Corporations to you, the Members and Representatives of these corporations.

Respectfully submitted,
FINANCE AND ACCOUNTS
COMMITTEE

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Thomas E. Lucas, the proponent of the proposal, for an appropriate motion.

NOBLE THOMAS E. LUCAS: I would move the adoption of this proposal.

...The motion was duly seconded...

IMPERIAL POTENTATE BOWERS: Is there any discussion? I will recognize Mr. Turley.

IMPERIAL SIR TURLEY: Imperial Sir, he may wish to support his motion before I speak.

NOBLE THOMAS LUCAS: Gentlemen, as you know and as you are well aware, two years ago the Imperial Council appointed a committee to study and report back to you, make recommendations to you regarding our financial position in the Iowa Corporation. We should have acted last year but we did not and so we have had to, of necessity, dip into the reserve funds of the Iowa Corporation in order to meet our expenses in the Iowa Corporation.

As many of you know, we have always operated and paid all the expenses of the Joint Sessions, the expenses of both the Colorado and Iowa Corporations, have paid them out of the funds of the Iowa Corporation.

Now, when you were sent a report concerning this issue last year, there were seven recommendations made by the committee who made a study of the Iowa Corporation last year—there were seven recommendations made to you present at the Imperial Session at Orlando, Florida.

Now, I am not going to read each one of these because I think all of you have them.

Now, the first recommendation was to raise the per capita tax on the initiation fee paid by the candidates and Temples and then it went all the way down to the last one, Item 7—shall the Iowa Corporation request that the Colorado Corporation reimburse the Iowa Corporation a fair share of the cost of the Annual Joint Session expenses of both corporations?

Now, the idea to present this legislation was not original with me. The idea came from this report and, by the way, I studied it very carefully.

I submitted, by the way, what I thought was correct legislation on February 15, 1982. I asked for an opportunity to appear at that time and discuss it and, as I told you, there was some mix-up in communications and I did not have that opportunity and, therefore, the necessity for the changes made here today.

I also want to say to you today on the very front end that I am the last person in the world that would take a dime away from a crippled child but I also believe that I am a sensible enough businessman to say that I will spend a few dollars to keep 917,000 Representatives and Nobles belonging to 185 Temples working to bring into our Colorado Corporation millions of dollars each year, of which we only use the income from our endowment fund, to carry on the work of our hospitals. To me it is good business.

You know, it is these 917,000 Nobles that wear the red Fez who do ninety-nine percent of the work because all of us sitting here, we some 800 Representatives, every member of the Imperial Council, we are really non-productive labor—we are producing nothing right here except carrying out the necessary legal business to keep those 917,000 men satisfied and happy and bringing funds in for our hospitals.

Now, I sat here yesterday and listened to presentations being made which indicated over \$5 million being donated here on this stage and if you wanted me, for example, to invest that money for one year, I could produce you \$50,000 in net profit—not out of the \$5 million donated but on the money earned and I feel sure each one

of you here would spend \$500 or \$1,000 to keep those 917,000 Nobles bringing money into us.

Now, my second thought, as I worked with this legislation was this—how are we going to control the expense so it is not going to get out of hand and not impair what we already have? That is why I put that restriction in as you heard read today—that the Finance and Accounts Committee must make the recommendation to you after careful study and legal counsel must also report and tell you that we are doing nothing that would impair our status that we enjoy today.

You have been told before at this session that our cost of operating and administering our funds in Shriners Hospitals for Crippled Children, Colorado Corporation, is slightly less than two percent. As a matter of fact, everybody is amazed at the fact that we can do that and, of course, we can do it because we have 917,000 volunteers doing the work and we do not have to pay any labor.

However, there are some administrative things that have to be done here or else you would not need a legal counsel, would not need us up here and all to hold these meetings and run this organization and carry on and administer the Colorado Corporation.

Now, the Representatives that are sitting here represent a very small group of our total organization.

Now, what do you do after you leave here? Well, you go back home, you go back home as a sales manager, you attempt to keep the people in your territories working to produce the working capital required to carry on the work of our hospitals.

Therefore, I do think this is something that would only be fair and proper.

Also, you may notice, in connection with another resolution before you, that if the Iowa Corporation accumulates surplus funds, they must immediately go back to the Colorado Corporation.

I would like to adopt this because I do not think that we can go back to our local Temples and saddle them with the total expense when they have their own problems.

I know that you Potentates and Divans, when you go back to your Temples, will say, "We have to raise our dues structure or add this on," and, as a result, you are creating problems in your own Temples.

Therefore, I think the fair way is to adopt this proposal. I hope you will agree with me because I do think that we need to keep our 917,000 Nobles walking down the streets with a burned child on one side and a crippled child on the other—let people know that they are doing things for the betterment of children and to make them more active members in society in the years to come. Therefore, on that basis, I think this is a worthwhile thing to do.

IMPERIAL POTENTATE BOWERS: I will next recognize Mr. Turley.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs, Fellow Representatives and Members of the Colorado Corporation: If we did not have some things about which we disagree, we would not have to have meetings, would we—one fellow would just decide what he wanted to do and it would all be done.

Now, let me say that my disagreement with my good friend Tom Lucas is in no way personal disagreement, not at all. We have been friends for many, many years and we shall continue to be, even though I oppose his proposal with all I have in me.

Now, some two years ago, you elected me to be a Trustee of Shriners Hospitals for Crippled Children. It was a great honor, which I then appreciated and still appreciate but with it came a sobering responsibility—to act in your behalf as a Trustee, and in my own mind and conscience I would be remiss in meeting that responsibility were I not to oppose this legislation and I would like to tell you why.

The proponent and the committee have been kind enough to let me see copies of the amendment that is before you as Item 30, not only as the language has been amended but also a copy of their report on the resolution.

Now, I think you should bear in mind that while we deal with these things one at a time, if it indeed becomes necessary to deal with the resolution at all, they

are there in the Call together and so there be no mistake about it, the purpose of these two items in the Call, their purpose is very simple—it is to provide the means by which Shriners Hospitals for Crippled Children, a Colorado Corporation, may share in the expenses of this convention of the Imperial Council.

I oppose this for two reasons.

First, while I realize that there is now a provision that the General Counsel must annually render a written opinion that the method of calculating the hospitals' share would not impair the charitable status of the corporation under the laws of the United States and would be consistent, I have been a lawyer now for almost thirty-four years and I know that a lawyer may design a legal method to do a lot of things which are not necessarily ethical or moral.

...Laughter and applause ensued...

Now, we have the situation here which Tom told you about and most of you are already aware of it.

We have the Colorado Corporation, our hospital corporation, which is blessed with an endowment fund that has been growing year by year because of public support for our charity, and then we have the Iowa Corporation that has been going into the hole because we Shriners have not been supporting, in an additional way, our fraternal corporation so there is a temptation to take some money out of the pocket that has some money in it and put it into the pocket where there is none.

Now, each of you were sent a copy of the financial report of both corporations. If you will at sometime look at the combined statement of revenues, expenses and changes in fund balances of the Colorado Corporation, you will see that for 1982, and I assure you this is not an uncommon year in this regard, total revenues in our hospital corporation from life memberships—that is, Shriners and assessments—amounted to 1.9 percent of the total revenues.

Now then, I am telling you that because I want you to know that this endowment fund that has grown and comes from public support is generated by Shriners but then my point is this—the division of monies given to our hospital corporation for the care of crippled and burned children by the public is on our reputation that money will be used for that purpose and so to divert those funds from that stated purpose towards paying expenses of you and me coming to Denver or some other place to have a convention is not moral or ethical, nor right and, in my judgment, it is a breach of trust. (Applause).

One other point and then I will quickly sit down.

We are proud of these Fezes, you bet we are, and we are proud of them and we tell each other and we tell the world we are proud of them because Shriners support Shriners Hospitals.

Now, let us never put ourselves in the position where somebody can say that Shriners Hospitals support Shriners.

My friends, I implore you to not tarnish the image of the Shrine—do not tarnish the image of this noble Order by passing this legislation. Vote "no." (Applause)

IMPERIAL POTENTATE BOWERS: I will next recognize Mr. Singley.

NOBLE JAMES T. SINGLEY [Past Potentate, Hamasa Temple]: I rise for the purpose of saying two or three things and I cannot say what I have to say in less than five minutes.

However, first I must be sure that the record shows that I appeared and opposed these two proposals. I promised my Temple I would do so and they directed me to oppose it because I explained it to them and they were embarrassed about it.

Let me just say this—that we have a history here where we, as Shriners, created our childrens' hospitals many years ago. It was our child and it is still our child here today we have a proposition where we, as parents, are going to dip into our child's pocketbook to support a standard of living that we have created for ourselves and do not want to dig down into our own pockets to support. I do not like that idea, of we, the Shriners, the parents, taking the money of our children and spending it on ourselves. That is what we are doing.

Now, if we were spending the money of somebody else, then it might be different.

For example, I have not been happy with my own conscience since the day we charged the building down in Tampa to the crippled childrens' hospitals but they did not have a place to operate their business from. You know, that belongs to the crippled childrens hospitals and the rent we pay does not even pay a decent reserve on the investment that we put into it.

Now, let me say one or two other things here.

We go out and we tell the public that ours is the greatest charity on earth because we spend our money on charity and not on all kinds of other things, like so many other charities do. They get criticized for so doing all of the time.

However, we have something that distinguishes our charity from all the others and that is we spend the monies donated to us for the purposes for which they were given and we do not ladle off the top all the goodies for all these outside things.

You have a proposal in here to raise money by doing other things. Surely we are not trying to dip into our childrens' pocket to save a dollar and fifteen cents at a time like this.

Gentlemen, I am embarrassed that this thing even got put into the Call but I cannot help but think that if we had people like Galloway Calhoun, Harvey Beffa, George Mattison, George Klepper, Harold Close and many others who have built this type of image for our charities here, you would not have dared put such a thing on the floor with them here.

Gentlemen, please do not permit this thing to happen and convert our charity, which is the greatest charity in the world, to just another charity. Let us keep what we have, be proud of it and do not tarnish our Fez.

Thank you. (Cheers and applause)

IMPERIAL POTENTATE BOWERS: Let us have one more and I will recognize Mr. Maag.

NOBLE EDWARD MAAG: Imperial Sir, Imperial Sirs and Representatives, I speak to you as a member of the Colorado Corporation for sixteen years. I will not be long. I was General Counsel of this corporation for six years, the proudest six years in my life.

Today we are the world's greatest philanthropy and I know it, know it inside and out, and I know that about eighty-five cents out of every dollar in our funds, about eighty-seven cents is the money of other people, is not Shriners' money.

They have given it to us for about seventy-five years. This was made the greatest philanthropy and the most successful because our forebearers said to our potential donors, "Our charity is going to be the purest charity on the earth," and, of course, it is.

Now, some time ago the IRS auditors came in, checked our books and found we had the lowest administrative expenses in their history. They audit many, many charities and found we were the best.

Now, we also made a pledge to all of these millions and millions of people some seventy-odd years ago. We said to them, "You put your money in trust with us and we will assure you we are going to spend it for charitable purposes and the fraternity will not even encroach on it." That is why we have the sums of money that we do.

Now, the Board of Directors of the Colorado Corporation and the Board of Trustees asked me, as General Legal Counsel, to render an opinion on this subject to them on three different occasions in the last few years and I have the written opinion in my hand. Now, I am not going to take the time to read this written opinion but, believe me, I wrote a legal opinion which involved my best professional judgment and I merely want to read one paragraph from it to you:

"We have endeavored down through the years to separate the two corporations to the maximum extent in order to assure our charitable supporters, our donors and testators who remember us, that their funds intended for the care and treatment of crippled children would be eternally dedicated to that purpose alone, independent of the fraternal corporation, the Iowa Corporation, which created and supports the philanthropy."

I beseech you, vote "no" in relation to this proposal. (Applause)

IMPERIAL POTENTATE BOWERS: I will again call on Mr. Corsones.

NOBLE THEODORE CORSONES: My fellow Representatives, once again the Imperial Potentate has asked me to make sure, and I know you do, that you fully understand the vote you are about to take.

The issue before you is whether or not you will adopt Item 30 as amended, which is to allow for the sharing of expenses of this session between the two corporations as proposed. If you vote "yes" you are voting to do so; if you vote "no," you are voting not to do so.

...The question was severally called for...

IMPERIAL POTENTATE BOWERS: Well, all right, gentlemen, you apparently are ready to vote. There has been a call for the question.

All those in favor of this proposal please say aye; opposed no. The proposal is defeated by a large majority. (Applause)

NOBLE THOMAS E. LUCAS: Imperial Sir, inasmuch as we defeated the previous item, Item 30, I would now like to ask this body to withdraw by unanimous approval Item 31 as contained in the Call. (Applause)

IMPERIAL POTENTATE BOWERS: The Chair will recognize Mr. Corsones.

NOBLE THEODORE CORSONES: Imperial Sir, thank you.

As you have heard us say a number of times during this session, once a proposal is in the Call, it is your proposal and you are the only body that can allow it to be withdrawn or otherwise you take action.

Now, Illustrious Sir Tom Lucas has requested that you grant permission to withdraw this from further consideration. It requires your unanimous consent. With that, the Imperial Potentate will receive your vote at this time.

IMPERIAL POTENTATE BOWERS: You have heard the request of Mr. Lucas and the explanation by Mr. Corsones.

All in favor of withdrawal please say aye; opposed no. I will declare the motion unanimously carried and the proposal will therefore be withdrawn.

IMPERIAL SIR POWELL: Imperial Sir, while the Potentate of this fine Temple is with you and has just presented that check to you, I would like to make this remark—that as Chairman of the Special Purpose Committee, that I sure can understand very, very well that throughout the year we are called upon many times to assist in making a determination in some instances as to the projects that may be had under special purpose and distribution of the funds. This particular Temple, through the efforts of the Potentate, Divan and particularly the Recorder, has done one of the most outstanding jobs that the Special Committee knows of this past year and under the most adverse of circumstances. They deserve a round of applause and would you please join me in doing that. (Applause)

NOBLE GORDON H. HARRIS [Bahia Temple]: I am the Potentate of Bahia Temple and we had two functions directly related to the raising of funds for our hospitals. We had a paper sale and we had a Hundred Million Dollar Club Banquet and last year, for the first time, Shriners Hospitals became the charitable beneficiary of our Tangerine Bowl, which is an NCAA post-season bowl game played in Orlando approximately one week before Christmas. The name of that game has now been changed to the National Citrus Bowl Game. However, any of you who have listened to the television concerning this game know that it is being played for the benefit of our hospitals.

Now, with regard to this game, we were pleased to previously forward you a sum of \$250,000 as a result of that ball game and paper sale. Thank you. (Applause)

NOBLE GEORGE D. VANN, JR. [Potentate, Alcazar Temple]: Imperial Sir, I am George Vann, Potentate of Alcazar Temple of San Antonio, Texas, and I am pleased to present you with this check of \$100,000 as the result of our efforts. (Applause)

(Applause)

NOBLE L. J. FACIANE [Potentate, Habibi Temple]: Imperial Sir, I am the Potentate of Habibi Temple and I have here a check in the amount of \$41,000 that I am proud to present to you, Imperial Sir, for our hospitals. As all of you know, Habibi Temple is also the Temple of our Imperial Sir Voris King and I would like to have him come up here and join us as this picture is taken. (Applause)

NOBLE WILLIAM G. BELLAMY [Potentate, Islam Temple]: Imperial Sir, it gives me a great deal of pleasure to introduce the Potentates of the other Temples involved in the East-West Game. We are here to make a presentation with regard to the East-West Game but before I do, I would like to thank all of the Potentates representing all of the Temples that put in their programs the words "Watch the East-West Game." Our rating concerning television is dependent on people watching this game and this is where a good part of our funds come from. Now, Imperial Sir, on behalf of those involved with the East-West Game, we would like to present you a check of \$275,314.96. (Applause)

NOBLE J. D. PHILLIPS [Potentate, Al Menah Temple]: In behalf of Al Menah Temple, I present you the proceeds of the paper sale in the amount of \$450,000. (Applause)

NOBLE McCLERON SEBASTIAN [Potentate, Sabbar Temple]: Imperial Sir and Fellow Representatives: Sabbar Temple of Tucson, Arizona, at this time is happy to present you with a check in the amount of \$35,000. (Applause)

...Business was transacted in the Iowa Corporation at this time. . .

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: I do not want you to be confused because the figures which I gave you yesterday on the capital reserve are different than the ones that were just presented to you.

I gave you a pro forma of where we stood on the capital reserve right now. However, I can assure you there is no difference in my figures and those of the Finance and Accounts Committee.

The figures which I quoted to you were slightly more conservative and so I assure you there is no difference.

IMPERIAL POTENTATE BOWERS: Thank you, Webb.

IMPERIAL POTENTATE BOWERS: I will now recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: I move that all of the acts and transactions of the Officers—of those who acted as Officers, Directors and Trustees of the Colorado Corporation for the past year and those taken at this session be ratified and approved.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: I move that we strike from the roles those who have failed to register as a member of the Colorado Corporation pursuant to our Imperial Bylaws, Section 504.2.

ANNUAL REPORT OF WEBBER C. HARRINGTON
TREASURER, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
JANUARY 1, 1982-DECEMBER 31, 1982

Imperial Potentate Daniel E. Bowers, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Ninth Annual Imperial Council Session at Denver, Colorado, July, 1983.

IMPERIAL SIRRS, ILLUSTRIOUS SIRRS AND NOBLES:

The details regarding the financial position of the Shriners Hospitals for Crippled Children and the results of operations of our hospitals, together with supplementary data, are included with the report of our auditors, Main Hurdman, which is a part of this Book of Reports. As I indicated to you in my first report as Treasurer last year, it is my intent to avoid in this report a repetition of information contained in the financial reports of our auditor and the Finance and Accounts Committee, but rather to provide an overview of the financial affairs of Shriners Hospitals for Crippled Children.

I wish to express my appreciation to our Imperial Potentate, Dr. Daniel E. Bowers, and the Chairman of the Board of Trustees, W. W. Bennett, for their continued strong support with respect to all matters of fiscal responsibility and financial planning. We are fortunate indeed to have the leadership and expertise of Past Imperial Potentate Randolph R. Thomas, Chairman, and the members of the Investment Committee, who with the strong staff support of Executive Vice President, Lewis Molnar and Controller, John Cawood, have continued to oversee our investments in an outstanding manner. During the year, after a thorough investigation, we implemented a master custodian arrangement on a pilot basis with two master custodians. We hope to determine from these pilot programs whether it is feasible to establish our own in-house master custodianship. Our goal is to increase income, attain maximum security over the custody of securities, and improve performance evaluation of our investment managers.

With respect to performance evaluation, our internal bank evaluation data processing program has been changed to provide time-weighting of asset additions, so that we more accurately measure the performance of each investment manager. As a result of improvement in processing of the evaluation data, the Bank Evaluation Committee will hereafter meet quarterly to review the performance of our investment managers. We have continued to consolidate investment managers and have thereby increased the earnings of our endowment fund.

We have attempted to improve our budgeting procedures by conference calls between our Budget Committee and the local hospital units' Budget Committees and in certain cases, by personal visits by the Treasurer, Executive Vice President and Controller. As a result, we have to a major extent attained agreement on budgets and have reduced requests for interim appropriations. Hospital unit budgets are now being allocated on a historical basis rather than on even allocation over a twelve month basis. This change will be improved as we increase our data base.

We have made projections for ten years into the future, based upon several different assumptions with respect to inflation rates, investment income, new or rebuilt hospitals and extension of services in our hospitals. These projections have been used as a guide to our Planning Committee in formulating a sound program of building or rebuilding our hospitals within our financial capabilities. Thanks to the outstanding work of our Endowment, Wills and Gifts Committee, and the fine performance of our Investment Committee mentioned previously, an exciting rebuilding and upgrading program for Shriners Hospitals will be presented at the One Hundred Ninth Annual Imperial Council Session. We will continue to update our projections to make sure that we look at our financial requirements realistically and work and plan accordingly. It is apparent that we as Shriners have a great deal of challenging work to do.

Respectfully submitted,

Yours in the Faith,
WEBBER C. HARRINGTON, *Treasurer*

**THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1982 and 1981, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

It is the Hospitals' usual policy to recognize gains and losses on securities transactions only at the time of sale. However, as more fully described in Note 9 to the combined financial statements, the Hospitals recognized certain securities losses in 1981 even though the securities had not been sold.

In our opinion, except for the recognition of certain unrealized losses from securities in 1981 as discussed in the preceding paragraph, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1982 and 1981, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Combined Organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All organizations are exempt from federal income taxes.

Gifts and Bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit and an equal amount is transferred from revenues designated for operations to investments.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. Other securities are carried at cost (or estimated market value at date of receipt).

Property, Plant and Equipment—Property, plant and equipment are carried at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred whereas significant renewals and betterments are capitalized. Deduction is made for significant retirements resulting from renewals or betterments.

Deferred Charges—The Hospitals sometimes incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Pension Costs—The Hospitals fund pension costs accrued on its noncontributory pension plans covering substantially all U. S. and Mexican employees.

Funds Designated and Restricted for Investment—The Hospitals, under policy established by the Board of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations. Receipts from gifts and bequests are designated as funds held for transfer pending permanent investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

2. FOREIGN CURRENCY TRANSLATION

In 1982, the Hospitals changed its method of accounting for foreign currency translation in accordance with Statement of Financial Accounting Standards No. 52. The effect of the change on the combined balance sheet is as follows:

Cumulative foreign currency translation adjustment relating to prior years	\$3,113,718
Current year adjustment	937,705
Balance, December 31, 1982	<u>\$4,051,423</u>

The cumulative foreign currency translation adjustment has been allocated to the various components of fund balance. Prior years' financial statements have not been restated. The combined statement of revenues, expenses and changes in fund balance has been charged with an additional \$1,515,701 to recognize the change from historical to current foreign exchange rates on the accounting for certain investments.

3. MARKETABLE EQUITY SECURITIES

Marketable equity securities included in noncurrent assets at December 31, 1982 and 1981, carried at cost (or estimated market value at date of receipt) are summarized as follows:

	1982	1981
Market value	\$693,248,190	\$538,478,284
Cost (carrying value)	571,971,859	500,807,627
Net unrealized gains	<u>\$121,276,331</u>	<u>\$ 37,670,657</u>
Unrealized gains	\$137,689,242	\$ 70,555,281
Unrealized losses	16,412,911	32,884,624
	<u>\$121,276,331</u>	<u>\$ 37,670,657</u>

4. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment consisted of the following:

	1982	1981
Land	\$ 2,814,632	\$ 2,712,834
Buildings	69,580,786	66,929,826
Construction in progress	23,047,217	10,202,777
Equipment	22,588,808	19,905,439
	<u>\$118,031,443</u>	<u>\$ 99,750,876</u>

Depreciation, based on rates shown below, was:

	1982	1981	Rates
Buildings and improvements	\$1,759,301	\$1,446,734	2.5 to 3.5 percent
Equipment	1,348,231	1,127,452	6.25 to 8.8 percent
Total charged to expense	<u>\$3,107,532</u>	<u>\$2,574,186</u>	

During 1981, the new Chicago Hospital unit was completed at a total project cost of approximately \$16,250,000 and the old unit building abandoned, resulting in a loss of \$1,024,895.

5. CAPITAL RESERVE FUND

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. Beginning in 1982, by action of the Board of Directors, all investment income of the Capital Reserve Fund is to be retained within the fund for future hospital construction. Previously this investment income was designated for operations.

The Board of Directors approved transfers of \$40,000,000 and \$17,000,000 from funds designated for operations to the Capital Reserve Fund in 1982 and 1981, respectively. These transfers were made to fund future hospital construction.

Construction and major renovations committed to by the Board of Directors totalled \$102,391,937 at December 31, 1982. The following summarizes these commitments:

<i>Unit</i>	<i>Nature</i>	<i>Appropriated</i>	<i>Unexpended</i>
Los Angeles	Replacement unit	\$ 32,200,000	\$ 29,170,981
Montreal	Renovation	8,224,000	8,159,134
Portland	Replacement unit	16,822,964	1,190,141
Cincinnati	Expansion	10,000,000	9,791,383
Southeast	New and replacement units, land	50,000,000	48,139,551
Other	Renovation and expansion	8,192,190	5,940,747
		<u>\$125,439,154</u>	<u>\$102,391,937</u>

The amount approved for Southeast area projects includes a new orthopedic hospital in Tampa, a replacement of the Shreveport unit and acquisition of land in Greenville for a future replacement unit. The renovation of the Montreal unit will be paid for by funds presently designated for investment in Canadian banks.

6. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$368,642 and \$334,077 were due from the Imperial Council as of December 31, 1982 and 1981, respectively, representing collections due the Hospitals, net of shared costs.

7. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Total aggregate contributions to the Plan for the years ended December 31, 1982 and 1981, amounted to \$1,680,056 and \$1,346,365, respectively. The Hospitals have no past service liability. At June 30, 1982 and 1981, information regarding the Plan which excludes the current year contribution is as follows:

	1982	1981
Actuarial present value of accumulated benefits:		
Vested	\$ 7,221,268	\$ 6,080,544
Nonvested	103,294	168,872
	<u>\$ 7,324,562</u>	<u>\$ 6,249,416</u>
Net assets available for benefits	<u>\$18,715,014</u>	<u>\$17,465,394</u>

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 13% for both 1982 and 1981.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. The unfunded vested accrued liability of this plan amounted to \$7,561 as of June 30, 1981. There was no unfunded vested accrued liability as of June 30, 1982.

8. OTHER LIABILITIES

Other liabilities at December 31, 1982 and 1981, include annuities payable of \$1,060,464 and \$779,832, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$2,881,570 and \$2,971,029 at December 31, 1982 and 1981, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

9. RECOGNITION OF LOSSES ON SECURITIES

Gains and losses from securities transactions are normally recorded only at the time of sale. However, in connection with the transfer of certain securities between investment management accounts, losses in the amount of \$2,870,196 were recognized during 1981, even though the securities were not actually sold. The recording of these losses had the effect of understating the carrying value of investments and overstating the losses realized on investments by the same amount. Gains and losses on transfers of securities between investment management accounts in 1982 were insignificant to the financial statements.

10. ACCOUNTING CHANGE

In 1981, the Hospitals, in accordance with Financial Accounting Standards No. 43, began accruing a liability for employee rights to receive compensation for future absences. In this regard, an adjustment of \$689,147 was charged to operations representing the cumulative effect of the new method on years prior to 1981.

11. CONTINGENCIES

The Hospitals are a party to various claims and legal actions arising in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance, or if not covered, are without merit or are of such kind, or involve such amounts that unfavorable disposition would not have a material effect on the financial position of the Hospitals.

ACCOUNTANTS' REPORT ON INFORMATION ACCOMPANYING
THE BASIC FINANCIAL STATEMENTS

Our examinations of the basic financial statements presented in the preceding section of this report were made for the purpose of forming an opinion on such financial statements taken as a whole. The accompanying information shown on pages 11 through 16 is presented for purposes of additional analysis and is not a required part of the basic financial statements.
